ORONO, MAINE, MAY 21, 1907

No. 28

INTERCLASS MEET.

The thirteenth annual outdoor class meet, which was postponed from Saturday, May 11, on account of the weather, was held Monday afternoon, May 13, on Alumni Field. It was without a doubt the most successful, as well as the most interesting class meet ever run off in the history of the university; for four records were broken, and some of them by good margins. The weather could not have been more fortunate for the track men. It was a perfect day, with the temperature just right and no wind; and it seemed almost as if the weather had been made to order. According to all expectations, the meet was won by the seniors, although not by as large a lead as was expected, since they captured 45 points. The work of the sophomores was the surprise of the afternoon as they crawled up point by point until they took second place away from the freshmen, whom everybody counted on for second. The sophomores took $34\frac{1}{2}$ points; while the freshmen died hard at third place with $31\frac{1}{2}$ points. The juniors came out at the bottom of the list with 15 points.

The first record to be broken was that of the two-mile, which was very slow for Maine, being 11 minutes, five and four-fifths seconds. The race was won by Dyer, '10, with Stevens, '07, scarcely more than an arm's length behind him. The time was 10 minutes, 29 2-5 seconds, which is 39 2-5 seconds faster than the old record, and within about two seconds of the state record.

The next record-breaker was C. H. Bean, '08, who covered the half mile in two minutes, eight and three-fifths seconds for the old record. It was expected that Bean would run a fast half; but as this is his first year in 'varsity track work, any idea of his breaking a record was far beyond the expectation of anyone.

Inasmuch as it seemed to be fashionable to break records Monday, Capt. St. Onge, '07, got his chance in the 440-yards dash where he ran the race of his life and trimmed Wyman, '07, by a hair's breadth.

He ran the distance in 52 seconds, beating the record by one-fifth of a second.

The fourth and last record was broken by Knight, '09, and this was perhaps the greatest surprise of all, as Clayton, '07, was counted upon as a sure winner and as Knight had never run the low hurdles before. He went over the course in 26 3-5 seconds, which beats the old record by two-fifths second.

The individual championship of the meet is divided between Capt. St. Onge, '07, and Knight, '09, who each got 10 points, and who each broke a record.

The summary of the events follows:

100-yard dash—Capt. W. J. St. Onge '07, first; H. I. Cook '10, second; R. P. Littlefield '10, third. Time 10 3-5s.

220-yard dash—A. P. Wyman '07, first; H. J. Cook '10 second; R. P. Littlefield '10 third. Time, 23 2-5s.

440-yard dash—W. J. St. Onge, first; A. P. Wyman, second; G. E. Torrey, '09, third. Time, 52s.

Half-mile run—C. H. Bean '07 first; H. A. Knowlton '07, second; H. G. Haggett, '09, third. Time, 2m, 5 4-5s.

Mile run—F. Fortier '10, first; W. M. Hicks, '10 second; R. C. Harmon '09, third. Time, 4m, 58 4-5s.

Two mile run—H. K. Dyer '10, first; F. O. Stevens, '07, second. Time, 10m, 26 $\frac{1}{5}$ s.

120-yard hurdles—F. D. Knight, '09, first; H. N. Skolfield '10, second; H. L. Miner '08, third. Time, 16 4-5s.

220-yard low hurdles—F. D. Knight '07, first; R. E. Clayton '07, second; F. C. Richardson '07, third. Time, 26 3-5s.

High jump—C. P. Meserve '08, first; H. P. Higgins '09, second; A. C. Chase '10, third. Height, 5ft. 6 in.

Broad jump—H. P. Higgins '09, first; H. A. Knowlton '07, second; H. N. Skolfield '10, third. Distance, 21 ft.

Pole vault—A. C. Chase '10, first; E. L. Towle '09, second; T. M. Findlen '09, and A. A. Winters '10, tied for third. Height, 10 ft. 6 in.

16-pound shot—H. L. Farwell '09, first; H. H. Grøn '07, second; E. T. Harlow '07, third. Distance, 35. 72ft.

16-pound hammer—E. D. Bean '07, first; W. M. Black '09, second; F. W. Matheas '08, third. Distance, 106. 75 ft.

Discus—E. W. Cummings '07, first; F. W. Morton

'08, second; E. T. Harlow '07, third. Distance, 91 ft. 2 in.

The following is the tabulated score of the points won by the classes:

	'07	'08	'09	'10
100-yard dash.....	5	0	0	4
220-yard dash.....	5	0	0	4
440-yard dash.....	8	0	1	0
Half-mile run.....	3	5	1	0

BOWDOIN-MAINE EXHIBITION GAME.

The first championship game of the season between Maine and Bowdoin, Saturday, May 11, on Whittier field, was forfeited to the latter, nine to nothing, the Maine team appearing on the field with only seven men. The other members of the team failed to catch the train out of Orono early Saturday morning. The men who were left were Capt. Gordon, catcher, Quint, pitcher, Tuell, left field, Blossom, sub catcher and Coach Fitzmaurice. With these men out of the game Maine's team was greatly weakened and a request was made by Manager Miner to have the championship game postponed until a later date. This Manager Robinson, could not agree to do as Bowdoin had no date when the game could be played. Bowdoin regretted taking the game on a forfeit but because of the reason stated and a financial reason it was the only thing that could be done.

After a long discussion Umpire Hassett announced to the spectators that the game would be given to Bowdoin on a forfeit and that an exhibition game would be played, Maine using two of Bowdoin's substitutes, Walker and Purington, in the field.

Dow was in the box for Maine and pitched a good game while Goodrich who caught, played well although new in that position. Files was steady for Bowdoin. Both teams fielded well but neither did any heavy hitting, due possibly to the strong wind which blew across the field in favor of the pitchers.

Maine was first at the bat and with the exception of the second inning did not get a man on second until the ninth inning, when her only score of the game was made. In this inning with one out Higgins hit safely to center and on a wild throw by McDade went to third. Smith followed by a scratch hit to short, scoring Higgins. Goodrich fled out to C. Bower, Walker was hit and took first but Purington was out on a fly to C. Bower and the game was over.

Bowdoin scored in the fifth and eighth. In the fifth with one out Lawrence got a single to center, Manter was out, Dow to Mayo, C. Bower was given a pass and stole second. At this point Goodrich passed a ball allowing Lawrence to cross the plate for the first score of the game.

In the eighth, with one out, Hanrahan reached first on an error by Maine's third baseman, stole second and scored on Scales' error of Abbott's grounder. The next two men went out in succession and the inning closed. Maine had one more chance to score, which she did to the extent of one tally, which made the final score Bowdoin two, Maine one.

The summary:

MAINE 12, BANGOR 4.

Last Tuesday, May 14, Maine got in a practice game and incidentally opened the season for the new Bangor team at Maplewood Park by the score of 12 to 4.

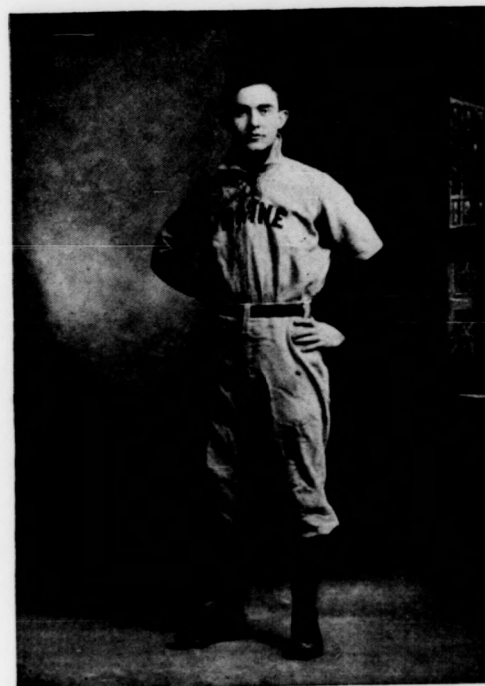

Maine played the game all the time, batted viciously and fielded with almost absolute perfection. Libby, the old Portland high twirler, who was in the box, showed good control and excellent speed and curves. He was well supported by Blossom until the latter hurt a finger when Goodrich went in and did a good turn.

H. L. MINER, Baseball Manager

The infield played like clockwork and the outfield took everything that came in the air, McDonald in left making a particularly good catch of a high one.

It is not necessary to say a great deal about the play by innings. Maine started the run getting in the second. Tuell got a hit, Goodrich played for a sacrifice but beat the ball to first. Blossom then drove one along the line to-

H. L. GORDON, Baseball Captain

ward first. When the ball arrived at the point where Capt. McDermott was waiting it struck a stone and caromed neatly over his head, allowing two runs. A base on balls, an error by McDermott and a drive by Chase netted three more. Howard then did his best bit of work for the game by striking out Mayo and Higgins, retiring the side, one man having been put out by a fly to Webb.

In the third Maine acquired four more on singles by Tuell, Blossom, Libby and McDonald and some misplays on the part of the locals. Maine later picked up two in the seventh and one in the eighth.

It was not until the fifth that Bangor got aboard. McDermott got a Texas leaguer but Dennison, who was running for him, was caught by a long distance on an ill-advised attempt to purloin a bag. Gleason drew a base on balls. Montgomery got a nice hit as did McIntire while Scales made the only error charged against the college team. This netted three for Bangor.

There was another made in the next when McIntire made a fine three-bagger by speedy running and was brought in by Webb's line hit.

Three base hit McIntire. Stolen bases, McDonald 3, Scales. Sacrifice hits Chase, Goodrich. First base on balls by Libby 4; by Howard 2. Struck out by Libby 4, by Howard 3. Passed balls Montgomery, Goodrich. Time 1.55. Umpire Hosmer.

COLBY 6; MAINE 4.

By pounding Quint's delivery in the first five innings of the game at Waterville last Wednesday, May 15, Colby won by a score of six to four. Good did the twirling and for five innings was a puzzling proposition for Maine. In that time but one hit had been made off him, and that was in the fifth inning when Gordon singled past Tilton. In the seventh Maine had four hits chalked up on her side and Chase had another in the eighth.

But Colby batted Quint badly. In the five innings that he pitched, Colby had banged out ten safe ones, and five runs had resulted. Dow who replaced him was a little better. Good did not pass a man to first on balls, and struck out five men while the opposing pitchers had

but three between them. Good showed that he pitch a good ball, and he had no trouble at all in winning his game.

The feature of the game was a catch by Tribou in left field in the second inning. Higgins sent a high one out to the field and it looked as if at least two bases would result from the hit. The Colby man dug his toes into the turf and started for the ball, probably expecting to have a long throw to catch the runner at one of the bases. He was probably as much surprised as any of the spectators when he threw up his bare hands and the ball remained there. It was a pretty play, and deserved the hand it received,

But one Maine man stole his base on Dwyer and six Colby men succeeded in getting down ahead of Gordon's throws. Gordon played a fine game for Maine, getting two of the six hits.

But it was Colby's batting that did the business.

EXECUTIVE COMMITTEE MEETING.

The last regular meeting of the executive committee of the Athletic Association was held on Monday evening May 13. Prof. Gilbert, the treasurer of the association, gave a financial report; in spite of the loss on account of the weather at the M. I. T. meet, it is hoped that the association will be in debt but a very little at the end of the year. A larger number of students have signed the subscription papers for the spring dues than ever before. Moving the trophy case from Alumni Hall to some conspicuous place in the Library or making one of the rooms in the Library into a trophy room has been suggested, but nothing definite has as yet been done. The association is going to have a baseball and a football painted with college colors and gilded with the name, date, and score of the event as a trial in the trophy line. A good trophy room well filled and decorated is something that the University should have.

Sherman R. Paine was elected assistant manager of football for the coming season. The following ticket was adopted by the executive committee for officers of the Association for the ensuing year: president, J. T. Kendrigan; vice-president, James A. Gannett; secretary, Elton L. Towle; and treasurer, Captain Brown. A vote of thanks was extended to Prof. Gilbert for his excellent work as treasurer for this term.

The protest entered by the freshman class in regard to the indoor meet was discussed briefly and laid on the table. It was voted that a recommendation be made to the association recommending an amendment to the constitution changing the date of the meetings of the executive committee from the second Monday to the second Tuesday of each college month.

COLLEGE MASS MEETING

At a rather small although enthusiastic college meeting, which was held Thursday evening, May sixteenth, the subject of track athletics and the Maine Track Meet was discussed. Although only two hundred or so turned out

to this meeting, it was very enthusiastic indeed and the "Maine Spirit" was everywhere in evidence. The band was exceptionally good and its selections were enjoyed by everyone. They had a snap and go about them which caused one of the athletes to remark, "If they would only play that when I am on the home stretch of my run I know I would win."

The meeting was opened by a selection from the band after which Fred Hosmer, President of the Athletic Association, who was in charge of the meeting, called upon Mr. Grover. Although Mr. Grover's speech was short it "took" and was to the point. He pointed out the fact that no branch of athletics gave such a correct idea of the growth of a University as the track. He urged all the fellows to attend and cheer Maine on and help her athletes win the meet. Porter Swift, John Kendrigan and Dan Chase were the next speakers. All of them impressed upon the students, to stand back of their team, win or lose, and if cheering would do any good, to do it.

Then came Arad Barrows who spoke first on the lack of spirit the fellows were showing in not turning out better to these meetings, and then on the meet itself. His talk was exceptionally good and he was much applauded. This was followed by a selection from the band, after which Merle Sturtevant, the manager of the team, called for a rising vote of those who were going on the special train. The band again gave a selection and Capt. St. Onge was called on. His talk was very well enjoyed and he stated that while forecasts of the meet were very uncertain, still when the points were added up, Maine would not be at the end.

Then came Steve Farrell, our trainer. It is not often we have an opportunity to hear Steve speak and his reception was correspondingly enthusiastic. He spoke of the track team and also said that while he agreed with Captain St. Onge, that we would not be at the end, he thought that we would be much nearer the first than the last. After another selection from the band the fellows marched around the chapel, whistling and singing "The Song for Maine, Boys" to the tune of "Our Director" and a very enthusiastic college meeting came to an end.

THE MAINE CAMPUS

BANGOR CO-OPERATIVE PRINTING COMPANY

EDITORIAL

THE resignation of Earle L. Milliken, '08, from the editorial board of the Campus is announced.

NOW that the sophomore debating team which went against the Bates sophomores on the evening of April 10 has returned to the agricultural college, and the "honorable gentlemen from the agricultural college" have resumed their study of science and engineering, it might be well to point out the following

facts. Two of the three gentlemen who composed the Maine team are taking engineering courses in the College of Technology of the University. The third is registered in the College of Arts and Sciences and majors in chemistry. It is not generally admitted throughout the State that the term "from the agricultural college" carries with it any humiliation or disgrace. But granting, for the moment, that such is the case, the term was not applicable to the Maine debaters. The "honorable gentlemen from the agricultural college" are to be congratulated that they honorably refrained from using any petty epithets which were calculated to annoy.

PROFESSOR GILBERT has withdrawn as treasurer of the Athletic Association and another has taken up the trials and tribulations of this responsible office. Mr. Gilbert was elected to the office when the work and worry required of the treasurer was unusually exacting, but in his short term of service he has shown an energy and enterprise in the work of pulling the Association out of a bad hole which it would be hard to duplicate. Although, owing to the pressure of other duties, Mr. Gilbert retires officially from the scene of action, let us hope the association will still have the benefit of the interest and enthusiasm of one of the youngest members of the faculty.

His successor, Captain Brown, has shown himself to be much interested in student activities, and has acquired a great amount of "Maine spirit" during his short stay here. The Association is fortunate in finding the right man to assume the responsibilities of treasurer of the Athletic Association, and all things point toward success under Capt. Brown's management.

SOME time ago comment was made through these columns on the scarcity of news from alumni in the CAMPUS. The CAMPUS is perhaps the best, and at all events most regular means keeping the alumni in touch with each other and with the University. Many alumni subscribe for it for this sole reason that chance scraps of information concerning their one-time classmates may occasionally be gleaned from it.

This department is now to be placed upon a systematic basis. At a recent meeting of the CAMPUS Board it was decided to have an alumni editor whose sole duty should be take charge of the alumni department, run a regular column of news each week concerning alumni as far as possible, and furthermore to furnish any information to alumni concerning student affairs which it was in his power to give, answering either through the columns of the CAMPUS or if desired, privately. Alumni notes and communications concerning alumni are earnestly solicited for this department from all who may be interested in it, alumni and otherwise.

Frederick D. Knight, '09, has been elected to this position and all communications should be addressed to him as Alumni Editor.

SENIOR SKULL SOCIETY

The "Senior Skull", the society formed during the past year by members of the Senior Class, has already shown its worth, and with the initiation of the eleven new members of the Junior class during the coming week, will firmly establish itself as the Senior Society of the University.

The principle object of the Skull is to further the interests of Maine, and to keep alive the customs and spirit of the University from year to year. While the Skull has been in existence such a short time, and but few of the chief objects could be accomplished, yet every opportunity has been taken to place the Society in a position where its true worth will be appreciated next year.

The Skulls have decided to hold their pledge day on Ivy Day of Junior Week, and at that time while the Juniors are taking part in the Ivy Day exercises, eleven members will be tapped on the shoulder by members of the Skull. The Juniors so selected are requested to meet directly after the exercises, at a place named when they are tapped.

On the evening of Ivy Day, the eleven members together with the pledge members from the Junior Class will attend a banquet in Bangor, after the Junior Exhibition. At this time the Skull will have as their guests, representative members of secondary schools of Maine and Massachusetts.

It is planned to entertain these "prep" men and interest them in the University, so that they can gain an impression of Maine from personal observation.

The Skull desires, at this time, to thank the various fraternities which contributed toward the expense of bringing these men to Orono.

The eleven members of the Skulls are : A. W. Totman, E. J. Wilson, B. F. Williams, Geo. P. Goodwin, E. W. Philbrook, P. L. Swift, W. E. Stone, J. K. Goodrich, J. H. Burleigh, R. F. Talbot, and G. E. Hayward.

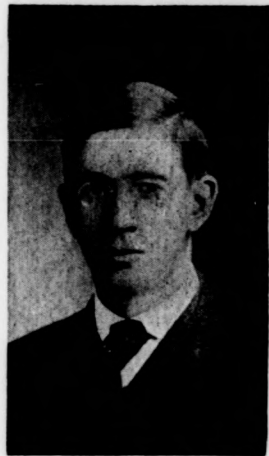

CRIBBING.

The following rules relative to cheating in examinations have been adopted by the faculty, to go into effect at once.

1. A student proven to have deliberately cheated in any examination shall be immediately expelled from the University.
2. A student proven to have made a false official statement shall be suspended from the University and shall not re-enter before the beginning of the second term following his suspension.
3. A student guilty of unpremeditated cheating shall be suspended from the University and shall not re-enter before the beginning of the second term following his suspension.
4. In all cases of discipline under the above rules the name of the student and the action taken shall be published upon the bulletin board.

It is explained that these rules are intended as a preventive measure, and the aid of all students is earnestly desired to help in maintaining a high standard of honesty at the University.

JAMES A. GANNETT.

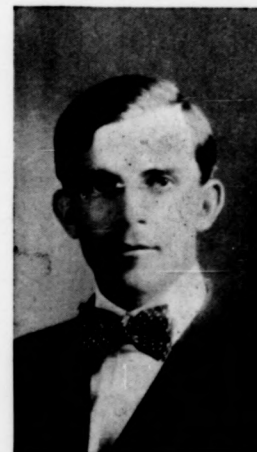

FRANCIS P. EMERY.

THE JUNIOR PROMENADE

The Junior Promenade will be held in Alumni Hall next Friday evening, May 24, beginning at half past eight. The music will be, as in past years, by Pullen's Orchestra which will be stationed near that part of the running track in the gymnasium which is near the chapel doors. The class colors, red and blue, in bunting and electrical effects will form the color scheme of the decorations and a special feature will be a huge o8 made up of electric lights over which the class colors in red and blue light will play, this being brought about by means of a special oscillating electric device. On account of the scarcity of room there will be no "cozy cor-

S. McNamara, Searle F. Thomas, Fred W. Matheas, and Everett C. Coleman.

The Prom Committee, in whose charge has been left the execution of the plans for decorations, special cars, music and so forth, consists of Philip I. Robinson, chairman, Fred C. Morton, Joseph Jacobs, Daniel Chase, and Miss Sarah E. Brown.

After the Prom three special cars will leave for Bangor and one for Old Town so that ample and comfortable transportation facilities are assured. The special car which goes to Old Town will return to Bangor for the accomodation of gentlemen who desire to return to Orono and Bangor that night.

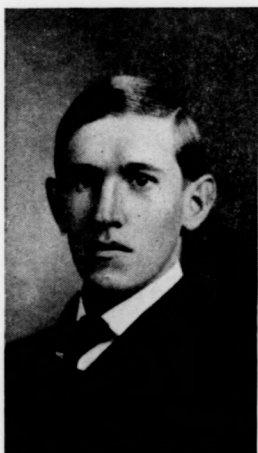

SPECIAL CHAPEL SERVICES.

Next Friday morning, May 24, special Junior Week services will be held in the chapel. The presiding officer will be Reverend A. A. Blair, chaplain of the Junior Class.

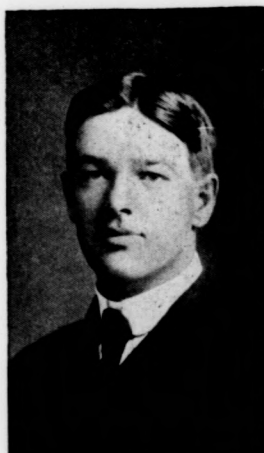

The music has been specially arranged for by the Junior Week Committee and will be the finest which has been heard in the chapel this year. It will consist of a string quartette under the management of Professor Lentz, and composed as follows: first violin, Miss Mary Chase Weston of Bangor, second violin, Charles Henry Tucker, 1910; viola, Gustav Frederick Wittig; 'cello, Professor Max C. G. Lentz. The selection given will be Walther's Preislied, from "Die Meistersinger" of Richard Wagner in the arrangement by Professor Lentz. The quartette will occupy the platform where the acoustic properties of the room for such music are much better than in the choir loft.

This string quartette was organized in October, and has held weekly rehearsals through the winter, alternately in Bangor at the home of Miss Weston, and in Orono at the home of Professor Lentz. Its appearances have hitherto been confined to private recitals.

Professor Lentz, who is the organizer and manager of the quartette, is a thorough German musician, and is an accomplished artist of more than local reputation on his favorite instrument, the 'cello. He formerly played the first 'cello in the Philharmonic Society of Patterson, New Jersey, and has studied

ners" in the gymnasium but these will be fitted up across the hall in the chapel.

The reception committee, consisting of Captain and Mrs. Walter Stevens Brown, Dr. and Mrs. Merritt C. Fernald, and John T. Kendrigan for the class, will receive in the chapel. The patronesses will be Mrs. E. A. Balentine, Mrs. Harry A. Chapman, Mrs. James N. Hart, Mrs. Mary A. Heath, Mrs. William D. Hurd, Mrs. E. Louise Leib, Mrs. Henry Lord, Mrs. Bertha H. Moulton, Mrs. Freeland Oakes, Mrs. Mary Parcher, Mrs. William M. Shaw, Mrs. James S. Stevens, Mrs. Edward B. Winslow.

The Floor Manager will be Robert K. Steward and his aids will be Leslie Sargent, Harry H. Rich, Henry L. Miner, Francis P. Emery, Ben B. Fogler, Chester A. Brownell, Bernard I. Collins, William

under Joseph Werner, Professor of the Royal Conservatory in Munich and first 'cello in the Royal Opera of Munich. His rendition of the world famous master-piece, Walter's Prize Song, is sure to be the interpretation of an artist and will be awaited with much interest.

The other members of the quartette are much interested in the organization and under Professor Lentz's direction the enthusiasm has grown through the winter. Mr. Wittig formerly played in the Columbia University Orchestra which was under the conduction of Mr. Henrichs of the Metropolitan Opera House and also under the supervision of E. A. McDowell. Mr. Wittig is specially interested in Wagner's music and recently gave a lecture before the Deutscher Verein on the music of "Die Walkure." Miss Weston is a well known Bangor violinist and has appeared in chapel once before this year. Mr. Tucker plays first violin in the college orchestra and in the quartette has carried the part with extra ordinary skill. The prospect is for a rare musical treat to those who attend chapel on Friday morning.

DRAMATIC NOTICE.

The first performance on the Campus by the University of Maine Dramatic Club will be tomorrow evening, May 22. The Club will present "As You Like It," and judging from accounts of the performances already given in Brewer and Ellsworth, this will be one of the most successful events of Junior Week.

A large raised stage has been built across the east end of the gymnasium, so that the performance can be seen from all parts of the hall. With this arrangement, it was found that the seating capacity of the floor would be too small, so that it has been necessary to provide three rows of seats around the running track.

This arrangement affords an opportunity for seating over 850 people, and it seems very certain that nearly every seat will be taken, as nearly two-thirds of this number have been sold during the advance sale.

The following members of the Club will form the cast:

Duke, living in exile.....	S. C. Lanpher, '08
Frederick, his brother and usurper of his dominions.....	D. S. Smith, '09
Jacques.....	F. E. Simmons, '09
Amiens.....	F. C. Richardson, '09

Tickets may be obtained from the College Store or E. J. Wilson.

THE MAINE-COLBY DEBATE.

The debate between the University of Maine and Colby College was held in Baptist church, Waterville on Friday evening, May 17th. This event has been looked forward to for a long time by the students of both institutions, and a keen interest has been shown in the work of the two teams. Debating has never been prominent among the student activities of Maine, having recieved but little encouragement, and this meeting with Colby is only the second time in the history of the college that she has ever been represented by an inter-collegiate debating team. So it is with a feeling of great satisfaction that we at Maine regard the work of the two teams which have been sent out this spring.

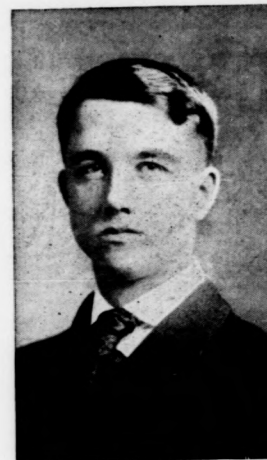

The question which was debated is one which has in the past few years become very important to the people of the United States, and upon its issue depends, to a great extent, the future economic development of this country. It is: Resolved: that the present influx of foreigners into the United States is detrimental. Maine defended the affirmative, and Colby the negative. The speakers on the affirmative were A. P. Rounds, '07, C. N. Garland, '07, and G. S. Wadsworth, '10. Colby was represented by B. F. Jones, '07, H. B. Betts, '07, and R. C. Emery, '07. The judges awarded the debate to Colby.

CLASS ODE

BY BELL C. HARRIS

Tune:—Lorelei

Dear Maine, we are bringing the ivy,
 We'll plant it beside thy gray walls,
 Its tendrils will cover thy grayness,
 Its leaves overshadow thy halls.
 May the rains and the suns of the summer,
 The winds and cold of the fall
 But add to its strength and its beauty,
 May it still cling close to thy walls.
 As the years swiftly pass, we shall wander
 Far away from the campus of Maine;
 But we'll ne'er cease to cherish its memory,
 And to keep its fair name without stain.
 May we e'er, like our ivy, climb upward,
 Still striving new growth to attain,
 And loyal and true be the children
 Nineteen-eight will give to old Maine.

Y. M. C. A. CONFERENCE.

The State Conference of the Y. M. C. A. was held last Friday, May 17, at Augusta. Owing to the State Meet which was held next day at Waterville an unusually large number of delegates from Maine were enabled to be present as they could take advantage of the special rates and thus attend both events. Among those who went from Maine were Daniel Chase, '08, Joseph Jacobs, '08, C. M. Weston, '08, J. A. Gannett, '08, F. M. A. Claflin, '07, B. A. Chandler, '09, D. S. J. Smith, '09, W. A. Carter, '09, W. L. Emerson, '09, Dunton Hamlin, '09, J. D. Clement, '09, R. W. Tobey, '10, R. W. Redman, '10, G. S. Merrill, '10, I. M. Stover, '10, E. B. Hinkley, '09, R. C. Jones, '10, C. C. Johnson, '10, G. T. Corning, '10, J. I. Travis, '10, C. A. C. Porter, '10. Fifteen of these went as regular delegates from the Maine Association. The banquet was held Friday night, May 17, and the convention was held Saturday morning so that the delegates attended most of this and went from there to Waterville to the Meet in the afternoon. Maine's delegation was the largest of the kind ever sent from here to a Y. M. C. A. Conference.

The Northfield Conference is the next event

for which the local Association is preparing, and it is planned to have Maine send at least ten delegates if possible. There has been a good response to the subscription papers which have been passed around, and these together with the candy booths which the Y. M. C. A. and Y. W. C. A. are conducting on the campus this week should go far toward enabling the Association to carry out its plans. It is planned to make the Northfield Conference this year amount to more than it ever has before to the Maine Y. M. C. A. All Maine men who live anywhere in the vicinity of the Conference should make it a point to show up there some time this summer and they will be given a warm welcome by the Maine delegation.

The Conference for 1907 is the twenty-second of these gatherings of the students of the Eastern States and Canada. Through the hospitality of the family of Mr. D. L. Moody and the management of the Northfield Seminary, it will again meet at East Northfield, Massachusetts. The Conference will open on Friday evening, June 28, at 7:30 o'clock, and will continue through Sunday, July 7.

Among the speakers at the Conference this year will be:

Rt. Rev. William Lawrence, D. D., Bishop of Massachusetts.

Rev. Henry Sloane Coffin, D. D., New York City.

Rev. H. E. Fosdick, Montclair, N. J.

Rev. F. B. Meyer, England.

Mr. George Gleason, Osaka, Japan.

Mr. Robert E. Speer, New York City.

Mr. John R. Mott, New York City.

Rev. W. W. Moore, D. D., Richmond, Va.

The total expense while in attendance will be \$17.00 for the ten days (program fee, \$5.00; board and rooms in Northfield Seminary building, \$12.00). The program fee, which goes towards the expenses of the Conference, is payable in advance, and should be sent to John A. Addison, 3 West Twenty-ninth Street, New York City. It is understood that this fee will be paid by all delegates, whether they room in the Seminary buildings, in tents, in the town, or in the camp.

Reduced rates on all the principal railroad lines will be secured as in past years. A special transportation circular containing detailed information will be issued later. Copies will be sent to the president of each Student Young Men's Christian Association, and, on application, to others.

If a satisfactory representation is to be secured it is necessary that information about the Conference be spread immediately throughout the student body; that individual men be brought to see the importance of their attendance, and that sufficient funds be raised to make possible the presence of leaders who may not be able personally to bear all the expenses of the trip.

"Things to think about" was the subject discussed at the midweek meeting of the Y. M. C. A., May 15, 1907; I. M. Stover, '10, leader. Although the attendance was small, those present expressed their ideas freely on the question and the meeting proved both instructive and interesting. The hand book committee met for a short time after the meeting but nothing was definitely decided.

JUNIOR EXHIBITION.

The annual Junior Exhibition will be held in Alumni Hall at eight o'clock this evening, May 21. The speakers are chosen according to rank in public speaking and themes, and six speakers and two alternates are chosen annually.

Tonight the speakers and subjects will be as follows: Some Effects of Deforestation, Chester A. Brownell; Oldtime Schools, Stacy C. Lanpher; Some Women Authors of Maine, Bell C. Harris; The Poetry of Thomas Bailey Aldrich, Elizabeth R. Estabrook; Engineering, Ancient and Modern, Cecil S. French; Maine, Raymond Fellows.

The sixth speaker was to have been Perley F. Skofield, but as he will be obliged to be absent, the first alternate, Raymond Fellows, will take his place. Earle N. Vickery is the other alternate. Music will be furnished by the college orchestra.

THE MUSICAL CLUB SEASON

Next Saturday evening, May 25, will probably wind up the season of the musical clubs with the band and glee club concert. When the clubs started last fall they were in excellent condition and they improved as the season progressed. There seems to be no reason that we should not have a most successful season next year, as most of the present members will be in college then. As the clubs have not abused any of the privileges which have been granted to them by the faculty this season there is but little doubt that the clubs will be allowed to take trips throughout the State and also into Massachusetts next year, as was done in 1904-05.

The season this year was short, but nevertheless a most successful one and the boys upheld the reputation made by the clubs in former years. Although no trips were made outside, the State was well covered and the trips met with gratifying success. The longest and most successful trip was that in Washington County where concerts were given at Ellsworth, Eastport, Calais, Machias, and Cherryfield. The clubs were greeted by large houses in all these towns.

The concert last night was held at eight o'clock in Alumni Hall. It was well attended, and the program was carried off in a snappy and pleasing manner.

After the concert the audience adjourned to the gymnasium where an informal dance was held, music being furnished by the College Orchestra. After a program of about fourteen numbers the company dispersed, special cars furnishing transportation to those living out of town.

Friday evening, May 31, the Mandolin and Banjo Clubs will appear before the Twentieth Century Club of Bangor. This will bring to an end one of the most successful seasons the Maine clubs have seen.

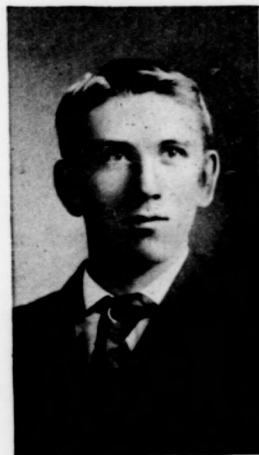

The regular annual meeting of the Experiment Station Council was held in Holmes Hall on Thursday, May 9. Every member was present. The Council went over the whole work of the Station, and while many suggestions were offered the work in general met with their approval.

THE CHAMPIONSHIP AGAIN

MAINE	-	-	-	-	46 1-2
BOWDOIN	-	-	-	-	45 1-2
BATES	-	-	-	-	23
COLBY	-	-	-	-	11

LAST Saturday was held at Waterville one of the fastest and closest meets ever held in this State. The games were replete with sensational runs and finishes. Not until the third man's jump in the last event was the championship decided. Had Knowlton, '07, lost a bit of nerve and jumped one-half an inch less, the outcome would have changed decidedly. The name of

M. A. STURTEVANT, Track Manager.

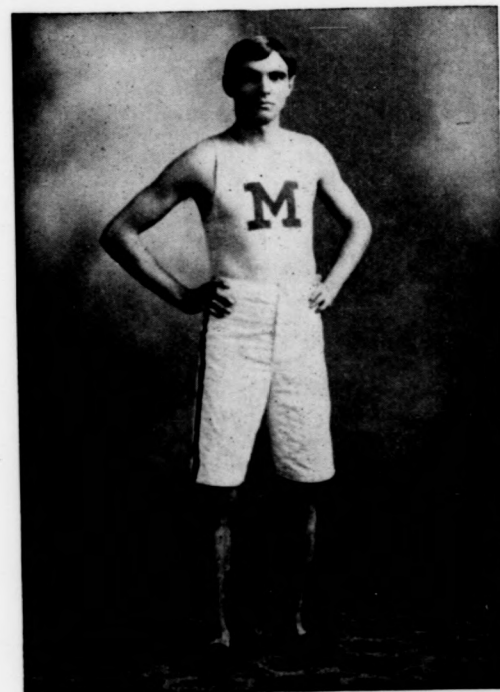

the University of Maine is now twice engraved on the new cup for track championship.

The day was perfect, the events were run off promptly and without a hitch, and the crowd was bubbling over with enthusiasm. Maine students to the number of 400 went down on a special train of seven coaches. The band played as it never played before, and it kept the spirit running high.

The morning trials started off with the 440-yards dash. St. Onge and Wyman drew the same heat with Kimball of Bowdoin, their biggest rival. At the shot of the pistol, St. Onge leaped to the inside and front with Wyman at his side. It was a heady

race and they finished first and second respectively with plenty of time to spare. In the second heat, Chandler (Colby) and Anderson (Bowdoin) qualified. Time—53 3-5 seconds.

In the 120-yards hurdles, Fraser (Bates) and Miner (Maine) qualified in the first heat. Time—

W. J. ST. ONGE, Captain of the Track Team.

17 seconds. The second heat Knight (Maine) and F. T. Smith (Bowdoin) finished in order named. Time—17 2-5 seconds.

Only the first men in the 220-yards dash qualified. They were Wyman (Maine) time—23 3-5 seconds; Trask (Colby) time—24 seconds; Elwood (Bates) time—24 seconds, and Williams (Bates) 24 seconds.

During the morning events, Maine had plenty of chance to cheer and inly every opportunity.

Colby an
106 ft.,

The afternoon games opened with a rush for Maine. In the 100-yards dash trials, St. Onge and Cook finished first and Littlefield second in their heats. Atwood and Bass of Bowdoin, Williams and Elwood of Bates and Trask of Colby qualified. In the semi-finals, St. Onge (Maine) and Atwood (Bowdoin) finished first with Williams (Bates) and Trask (Colby) second.

In the mile run Fortier (Maine) sprung a surprise on everyone. Out of a field of a dozen starters, he ran fourth until the last lap, when he jumped to second and then to first. He finished with a wonderful spurt and crossed the line in 4:38 4-5. This is a new State record. Colbath (Bowdoin) was second; Hicks (Maine) a close third.

Wyman and St. Onge again toyed with their competitors in the 440-yards dash. They finished in the order named with Chandler (Colby) third. Time—53 1-5.

The final of the 100-yard dash followed the quarter mile immediately and the game little St. Onge after winning his two heats, attempted to run again, but had to drop out. The event resulted in Atwood (Bowdoin) first, Williams (Bates) second, and Trask (Colby) third. Time—10 2-5 seconds.

Knight (Maine) won an exciting 120-yard hurdle race from Fraser (Bates). F. T. Smith (Bowdoin) finished third. Time—16 3-5 seconds.

In the half mile run Irish (Bates) by a sensational sprint passed Bean and Knowlton of Maine, who had a seemingly winning lead. Time—2:06 1-5.

Wyman (Maine) won a close 220-yard dash from Williams (Bates). He had to dig his toes right in but he won out. Trask (Colby) was third. Time—23 3-5 seconds.

In the two mile race, Bosworth (Bates), Robinson (Bowdoin), and Dyer (Maine) soon left the bunch. They finished in the order named in record time of 10:18 4-5.

Maine had another chance to cheer when Knight and Clayton finished first and second in the low hurdles. Fraser (Bates) was third. Time, 26 4-5 sec. Meserve (Maine) again won the high jump. Pennell (Bowdoin) and Higgins (Maine) finished second and third. Height—5 ft., 6 in.

Throwing the discus Tribou and Hetherington of Colby and Schumacker (Bates) placed. Distance, 106 ft., 6 1-4 in. Warren (Bowdoin) won the

hammer-throw. Morrill (Bowdoin) and French (Bates) were second and third. Distance—114 ft., 9 1-2 in. Morrill (Bowdoin) Farwell (Maine) and Schumacker (Bates) placed in the shot put. Distance, 39 ft. 9 in. Maine was now 18 points better than Bowdoin her nearest competition, with but two events to be decided. Bowdoin made a grand finish and scored 9 points in the pole vault, when Winchell, Burton and Denning tied for first at 9 ft. 8 in.

In the broad jump, Atwood (Bowdoin) and Morrill (Bowdoin) were first and second. Distance, 21 ft. Knowlton saved the day for Maine by tying Bass for third. The point was thus divided, giving Maine the meet by one point.

Following is a summary of events:

100 yd. dash—1st, Atwood (Bowdoin), 2nd, Williams (Bates), 3rd, Trask (Colby). Time, 10 3-5 sec.

220 yd. dash—1st, Wyman (Maine), 2nd, Williams (Bates), 3rd, Trask (Colby). Time 23 3-5 sec.

440 yd. dash—1st, Wyman (Maine), 2nd, St. Onge (Maine), 3rd, Chandler (Colby). Time 53 1-5 sec.

880 yd. dash—1st, Irish (Bates), 2nd, Bean, C. H. (Maine), 3rd, Knowlton (Maine). Time 2 6 1-5 sec.

1 mile run—1st, Fortier (Maine), 2nd, Colbath (Bowdoin), 3rd Hicks (Maine). Time 4:38 4-5 sec. (New record).

2 mile run—1st, Bosworth (Bates), 2nd, Robinson (Bowdoin), 3rd, Dyer (Maine). Time 10:18 4-5 sec. (New record).

120 yd. hurdle—1st, Knight (Maine), 2nd, Fraser (Bates), 3rd, Smith (Bowdoin). Time 16 3-5 sec.

220 yd. hurdle—1st, Knight (Maine), 2nd, Clayton (Maine), 3rd, Fraser (Bates). Time 26 4-5 sec.

Pole Vault—Winchell, Burton, Denning, (Bowdoin) tied for 1st. Height, 9 ft., 8 in.

Shot Put—1st, Morrill, (Bowdoin), 2nd, Farwell, (Maine), 3rd, Schumacker (Bates). Distance, 39 ft., 9 in.

High Jump—1st, Meserve (Maine), 2nd, Pennell (Bowdoin), 3rd, Higgins (Maine). Height, 5 ft., 6 in.

Hammer Throw—1st, Warren (Bowdoin), 2nd, Morrill (Bowdoin), 3rd, French (Bates). Distance, 114 ft., 9 1/2 in.

Broad Jump—1st, Atwood (Bowdoin), 2nd, Morrill (Bowdoin), 3rd, Bass (Bowdoin) and Knowlton (Maine). Distance, 21 ft.

Throwing Discus—1st, Tribou (Colby), 2nd, Hetherington (Colby), 3rd, Schumacker (Bates). Distance, 106 ft., 6 3/4 in.

PITTSBURG ALUMNI BANQUET.

The Annual Meeting and Banquet of the Pittsburg Alumni Association was held at the Fort Pitt Hotel Saturday evening, April 27, at which there was an attendance of sixteen. In the absence of President Hutchinson, Mr. A. G. Mitchell, '75, called the meeting to order. F. I. Kimball, '82, acted as Master of Ceremonies. At the meeting the following officers were elected for the ensuing year: President, W. T. Brastow, '97; Vice President, B. F. Faunce, '01; Secretary and Treasurer, H. E. Cole, '02; Executive Committee, Chairman, J. Wilson Brown, '99, W. A. Weston, '00, C. W. Weeks, '05. Mr. J. W. Brown gave a report of the last fight in the Legislature and saving the B. A. degree. Other members responded on various subjects brought up for discussion.

A vote of thanks was unanimously made showing the appreciation of the Association for the grand work which Dr. Fellows has done in this last fight in the Legislature and in bringing the University to its present position.

The following is a list of those present:

A. G. Mitchell, F. I. Kimball, W. F. Brastow, J. W. Brown, B. F. Faunce, A. R. Davis, H. E. Cole, L. A. Lawrence, C. W. Weeks, A. P. Weymouth, F. C. Stewart, H. H. Hoxie, C. F. Forbes, G. W. Carle, L. O. Hopkins, and L. F. Goodspeed.

ALUMNI

'86

Geo. F. Lull, who is a soda and sulphite fibre expert at Randolph, N. Y., has recently been on a business trip to the Pacific coast.

'87

Judge B. E. Clark has been re-appointed judge of the Bar Harbor Municipal Court by Governor Cobb.

'90

Geo. M. Pillsbury, formerly superintendent and chemist at the pulp mill of the Everett Pulp & Paper Co., Lowell, Washington, has re-

signed that position in order to accept another as chief chemist with the Independent Asphalt Co., Seattle, Washington.

'99

Dr. G. L. Hilton has been elected secretary of Bangor Board of Health.

'03 (LAW)

Chas. H. Reid, Jr., has been appointed Recorder of Bangor Municipal Court by Gov. Cobb.

'04
