ATHLETIC BOARD HOLDS MEETING

Dual Meet With Colby Arranged
for May

NO COACH CHOSEN

The Athletic Board of the University of Maine held a meeting in the club room of the library Tuesday evening, March 2. It was decided to hold a dual meet with Colby College at Waterville on May 1. This event will arouse great interest as it will give newspapermen and other critics a chance to judge as to the relative merits of Charlie Rice and Irving Howe. Cohn, the Colby coach, asserts that Howe has never been in better condition and predicts a victory for the former Boston English High star. Art Smith refuses to pick a winner but says that Rice will run the race of his life.

Another contest that will arouse much interest will be when Kent Royal, the Colby captain and French, the Maine star compete in the high and low hurdles. Last year Royal won both races but French who was then a Freshman competing in a hurdle race for the first time, has improved wonderfully since then.

Frank Preti and O'Brien, the former Lawrence, Mass., high school and Holy Cross star, will contest the two mile run. Preti is picked by most as an easy winner but he will have no snap with the Colby star.

The board came to no decision in regard to the selection of a football coach for next season. It is expected, however, that Ernest or "Tommy" Hughtitt, the University of Michigan famous kicker and quarterback, will be the ultimate choice. Hughtitt is noted for his brilliant field generalship and it is believed this choice would be a popular one.

BASKETBALL TONIGHT

Two Fast Games Promised

The regular scheduled games on the basketball program will be played Friday evening, March 5, in the gymnasium. It has been erroneously reported that there will be no more basketball. This statement is not true. In spite of the fact that certain papers gave undue emphasis to the unfortunate happenings of last Friday night, this will not, in any way, keep the basketball schedule from being carried out.

The first game tonight will be between the Juniors and Freshmen and a great contest is to be expected. The Freshmen will work hard to wipe out their first defeat by the Juniors and with their greatly strengthened team the result is doubtful. In the second game the Sophomores will do their best to beat the Seniors and thus increase their standing. The Senior, Junior and Sophomore lineup will probably be the same as last week. The Freshmen lineup has not been decided upon but McCarthy may be substituted for Campbell.

The standing at present is as follows:

Class	Won	Lost	Per cent
Juniors.....	3	0	1.000
Freshmen.....	2	1	.666
Seniors.....	1	2	.333
Sophomores.....	0	3	.000

Thus it may be seen that next Friday's game may make quite a change in the standing.

TO PLAY "MOSE"

College of Arts and Sciences to Put
on Play

The College of Arts and Sciences is preparing to give its annual play. The production this year is to be a clever comedy playlet entitled "Mose." It is a reproduction in three scenes, of college fraternity life. Professor Garret W. Thompson is to coach the candidates. Already the services of such artists as J. E. Doyle, Miss Ruth Brown, Joseph McCusker and several others have been enlisted to fill the 11 male and 10 female roles. "Mose" will be staged about Easter, probably not long after.

It looks as though hockey were all over for the season. The unsafe condition of the ice renders any more games very doubtful. It is hoped however, that the start made this year will lead ultimately to a regular hockey schedule, next year, possibly and that it will become soundly established as a varsity sport.

BLUE BOOK REVIEWED

Contributor Criticises Literary
Magazine

The recent revival of The Blue Book is a credit to the board of editors and should point the way toward the permanent establishment of a literary magazine at this University, which would compare favorably with those published by other institutions. Certainly, it is a step in advance and one that should have been taken long ago. It is almost disgraceful to think that a University as large as this can not publish a literary magazine occasionally, when every preparatory and high school in this state supports such a paper.

There are, however, some general remarks or criticisms that might be made regarding The Blue Book. In the first place it seems that each of the editors ought to have been able to write a story or poem that could have been included. This would have made the issue appear more balanced to the average reader. It would have done away with the feeling that one person's writings predominated as is the case. This is not unfavorable criticism of the contributions by Miss Hanly but means that one person cannot write all things equally well and so through his writing make the general impression of strength that the writings of various people having numerous and varying points of view would make.

The stories of Mr. Gould and Mr. Packard are interesting in comparison with each other. Both relate to prison life, but treat different phases of it. One has its scene laid within the prison walls, while the other keeps before the reader the feeling of the prison life the action taking place close by the prison.

The only two stories which were not written by students are by Lincoln Colecord and A. N. Smith. These certainly are quite different and lend some variety to the magazine. The article by Lincoln Colecord is disappointing in some ways, although the thoughts expressed in the opening paragraphs are well worth considering by anyone. This disappointment lies in the fact that he does not tell the concrete details regarding the publishing of the original Blue Book, which would make apparent the difference between the older publication and this revival of it.

One of the most pleasing features of the issue was the editorial expression. The three articles are well written and are a discussion of some topics pertinent to the University which are well worth discussion by students and faculty alike. Comment is made that has been needed for some time. Not only is comment made, but the facts and actual conditions are so stated that no one can help feeling that the writer is right.

It is hard indeed to tell which story is the best. General opinion would probably choose Venetian Bells by Miss Hanly and The Test by Ansel Packard as having the most appeal.

On the whole the revived Blue Book shows that there is an appreciation of literature by the students and that there can be published at the University of Maine, a literary magazine of merit.

CLUB FORMED

Republicans Hear Col. Parkhurst

A very enthusiastic Republican Rally was held in the large lecture room in Coburn Hall, Thursday evening. The speaker was Col. Parkhurst of Bangor, chairman of the Republican State Committee. He gave a very interesting talk on the history of politics in the United States, the origin of the different parties, and the split which occurred in the Republican Party. Col. Parkhurst is owner of the Parkhurst Trunk Company of Bangor and is very interested in politics here at the University.

As an outcome of the rally, a Republican Club was formed. The object of the club is to arouse more interest in politics at the University. It is planned to have several prominent Republican speakers come to Orono and speak before the students. A committee of five were elected to draw up by-laws and to frame a constitution, to be submitted for approval at the next meeting.

H. E. Rollins, '16, was elected temporary chairman, and W. C. Jones, '17, temporary secretary. The committee on the by-laws and constitution are: Prof. G. W. Stephens; R. H. Varney, '15; B. E. Barrett, '16; H. G. Lackee, '16, and E. D. Potter, '16.

S. S. McCURE TO TALK IN CHAPEL ON TUESDAY

"Magazine Making" to be His
Subject

REVIEW OF HIS CAREER

"There are a thousand and one anecdotes at Mr. McClure's disposal and we want them all." This sentence appeared two years ago in the pages of "The Bookman" and had reference to the autobiography of S. S. McClure, then appearing in "McClure's Magazine." This same statement may well be applied to the students who are looking forward to hearing Mr. McClure on Tuesday, March 9, at chapel. To quote the same article "we are looking for Mr. McClure to tell us stories not only of many men but of many stories." His topic is to be "The Making of a Magazine."

Samuel S. McClure was born in Ireland in 1857. He received his education at Knox College. In 1884 he established the McClure syndicate, which was the first newspaper syndicate in America. Since 1893, he has been president of the S. S. McClure Company. He founded McClure's Magazine of which he is now editor, in 1899. He has been a trustee of Knox College since 1894. Mr. McClure is a member of the Union League, Cosmos and University Clubs, in New York City.

Position Stated

In the following letter James A. Gannett, the Treasurer of the Athletic Association has explained in as brief a manner as he can the positions which the Athletic Board, Treasurer and Athletic Director and the Association as well, are in. The consideration and cooperation of the student body is asked for.

Orono, Mar. 3, 1915.

Editor of Campus:

The athletic tickets for the spring semester have recently been mailed, and I would like to present the financial side of the athletic situation to the student body through the columns of the CAMPUS.

During the past few years, the University has been fairly successful in several branches of major sports, but not, however, without a considerable expenditure of money, and the Association is at present approximately \$1,000.00 in debt. It is possible that those in charge of the finances of the Athletic Association are open to criticism, but as the sources of income in an association of this kind are extremely variable, it is very difficult to plan a wise and efficient outlay of available funds. We are endeavoring to place the association on a sound basis and profit by the lesson of the past. We ask your cooperation in reducing the debt of the Association. During the past few years, the University authorities have rendered valuable assistance, but we cannot look for this to continue unless our debt is reduced. It will be necessary during the next year to curtail expenses until this is accomplished, and we are obliged to make our outlay in proportion to our income. We do not wish any who are financially unable to support athletics, but for those who are able, and through neglect, or carelessness, have not helped, we want their support.

We ask each member of the student body to carefully consider the situation, and to feel that their complete cooperation is needed.

Sincerely yours,
J. A. Gannett, Treasurer.

TICKETS OUT

Blanket Tax Committee Has New
Arrangement

The blanket tax committee, composed of J. S. Crandall '15, J. L. Gulliver '15, E. A. Clifford '15, I. C. McDonald '16, and F. P. Loring '16, this week issued the spring blanket tax tickets. This year the athletic board has inaugurated a slightly new arrangement. If students to whom the tickets are issued, desire not to use them, they must return the tickets to committee before March 10. Otherwise the retention of the tickets after that date will make the holders liable for payment. By action of the Athletic Board the student is allowed until April 9, to pay for his or her assessments. If at that time, the ticket does not bear the stamp of the blanket tax committee, the ticket becomes null and void.

THETA CHI WINS AGAIN

Maintains Lead over Beta's and
Kappa Sigma

By all around supremacy in the track events, Theta Chi increased her lead perceptibly in the second of the interfraternity meets held Saturday in competition for the beautiful silver loving cup which is offered by the University Track Club to the fraternity aggregating the greatest number of points in all four meets, the other two occurring on the next two Saturdays. As was the case last week, Pat French was the individual star and annexed 16 of the 38 1/2 points credited to the Theta Chi total. Beta Theta Pi got 22; Kappa Sigma 14. Phi Eta Kappa 11; Sigma Chi, 10; Lambda Chi Alpha, 10; Delta Tau Delta, 9. Phi Kappa Sigma, 3; Sigma Alpha Epsilon, 3; Sigma Nu, 1.

The interest was at its height Saturday and the largest crowd that has ever witnessed an interfraternity meet saw the races. The performance of French in the broadjump, when he covered 21 feet one and a half inches, was the feature and if allowed to stand, this would be a new record for indoor competition. A record must be made in interclass or intercollegiate competition, however. As stated, French was the highest individual point winner, with Bob Hutton second with 11 1/2.

Pole Vault—Won by Hutton, Theta Chi; Roberts, Beta Theta Pi, 2nd; Richardson, Sigma Nu, 3rd.

High Jump—Won by Hyson, Kappa Sigma; Palmer, Kappa Sigma, 2nd; Head, Beta Theta Pi, 3rd.

Broad Jump—Won by French, Theta Chi; Pierce, Sigma Chi, 1nd; Rowe, Beta Theta Pi, and Hutton, Theta Chi, tied for third.

Shot Put—Won by Allen, Beta Theta Pi; Bailey, Beta Theta Pi, 2nd; Green, Delta Tau Delta, 3rd.

45-yard Dash—Won by French, Theta Chi; Doyle, Theta Chi, 2nd; Hutton, Theta Chi, 3rd.

880-Yard Run—Won by King, Theta Chi; Preti, Phi Eta Kappa, 2nd; Dempsey, Sigma Chi, 3rd; Bell, Kappa Sigma, 4th.

45-yard Fat Man's Race—Won by Croteau, Lambda Chi Alpha; Ames, Beta Theta Pi, 2nd; Gulliver, Beta Theta Pi, 3rd.

45-yard High Hurdles—Won by French, Theta Chi; Small, Phi Kappa Sigma, 2nd; Head, Beta Theta Pi, 3rd.

Snowshoe Relay (440 yards to each man)—Jones, Fides, Page, and Coffin, Phi Eta Kappa, defeated Morse, Foss, Mansfield, and Erswell, Theta Chi.

Sack Race—Won by Blanchard, Lambda Chi Alpha; Spiers, Delta Tau Delta, 2nd; Palmer, Kappa Sigma, 3rd.

45-yard Dash for Freshmen—Won by Hutton, Theta Chi; Rowe, Beta Theta Pi, 2nd; Jones, Kappa Sigma, 3rd.

150-Yards—Won by Wunderlich, Sigma Chi; Libbey, Sigma Alpha Epsilon, 2nd; Bell, Kappa Sigma, 3rd; Robey, Kappa Sigma, 4th.

390-yard Run—Won by Leacock, Delta Tau Delta; Totman, Phi Eta Kappa, 2nd; French, Theta Chi, 3rd.

Hammer Throw (16 pounds)—Won by Bailey, Beta Theta Pi; Stanley, Beta Theta Pi, 2nd; Green, Delta Tau Delta, 3rd.

CHALLENGE

As it has been the custom during the past few years for the freshmen and sophomores to hold an annual debate on some topic of general interest, the class of 1918 has issued a challenge to the class of 1917, to a joint debate to be held in Alumni Hall, some evening in the latter part of April. In the event of the acceptance of this challenge, the exact date will be decided upon by representatives from both classes.

The message to the sophomores follows: "The following question is submitted for the approval of the class of 1917: *Resolved*, that the United States government should build at least four dreadnoughts and a proportionate number of submarines and auxiliaries each year, beginning in 1916. As is customary, the class challenged is given the choice of sides.

(signed) "Lee Vroman, Chairman of 1913 debating committee, C. S. Phillips, Pres., class of 1918."

Professor Huddleston Ill

Professor Huddleston has been unable to meet his classes for several days, because of an attack of grippe.

TRACK CLUB TO GIVE CABARET

Mrs. E. J. Mason to Arrange Pro-
gram for Track Club

NOVEL FEATURES ASSURED

The Track Club will hold a Cabaret on Friday evening March nineteenth. This decision was made for two reasons. The Track Club must have more money if it is to carry out its usual work, and this work is of the greatest importance. In the second place the last cabaret was a success both socially and financially.

Mrs. Mason has taken charge of the affair and she promises, besides several novelties and some entirely new exhibition dances, an original skit by A. F. Hanson '15, and another by J. E. Doyle '15 and J. A. McCusker '17. Some lively music will be furnished by H. C. White '15, and F. B. Haines '18, A. H. Harmon '18, will give a burlesque musical act. This entertainment will be entirely different from the entertainment at the previous cabaret.

Besides these new skits there will be a much longer time for dancing than before. The music will be furnished by the University orchestra. The Track Club offers a trip to the theatre, a dance, and a feed all crammed into one evening, and all three for the price of one. Here is your chance to help Maine.

Tables should be reserved as soon as possible.

THIRD MEET SATURDAY

Theta Chi Expected to Hold Lead

Interest among the students in anticipation of the third interfraternity meet to be held tomorrow, is keen. Theta Chi is now in the lead, having an advantage of 23 1/2 points over Beta Theta Pi, next on the list. It is generally believed that the boys from the upper end of the campus can not be headed now and that they will be the possessors of the silver loving cup furnished by the Track Club and which is now on display at the University store.

The list of events is practically the same as that of last week with the exception of the 1000 yard run and the elimination of the fat men's race and the snow-shoe race. The sack race will be retained and thus the comedy element will not be lacking. The 390 yard run will be run in heats so that the difficulty of having too many men on the track as on last Saturday, will be done away with. Beta Theta Pi will make a strong effort to cut down Theta Chi's lead and Kappa Sigma cannot be counted out of the running as Charlie Rice will be back next Saturday to gain points for his fraternity. On the whole the meet promises to be very closely contested.

New Sorority Organized

Alpha Theta, a local sorority recently organized at the University of Maine, has placed a petition with Delta Delta Delta for admission as a chapter of that national sorority. The petitioning group is under the supervision of Mrs. Hudson, Worcester Mass., National Vice President of Delta Delta Delta.

The members of Alpha Theta are Misses Neva Browning, Ava Chadbourne, Olive Coombs, Lucretia Davis, Frances Smart, Mary Sargent, Arace Gibbs, Ruby Howard, Thelma Kellogg, Marie May, Jessie Pinkham, Mary Thanum.

Bowdoin Football Coach

Thomas J. Campbell, Harvard, '12, has been chosen coach of the Bowdoin College football team for next fall. Campbell was one of Houghton's staff of assistants last fall, having charge of the backfield men. Campbell was injured his last season at Harvard, being forced to retire in both the Princeton and Yale games because of a muscle bruise on his thigh. After graduating from Harvard, Campbell coached at Morristown, N. J., where he developed a school team which won the championship of New Jersey.

Schedule for Tuesday

Tuesday forenoon, March 9th
First Period, 8.00 to 8.40.
Second Period, 8.45 to 9.25.
Chapel, 9.30 to 10.30.
Address by Col. S. S. McClure, "The Making of a Magazine."
Third Period, 10.35 to 11.15.
Fourth Period, 11.20 to 12.00.

HAS VARIED EXPERIENCE

W. B. Oleson, 'ex-'72, Has Lead Useful Life

William B. Oleson, ex-1872, is one of the representatives of the University of Maine who has led a useful life which has taken him far from the surroundings of his youth.

Mr. Oleson was born in Portland, Maine September 9, 1851, prepared for college in the Portland high school, and entered the University of Maine with the first class, in the fall of 1868. He remained for two years. For the succeeding two years he was in newspaper work and the wholesale grocery business. He taught in Illinois from 1872-4, when he entered the Oberlin Theological Seminary from which he graduated in 1877. Upon graduation, he accepted the pastorate of the Congregational Church at Gambier, Ohio, but after a few months was obliged to give it up on account of nervous prostration. In 1878 he became principal of the Hilo Boarding School where his work was so successful that he was elected principal of the newly organized Kamehameha School, at Honolulu, of which he was principal from 1886 to 1893. His work was of a pioneer character and was particularly valuable in the field of manual training and industrial education. The Kamehameha School owes its position as the leading school in Hawaii largely to his pioneer work.

Mr. Oleson returned to the United States in 1893, was engaged in newspaper work, book publishing and lecturing for a time, was pastor of the Belmont Congregational Church, Worcester, from 1894 until 1898, and of the Warren, Mass., Congregational church from 1898 to 1905. He supplied Congregational churches in Ware and Holyoke in 1906-7, and in 1908 was elected General Secretary and Superintendent of the Hawaiian Evangelical Association (Hawaiian Board). This Association has charge of the various Evangelical churches in the Hawaiian Islands.

Mr. Oleson's work during the period of his administration has been of a most effective character. A glimpse of the efficiency of his early work in Hawaii is given by the fact that the position of Minister of Foreign Affairs was offered him in Kamehameha's Cabinet in 1888, a position which he declined.

He is to have a four months' leave of absence this summer, and plans it so that he will be present at the 1915 Commencement exercises.

SENDS PLANT SPECIMENS

Alumnus Gives Material to Biology Department

One of the ways in which alumni can make themselves useful to their alma mater is illustrated by the recent gift to the department of biology of a collection of pressed plants from the Philippine Islands, announced by Prof. M. A. Chrysler. These specimens are contributed by E. D. Merrill, a member of the class of 1898, who has for several years held the position of botanist in the Bureau of Science of the Philippines. Mr. Merrill had already obtained for the department of biology some rare material of tropical ferns, and now sends a collection of more than one hundred specimens selected to illustrate certain features of tropical vegetation. The plants are now being mounted on sheets for permanent preservation in the herbarium of the department.

NEW FEATURES PLANNED

Farmers Week Program to Cover all Next Week

The Annual Farmers' Week program, which is to be opened Monday on the campus, will continue to the end of the week. Several special features have been arranged, among them a specified day, Wednesday, for the florists; separate meetings for the home Economics section on Tuesday, Wednesday, Thursday and Friday; and a special day, Tuesday, for meetings of farmers' business organizations.

A list of the speakers has been printed in THE CAMPUS, and copies of the program may be obtained at Winslow Hall, where meetings are to be held. Many visitors are expected for the week.

Prof. Chase Speaks

"At the outbreak of the present war it looked as if the United States would be left with a vast supply of cotton on its hands," said Prof. Chase of the Latin Department in a Chapel address last Friday. The disposal of this cotton was a grave problem. President Wilson's suggestion took the form of the Ship Purchase Bill. The purpose of the bill and the objections to it were the subject of Prof. Chase's talk.

ALUMNI NOTES

Altho the University was not founded until after the close of the Civil war, an investigation of our alumni records shows that there are three veterans of the war among the number.

Nelson H. Martini, '76, now deceased and George L. Macomber, '17, now said to be living in Queenstown, Alberta, fought side by side for the north. The third veteran is Chas. E. Williams, who fought for the Confederates. He attended the Law School.

J. Arthur Hayes 1900, is general manager and secretary of the Martin and Wm. H. Nixon Paper Co., Manayunk, Phil., Pa.

W. B. Pickard, 1914, is employed by the Draper Co., Hopedale, Mass.

Frank H. Mitchell, 1900, is chief chemist with the Dill & Collins Paper Co., Phil. Pa. His address is 6428 No. Park Ave., Phil.

William J. McCarthy, 1913, is employed in the chemical department of the Clapp Rubber Co., Hanover, Mass. Last October "Mac" was married to Miss Frances E. Pretto formerly a teacher in the Orono schools.

George S. Simpson, 1913, is chemist at Worcester Polytechnic Institute where incidentally he is working for his master's degree.

Edward F. A. Coughlin, 1913, is chief chemist with the Monarch Paper Co., Kalamazoo, Mich.

George H. C. Steward, ex-1893, is master mechanic and chief engineer of the Smith Iron Co., of Boston. His address is Gerard Street, Roxbury, Mass.

Wm. B. Burns, ex-1901, Sh. Ph. is a member of the Burns Company, proprietors of a general store at Mars Hill, and is also deputy collector of United States Customs.

Hiram B. Malcolm, ex-1905, is assistant bridge engineer of the Copper River and Northwestern Railroad, Cordova, Alaska.

Gerrard N. Bass, ex-1906, is a broker at 156 State Street, Boston.

Frank McCullough, 1914, is an engineer in the employ of Henry Steers, Inc., 17 Battery Place, New York City.

Orange F. Terry, ex-1904, is superintendent of construction for the United States Wood Preserving Co., 165 Broadway, New York City.

Benjamin O. Warren, 1911, has been transferred from the Boston office of Allyn & Bacon to the New York office of the same firm at 36 West 37th Street, New York City.

Philip H. Bean, 1914, is a draftsman for the Erie Railroad in New York City. His address is 54 Beech Street, Arlington, N. J.

Daniel S. Jones, ex-1880, is President of the First National Bank, Center, Colo.

Lewis R. Moore, ex-1910, Sh. Ph. is assistant sales manager for paper sales of the Eastern Mfg. Co., Bangor.

Howard G. Haslem, ex-1911, is resident engineer at Soda Creek, British Columbia, for the Pacific & Great Eastern Railway.

Louis Oakes, ex-1898, is assistant land agent of the Hollingsworth & Whitney Company. His address is Greenville Junction, Maine.

Robert W. Linn, Jr., ex-1901, is assistant superintendent, Devonshire Mills Co., Goffs Falls, N. H.

Ralph H. Sabin, ex-1901, is a member of the firm of Sabin & Granson, civil engineers, Punxsutawney, Pa. He is also engineer for the Red Bank Construction Co.

Bernard F. Millett, ex-1904, is a general contractor at 39 Armstrong Avenue, Providence, R. I.

Ralph B. Bird, ex-1905, is a marine architect and ship yard manager at Alameda, California. His residence is 1246 St. Charles St.

Guy H. Roberts, ex-1906, is manager of the lemon ranch of the LaDera Citrus Co., Fillmore, Cal.

Florence G. Beale, ex-1907, is a teacher at Simms, Mont.

George H. Hamor, ex-1909, is superintendent of schools at San Germain, Porto Rico.

John P. Lynch, ex-1909, is manager of the Davis Square Drug Store, Lowell, Mass.

Fay D. Kinney, ex-1910, is assistant master mechanic of the Revere Rubber Co., Chelsea, Mass.

Thurlow T. Workman, ex-1910, is secretary of the Rialto Packing Co., Rialto, Cal.

Charles W. E. Tartre, ex-'12, is a clerk in the Hochelaga Bank, Montreal, Canada.

Willis E. Sullivan, ex-'13, is a student in the medical department of McGill University.

Joseph C. Morin, ex-1911, is district superintendent of schools at Manati, Porto Rico.

John W. Carey, ex-1913, is chief clerk for the Pacific Telephone and Telegraph Co., Spokane, Wash.

Maurice Costello

Famous Moving Picture Actor, says:

"The great thing about Tuxedo is the fact that it gives full fragrance and flavor together with extreme mildness. I find Tuxedo not only the height of pipe enjoyment but a distinct benefit because it gives just the proper degree of relaxation. Tuxedo is undoubtedly an exceptional tobacco."

Maurice Costello

"As Popular As The Movies"—TUXEDO

Tuxedo answers every smoke desire—every little palate craving, every longing for the one Perfect Pipe and Cigarette tobacco. No matter when or how you smoke Tuxedo it sends right into your heart a glimmer of Gladness Sunshine. And you can just about hear the honeybees buzz in the far-off gardens.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Sings into your system a song of keen delight. It spreads real happiness and cheer because it's smokeable, lovable, all day, all night—no matter how the weather fits. Tuxedo's flavor is so enticingly mild and delicately fragrant it will not irritate the most sensitive throat.

Simply the choicest mild leaves of grand old Kentucky Burley—ripe, rich, fragrant and mellow—made into delicious tobacco that smokes as smooth as cream. That's Tuxedo.

THE AMERICAN TOBACCO COMPANY

Military Notes

As the result of a competitive examination recently held, captain E. W. Goodwin of D company, was promoted to the position of cadet major. The vacancy caused in company D, by Major Goodwin's promotion has been filled by the transfer of Captain E. B. Coffin from Company B. First Lieutenant R. H. J. Smith of Company B, has been promoted to be captain of the company. First Lieutenant D. J. MacIntyre has been transferred from Company C to company B. At his own request, H. L. Bayer has been relieved from duty as Second Lieutenant of Company E and assigned to duty as Battalion quartermaster Sergeant. Sergeant P. M. Moulton, of Company E, has been promoted to be color Sergeant and transferred to the non-commissioned staff.

On Saturday, February 27, in place of the usual lecture and recitation, practical instruction in the ceremony of guard mount was given on the floor of the gymnasium. The ceremony, as conducted, represented the mounting of guards from three companies, the three details being under the command of Sergeants Hayden, Moulton and Pemberton. The cadet band was present under the direction of First Lieutenant Park Elliot. The details for instruction in the ceremony consisted of First Lieutenant, S. P. Danforth, Adjutant, G. W. Bell, Sergeant Major, H. W. Coffin, Commander of New Guard, Captain R. H. Boothby, New Officer of the Day, First Lieutenant, R. H. J. Smith, and Old Officer of the Day, C. M. Dewitt.

FACTLY NOTES

Prof. J. M. Briscoe will address the Educational Department of the Women's Literary Union of Portland on March 6.

Prof. E. F. Hitchings lectured before Quamphagan Grange in So. Berwick on March 4. To-day on his way back, he speaks before the Gardeners' Union at Auburn.

"Farming for Profit" was the subject of an interesting lecture given by Prof. Geo. E. Simmons before the Pomona Grange at Denmark on March 4.

Warmest February in 46 Years

According to records, which have been kept by the University of Maine Weather Station, February for 1915, was the warmest February known for a period of forty-six years. The mean temperature for that month was 28.7. It will be interesting to know that February for 1914 was the coldest February for forty-five years. These facts only go to show that our winters are not becoming warmer as many persons are wont to say. If one looks over the records it will be seen that the temperatures do not change much in their average. One cold year offsets a following warm year.

LOCALS

Brief Items of General Interest About the Campus

Phi Eta Kappa

Prof. and Mrs. Osler were guests at the House Sunday.

B. H. Gribben '17 was obliged to return to his home in Portland on account of his recent sickness.

L. C. Smith '14 has a position with the Great Northern Co., at Seboomook, Me.

"Bull" Durham an International Favorite

Smokers of experience and discrimination the world over obtain year-round, daily enjoyment from "Bull" Durham tobacco. Men prominent in the social, business and public life of many nations find supreme tobacco satisfaction in the deliciously fresh, mild cigarettes of unique savor they roll for themselves, to their individual liking, from this wonderfully pure, mellow tobacco. Their distinguished example has made it correct, smart, fashionable to "Roll Your Own" upon every occasion.

GENUINE "BULL" DURHAM SMOKING TOBACCO

There is no purer, milder tobacco in the world than "Bull" Durham—none other with such a sweet, mellow, irresistible fragrance. This rare, balmy aroma is as delicate and elusive as it is distinctive and pleasing, and can only be retained and enjoyed in the fresh-rolled cigarette.

"Bull" Durham hand-made cigarettes afford wholesome enjoyment and lasting satisfaction to more millions of men than all other high-grade smoking tobaccos combined.

FREE An Illustrated Booklet, showing correct way to "Roll Your Own" Cigarettes, and a Package of cigarette papers will both be mailed free, to any address in United States on postal request. Address "Bull" Durham, Durham, N. C. Room 1400.
