College Plans Lively Commencement

Alumni activities beside those of seniors will make full week-end

Commencement plans are now nearing completion. From all reports this year's Commencement will be the best ever, for everyone on the various committees have worked hard to make this important occasion of interest, not only to graduates and alumni, but also to all undergraduates and to anyone interested in Maine.

Commencement begins Friday with the annual Phi Kappa Phi initiation and banquet which take place at 5 P. M. In the evening some sort of student entertainment is planned for out-of-doors.

Saturday will be Alumni and Class Day. The Alumni have taken a very active interest in this year's Commencement and have planned class reunions, class luncheons, ball-games, and various other activities. Alumni Banquet will be held in the gymnasium at 6 P. M., the Seniors to be the guests of the occasion.

At 2.30 Saturday afternoon will occur Class Day Exercises which will be held out-of-doors if the day is pleasant. Some of the Seniors who have parts in these Exercises are "Bill" Sisson—Presentation of Gifts; Ella Wheeler—Class Poet; Charles Corey—Historian; Raymond Hopkins—Class Prophet.

On Sunday morning at 10.30 Baccalaureate Services will be held in Assembly Hall. Bishop Edwin Holt Hughes, who has spoken here before, will give the Baccalaureate Address.

(Continued on Page Four)

SENIOR SKULLS ELECTED

The Senior Skulls of next year were named at the last chapel exercise last Friday. They are elected by the Senior Skulls of this year and consist of men that are the most active and popular at Maine.

Those pledged were: "Squirt" Lingley, "Hickle" Green, "Kid" Potter, "Boone" Buzzell, Roger Woodman, Burleigh Waterman, "Chink" Friend, Verne Beverly, Miles Ham, "Johnny" Walker and "Stubby" Furey.

CLASS DAY PROGRAM HAS BEEN ARRANGED

The program for the annual Senior Class Day Exercises has been arranged. The order of events is as follows:

Place—Alumni Hall
Time 2.30 P. M. Saturday, June 21.
Music
Prayer
Earle Herrick Danforth, Chaplain
Roll Call
Kathryn Estella Hitchings, Secretary
Address to Undergraduates
Samuel Wilson Collins
Music
Class History Charles Truman Corey
Presentation of Gifts
Willard Case Sisson
Oration Jeremiah Timothy Reardon
Music
Class Poem Ella Adams Wheeler
Presentation of the Fraternity Scholarship Cups
James Adrian Gannett, Registrar
Prophecy Ray Clifford Hopkins
Valedictory
Vernon Howard Wallingford
Music
Smoking of the Peace Pipe
Planting of the Ivy

It's a hard bed, Heinie, but who made it?

"M" CLUB PRESENTS MINSTREL SHOW

The first Annual "M" Club Minstrel Show which was postponed from June 5 was held in Alumni Hall last Friday evening.

It was a big success from start to finish and showed the result of careful preparation. The scene was taken as on board the U. S. S. Motionless with the chorus clad in "whites". To attempt to enumerate the hits of the show would be but a repetition of the entire program but it would be safe to say that the song concerning the U. of M. faculty made as big a hit as any one number.

The show was produced under the personal direction of "Jack" Green '20 aided by a committee of arrangements consisting of "Jit" Faulkner '19, Burleigh Waterman '20, "Squirt" Lingley '20 and "Jess" Willard '20. Musical effects were by "Opie" Turgeon '20.

The program was as follows:
A Charming Acquaintance
Burleigh Waterman '20
End Men
"Jerry" Burroughs '21, "Woody" Wood '21, "Purry" Purinton '22, "But" Butler '22.
Chorus
"Buckie" Crandall '21, "Phil" Diehl

(Continued on Page Four)

Baseball Team Near the Top

Game with Bowdoin on Thursday decides Pennant

Maine is coming back to pre-war conditions. This can easily be seen by the way the baseball team has come thru and we know that Maine will surely finish on top when they play Bowdoin on Thursday. If by chance that Maine loses to Bowdoin on Thursday the deciding game will be played on Friday.

We have seen this year old players come back into the limelight and new players developing into good baseball form. The squad at present consists of the following men: Reardon '19, catcher and captain, Small '21, De Rocher '21, and Watson '20, pitcher, Walker, first baseman; Faulkner, second baseman; Waterman, shortstop; Sargent '21, third baseman; Wood '21, fielder; Young '21, fielder; Lawry '21, catcher & fielder, Feeney '22, catcher. Of this squad only two men are to graduate namely, Reardon and Faulkner which will be without doubt a loss to the team but their shoes will probably be filled by new material.

Thru the efficient coaching of Coach Monte Cross the team has shown this year some real baseball and the most of the success is due to him. We sincerely hope that Monte will be with us again next year.

Manager Bussell '20 has with his earnest efforts secured the schedule thru which the team has successfully gone.

Beside the regular state series a trip to Massachusetts was taken in the first part of May.

ATHLETIC ASSOCIATION ELECTS FOR NEXT YEAR

The annual election of the Athletic Association took place last Wednesday. The following were elected to office for the year 1919-1920.

President: M. F. Ham '20.
Vice President: R. F. Woodman '20.
Secretary: H. E. Pratt '21.
Athletic Board: Harry Watson '20; A. B. Lingley '20; N. H. Young '21.
Baseball Manager: J. C. Burrows '21.

The Managing Editors have charge of the news columns and general make-up of the paper.

The Business Manager with his assistants is directly responsible for all the business and finances of the paper.

EDITORIAL

As the time for leaving draws nearer and the strain of finals lessens, we begin to think that this year has been a very remarkable one in many ways.

There have been many new friendships, a better understanding between the students and a general broadening effect thru the contact with our various acquaintances.

When we leave this spring, it is with some feeling of regret. There comes the thought of possibly never seeing some of the closest friends again, the realization that there will be many changes in the faculty and the idea of missing many familiar faces in the fall.

Altho we hate to break away from the good old ties at Maine, we may look forward with anticipation to the forming of new friendships in the year to come and the continuing of the old bonds of friendship thruout all the rest of our life.

COMMENT ON "M" CLUBS

The Maine "M" Club is without doubt one of the organizations which has inspired the following comment concerning the establishment of a similar organization at Middlebury College:

AN "M" CLUB

Is it not time that Midd men who have earned the right of wearing the varsity "M" should get together and form a club wherein cooperation on the part of those vitally interested in athletics may lift that phase of college life to its proper sphere among the various college activities?

The functions that such an organization might perform are various and far-reaching. In the first place it may help to do away to a large degree with any sense of fraternity spirit that may be influencing athletics. In the past we have no doubt had teams whose failure of success might be attributed largely to internal discord brought on by a too sensitive fraternity spirit. An organization, however, wherein all athletes of all fraternities could get together and there learn to know each other as athletes and men and not as

members of different and rival "frats" would surely make for a better and smoother-working aggregation on the athletic field. Then also an "M" club could aid immensely in bringing men of the right athletic calibre to Midd. Concerted and co-operative action on the part of such a body of men interested in the furtherance of good clean athletics could achieve much in the way of impressing prospective Midd men with the advantages and value of an education at Midd.

Some sort of method whereby alumni who have "done their bit" for their alma mater by reason of athletic ability can be kept in semi-active touch with the athletic activities of their college would be of tremendous benefit. As a member of an "M" club, an alumnus by reason of letters every now and then from the active members of the club could be kept in touch with the athletic activities of the college and by the reason of invitations extended at times before some big contest to come back and help imbue the men with the spirit that helped him conquer on the field of battle, could be made to feel that the athletic endeavors for dear old Midd were by no means only transient but that they are recorded and remembered by the men who have succeeded him.

Under conditions as they are now, athletes here at Midd meet their coach and adviser probably only on the athletic field during the time allotted for practice. Wouldn't it be more conducive to a better understanding between coach and player if there were some common organization in which both were interested and where the coach might more fully give his men the benefit of his experience in matters that he has not time for during the practice session on the field? Just as a better understanding between student and professor is achieved by frequent conferences and informal discussions so also do athletes by being brought closer and more often together with their advisor gain a better understanding of their sport, and their coach.

Any organization which has for its primary aim the purpose to foster better athletics should be encouraged and the possibilities of achievement that go with the formation of a "M" club are too momentous and far-reaching for the men of Middlebury interested in athletics to let pass.

S. G.

SECOND THE MOTION!

Dear Editor:

"Why not an "M" Club at Midd? Many of our leading colleges and universities have a club made up of the present and past wearers of the Varsity sports insignia. The object of these clubs is to help athletics at the college and to foster relations between the alumni and undergraduates.

Membership, as a rule, is open to all winners of the major sports insignia, while associate membership is granted to wearers of the minor sport letters.

Should we have an "M" club at Midd? Arguments are plentiful in its favor which to me seems self evident. What do you think of it?

J. W. T.

The very spring and root of honesty and virtue lie in the facility of lighting on good education.

The Westbrook Wit says someone stole his umbrella the other night and to make matters worse it was one he bought.

ALL SHOULD ORDER PRISMS NOW

Orders for the 1920 Prism are now being taken at the University Store and there is but a short time left in which to order your Prism. Payment of \$3.00 with the order will place the book in your hands before July with

MILES F. HAM
Business Mgr. Prism

no other expense or trouble to you. Don't put off ordering thinking that you will wait until next fall, order now and make sure of your Prism.

The 1920 Prism is the best issued for a number of years. In point of size, quality and features it ranks with the best volumes issued. The big feature is a Memorial Section to the

WALTER S. TOLMAN
Editor-in-Chief Prism

Maine men who have died in service in the Great War. It contains a picture, college history, and writeup of every Maine man killed in the service. The historical value of this section cannot be overestimated.

Another section contains a list of the names of every Maine man who was in service during the war.

There are the usual class sections with the Junior pictures and writeups snappier than ever. The fraternity contains pictures of groups and houses. Clubs and honorary societies occupy the usual section. The athletic and social sections are fully up to the usual standard.

The grind section this year is "bigger and better than ever." It is fully twice as large as last year with snappy personals and good pictures. It is too good to miss.

The Publishing Board includes:
Editor-in-Chief—Walter S. Tolman.

Business Manager—Miles F. Ham.
Assistant Business Manager—Lawrence P. Libby.

Associate Editors—Kathleen M. Snow, Harry Butler, George A. Potter.
Athletic Editor—Stephen R. Bussell.
Artist—M. Eleanor Jackson.

A NEWSBOY OF THE TRENCHES

"The Red Cross Boy with the Whistle," was the name given John Cafilisch, a steeplejack of Buffalo, N. Y., by American soldiers in the St. Mihiel sector.

A daredevil in more ways than one, Cafilisch made regular trips to the front trenches for the American Red Cross to distribute newspapers containing the latest American news. His work became so popular that it was necessary for the Red Cross to furnish him a camionette. To expedite his deliveries, Cafilisch procured a squawking whistle which emitted a sound very much like the horns used for starting Paris subway trains. Whenever this peculiar whistle sounded about the front lines, doughboys appeared in crowds to get the news.

Cafilisch delivered as many as 18,000 newspapers daily. One morning near Vieville a shell exploded beside his camionette and put it out of use for several days. The boy kept on his rounds afoot. He will be long remembered by thousands of grateful American officers and enlisted men.

GOVERNMENT ADVISES ON INSURANCE

All discharged soldiers and sailors should be advised to keep up the payment of the premiums due on their War Risk Insurance, applied for while in the military service.

Within a short time those who have kept up such payments will be permitted to convert their present insurance to other forms without another physical examination. Any discharged soldier who has permitted his insurance to lapse should correspond with or call at the office of Major T. J. Johnston, Department Insurance Officer, Headquarters Northeastern Department, Room 717, 99 Chauncy Street, Boston, Mass., as soon as possible, as it is not yet too late to be reinstated. Information may also be obtained there with reference to the new kinds of insurance to be issued and the premium rates therefor. In writing, in addition to asking the information desired, the person should indicate the date of his discharge and whether he has paid any premiums since such discharge.

The officer above mentioned will also be pleased to assist the allottee of soldiers in cases where allotments and Government allowances are not being received.

PEACE AMONG THE CO-EDS

Rising day, for the co-eds, was unusually peaceful and quiet. Of course the girls at Balentine hung out a '22 flag, as usual. But the only real excitement was that of watching the ball game and Bag Scrap and the fight at the power house afterwards. Meetings had been held by both the Sophomores and Freshman girls, but both sides had decided to do nothing, unless the occasion arose. This decision was quite likely due to the fact that the declaration of independence, earlier in the year, had been quite strenuous enough.

MAINE ALUMNUS DISAPPEARS

Guy C. Palmer of Patten, a former well known Maine athlete, who had been missing in Massachusetts since May 29, had been located in Norwich, Conn., ill in a hospital. His sister, Miss E. Berle Palme, of Newton, Mass., is with him.

On May 29, Palmer left New York to visit his sister for a couple of days at Newton, Mass., and from there to come to Maine for a much needed rest, as he had recently returned from overseas after service with the A. E. F., as a lieutenant and it was feared at that time he would suffer from a nervous breakdown. Nothing was heard from him until after a week of much anxiety; his sister solicited the aid of the newspapers and thus he was found. It is known further that on May 30 he was committed to a hospital at Norwich, Conn.

Palmer is a graduate of Maine in 1916. He holds the state record for the high jump and was prominent in all phases of college activities. He is a member of Kappa Sigma.

Sunday noon, the girls of Balentine Hall gave a farewell party to Mrs. Harrington. The dining room was decorated with ferns, daisies, and but-tercups. After dinner there was a musical program at the end of which Kathryn Hitchings presented Mrs. Harrington with a bouquet of pink rose-buds and a Maine tourmaline ring.

Mrs. Harrington replied expressing her thanks and best wishes to the future of Balentine Hall.

SENIORS COMPLETE THEIR THESES

The following is a list of the senior theses of the Chemical and Civil Engineering departments.

John E. Goodwin: The Catalytic Action of Vanadium Oxide on Wet Oxidation of Naphthalene and Pthalic Anhydride.

Clifford P. Larabee: The Standardization of the Chlorine Solution.

Manley W. Davis: The Factors in the Bleaching of Pulp by Chlorine.

Mr. Chow: The Manufacture of Paper from Straw.

Louis Schweitzer: Cigarette Paper.
George Cheney: The Nitration of Carbazol.

Vernon H. Wallingford: The Production of Phenanthrene Dye Stuffs.

Samuel Wiesman: The Catalytic Action of Vanadium Oxide on the Wet Oxidation of Carbazol.

Ralph A. Wilkins: Quantitative Estimate of Phenanthrene.

Kenneth Farr: A Step in the Oxidation and Reduction of Carbazol.

Millard G. Moore: The Catalytic Action of Vanadium Oxide on Wet Phenanthrene.

Robert D. Chellis, Charles F. Niles, Charles M. Poor and Willis S. Winslow of the Civil Engineering department have as their subject: The Design of Mortar Mixes.

D. S. Hanson, K. B. Noyes, and D. F. Theriault, seniors in Mechanical Engineering are doing a thesis on the Effect of Temperature of the Inlet Mixture on the Operation and Fuel Consumption of the Ford Motor.

COACH FRENCH LEAVING MAINE

Frank A. "Pat" French, track coach this year has accepted a position as Athletic Director at Deering High School, Portland. Deering High should prove a good working proposition for "Pat" and next year we expect to hear from Deering in athletics.

"Pat" at present is playing ball with the Portland team of the New England League and according to all reports is proving one of the team's mainstays with the stick.

DELTA DELTA DELTA ENTERTAINS

The Tri Delta girls gave a supper to Miss Patch, Mrs. Harrington, and their patronesses, Mrs. Easley, Mrs. Matthews, and Mrs. Sweetser, Tuesday evening.

The roof of the sun parlor at Balentine was transformed into a roof garden, decorated with pine and palms. There were six tables. The freshmen acted as waitresses. After supper songs were sung.

The girls regret that two of their patronesses will not be here next year.

TRACK CAPTAIN ELECTED FOR NEXT YEAR

At a meeting of Varsity Track men held recently Harold E. Pratt '21 was elected to the captaincy of the Track Team for next year. "Hep" has been a consistent point winner for Maine this year being high Maine individual man in every meet this year. His events are the 220 yd. dash, quarter mile, and broad jump.

"Hep" was captain of the relay team which defeated Bowdoin at the B. A. A. Relay Games last winter and indications point that his captaincy of the Track Team will be equally successful.

ALPHA CHI SIGMA HAS ANNUAL BANQUET

XI Chapter of Alpha Chi Sigma held its annual banquet at the Penobscot Exchange Hotel, Bangor, last Saturday night. Alumni present were E. J. Turner '18 and P. E. Lurvey ex-'19. Undergraduates present were M. W. Davis '19, M. G. Moore '19, J. E. Goodwin '19, V. H. Wallingford '19, K. R. Farr '19, L. W. Wellington '19, R. A. Wilkins '19, L. A. O'Rourke '20, W. S. Tolmon '20, H. V. Rapp '20, P. C. McGouldrick '20, A. B. Lingley '20, W. H. Anderson '20, A. W. Berry '21, S. W. Beeaker '21.

RISING DAY FULL OF CLASS ACTIVITIES

The annual Rising Day took place on Wednesday afternoon and evening. This year three events instead of one were held, a fact which will make this a day long remembered.

First came the Freshman & Sophomore baseball game, which was called at 6.30. The Freshmen occupied the third base bleachers and the Sophomores the grand stand. Both classes brought an enormous amount of lung power and they used it to good advantage. The Sophomores came off victorious. Immediately after the game the annual bag scrap was held. This was postponed last fall due to the S. A. T. C. The Freshmen largely outnumbered the Sophomores and won easily although it is said by onlookers to have been one of the most exciting scraps ever held here.

Last but not least was the annual rope pull across the frog pond. Freshman roll call was at Alumni Hall at 10 and Sophomore roll call at Library at 11.

Thirty were chosen from each class to participate. At about 12 these were lined up, the Freshmen on one side of the frog pond and the Sophomores on the other and the gun fired—the decision was not long in doubt and in a short time the Sophomores were navigating the pond, that is, those who did not drop off.

The only thing to mar the good time was the thought of finals but this did not seem to worry many.

COMMENCEMENT OF 1919

Fraternity banquets and reunions will take place during the noon hour.

In the afternoon there will be open house at President Aley's home, at all Fraternity Houses, at Mt. Vernon and Balentine.

Memorial Vesper Services will be held in Assembly Hall at 7.30 P. M.

Commencement Exercises will occur Monday A. M. Addresses will be given by Governor Carl Milliken, and Ex-Governor M. G. Brumbaugh of Pennsylvania. Then degrees will be conferred.

In the evening the Commencement Ball will be given in the gymnasium. Extensive plans have been made for this occasion which is to be formal. The decorations will be elaborate; the music—the best to be had for dancing.

Surely no one can afford to miss Commencement this year. If possible everyone should stay, to help make the occasion as pleasant as possible for visitors to the campus.
