In Fast Game

Monte Cross's warriors opened the baseball season on Saturday, April 20th with a loss of the first game, playing against Colby (at Waterville) in an exhibition contest. Altho losing the game the supporters of this university were greatly elated by the dashing brand of baseball which the Maine men displayed in their first clash of the season. Altho the U. of M. outfit has had only about a week's practice on Alumni Field the men showed that within a short time they will settle down into a fast and well balanced team which will make the other colleges in this state travel some in order to secure the State Championship. Small pitched a strong game and fanned nine of Colby's men, while DeRoche, whom Monte Cross sent in to relieve Small in the eighth twirled in a manner which showed that Maine is not lacking for classy boxmen. Capt. "Pop" Wentworth lived up to his "rep" by being the only man on either team to pole out more than one hit. The striking feature of the game was that the Maine team played baseball all thru the game and connected often with the Colby pitcher.

Marshall of Colby scored the first tally of the game in the fifth session but in the first of the sixth Small of Maine went down to first and then stole second. "Pop" Wentworth came thru and knocked out a two-bagger, (the only one in the game) so Small came home, making the first score for Maine. In the next inning Faulkner made the circuit giving Maine her second score. But in Colby's half of the seventh she won the game by scoring two runs on a couple of hits and a few Maine errors. Thruout the last two rounds the Maine warriors' attack

on the offerings of Fahey produced no results so Maine had to admit defeat to the tune of 2-3.

CABARET TICKETS ARE NOW ON SALE

All students who plan to attend the Cabaret Show in the Assembly Hall on Saturday night are urged to secure their table reservations and their admission tickets from the members of the Junior Masks within the next few days. Both tickets sell for twenty-five cents, the admission ticket giving the holder the privilege of witnessing the cabaret show and to attend the dance afterwards while the table reservation insures to the holder a seat at a table on the floor where refreshments will be served.

EDITORIAL

All growing universities come to a period where the machinery of enforcing their old customs needs changing and the government which was successful and satisfactory for the small college of three or four hundred students is found wanting in many respects for the university of a thousand. Many students have come to feel that our present organization at Maine is not sufficient to meet the needs of the present and it can hardly hope to meet the needs of the days of expansion which will undoubtedly come after the war.

That the student body has long felt the need of self government is shown by the organization of societies for that purpose. The Student Council, the Interfraternity Council and our three class societies all have been created to partially fill this need. They have done much in the past because their members have been willing to work hard for the advancement of Maine. But the present organizations have not been able to produce the results many of their numbers hoped for. The great defects in the present system are that these societies lack authority and they have found that their duties overlap. As a result they have not been as efficient as they might have been. Part of their effort has been wasted. Their efforts have not been appreciated by the student body in general because it has not known for what these societies were working.

In order that these societies may not be superseded, but unified and given more authority it has been suggested that in the spring Athletic Association election a committee be picked to investigate the forms of successful student government in other colleges. Doubtless all of the seniors and many alumni would be very glad to give such a committee suggestions in regard to this important matter. Next fall the proposed committee could report its findings to the student body; these findings would not obligate us but would allow us to pick from the other colleges any experiences that would be of use. From this report we would be able to work out a definite, concrete student government that would aid in developing the University to its utmost possibilities.

ANNUAL MILITARY HOP

The annual Military Hop given in the gymnasium Saturday evening, April 6th, was without a doubt the most successful large dance given in the gymnasium this year as well as being the largest dance of the season. The hall was attractively decorated with American flags and perhaps most conspicuous of all was the large service flag of the Maine men in service which hung in the center of the hall. The drill which began about seven o'clock was completed in two hours and was composed of the following events: Company G (under Capt. N. D. Plummer) gave an exhibition of Butt's Manual; Company H (under Capt. E. A. Riley) demonstrated regimental parade; Company K (under Capt. W. Wight) gave Guard Mount; and Company I (under Capt. F. E. Jones) gave the regulation setting-up exercises.

The music for dancing was provided by O'Hara-Ringwall. Punch was served during the dancing and ice cream and cookies were served at intermission. The Reception Committee consisted of President and Mrs. Aley, Major and Mrs. Lang, Major and Mrs. Stephenson, and Eli A. Marcoux, president of 1921. Mrs. Hart, Mrs. Stevens, Mrs. Merrill, Mrs. Huddilston, Mrs. Estabrooke, Mrs. Harrington, Mrs. Mason, and Mrs. Hamlin were patronesses. The committee in charge of the dance were: Paul S. Burns, Chairman; Paul Tapley; Malcolm MacSwain; Joseph Chaplin and Harold Blethen.

The University Military Office makes the following announcement:— There will be a Fourth Officers' Training School for candidates for commissions in United States Forces, at Camp Devens, Ayer, Mass., beginning May 15th, lasting 14 weeks.

(A) Graduates of the Reserve Officers' Training Corps (who have taken four years' work) are entitled to attend.

(B) Members of the R. O. T. C. who have completed 300 hours of military training since January 1, 1917, and who are selected by the Professor of

SUNSET LEAGUE IS ORGANIZED

For the purpose of encouraging baseball and also to promote greater interest in athletics, the Sophomore Owls have formed a baseball league between the numerous fraternities on this campus. The Owls have given the league the name of Sunset League on account of the games being played so near sunset. In order to have a lot of "pep" and interest shown the Owls are going to present a silver cup to the champion team. There will be eleven games in all, unless tie games necessitate a greater number. The twelve fraternities will each play one game, one frat against another making 6 games. Then the six winners of these games play each other making three more games. This leaves three teams to fight it out for the cup. Out of these three, two teams will have to contest for second place and the winner of this and the third team will meet to decide to which house the cup will go.

On account of so short a time the cup winners will have to be decided by single games rather than by the high averages as is done in the Big Leagues.

JOINT FRATERNITY DANCE PATRIOT'S DAY

About forty couples attended the house party in the Phi Kappa Sigma and Phi Gamma Delta houses on Patriot's Day. Dancing began at three o'clock at Phi Kappa Sigma. At six supper was served in the Phi Gamma Delta House. After which the guests returned to the Phi Kappa Sigma house to dance the remainder of the evening. Major and Mrs. Lang and Prof. and Mrs. Jarrett were chaperones.

Military Science as being qualified in every respect, may also attend.

(C) A limited number of graduates of the University of Maine who have received military instruction may also be appointed by the Professor of Military Science.

The above upon successfully completing the work become entitled to commissions.

CROIX DU GUERRE FOR MAINE MAN

Lieutenant Henry A. Peterson '17 has recently been decorated with the Croix du Guerre of the French Army as a mark for distinguished service. This high honor comes to Lieut. Peterson, who is attached to the Headquarters Company of the 168th U. S. Infantry, Somewhere in France, because of his conduct during a fierce struggle in the first line trenches against a German attacking party. Altho outnumbered by the advancing Huns, Lieut. Peterson's company held their trenches until reinforcement reached them. Of the entire company all but five men, besides Lieut. Peterson, were killed and these owed their lives to the difficulty of the Germans to get thru the wire entanglements.

Lieut. Peterson while at this university took the pre-medical course and was a charter member of the local chapter of Phi Sigma. He also won the Kidder Scholarship during his Junior year. For three years Peterson was a guard on the Varsity football team and was one of the popular men of his class. He was a member of the Sigma Nu fraternity.

The Senior Skulls at a recent meeting voted to conduct the annual "Rising Day" on Friday, April 10th. A committee was appointed to meet the two lower classes and make the necessary arrangements for the notable event for the Freshmen.

CHEMICAL FRATERNITY INITIATES NEW MEN

At a recent meeting of Alpha Chi Sigma the following pledges were initiated: R. A. Wilkins '19, P. E. Lurvey '19, L. W. Wellington '19 and R. H. MacDonell '19.

Alpha Chi Sigma is a national honorary chemical fraternity founded at the University of Wisconsin in 1902, whose purpose is to promote undergraduate interest in chemical affairs. Its members are chosen because of their scholastic standing and popularity from those students majoring in Chemistry. There are at present thirty chapters in various colleges and universities. Xi chapter was founded at Maine in 1911 and its meetings are held bi-monthly.

ADVANTAGES OF SMILEAGE

Said Jake to Bill: "I'd like to go To-night to see a funny show. My mind is ripe for song and joke, But woe is me, I'm stony broke!"

Said Comrade Bill to Comrade Jake: "Cheer up, old top! It does not take A cent to go and have a look. I'll take you with my Smileage Book."

"Pa, why does love make the world go 'round?"

"Because every lover is a crank, my son."

SCABBARD AND BLADE HOLD BANQUET

On Wednesday night, April 17th. Major Frank R. Lang, Dr. Robert J. Aley and Dean Harold S. Boardman were initiated in Scabbard and Blade fraternity by D. Company of the Second Regiment of Scabbard and Blade. Following the initiation a banquet was held at the Penobscot Exchange at which Dr. Aley gave a short talk. After the banquet the party crossed the street to the

Bijou and enjoyed the "Submarine Girl" presented by "Bob Ott".

D Company of the 2nd. Reg't. is at present composed of Capt. W. Wight, 1st. Lieut. C. D. Dennison, 2nd. Lieut. S. W. Collins, 1st. Serg't. S. E. Jones, and enlisted members, C. L. Caswell, H. G. Lackee, C. P. Larrabee, D. M. Libby, L. E. Merrow, H. N. Pierce, N. D. Plummer, E. A. Riley, A. C. Sturgis and C. M. Winter.

Gillette

Safety Razor

*Have You Seen the New Gillettes
Specially Designed for the Fighting Man?*

THESE models were designed by members of the Gillette Organization who have seen service with the Colors and know what the soldier is up against.

Hundreds of officers and men are buying them—the U. S. Service Set in metal case, and the new Khaki-covered sets for Uncle Sam's soldiers and officers.

The Gillette is the one razor for the man who is doing things—the one razor with world-wide use and reputation.

When a man wants new Blades he can get them at any Post Exchange or Y. M. C. A. Hut—here in America or Overseas.

Our Paris Office carries stocks—is constantly supplying the American Expeditionary Forces. Gillette Safety Razors and Blades on sale everywhere in France, England, Italy and the Eastern battle fronts.

Why do so many of

Uncle Sam's Boys use the Gillette?

LET a man spend just one week in the Service—then give him free choice of all the makes of razors there are. He'll reach for the Gillette first, and hold on to it—**every time.** There's nothing like seeing the Gillette idea work out in the experience of thousands of men—under extreme conditions.

Here is the No Stropping, No Honing principle—tested and approved by millions of men in the world at peace.

The world goes to war. Millions of men spring to arms—and the one razor that survives the test of war conditions on a world-wide scale is the No Stropping, No Honing Gillette.

There isn't a regiment in the field today under any of the Allied Flags but numbers more users of Gillettes than of all other razors put together. There isn't a condition that a man

could find in his shaving—heat, cold, sunburn, wind-chap, water scarce or bad—but has been met by the Gillette thousands of times in its nearly four years of war service.

The fighting man lives in his pack—every inch of space and ounce of weight taken up.

The Gillette tucks away in the corner, or in his pocket—compact, complete, no strops or hones to clutter up the kit—Blades always sharp, always ready—simple, strong, stands the wear and tear—weighs next to nothing—and No Stropping, No Honing.

**FRESHMEN WIN
FROM SOPHOMORES**

The annual Freshman-Sophomore debate was held Wednesday evening, April 17th, in Assembly Hall. After a closely contested debate the judges decided in favor of the affirmative (the Freshmen) on the following subject: Resolved: That the government should own and operate the railroads after the war. The following men comprised the teams: Affirmative '21—Blake, Foley, and Schweitzer; Negative—Chadbourne, Merry, Bannister. Dean J. S. Stevens acted as chairman while Professor C. W. Peabody and Professor W. Craig acted as judges. William P. Schweitzer '21 won the New York Alumni Association prize of \$30.00 as the best debater of the Freshman-Sophomore debate.

Mrs. Nina Allen, Grand Vice-President of Pi Beta Phi, was the guest of the local sorority, Beta Phi for the purpose of inspecting the chapter. The members of Delta Delta Delta entertained in honor of Mrs. Allen in their chapter rooms at Dean Hart's Saturday afternoon, and Mrs. Aley gave a tea for the Beta Phi sorority Sunday afternoon.

**NAVAL RESERVES CALLED
INTO ACTIVE SERVICE**

Mr. Gannett has recently received a letter from G. G. Mitchell, the District Enrolling Officer of the First Naval District, asking for the date when the University of Maine closes its fall semester.

A second letter came with this one stating that all the U. S. N. Reserves, who were released from active service last fall to return to college, would be called back into active service at the close of the current year. All those that have completed their college course will be examined carefully as to the branch that they are qualified to enter. All those who wish to return to college will be stationed at some place this summer so that it will be convenient for them to return to college next fall. All those who wish to enter an officers' training school will have to enter with the understanding that if they get their commission they will not be allowed to go back to college in the fall.

1919 PRISM OUT

The 1919 Prism will go on sale Thursday afternoon at the University Store. This year's "Prism" will be a war issue as indicated by its khaki cover, its honor roll of every Maine man in military service, the scores of cuts of U. of M. men on duty in the military camps of the country or in the trenches of France, and the general scheme of make-up and drawings. The coming issue of "Prism" will contain the usual class sections, fraternity groups, athletic teams, and the annual grinds. As but a very limited number of copies (half the usual number) have been ordered, every student, Juniors especially, is urged to secure a copy immediately as none will be reserved. The price is \$2.00 per copy.

Juniors desiring dance orders for the Prom can secure them only of the following men: C. M. Winter (Delta Tau), H. W. Turgeon (Beta), W. Wight (Sigma Nu), C. M. Poor (Dormitory), and L. W. Wellington (Phi Kappa). The fee of \$2.50 includes both dance orders and refreshments.

The members of the Junior Class will be excused from all classes on Friday and Saturday, April 26th and 27th.
