WIN NEW ENGLAND CHAMPIONSHIP FOR THIRD SUCCESSIVE YEAR

Maine's Undefeated Cross-Country Team Led
to Victory by Captain Bell

DARTMOUTH A CLOSE SECOND

Placing men in third, seventh, eighth, ninth, and thirty-second positions, University of Maine under the leadership of Captain Roger W. Bell, who was the first Maine man to finish, won for the third successive time, the New England A. A. cross country championship, as the result of her victory in the fourth annual run held at Franklin Park, Boston, last Saturday morning. The score was: Maine, 59; Dartmouth, 68; Massachusetts Institute of Technology, 98; Brown,

101; Massachusetts Agricultural College, 125; Worcester Polytechnic Institute, 139; Williams, 153, and Bates, 154.

The well-balanced team that was brought to Boston was what brought home the bacon for our team, and no individual feat of any Maine performer helped to bring victory to Orono, but rather the untiring efforts of all the blue and white runners. Captain Bell finished in third place, Wunderlick in seventh, Dempsey in eighth, Preti in ninth, while Hysom trailed home in

thirty-second place, bringing home the race to Maine and ending any possible hesitancy in regard to a Maine victory. Brown of Tech was individual winner of the meet.

After the runners had left the ends of the lanes, on the start of the run, Dartmouth men were observed away up in front, while Captain Bell of Maine was the actual leader of the pack closely followed by Wunderlick. W. L. Lane, the scrappy runner from

TEAM DID LOOK GOOD

The cross-country team which won the New England championship last Saturday returned to Orono early Wednesday morning. The men had planned to remain in Boston all this week training for Saturday's big race. No change in these plans was known until Tuesday when Coach A. N. Smith received a telegram from Physical Director E. R. Wingard, ordering Smith home at once and strongly advising the team to return with him. The team will leave for Boston again Thursday noon after attending classes Wednesday and Thursday morning.

Before leaving Orono last week none of the team had procured excuses for later than Monday of this week. After after the New England race the advisability of remaining over this week was considered. Prof. Wingard was asked about the matter Saturday evening in the Copley Square hotel. The Physical Director told the men that he was returning to Orono that night and that he would see what could be done about excuses. He said that if he could not arrange the excuses he would wire the team Sunday so that they could report here for Monday classes. This was the last heard from any official of the University until the Wingard telegram came Tuesday morning.

The men on the team had taken it for granted that the excuses had been issued, and gave the matter no further thought until the above mentioned wire came like a thunderbolt out of a clear sky. There seemed no alternative other than returning with the coach.

Prof. Wingard on Wednesday said that he did not know anything about it except that the publicity given the trip by the Press had stirred up certain members of the Faculty to such an extent that he received orders to send the wire ordering Smith home.

Capt. R. W. Bell told the Campus reporter that "had Mr. Wingard kept his agreement and wired us to return Sunday, we would naturally have been much disappointed but we would have returned cheerfully but when he waits until Tuesday and then wires us to travel 500 miles for a day and a half's work we were naturally rather sore."

Coach Smith refused to talk further than to affirm the statement as to the

LOSE FINAL GAME TO ARMY 24-0

Injuries to Maine Men Weaken
Team Against Strong Rivals

OLIPHANT STAR OF GAME

As was the case in the Army-Maine game last year, there was too much Oliphant, and Maine was forced to taste defeat to the tune of a 24-0 drubbing, defeated in all departments of the game. The hopes of the Maine supporters for a possible victory, or a tie score, was sadly dashed in the start of the battle as West Point was seen to have the much better team built about this one man, Oliphant, who proved the sensation of the battle, scoring all but seven of the soldier boys' points. Maine went into the game with high spirits and ambitions which were sadly dashed. When Purington and Greene were injured and were taken out, the spirit left the team and only frequent spurts were noticeable.

West Point won the toss and chose the wind at her back. The first period, although not one of frequent scoring, was in favor of the home team, and aided by the fine rushing of Oliphant, the good interference of McEwan, kept the ball in Maine territory almost all the time. A costly fumble by Daley on the 15 yard line near the close of the period, and a recovery by a cadet player gave West Point her first chance to score. Failing to gain by rushing, Oliphant tried a placement from the 25 yard line which sailed over the bar and brought to the home outfit the first score of the game. The period ended soon after and left the score, 3-0.

Maine braced in the second period and although playing good football lacked the punch to score. Receiving the ball on a kick about mid-field, by the forward, Jones to Gorham, seven yards were made. Two more successful passes, Jones to Beverley on the next two plays, brought the ball to the fifteen yard line. Here the offense of U. of M. failed and after trying two passes which were incomplete and trying to gain ground by rushing, which also failed, she lost the ball on downs. Oliphant did some fine playing in this period and romped through the Maine line, a few yards at a time, for a touchdown, kicking the goal and making the score, 10-0, West Point.

A fumble on the Army's twenty-five yard line and a recovery by Higgins gave Maine another chance to tally, but

TRIALS BEGIN TUES.

Glass Contests to Precede Selection of Debating Team

Trials for the Maine-Colby debate commenced Tuesday night, November 16, and will continue until Tuesday December 14, on which night the team will be selected that is to meet Colby on March 10. The question: Resolved, That the Monroe Doctrine Should be Abandoned, is also to be the subject at the trials.

There will be a separate contest for each class, and at least three men will be selected at each try-out to make up the debating squad. Each contestant is to deliver a main speech five minutes long, and a rebuttal speech of two minutes. A committee of three will judge, and consideration is to be given to both thought and delivery; value of argument will, however, be of first importance.

A complete Bibliography of the question has been posted in the library, and the Maine Speaker has devoted last week's entire issue to the matter. Prof. Daggett, and Mr. Cranston of the Department of Public Speaking, and Prof. G. W. Stephens of the Department of Economics are prepared to help any one interested at any time, and have published their office hours in the last number of the Speaker.

JUNIOR ASSEMBLY.

Junior Assembly which was announced to be held this month, was put over until some time in December by vote of the Junior class at a class meeting held this week. The committee had already posted the order of dances, but through some confliction it was found necessary to have it put off until next month. The exact date will be announced later.

CROSS-COUNTRY TEAM IN BOSTON

Working Daily Over Franklin
Park Course for Big Race

CORNELL SAT. FAVORITE

For the express purpose of putting his team into condition for the hard run next Saturday in the Eastern Intercollegiate hill and dale scramble, Coach Smith of the track team is working his men out every day this week over the Franklin Park course, Boston. The team after its splendid victory in the New England Saturday morning, is remaining in Boston until the big run, this coming Saturday in order to be in the proper condition for the run with the big colleges and universities.

The run this week will be the big test which the cross country team will have to meet. She is stacked up against colleges like Cornell, Yale, Princeton, Harvard, Penn. State. At the present time, Cornell looks like the likely winner of the run with Maine a possible runner-up. Yale and Harvard look big but aside from a couple of stars on each team, cannot present such a formidable looking array as that representing Maine. Maine's team is well-balanced, and is comprised of men of almost the same calibre. With the possible exception of Hysom, our team can bunch up within fifteenth place and by so doing will stand a good show on coping the runner-up's position. Nobody expects to beat Cornell, but many think Maine will be in second position when the race is over.

ARTS FACULTY TO ENTERTAIN STUDENTS.

The faculty of the college of Arts and Sciences have invited the students in that college to be present at the first Arts Rally of the year, to be held in the gymnasium Saturday evening at seven-thirty. Nothing has been given out as to the nature of the entertainment but it promises to be something unusual as well as enjoyable. This will give the new students in this college an opportunity to get acquainted with the faculty as well as the older students.

N. Y. ALUMNI MEET

Forty-one Members Hold an
Enthusiastic Maine Night

(By Ashton H. Hart, '11.)

Forty-one members of the New York Alumni Association met at Cafe Maggi on the evening of October 29th, to show that their hearts were loyal to Maine still, on the one night of all the year especially dedicated to memories of their Alma Mater. The affair proved to be one of the most successful ever held by the Association, so successful, in fact, that those present were loud in the expression of their desire to hold one like it each month. No formal program was arranged in advance, and all speeches were extemporaneous and, of course, enthusiastic. Song books were in evidence, and with the aid of a good natured orchestra, they were sung from cover to cover. When the writer left, at an hour he refuses to divulge, there was still an enthusiastic quorum present; the song books, however, had been discarded in favor of other familiar but unrecorded ditties.

The following members of the Association were present:

R. T. Huntington, '13; G. O. Hamlin, '09; H. C. Black, '05; T. C. Westcott, '09; F. E. Emery; H. E. Morrell, '09; J. S. Ferguson, '89; G. G. Atwood, '95; J. H. Miller, '12; R. E. Strickland, '04; A. A. Hammond, ex. '12; F. H. Lancaster, '12; R. S. Ferguson, '14; C. L. Graham, '10; L. B. Rogers, '13; W. H. Savory, '12; W. F. Pride, '14; A. H. White, '89; A. E. Chace, '04; T. F. Shatney, '09; C. W. Crockett, '99; A. H. T. Scherlock, '10; G. K. Huntington, '05; G. B. Chapman, '11; W. C. Stone, '13; P. F. Slocum, '15; O. B. Higgins, '14; W. M. Black, '09; G. P. Cowan, '94; C. W. Murphy, Jr., '11; H. L. Russell, '11; C. G. Cushman, '89; H. H. Heywood, '96; J. C. Creeden, '13; A. H. Hart, '11; W. H. Boardman, '01; W. W. Haney, '99; Phil Garland, '12; S. P. Danforth, '15; A. W. Stephens, '99; A. E. Silver, '02.

"BANANAS" TO LEAVE

Mascot Sold to Texas Man by
Coach Smith

Although it seems to many that those things which have brought us good luck should be guarded carefully, we are to lose the little mascot which has seen our football team through a championship season. "Bananas" is to find a winter home in Texas where he will probably excite more curiosity than he did here.

Coach Smith is the present owner of the cub, having received it from former captain of Track, L. E. Houghton, '12, who obtained the bear from near Moosehead Lake and sent it here when it was not more than five months old. The little mascot has been in evidence at every game played on the home grounds and took in the Bowdoin trip, also continuing to Portland for the celebration. He was a feature of the big parade and made a unique debut at Keith's Theater by being led across the stage by Miss Vance of the team of Sylvester and Vance. In fact he has shown as much Maine spirit as anyone, and will be greatly missed by the student body.

As keeping a growing bear through a Maine winter is rather a difficult problem, however, it was thought best to let "Bananas" go. Coach Smith has had offers for him and it is expected that he will change owners next week. He certainly has the good wishes of all Maine students to accompany him to Texas. Some talk of taking up a subscription to buy him for future teams has been made, but nothing definite has been done, and it is doubtful if he will be with us after Coach Smith returns from Massachusetts.

As an incentive for students to subscribe songs for a Colby song book which is in preparation, prizes of \$25, \$15 and \$10 are offered annually to the three students turning in the best songs.

THAT NEW ENGLAND CHAMPIONSHIP.

For the third successive year Maine has won a New England Cross-country Championship and it goes without saying that we are more than proud of the work of our teams in this branch of sport. This is a record of which any institution might well be proud. A Maine team has never met defeat. These cross-country teams have done much to put Maine on the athletic map and to keep her there. Last Saturday's victory was a great one and too much credit can not be given Coach Smith and his men. Next Saturday they go into the biggest race of the season and we are looking for them to give a good account of themselves in the great cross-country classic.

THE ARMY GAME.

No, we can not expect to win all the time, and last Saturday was one of the times when we did not win. No, the Army did not know our signals and they did not play dirty football. True, we did have a lot of hard luck, our men were tired after the long trip and some of our best players were either wholly or partly disabled but that is all in the game. The soldiers played better football than we did Saturday and they won. Our team played the best it could under the circumstances and lost. The Maine men took defeat as men always take it. There is a whole lot in knowing how to lose as well as how to win.

THE STUDENT COUNCIL.

The Student Council should be one of the greatest factors for good in the University. In other institutions such is the case and in past years the Council has done much here in Maine. The chief function of the organization is that of bringing about and maintaining harmony and mutual understanding between the students and faculty in cases where differences of opinion may arise. It offers a great opportunity for cooperation between the students and the faculty.

Last year the Student Council held one meeting at which officers were elected. As far as we can find out this was the only meeting of the year. We want to see the organization really do things this year. Some organizations from their very nature are obliged to do much work for which they receive little or no credit. There is no reason why the work of the Student Council should not be made public and every reason why it should be. The men on the Council this year have an opportunity to show their real worth and to show that membership in the organization means something more than another empty honor to go down in the "Prism."

WHAT OTHERS SAY OF US.

It is a source of no small amount of satisfaction to hear good things said of us by others. In another part of this

issue we are reprinting a couple of comments on the Bowdoin trip and Portland celebration.

The comment on the good feeling between Bowdoin and Maine is especially gratifying. Bowdoin and Maine have always been keen rivals and in our day there has been nothing but the cleanest of rivalry between the two. In Bowdoin we have a rival who commands our highest respect and we believe that they have the same regard for us. Such little incidents as the one mentioned are the expression of real sportsmanship.

Mr. Withington's letter to President Driscoll is another thing which should be very pleasing to Maine men of the right sort. Portland has seen many celebrations. There was no need for Mr. Withington to say what he did if he did not mean it. Maine men did have plenty of enthusiasm of the right sort and they made many friends for themselves and the University. Such things as these are a great asset to any institution.

By courtesy of the Bangor Commercial we are using their cut of our Championship Cross-Country Team. We wish to express our appreciation of that paper's kindness to us in this and other matters.

NOTICE

Beginning with the next issue of the Campus there will be no more assignments sent out on cards. We now have a regular assignment book on a desk in our room at 32 Lord Hall. All assignments will be written in that book. All members of the board, students in Practical Journalism, and others writing for the paper are expected to consult this book daily for their assignment. Assignments will be posted on Tuesday, Wednesday and Thursday at four-ten. These assignments will be due at 32 Lord Hall on Thursday, Friday, Saturday and Sunday, not later than four-ten unless special arrangement has been made with either the editor-in-chief or one of the managing editors.

There are just two things to remember. First consult the book on the days specified and second get the copy in at the time specified on the assignment book. We have fooled enough with this sheet this year and the results have been far from satisfactory. From now on we intend to get the paper out on time and that means that you people will have to be on time with your copy.

This same assignment book will keep a permanent record of the work every man is doing. Now, we have more men than we need and this is going to be a case of the survival of the fittest. Those men who do not do satisfactory work and those who do not get the same in on time are going to be dropped. This applies to every man on the board or otherwise connected with the paper.

TO GIVE LECTURE

Edward Avis Here Under Auspices of Round Table

Mr. Edward Avis, the well known lecturer on bird life will give his entertainment "A Night in Birdland," in the gymnasium on Friday evening, November 26. He will be here under the auspices of The Round Table and an unusually good entertainment is promised. The proceeds of the entertainment are to be devoted to the fund for building the proposed skating rink in front of the library. It is expected that a large number of students will avail themselves of the opportunity of hearing Mr. Avis and at the same time assist the cause which is of benefit to all students.

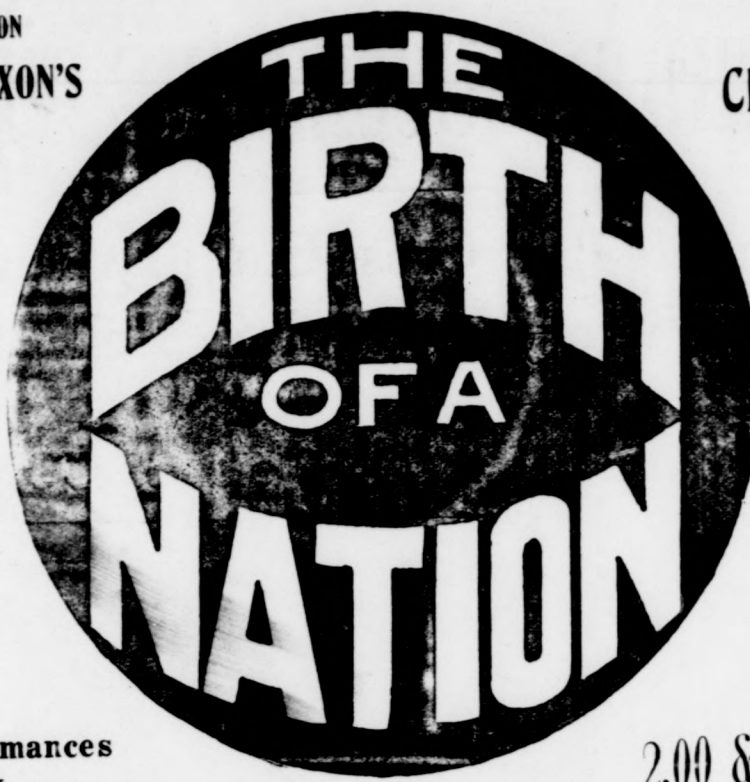

Mr. Avis comes here very highly recommended as an entertainer of the highest order. In addition to his lecture on bird life he gives imitations of songs of various birds both vocally and with the aid of his violin. A special quartette will assist the entertainer and a very interesting as well as instructive evening is promised. Further details of the nature of the program will be announced in next week's "Campus."

Eight men from the two upper classes have recently been elected to membership in Alpha Zeta, the honorary fraternity. Those chosen from the senior class are Fred Perley Loring of West Pownal, Archelaus Lewis Hamblen of Gorham, and Frederick Robie of Gorham. The Juniors are Donald Stuart Welch of Norway, Russell Vale Waterhouse of Kennebunk, Charles William Bayley of Wells, Daniel Clair Hutchinson of Dover, and Rudolph Stoehr of Sabattus.

How To "Roll Your Own"

It's a simple, easy process. You can do it with your eyes shut after a little practice. And what a joy is the fresh, fragrant cigarette of "Bull" Durham rolled by your own hand to your own liking! You "roll your own" with "Bull" and note the difference.

GENUINE
"BULL" DURHAM
SMOKING TOBACCO

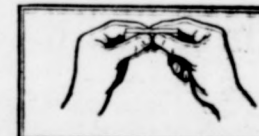

All over the world men of energy and action are rolling "Bull" into cigarettes. Probably not one of these millions of men "rolled his own" successfully at the first trial. There's a knack in it—"rolling your own" is an art—but you can learn it if you will follow these diagrams. Keep at it for a few days and you'll soon be able to make for yourself, to suit your own taste, the smartest, liveliest, mildest smoke in the world.

"Bull" Durham, made of "bright" Virginia-North Carolina leaf, has a mellow-sweetness that is unique and an aroma that is unusually pleasing.

Start "rolling your own" with "Bull" Durham today and you'll never again be satisfied with any other kind of a cigarette.

CHOOSE ALL-MAINES

Six Maine Men on Majority of Selections

Taken from all the newspaper selections, the picks of the captains and coaches of the three other institutions in the state, the following is an All-Maine selection which does credit to the 1915 eleven which has represented this university:

Right End—Purinton, Maine.
Right Tackle—Leadbetter, Bowdoin.
Right Guard—Allen, Maine.
Center—Merrill, Bates.
Left Guard—Hussey, Maine.
Left Tackle—Coolidge, Colby.
Left End—Bradford, Bowdoin.
Quarterback—Daley, Maine.
Right Halfback—Cawley, Colby.
Left Halfback—Kirk, Maine.
Fullback—Jones, Maine.

On the above team, Maine has six men, Purinton, Allen, Hussey, Daley, Kirk, and Jones. Bowdoin has two, Captain Leadbetter and Bradford. Bates has one in Merrill their center, while Colby is represented by Eddie Cawley, and Coolidge the big tackle. A team that could be picked that would be any faster and play better ball than the above would be some outfit. The line is composed of men of high calibre, while a faster backfield, could not be picked in the smaller universities and colleges in the country.

NOTES GOOD FEELING

Bangor Commercial Comments on Good Sportsmanship at Bowdoin

The following comment on the good sportsmanship at Brunswick following the deciding game of the State Series is reprinted from the Bangor Commercial—and will be read with interest by both Maine and Bowdoin men:

GOOD SPORTSMANSHIP SHOWN AT BRUNSWICK.

It was only a little incident, but it well illustrated the spirit of real sportsmanship which existed in the game between Bowdoin and University of Maine on Saturday afternoon. After the game was over the Bowdoin students, led by their band, and bearing aloft their big white banner, left the field first. Bowdoin men occupied the bleachers in front of the Hubbard grandstand and so were nearer the entrance. After marching the length of the lane extending through the huge pines, which hide the Whittier field from the street, the Bowdoin parade halted, and dividing opened a path through which the victorious University of Maine students passed. As the students bearing the huge blue banner of Maine were passing through the Bowdoin men joined in giving three lusty cheers for the victors. The Maine procession stopped for a moment and three cheers were given for Bowdoin.

Fair Play and May the Best Man Win, is the Bowdoin motto in all athletic sports and the spirit of that motto was never better observed than on Saturday. Maine won the game. The best team won. Bowdoin men have nothing but words of praise for the victors.

LETTERS AWARDED.

Varsity letters have been awarded to the following members of the football team: Capt. Ruffner, Mgr. Curtis, Beverly, Hussey, Greeley, Green, Allen, Reardon, Purinton, Daley, Gorham, Jones, Moulton, Kirk, Krieger, Peterson. Of these men Capt. Ruffner is the only man who has won his letter for four years. The men who made their letters for the first time this year are, Beverly, Greeley, Hussey, Green, Daley, Jones, and Higgins. Of these men Beverly, Green, Hussey, Daley and Jones are members of the freshman class. It speaks well for the entering class and for the future of the game at Maine to see five varsity letters in fifteen go to members of that class.

MASSACHUSETTS CLUB MEETS.

The Massachusetts Club held their third meeting in the club room of the library, Thursday evening, Nov. 12. About 50 members were present.

President Alej addressed the members, giving an excellent account of past Massachusetts traditions.

Mr. Jordan of the Bangor Y. M. C. A. was the speaker at the Maine Christian Association meeting in the Chapel Sunday afternoon. He spoke on the value of right living and told many incidents out of his own life experiences to prove his point.

PORTLAND PLEASED

Mr. Withington of Chamber of Commerce Compliments Maine Men

M. C. Driscoll, President of the Athletic Association wrote to the Portland Chamber of Commerce expressing appreciation of the student body for the cordial welcome which they received in Portland after the Bowdoin game. The letter and the reply which Driscoll received from Mr. Leonard Withington, of the Chamber of Commerce follow:

University of Maine, Orono, Maine, November 9th, 1915.
Chamber of Commerce, Portland, Me.
Dear Sirs:—The University of Maine appreciates the cordial welcome they received at the hands of Portland last Saturday night at their celebration.

Maine men will never forget that "at home" feeling which they were made to realize. Truly yours,
M. C. DRISCOLL.

Portland, Maine, America's Sunrise Gateway.
November 11, 1915.

Mr. M. C. Driscoll, University of Maine, Orono, Maine.

Dear Sir: I thank you for your kind letter of appreciation.

Portland is always glad to welcome the students of the University of Maine and we hope to see more of them.

The gentlemanly behavior of the Maine men in Portland, Saturday, made them thousands of friends and we have had reports from numerous people to the effect that they had never seen a college celebration more enthusiastic and yet more orderly than that of Saturday. It speaks well for the quality of Maine men.

Very truly yours,
LEONARD WITTINGTON,
Retail and Publicity Secretary.

SOPHOMORE CALENDARS.

Samples for the Sophomore Calendars have come, and the committee has chosen one of a dark mission-green-grained leather. On the cover the word, "Maine" and the figures, "1916," are to be embossed, while between them is to appear in gold leaf the Maine seal. The calendar for this year is to be dedicated to Prof. George Davis Chase of the Latin Department. Among the cuts to appear will be a number of action pictures of the track and football men, cuts of all the athletic teams, of the musical clubs, Battalion officers, Mask cast, and others of the various student activities. The committee expects the calendars about the first of December, and they are to be sold by the members of the Sophomore class.

CHEMISTRY NOTES.

The following are pledged to Alpha Chi Sigma: Earle Morse, W. R. Rich, George Fox, John Perry, E. I. Clapp. The initiation will be held Saturday.

Wm. E. Barstow, '11, a graduate from the Chemical Engineering course, has been made assistant works manager of the large peroxide plant at Perth Amboy, N. J., of the Roessler & Hasslacher Chemical Company.

In the last issue of Paper there is an article by Mr. A. D. Conley on applications of Nitro-Cellulose in the Arts. This is part of a thesis for the Ch. E. degree taken at the University of Maine, June, 1914, by Mr. Conley. It is interesting to note that the theses presented for degrees are of sufficient interest to scientists to be printed in the scientific journals.

K. S. Initiations

Eight freshmen have been initiated this year by Kappa Sigma. They are: Verne Curtis Beverly, Bangor; Donald Lewis Coady, Patten; Kenneth Brenton Colbath, Easton; Joseph Freeman Harris, Patten; Frank Lord, Kezar Falls; Arthur Wilbur Lowell, Falmouth; Hobart Hayes Ludden, Waltham, Mass.; Ralph Harold Wood, Gardiner.

Other pledges are Norman E. Torrey, Stonington, and Fred Baldwin, Pea body, Mass.

The final initiation for the fall will be held at the chapter house on the evening of Friday, Dec. 3, and will be followed by an initiation banquet. Delegates from the other New England Chapters and many alumni are expected to be back for the occasion.

North Hall.

Miss Marion Emery '17 is now living at North Hall.

Miss Hopkins entertained a few friends at whist on Monday evening.

Miss Edith Chase and Miss Frances Lougee spent Saturday at the home of Miss Lougee in Winterport.

Quite a number of the North Hall girls chaperoned by Miss Hopkins attended the game at Brunswick.

BURN OLD TOGS

Seniors Hold Solemn Rites at Last Practice

The varsity football team held its last practice of the year on Alumni Field last Wednesday afternoon. Owing to weather conditions, very few of the student body turned out but that few showed they had the real Maine spirit. After the regular practice, the seniors on the squad, Ruffner, Harvey, Kirk, Krieger, Gray and Purinton burned their old togs in the bon-fire and none but those seniors realized the sentiment and feeling that goes with the closing practice of the year. It meant their last appearance on Alumni Field in football togs and only the men who have played the game for all its worth for four years know what it means to bid farewell to the old gridiron. Gorham then led in some rousing cheers for the senior members of the team and for the coaches and then the team.

Campus News.

Lucile Clark '18 sang a very beautiful solo in chapel, Wednesday, Nov. 3.

The third student chapel of the year was held last Tuesday, Nov. 2. The purpose of this meeting was to arouse spirit for the Bowdoin game and to discuss the arrangements made for the trip.

The speakers were Driscoll '16, Philbrook '16 and Purinton '16.

Philbrook spoke of the special train, she time of starting and of the baggage car in which the students could get lunches.

Purinton spoke of the plans that were being made for a celebration at Portland. This matter was discussed by the student body and a committee was appointed by Driscoll to see Dr. Alej and get his permission to hold the celebration in Portland.

Dean Stevens gave a short address in chapel, Friday morning, Nov. 5.

Mrs. Wingard sang a very beautiful solo in chapel, Wednesday, Nov. 10.

Professor Hammond gave a very entertaining address on "Epitaphs" at chapel last Friday.

Probably the last student chapel of the fall was held last Tuesday. The speakers were coaches Murray and Hewett.

Coach Hughitt stated that the football season was not over, that Maine's hardest game was to come Saturday when the team would go to play the Army. He said that if the student body would show as good spirit as they had been showing and if the team would put up as good a fight as they did at the Colby game, Maine had good chances of winning over the Army. In closing he said that he hoped the men of the college would help the football players in their college work so they would be eligible to play next fall.

Coach Murray then declared that the championship was due in great part to the student body because it had stayed behind the team. He said that the spirit at the beginning of the season was very poor but by the hard work of Driscoll and Ruffner, spirit was instilled in both students and team.

Chapel closed with cheers and the singing of the Stein Song.

DELTA TAU DELTA.

The following men are pledged to the Delta Tau Delta fraternity: Harry C. Libby, '17, of Portland; Kenneth G. Macquarries, Jr., of Portland; Arthur N. Lawrence of Lubec; Kenneth P. Brown of Woodford; Charles F. Campbell of Ellsworth; Charles H. Champion of Adams, Mass.; John C. Greene of Salem, Mass.; Joel H. Howard of Lewiston; Harry P. DeCosta of Lynn, Mass.; and Earl G. Boyd of Kingman.

Willis T. Potter, '15, is back for a few days.

Charles H. Champion, '19, has been absent from classes the past week due to blood poisoning in his ankle.

Carl J. Sandberg, '14, is back at the S. A. E. for a few days.

Team Called Home

agreement with Prof. Wingard and the receipt of the Tuesday Telegram. Smith said that the team was working fine and looked a lot better than it did the day it won the New England.

Manager Haskell also expressed the same sentiment and could see the position of the authorities in demanding that the team return Sunday. He did not see the reason for waiting until Tuesday, and then subjecting the team to the hard trip which is bound to diminish their chance of winning Saturday. He also stated that the men on the team were staying with relatives in and near Boston which reduced the expense to a minimum. Haskell said that the added expense on this flying trip would be over one hundred dollars.

President Aley when interviewed Wednesday morning, stated that the team had tried to get excuses for this week before leaving for the New England Race. These excuses had been refused on the ground that the idea of an entire week's vacation was ridiculous. The President also stated that no member of the team had received orders to return home. Had they wished to take the consequences of cutting a week without excuse that was their business. However, Smith as a member of the Faculty was ordered to report to Orono.

Army - Maine Game

Ruffner failed in his attempt to kick a drop-goal and the second chance was lost. In this period, Oliphant taking the ball on his own 45 yard line and with the splendid interference offered him by McEwan, the big center of the soldier boys, rushed through the Maine team for his second touchdown. McEwan really made this tally possible by shaking off five Maine tacklers who attempted to stop the fleeing West Pointer. Oliphant kicked the goal.

The fourth period opened with the score 17-0 against Maine, but it was in this period that the best spurt of the game was made, but to no avail, as West Point's line held too firm in the pinches and the Maine backs failed to make any indentation. Holding the Army once on her two yard line and again on the tenth was good work on the part of the Orono team. Coffin, left half for West Point, took advantage of Ruffner's fumble on the Maine ten yard line near the close of the period, taking the ball over for a touchdown and kicking the goal. The final score was West Point 24, Maine 6.

Where Maine failed to hold her own was in punting. Exchange of kicks would give the Army gains of twenty to twenty-five yards. She had any number of kickers and substitute backs who were fresh, going into the game, which helped out on the offensive work of the winners. The summary:

Cross Country Team

Bates, took the lead at the first mile and led the pace closely followed by Preti of Maine, who stuck to his heels, while Richards of Massachusetts Aggies closely followed the Pine Tree starter. At the second mile Lane was still leading with Richards and Preti second and third respectively. The rest of the runners were well-bunched behind them, and Brown, the winner of the race was contenting himself with sixth position. Between the third and fourth mile divisions the fight for real honors grew intense and it could be seen that the man among Bell, Lane, Richards, Aiken of M. A. C., who had worked his way up with the flyers, together with Brown, would have to dig to break the tape first. The last mile found Bell, Brown and Aiken exerting themselves for individual honors, and it was not until Brown summoned a final sprint that he pulled away and broke the tape 100 yards ahead of Aiken who won over Bell by a good margin. When Wunderlick, Dempsey and Preti came in in seventeenth and nineteenth places respectively, Maine looked like the winner, and everyone awaited the final Maine runner's appearance. The five qualifying Dartmouth and M. I. T. harriers were all in before Hysom of Maine romped over the line 32nd place and clinched the title for Maine. No, Philburt, I am not a-arguing with you, I'm just a-telling you

—when you want a *real* smoke, get behind a pipeful of Tuxedo and watch all the big and little Worries that have been a-besieging you, evacuate their trenches and make a rushin' advance to the rear. Those fragrant whiffs of "Tux" make them feel too joyful—no self-respecting Worries can stand for that.

Tuxedo

The Perfect Tobacco for Pipe and Cigarette

The combination of the best smoking-tobacco leaf in the world and the best method ever discovered for refining and mellowing tobacco puts Tuxedo in a class by itself.

Kentucky's ripest, mildest Burley leaf, when treated by the original "Tuxedo Process" loses every trace of bite—develops a wonderfully pleasing fragrance and flavor that are not found in any other tobacco.

No other manufacturer knows the "Tuxedo Process"; that's why no imitator ever equals Tuxedo!
