'THE AMAZONS' AT ORONO

Masque to Give Its Ninth Performance in Gym., June 7

An especially successful performance of 'The Amazons' was given by the Maine Masque in Orono Town Hall, May 21, under the auspices of the Orono chapter of the Knights of Columbus. The proceeds of this performance were given to St. Mary's Church.

This performance, the eighth one given by the Masque this year, will be followed by one more during Commencement Week. This performance will be given in the Gymnasium, June 7.

In all the Maine Masque has presented 'The Amazons' at the following places: February 12, Bangor State Hospital; February 18, Sanford; February 19, Gorham; February 23, Biddeford; April 5, Gardiner; April 7, Bangor; May 6, Junior Week Performance on the Campus; and May 21, Orono.

Theta Chi Holds Annual Smoker

Gamma Chapter of Theta Chi Fraternity held its annual freshman smoker at the chapter house, Monday evening, May 24. BASEBALL SEASON REVIEWED TO DATE

Mass. Trip Taken First; Followed
by State Series

PRESENT STANDING

The baseball season was started this year with the Massachusetts trip. The team played Brown at Providence; Providence at Providence; Harvard at Cambridge; and New Hampshire State at Dunham, N. H. An exhibition game was scheduled to be played with Colby on their return but the game was cancelled. Up to the present time Maine has won three out of the five league games played. She has met and defeated Bowdoin twice; lost one game to Colby and split honors with Bates. At present Maine is but one game behind Colby who is leading the league.

There is plenty of good material this year and Coach Phelan has turned out what promises to be the best team in years. Both Capt. Hillman and Manager Burke have proved themselves valuable assets to the team and their efficiency in their respective lines cannot be over-estimated.

The standing in the league at present.

GOOD TRACK SEASON

Good Records Made by Men in
Numerous Contests

One of the strongest track teams that has ever represented the University has closed Saturday the most successful track season in the athletic history of the University ending with the meet this afternoon at Philadelphia when the University was represented in the "big Intercollegiate" for the first time. A state championship for the third successive time in as many years with an aggregate of 60½ points, again a second place to Dartmouth in the New England meet where Maine bowed to the prowess of the big green team by the extremely small margin of five points. The Boston Post, in criticising the various teams said "Had Charlie Rice, the Maine sprinter who won the dashes a year ago been able to compete, Maine would have easily beaten Hillman's aggregation." Coach Smith is very well pleased with the success of the year and the student body to a man join in the congratulations of the coach.

The season is too well known to bear repetition and suffice to say that among the worthy performances were those of Capt. Perry Bailey, who threw the 16-pound hammer within a foot of the American Collegiate record at the Bates meet and at the state meet hung up two new records, in the discus and the hammer. College records went by the board when French jumped 23 feet 4-5 inches in the broad jump at the Bates meet, when Guy Palmer leaped 5 feet 10 inches at the state meet and incidentally broke the state record of Kempton, the Bates jumper, and when Roger Bell negotiated the mile run in 4.26 2-5 at Waterville. Dempsey equalled Bell's record of two minutes in the half mile at Waterville also.

INTERSCHOLASTIC PRIZES

Contests Won by Miss Grace Mathews and Edwin A. Maling

The prizes in the Interscholastic Prize Speaking Contest, held in Alumni Hall, Thursday night were won by Miss Grace E. Mathews of Bangor High School, who spoke "Sir Peter and Lady Teazle" by Sheridan, and for the boys by Edwin Atwood Maling of Good Will High School, who delivered Woodrow Wilson's "America's Duty when the Rules of War are Violated."

The judges were Mr. D. Lyman Wormwood, Miss Stacia Scribner, Mr. S. R. Oldham, for the boys, and Mr. William Fuller, Miss Mary F. Weston, and Miss Mary Phillips for the girls.

Work on the new \$35,000 home of the Harvard Crimson, the daily newspaper of Harvard University, will be commenced at once.

EDITORIALS

The University year is rapidly drawing to a close. We believe that the present year has been one of the most successful in the history of the University of Maine. The student body is larger than ever before. Our equipment is better than anything we have previously had to work with. Many new courses have been added and the work of the institution has broadened into new fields. Student organizations have, for the most part, been efficient. We believe that the University as a whole is better than ever before. This is due to that spirit of co-operation which accomplishes all things worth while.

Let us not be satisfied with what has been done but always look forward to something better. Every Maine Man should keep his Alma Mater in mind throughout the summer and work constantly for her best interests. Let us return next Fall with Maine Spirit of the right sort. The Year 1915-16 Where we were weak this year, let us be strong and where we were strong this year let us be stronger. If we return with that sort of Maine Spirit, the year 1915-16 can be nothing less than the greatest year in the history of the University of Maine.

The student body is justly proud of the work of the track team at the New England Meet. Every man on the team gave the best. That Track Team he had and the result is indeed gratifying. In no way is our athletic program better shown than in the work of our track teams of the past four years under Coach Smith. This week members of the team are at the big Inter-Collegiate Meet. It is expected that they will give a good account of themselves on their first appearance at these games.

It is pleasing to note the response which Alumni, Faculty and students are giving the appeal to send the track team to the big meet and to get the Athletic Association out of debt. It requires but little effort and sacrifices upon the part of each individual to accomplish a thing of this sort. It is team work that counts.

Rising Day marked the close of Freshman-Sophomore hostilities. From now on the two classes stand together as Maine Men in the broadest sense of the term. May the spirit shown on the occasion of Rising Day last throughout the next three years, and grow with age.

Letter on Masque at Commencement

To the Editor of the Campus:

Some criticism has been heard regarding the fact that the Masque charges for admission to its Commencement performance, while some other exhibitions are free. Nobody regrets more than the members of the Masque that such a condition is absolutely necessary.

It costs the Masque about three hundred dollars each year to produce its play. The trips do not pay for themselves, although the average deficit is small. The trips advertise the University, and recompense the members of the cast for the large amount of hard work done by them.

It can readily be seen that the cost of the production must be met by the performances given during Junior Week and Commencement. This latter performance is the only opportunity given to the alumni as a body to lend a financial as well as a moral support to a very valuable student activity.

(Signed) CHARLES BARTO BROWN,
Treasurer of the Maine Masque.

A Communication

Have you seen the last edition of the Blue Book? It is certainly a worthy example of the literary ability of the few who have contributed to it. However, the Blue Book is a college magazine and as such should have the loyal support of the whole College. How can a magazine survive long in a College, with only about a dozen giving it literary support and very few giving it financial support? We want a Magazine that will be a fair representation of the literary talent in the whole University whether the contributions are from the Technology, Agriculture or Chemistry departments. We want the loyal support of all Maine men for this paper. If we do not back the magazine financially at least, all the hard work of the present board will be in vain. The magazine needs our support now so that it can be carried on next year. Other colleges support a magazine illustrative of remarkable creative effort in literature. Will Maine take last place in this respect?

Maine Man In Africa

Mr. Frank W. Pettey, 1910, writes an interesting letter from Elsenburg College, Mulders Vlei, Cape Province, South Africa. In a personal letter he gives the following account of himself and his experiences: "After one year of teaching in Weston, Mass. (1911) I wandered off to Europe for a summer, and then returned to Weston for one year more, after which I fled to Cornell where I was well on the road to a Ph. D. with two years of graduate work when this opportunity arrived. After a few week's stay in London I soon landed in this modern garden of Eden. Such it truly is—the most beautiful spot you can imagine, the California of England. I am located just twenty-eight miles from picturesque Cape Town, in a spot surrounded by mountains, with Table Mountain in the distance, in a valley exuberant with vineyards and fruit orchards. My position is Lecturer in Entomology and Investigator in Insect Diseases of Plants. Most of my work is research or of advisory nature. I often have to make motor trips to distant fruit growers to inspect diseases, etc. The most charming feature of the country is the out-door life. Just imagine having five months of continual bright sunshine with a general temperature of 80 degrees, cool breezes every afternoon and not a drop of rain. The rainy season begins about May and lasts till October. We often do horseback riding on moonlight nights. It is extremely fascinating riding among the mountains. Cape Town is conveniently near and it furnishes amusement at least in respect to the drama and music. We have an excellent orchestra, a second Boston Symphony, and the plays are not so very far behind the times; 'Potash and Perlmutter,' 'The Yellow Ticket,' 'Within the Law' and other moderns have been played recently. 'I certainly did regret leaving Cornell. She is the Paragon of universities. But I couldn't resist this opportunity of seeing more of the world. I have contracted for a stay of three years here. I'm sure I don't know whether I shall want to remain or not. If I could only move Boston or New York down here with old friends included and a good, old ice-cream soda, I'd be content. Cape Town is beautiful but it lacks the velocity, thrills, and excitement of an American or an European city. Seashore life is certainly a redeeming feature. We have wonderful summer resorts with grand surf bathing, and the speed of Johannesburg adds to the local color during our hot weather. 'Everybody speaks English and many speak Dutch as well, but the latter language is not necessary. I generally swear in Dutch, the words sound so formidable. Niggers are as plentiful as

AS YOU LIKE IT A SUCCESS

Played Before a Large Audience in the Gymnasium

The Y. W. C. A. production of "As You Like It" proved a huge success, although it was held in the gymnasium because of the uncertain weather. It is estimated that 225 tickets were sold. The candy sale which was held before the play was also very successful.

Although the whole cast was excellent the most praise must be given to the girls who took the part of men, Marie Foster '16, as Orlando and Elizabeth Bright '17, as Charles were particularly good in the wrestling scene. Mona MacWilliams '18, as Oliver and Zella Colvin '16 as the Duke were very realistic villains.

Muriel Colbath '15 played the role of Rosalind excellently, while Mildred Dow '17, made a bewitching Celia. The parts of Phoebe and Audrey were capably played by Ethel Sawyer '18 and Emma Gerhardt '15.

Special mention should be made of the work of Ruth Brown '17 as Touchstone.

The play was directed by Mr. Bliss and the cast certainly did him credit. The dances in the last act were arranged by Miss Stebbings.

"As You Like It" will be repeated during Commencement Week.

TENNIS MATCHES PLAYED

Maine and Colby Break Even with Maine Taking Singles

The University of Maine-Colby tennis meet broke even last week with Colby winning the doubles and Maine the singles. The doubles was a loosely played game. Ingalls and DeWitt of Maine were defeated by Flood and Foster of Colby, and Capt. Hall and Creighton of Maine were defeated by Ramsdell and Fieldbrave of Colby. In the singles which were played on Saturday at the Meadowbrook Golf Club courts at Bangor, Killborn '17, of Maine played a fast game and defeated Fieldbrave of Colby 6-2, 5-7, and 6-2. Capt. Hall of Maine defeated Ramsdell of Colby 2-6, 7-5, and 6-3.

Lovely Elected President of Masque

At its annual election May 26, the Maine Masque elected Harry R. Lovely, 1916, as President and Elmer D. Potter, 1916, as Vice-President. After this meeting had adjourned the Masque Council elected the following officers: Manager, Howard B. Hiller, '17; Secretary, Fred L. Damren, '16; Assistant Manager, George F. Sweet, '17; Stage Manager, Sumner C. Cobb, '17; Treasurer, Professor C. B. Brown; and Faculty Member of the Masque Council, Professor Windsor P. Daggett.

The last meeting of the Massachusetts Club was held May 24. The following were elected as officers for next year: President, William E. Nash, '17; Vice-President, F. T. McCabe '17, Treasurer, S. J. Ryan, '18; Secretary, Marion Thomas '18; Executive Committee, Foster Nowell '17, chairman, Harold Ashton '16, G. B. Ruggles '18, J. M. McGrath '18, and Frank James '18.

chocolates in a Greek cafe. They are of a lower class but not so fresh as ours in America. The cost of living is about the same as in the States. Beer, however, is twelve cents a glass, but wine is only four cents. By the way, Elsenburg College has wine making as its strong point, and our Oenological college is the only one in Africa. However, my nose is not red yet.

"I can't close without a reference to this terrible war. Doubtless you have heard of our excitement here. Fortunately the rebellion has been quelled and now we are tackling German West. I drill with the rest of the faculty one afternoon a week. We drill on horseback and it is great fun. I hope the U. S. A. with her new science of eugenics will soon develop a race that will fight battles with brains instead of mailed fists. I hope you are all allies.

"I expect my next trip, two years hence or possibly four, will be one home via India and Japan and across the United States."

Older members of the Maine Masque will be interested to learn that Mr. Pettey has not lost his passion for acting. "What times we used to have," he writes, "When We Were Twenty-One". Even now I get that alluring footlight feeling, but it soon passes or is covered up by mosquitoes, moths, bedbugs, and all my other pets. At Cornell I couldn't quite surrender to the call of scientific research and became a sailor in "Pinafore" and a general make-up artist for the chorus, etc. I almost yielded to the temptation of taking a part in one of Piner's plays, but finally resisted after I got the part."

MAINE LOSES TO COLBY

Played Excellent Ball Until Colby Got Away In Eighth

Maine lost the fifth game of the state series to Colby on Saturday. James of Colby was liberal with his passes and these combined with two hits and stolen bases enabled Maine to a three run lead in the first inning.

Driscoll was enabled to hold Colby scoreless until the seventh when they pushed one run across. In the eighth, Colby added four more runs. With three on Allen hit a lucky three bagger that Gorham just failed to reach, and scored later on a hit by James.

The Maine team played a fine fielding game, especially the outfield, the errors made not figuring in the scoring.

1918 WINS TUG OF WAR

Large, Noisy Celebration Brings Freshmen Days to An End

Last Monday the Class of 1918 celebrated the class of 1918 to a Tug of War. The Class of 1918 immediately accepted the challenge. The rules of the contest were simple. The contest should take place at eleven-thirty on that same evening. Forty men should be chosen from each class to represent their class on the team. The rope should stretch across the Frog Pond, so that the losing team would be pulled through the pond.

At quarter of eleven the classes met, the freshman class meeting in the chapel and the sophomore class in front of the Library. About quarter past eleven the two classes marched down to the Frog Pond, and the teams took their places on the rope. At a pistol shot the men strained to their tasks, and for a minute or two the rope swayed back and forth with only a slight gain on the part of the freshmen. Then, as the sophomores got stuck in the mud, the freshmen gained faster and faster until the sophomores had no chance at all.

Picking up the rope the freshmen marched to Orono, and then formed in an eighteen and cheered until the whole town was awake. Then, the march back to the University was made, where a monstrous bonfire was lighted and speeches, cheers and songs were enjoyed. The celebration broke up about one-thirty.

Rising Day Celebration

The Rising Day exercises were observed by the Class of 1918 last Tuesday evening. The class marched to Orono and attended the movies en masse. The Orono Theatre never before heard such a noise as that class made. The different classes in the University were cheered to the echo.

About nine-thirty the return march to the campus was made. A huge bonfire was built on the Athletic Field and Dr. Aley, Prof. Weston, W. E. Nash, president of the Class of 1917, and many others spoke. The meeting broke up about ten-thirty. The girls at the Sampson house made and presented a large '18 banner.

D. S. Clark '17, J. H. Grey '18, wish to announce that they will conduct a baggage transfer for the college and Orono, orders for the transportation of baggage greatly appreciated.

THE POINT WINNERS

Maine's track team came within 5 points of winning the New England Meet. Had Rice been in shape and had Palmer and Preti come up to expectations Maine should have won.

Palmer, who has in previous meets done more than was expected of him failed to get his take off, did not qualify and was forced to see his event go at an inch less than he had done the week before.

Preti was forced to drop out of the two mile, being troubled with cramps. With the loss of these points and the lack of balance in the dashes and quarter Maine was forced to take second place.

Captain Bailey was troubled with an attack of the grip and did not perform up to his usual form in the hammer, winning with a throw of 149 ft. 2 in., but did win the discus by a throw 129 ft. 8 in. Gulliver was nosed out from second place by 2 inches by Leadbetter whom he had beaten the week before.

Dempsey ran a fine race in the half mile, coming in second only a foot behind Higgins the Holy Cross phenom. The first quarter was slow so that the runners were forced to do 57 seconds on the second quarter to turn the half in decent time. Dempsey set the pace for a good part of the last quarter but lost his lead in a thrilling finish on the home stretch.

Bell ran a good race in the mile. He set the pace for the first three laps but on the last turn of the last lap Brown of M. I. T. came up and with a beautiful sprint beat him out at the finish by 10 yards.

French ran a fine race in the high hurdles but was forced to take second place to Savage of Bowdoin. His distance in the broad jump was 22 ft. 9 1/2 inches.

Williams took the place of Hutton in the pole vault tying with McKenney of Bowdoin as Hutton had done the week before.

The summary of the events in which Maine placed follows:

Mile Run—Won by Brown, M. I. T.; second Bell, Maine; third, Tucker, Dartmouth; fourth Barron, Tufts; Time 4 m. 24 4-5 sec.

The half mile—Won by: Higgins, Holy Cross; second Dempsey, Maine; third, Granger, Dartmouth; fourth, Potter, Wesleyan. Time 2 m. 3-5 sec.

The High Hurdles—Won by Savage, Bowdoin; second, French, Maine; third, Braun, Dartmouth; fourth, Hay, Williams. Time 16 1-5 sec.

Military Inspection

The Annual Inspection of the Military Department of the University of Maine in behalf of the United States Government will be made tomorrow by Captain S. Bayard Schindel, General Staff, U. S. Army.

Every member of each of the six companies and the University Band will be present. The total battalion will represent a force of about 500 students. Much care will be taken to execute all orders in such a military manner as will impress the visiting officer with the efficiency of the system used at the University. Uniforms will be complete in every detail.

Roy H. Brown, ex-1900, is mill engineer of the J. P. Lewis Co., Beaver Falls, N. Y.

William Faversham

Famous Actor, says

"A pipe of Tuxedo keeps me feeling physically fit and in good spirits, and, because it is mild and doesn't bite, it is pleasant to the throat and keeps my voice in good tone."

William Faversham

Tuxedo Keeps You Physically Fit

Every playgoer has remarked the virility and clean-cut vigor of William Faversham, both as an actor and as a man. No matter what part he is playing, he always presents a figure of alert strength and keen wits. His voice is especially engaging, clear, carrying and sonorous.

For Tuxedo tobacco to gain a testimonial from such a man, stating that it helps to keep him "physically fit and in good spirits" and keeps his voice "in good tone" goes far toward convincing you of Tuxedo's wholesome, all-round value to you.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

Tuxedo will put snap and vim into your daily work. It's an inspiring tobacco that will keep you fit as a fiddle, full of zest, hearty and happy and hale. You can smoke it all day long, and each succeeding pipeful will glow with greater cheer.

The original, exclusive "Tuxedo Process" has many imitators—but no equal.

Try Tuxedo for a week, and you'll like it forever.

OFFICERS AT LUNCHEON

Lieut. Clark Entertains Visitors At Inspection, Saturday

In the interest of more co-operation between the Military Department of the University and the National Guard of the State, Lieut. Frank S. Clark, Professor of Military Science and Tactics gave an informal luncheon at the University Inn last Saturday. Many of the most prominent men in the military circles of the State were present. Topics of general interest were discussed. The luncheon was arranged by Mrs. Cunningham, Matron of the Inn, and everyone present was unanimous in offering thanks to her for as fine a lunch as ever a soldier tasted. The dining-room was tastefully decorated with U. S. flags, each guest having a miniature one of silk as a souvenir.

The guests at the luncheon were: President Aley and Judge Dunn, representing the University, Adjutant General G. McL. Presson; Colonel Hume, 2nd Maine Regiment National Guard of Houlton; Major Walter Mayo, Company F. of Dover; Major Southard, Captain Gould; Lieut. Doane, and Lieut. Bryant of Company G. of Bangor; First Lieut. Francis H. Farnum of the U. S. Infantry, detailed as Inspector-Instructor to the Maine National Guard; Captain Ashworth of the Machine Gun Company of Bangor; and Lieut. Adj. S. P. Danforth, cadet representative for the university battalion. All present extend thanks to Lieut. Clark.

Girls' Musical Clubs Officers

Officers for the Girls' Musical Clubs for next year will be: Leader, Frances Lougee; Manager, Marion Plummer; Assistant Manager, Marion Emery; Secretary, Eloise Skins; Treasurer, Florence Greenleaf; Pianist, Lucille Royal; Leader of Orchestra, Mona McWilliams; pianist for orchestra, Jessie Pinkham; and Leader of Mandolin Club, Edith Ingraham.

New Officers of the Round Table

The Round Table officers for next year are: Mrs. Roland Gray, President; Mrs. J. S. Stevens, 1st Vice-President, an alumna of the class of 1915 to be chosen for 2nd Vice-President; Mrs. J. R. Miner, Secretary; Mrs. F. S. Clark, Treasurer; Executive Committee: Mrs. H. S. Boardman, Miss Freeman and Mrs. Rush Hamlin.

Exchanges

Reporters on the Daily Princetonian are to get a regular salary of \$100. Editors will receive a salary of \$500.

"Burglar breaks" into sorority houses at the University of Texas appear to be frequent events for there have been three such breaks within a few weeks.

Dartmouth plans to send an ambulance corps to Europe. Of the \$4200 necessary to send six automobile ambulances to the American Red Cross Hospital at Paris, over \$1000 has already been raised.

Worcester Polytechnic Institute has raised \$2000 by subscription from the alumni for the construction of a new athletic field and gymnasium. The corner stone of the gymnasium will probably be laid at the commencement exercises this spring, which will also mark the fiftieth anniversary of the institution.

There are 5,760 students at the University of Michigan this year. This number includes 72 Chinese students.

Several Eight Week Clubs are in the process of formation at Bates. These clubs are composed of women students, their aim being to get the girls together in a community to do some organized study and some one permanent thing for the community during the summer.

Announcement has recently been made by the trustees of Dartmouth College that free summer session tuition privileges will be extended to all teachers in New Hampshire. It is expected that this will materially increase the registration at the summer session.

The Senior class at Bowdoin has under consideration a novel plan for helping out their Alma Mater, financially, in future years. Under the proposed plan, each member of the class will take out an endowment insurance for the benefit of the college, and which will mature the twenty-fifth anniversary of the class.
