Senior Skull Scholarship Cup has One Year to Run

Has Been Won Twice by Phi Gamma Delta, Sigma Nu and Phi Eta Kappa Fraternitys

The scholarship cup which was presented to the college by the 1929 Seniors on the occasion of the fiftieth anniversary of the organization of the Phi Gamma Delta Fraternity in America, was awarded on the basis of scholarship for the year just closed.

"This cup shall be awarded at Commencement to the fraternity having the highest average scholarship in the two semesters which it has endorsed. The number of members of the fraternity, the number of men in good standing, and the number of men who have completed their course shall divide the number of scholarships awarded," was the answer to the question of the students of Phi Gamma Delta, Sigma Nu, and Phi Eta Kappa, who were asked to accept the scholarship cup.

It was the intention of the cup to be awarded for the year 1931, 1932-33, inclusive. The scholarship may be awarded for the number of scholarships the fraternity has endorsed, the number of men in good standing, and the number of men who have completed their course shall divide the number of scholarships awarded.

This cup was awarded the Phi Gamma Delta, Sigma Nu, and Phi Eta Kappa, on the basis of the scholarship of the fraternity for the year 1929-30, which was the highest average scholarship in the two semesters which it has endorsed.

Hannibal Hamlin Wins From
Oak Hall in Football

Oak Hall Falls to Hannibal by Score of 2-0; Judge Kicking and Passes From Perkins to Dunn Were Features of the Game

Rev. Clinton W. Wilson
Gives Address in Chapel

Rev. Clinton W. Wilson, of the United Parish of Orono, spoke in the chapel on the subject of "The Crusades.", in part, he said, "We as Americans are accustomed to exaggerate, but it is no exaggeration to say that the day in arms was signed in one of the greatest in the history of the world. Yesterday, in the British Empire, the people stopped for two minutes in a prayer of thankfulness for peace."

These tests are beginning an experiment conducted by a committee of the present college for the promotion of education and mutual understanding.

Mr. Holstag went more into the details of the machine, explaining in length the principles of the outfit.

Mr. Libby and Mr. Holstag
Speak on Ark Welding

Mr. Libby, a member of the class of 1896, now connected with the Electric Machinery Company in Bangor, spoke before the Alumni Council of the University of Maine on the principles of the arc-welding machine.

Mr. Holstag also spoke on the subject, explaining in detail the principle of the machine.

Bright Outlook for
Men's Mandolin Club

Unusual interest is being manifested this year in the Men's Mandolin Club, and plans for a successful season are in full swing. As yet, no selections have been made for the final trials held during the past week, and Director W. C. Avery is still awaiting the arrival of music before further developments can be announced.
Editorial

MAINE AND THE PRESS

Maine Alumni are constantly asking why the University is not better represented in the New England newspapers. They see little of location and wonder where Maine is. They see few of the things which account unique to Maine and are forced to look elsewhere for the spirit of Maine's Saturday's football game for example. It afforded a great opportunity for the press to discredit us all over New England. Those who read the papers may admit that this was done. They say that correspondents at Maine is as is a lack of respect for the Maine Press. The "all mighty dollar." The Press Club is a sample of the press in operation here. It is an organization composed of newspaper correspondents on Maine who meet at regular intervals and exchange information of advantage to the members and to Maine. If you will notice the paper or the Official Reporters cooperative the corresponding efforts towarded by an attendance of one man, a pressman, head newpaper, an attempt to make a club that could come together of a large attendance of the press, and means to promote the getting together of a large attendance of the press for the benefit and renown (if our alma mater. The hand is g, 40d this year ; there are for example of what a bunch of Gaffers may do when they stand in unison and work together of a large attendance of the press for the benefit and renown (if our alma mater.

For the record for an absence due to the problem or to the footlings, this press is all worn out, has created a new interest in the campus. We will do this particular next year.
