Two Fast Games
Won by Maine

Rhode Island State and Colby are Losers in Close Battles

The Rhode Island State ball nine did not defeat at the hands of the University of Maine boys in a lively and interesting game Thursday on Alumni Field. It was an ideal day for the game and Maine rooters and co-eds were out in full force.

Maine put the game on ice in the third inning by scoring four runs and in the end they won out 5 to 2. In this inning Watson led off with a good hit followed by Wood who also singled. Sargent sacrificed and Young cleared the bases with the assistance of some booting and crazy throwing by the Rhode Island team. Waterman followed with a single and was scored on a drive by Satterly. Nichols then stopped the rally by fan-laying. Watson pitched a calm and heady game for Maine and never was it seriously threatened.

There was plenty of noise, besides the band, from the bleachers and altogether some lively afternoon with a good showing of spirit by the Maine crowd.

The score:

LIVELY RALLY HELD BEFORE TRACK MEET

A rousing rally was held in the chapel Thursday evening in preparation for the state track meet. "Sam" Collins took charge of the meeting, and after a few remarks called on "Jerry" Reardon, who, together with the speakers following, was greeted with a storm of cheering and applause.

"Jerry" said that a laundry is to be operated on behalf of the University athletes, that they may be given an opportunity to earn money to go toward paying expenses. If an athlete has an idea for earning money, that may be of value, let him show his Maine spirit by helping Captain Reardon.

The money is needed. He also said that everybody must get behind the track team at the state meet just as we got behind the baseball team at the Rhode Island game.

Manager "Squirt" Lingley then gave a few facts concerning the coming event. He urged everyone to turn out at the trials Saturday morning.

CAPT. "BILL" ALLEN

"Jerry" Reardon, who, together with "Bill" Allen, had made speeches, now called on Captain Bill Allen. "Bill" Allen said that due to the many of the best members of its faculty being called into the great war, a large percentage of these will be back at their posts next September.

The following tells of the present location of many of the former faculty members.

Window P. Daggett, Professor of Public Speaking, 2nd Lieutenant, U. S. A., is teaching in the Alviene Schools, 225 West 57th Street, New York. Professor Daggett returns to the University of Maine in September.

Caroline Coelin, Professor of History, who has been with the commission on Training Camp Activities, So. Cal. Service Division, will return in Maine in September.

Maine Loses Track Championship to Bowdoin

Fast Time Made Considering the Condition of the Track

The University of Maine through hard breaks lost the 23rd annual track championship to Bowdoin. The inability of Wyer '21 and the absence of Zeigler '19 lowered Maine's score greatly.

MAINE TO SEND TEAM TO N. E. I. A. A.

Maine will be represented at the annual New England Interscholastic Track meet to be held at M. I. T. next Saturday, May 24. Practically all the colleges of New England will be represented and there will be keen competition for points.

Coach "Pat" French will send a squad of about twelve men to represent Maine. Without doubt the men will make a creditable showing, although Maine has been handicapped by loss of Zeigler and several men being ineligible. "Bill" Allen ought to come through with this team at the trials Saturday, May 24, after the three in the morning it.

The following tells of the present location of many of the former faculty members.

Window P. Daggett, Professor of Public Speaking, 2nd Lieutenant, U. S. A., is teaching in the Alviene Schools, 225 West 57th Street, New York. Professor Daggett returns to the University of Maine in September.

LETTER TO THE '99's

In last Saturday's Track Meet Bov- dowin carried away the laurels. Let that sink in; Bowdoin, a school of one hundred, could beat Maine. There is only one thing to do, get behind athletic teams at Maine. If the student body had as much interest in supporting the track team as the untold ability, there would have been a definite improvement.

Next year Bowdoin will have prac- tically the same track team. It is ab- solutely necessary that the track ma- terial at Maine must be increased.

It is up to every Maine man with red blood in his veins to go out for track himself and try to influence men that you know ought to be good track men.

LETTER TO THE PENOBSCOT VALLEY ALUMNI AS- SOCIATION

Bangor, Me., May 12, 1919

To Maine Men of Penobscot Valley and Vicinity: An enthusiastic meeting of the Penobscot Valley Alumni on March 31 steps which were taken which will all take place in Bangor on Thursday. This is the first Maine R. O. T. C. parade since last fall. There are only 200 players and equipment, but there is all confidence in the 400 strong. The Sigma Nu and Alpha Tau Omega team five to four. Last week the Beta Theta Pi team was un- able to arrange a game with the Han- nibal Hamlin Hall team but will play them this week. Tuesday, May 20 the Phi Eta Kappa team will play the Phi Kappa Sigma nine. Wednesday, my 21 the Phi Gamma Delta team will play the Kappa Sigma nine. Thursday, May 22 the Sigma Nu will play the winner of the Beta Theta Pi vs. Phi Kappa Sigma nine. These teams have been playing very good ball and some fast games will be played this week.

A CULTURAL CLUB HOLDS MEETING

The last "Heck" Club meeting of the year was held Wednesday evening. The meeting was called to order by President Carl Lewis and turned over to the faculty. After some contro- versy Prof. Clifford Patch '11 was elected to act as toastmaster. Mr. Cummings was called upon and proved himself a first rate speaker. He told of the way in which the campus and track meets were given up to the war. He told of the campus and track meets which were given up to start the war. He told of the way in which the Campus and Track Meets gave the campus and track meets which were given up to the war. He told of the way in which the Campus and Track Meets gave the war and the campus and track meets which were given up to the war.

The meeting was very well attended and the chairmen spoke of their plans for work next year and the officers were elected for the year.

LETTER TO THE �99'S

To the Class of 1899:

Considering the fact that 1899 has never had any kind of a class reunion since its graduation, this twenty- tenth anniversary is a fitting time to get together and talk over the old times. You know how much I believe in this proposition and the writer i of the same opinion. When it comes to returning alumni this commencement is going to be a
to this despoiler. Let us show our loyalty and our desire to have her put back on a pre-war basis by being pres- ent at Commencement this year and handing to those who are trying to sustain her.

MAINE R. O. T. C. PARADE IN BANGOR

The University of Maine R. O. T. C. Battalion will take part in the Service Celebration given to all former men of the University to the attention of the old Maine pep, with smokes and other Maine Alumni that you can lay your hands on.

Previously we have heard what is expected this will be sufficient if the above mentioned projects has rec- ommended.

We, like every other institu- tion.

BOSTON HERALD BOOSTS MAINE

The Boston Sunday Herald had a very exhaustive page of matter in the interest of the University Sunday, May 19. It was devoted primarily to the help of the alumni to start in the right manner next fall. Will you do your part?

TWO FAST GAMES WON BY MAINE
Stolen bases, Wood, Young, Waterman, Slattery, O'Brien, Casey; sacrifice hit, Sargent; base on ball by Watson, 2; struck out by Watson, 9 by Nichols, 9. Double play Slattery to Waterman. Time, 155. Umpire, Conway.

In its third game of the State Series Maine defeated Colby at Waterville last Thursday by a score of 8:6. The game on the whole was rather loosely played, pitchers were hit freely. Watson who pitched in the Rhode Island State game Thursday made his debut at this game. Maine won thru their ability to bunch hits where they counted, and good base running.

MAINE HISTORY IS VALUABLE VOLUME
It was thought that all of the "History of the University of Maine" of our late beloved president Dr. Merrit C. Fernald had been sold, but it is found that it is not so. A number has been found recently at the University and they will be held for Commodities in order that the alumni may have the first opportunity to purchase them. As the number is limited an early application should be made for Dr. Fernald had lived it and been an active part of the University up to the time of his death a few years ago. They are the property of Mrs. Fernald and as there are only a limited number of them they should be sold out very quickly. Dr. Fernald was a strong man, he laid foundation, he built better that he knew as later years have shown. He has an indelible monument in the University, a better one no man scholar could wish.

THE INTERSCHOLASTIC MEET SATURDAY

The Interscholastic Meet Saturday at the University will be a very big one. The games will include track, baseball, tennis, basketball, football, track again, and field events.

The Seal Shields have arrived

THE FOREST CLUB
The Forestry Club will hold an interesting meeting next Thursday evening. Several speakers are promised. Students are invited to attend.

Several ex-Maine men have been on the campus the past week.

Claude Boyle '08 of Allston, Mass., was on the campus the A. T. O. men, of which fraternity he was a member in 1918.

Vinton O'Harkess, S. A. E. of New Orleans, and an ex-20 man, was on the campus. He is member of the U. of M. band which has just returned from across.

Edward H. Kelley '19 has returned to Bangor with the rank of ensign in the navy. He was a student at the University before entering the service enlisted as a seaman, and after attending school in Boston was given sea duty, after which he was sent to Pelham Bay ensign school. His brother Francis is in Germany with the 56th Pioneer regiment.

Sergt. Edward W. Connors '15 who has been overseas for a year in the engineering Corps is now taking a short course in University College, Dublin, Ireland agreeable to a policy of our government (all expenses paid for soldiers) and which many of our soldiers are eagerly taking advantage of the opportunity.

He is much pleased with the institution and its surroundings and considers himself very fortunate to be one to have this opportunity.

ATTENTION

RED CROSS AS CUPID'S AIDE

On the continent the fathers and mothers arrange it. Over here, the boys and girls do it all alone. When the boy's from over here and the girl's from over there, what is the procedure to be? One girl solved it.

A Jack from Minnesota said "Will you?" to a Jill in France. That was the American way. But continental traditions are not shattered in a moment. Jill, whose name it "Henriette," wrote to the American Red Cross at Washington: "Now, would you," she wrote, "be so kind as to arrange with the parents of my suitor that they might convey through your organization for which my family has the highest regard, to my uncle, who is my guardian, their willingness for the betrothal to be arranged?"

The Washington headquarters very properly sent the message on to Minneapols. Now it's up to the Minnesota folks. If they will allow the Home Service Section to "convey to 'mon uncle's approval of the match, there'll be one more international marriage. And who wouldn't dole Henriette for daughter-in-law?"

“Sam” Collins then aptly introduced “Prexy” Monahan, who gave his listeners a talk that clutched every point he brought out. Inspiration which is not “hot air” means success. Loyalty and sacrifice, he said, are next in importance. The old timers never saw more spirit than was manifested at that rally.

A few of the competitors responded to persistent shouting of their names. Herrick, Wasker, “Peter” Allen, and Pratt each said that they would do their best at the meet, and urged the students to cheer them on.

After the speeches, the track team was cheered individually. Then the old Stein song was sung and the meet broke up.

MAINE LOSES TRACK

Championship to Bowdoin seemed that Maine still had a chance to win but Maine was unable to come through where first places were expected.

Goodwin of Bowdoin ran a fine mile and two mile race. Pratt was the highest point winner for Maine taking 13 points, 2 seconds and one second. On the whole the meet was a failure. But it is to be remembered that Maine was handicapped by the loss of Zeiger and Wyer, also that one on Maine’s team except Capt. Allen were green men in college circles and in almost every case they were running against experienced men.

GLEE CLUB Completes SUCCESSFUL YEAR

The Belfast-Rockland and Vinalhaven concert trip planned by the Men’s Glee Club has had to be cancelled in view of the fact that the government has set aside May as the date for Military inspection of the Maine G. T. C. The date originally planned for the Rockland concert. Every effort was made to retain these concert dates for the Girls’ Glee Club but satisfactory arrangements could not be made. This means the conclusion of one of the most successful seasons that the Maine Musical Clubs have known. The Men’s Glee Club had a very successful trip thru Dover Foxcroft and Guilford with a final concert in Bangor. The girls were planning an unusually successful year since for the first time in the history of co-ed activities permission was granted to give the concert in other parts of the state. The season was so near an end that satisfactory arrangements could not be made. To concert in Orono, Oldtown and Bangor were without doubt the most successful ever given by the G. T. C. Clubs and every effort will be made to secure dates for a concert trip next year.

PRIZE HELMETS AWARDED TO WINNERS

Ellie A. Wheeler 1919 and Samuel W. Collins 1919 are the winners of the two German helmets offered to the woman and man of the University, selected by the largest number of Victory bonds.

Miss Wheeler sold twenty-three bonds amounting to $1750. Mr. Collins sold eleven bonds totaling to $2590.
