THE MAINE CAMPUS

Vol. IX

ORONO, MAINE, NOVEMBER 26, 1907

No. 9

FRESHMAN - SOPHOMORE FOOT BALL GAME.

Wednesday afternoon, Nov. 20, the sophs sprang a big surprise on everybody by defeating the freshmen in the annual class game, on Alumni Field, by the score of 12 to 0. As the freshmen had five varsity players in their line up, all of whom had played good football during the varsity season, they had looked and had planned for a victory. Although the victory came as a big surprise to everyone, it was well earned and Capt. Cook of the sophs, deserves great credit for the way he handled his men. The sophomore band under the leadership of W. H. Andrews, kept things humming and there were not many dull moments between the work of the band and the constant cheering of both classes, who were on opposite sides of the field.

The game was called at 3 o'clock, the sophs kicking off, Bearce getting the ball. The freshmen however could not do much on the offensive and were soon forced to kick. Cook got the ball and carried it to the ten yard line from which the sophs soon carried it over for a touchdown. Clifford kicked the goal. During the remainder of the half the play of the two teams was about equal; the freshmen played hard but were unable to score.

The second half was almost a repetition of the first. Capt. Cook got away for another long run, which brought the crowd to their feet. While the playing of Cruickshank at quarter and Clifford at full was of the best possible kind. After about eight minutes of play Clifford hit the line for another touchdown and kicked the goal, which made the score 12 to 0 in favor of the sophs.

The sophomores had in a week developed a team, through the energies of "Steve" Farrell, their coach, and Capt. Cook, that was in every

way superior to that of the freshmen, and they deserve great credit in doing so. For the sophomores Cook, Goodrich, Cruickshank and Clifford excelled, while for the freshmen Cavanaugh, Bearce and King played a fine game.

The line up was as follows:—

Cook.....	le le.....	Buck
Bigney.....	lt lt.....	Bearce
Wright.....	lg... ..	lg Houghton
Chase.....	c	Gerrish
Berry.....	c.....	c Cavanaugh
Gardner.....	rg rg.....	Duran
Hilton.....	rt rt.....	Gilpatrick, Stickney
Goodrich.....	re re.....	King
Cruickshank.....	qb.....	qb A. Cook, Fulton
Pratt.....	lhb.....	lhb Elliott, Loring
Stinchfield.....	rhb.....	rhb Cobb, Hall
Clifford.....	fb.....	fb Hammond, Skofield

Score—1910, 12, 1911, 0; Touchdowns, Clifford, 2. Goals from touchdowns, Clifford 2. Referee and umpire, McCoy and Blossom. Head linesman, Mason.

DANCE OF SENIOR SKULL SOCIETY.

The dance given Friday evening, Nov. 22, by the Senior Skull Society was the first dance to be given by the Society and was one of the pleasantest affairs of the kind which has been held in the gymnasium for some time. The purpose of the Society in giving the dance was to raise money for the paying off of the Athletic Association's debt. As a result of their efforts a considerable sum was added to the treasury of the Association.

The dance was an entirely informal one, no decorations of any kind being used in the Gymnasium, but the lack of them did not seem to be greatly felt by the dancers and the dance was probably as much enjoyed as many of the larger and more formal affairs of the year. The students patronized well and many people were in attendance from Bangor, Orono and Old Town.

Eight pieces of Pullen's Orchestra furnished

excellent music for the dancing. The order consisted of eighteen dances. Mr. Kendrigan was floor manager and the other ten members of the society acted as his aids.

The committee in charge of the affair was composed of Arthur Hanscom, Philip Emery and Clifford Draper.

Special cars for Bangor were ready to take the guests to their homes after the dance. Some little inconvenience was caused on account of the lack of transportation across the bridge at Orono, but this did not in any way detract from the success of the whole. It is to be hoped that this is not to be the last dance of its kind to be given at the University.

MUSICAL OUTLOOK.

The musical outlook for this year is very promising. Many men are turning out well for the Glee and Mandolin Clubs and much material has been found among the freshmen. The clubs have rehearsed considerably in the last few weeks and the first weeding out has taken place in the Glee Club. After Thanksgiving regular rehearsals will be held two or three times a week. F. C. Richardson, '09, is leader of the Glee Club this year; R. H. Morrison, '09, of the Mandolin Club; and C. S. Phinney, '10, of the Banjo Club. B. L. Roberts, '09, is business manager of the three organizations, and R. C. Turner, '08, is assistant leader of the Mandolin Club.

The season will open somewhat earlier this year than usual, a concert having been arranged for Dec. 13, at Orono under the auspices of the senior class of the high school. A trip of three days will be taken during the latter part of the Christmas recess into Aroostook County, concerts being probably given at Dexter and Guilford. On Jan. 24, the clubs will appear at the Bangor City Hall under the direction of the Alpha Phi Society of the high-school. Arrangements for several other concerts will probably be made later. It is likely that all the fellows now out will take part in the first entertainment.

In place of the string quartet of last year there will be a sextet consisting of Morrison, '09, Coleman, '08, Morrison, '11, mandolins; Smith, '09, cello; Cram, '09, mandola; Turner, '09, guitar. The reading will be done by Raymond Fellows, '08, and M. E. Fassett, '10, and J. D. Maxwell, of the Law School, '08, will probably play the cello in the Mandolin Club.

There has been considerable trouble in getting men out for the Banjo Club. This condition is unusual, for in past years this club has been as successful as the others. The Banjo Club represents the University as well as other student organizations and there is no reason why, from the six hundred men in college, an excellent club cannot be picked if the students will only turn out as willingly as they do for athletics. It rests with the students to increase the present small number of candidates and prevent the Banjo Club from being a failure this year.

A large number of men have attended the Glee Club rehearsals so far. Later this number will be lessened to eighteen or twenty, but at present it is too early to select the men who will make the club. Rich, '09, will be the accompanist this year. Mr. Richardson has chosen nearly all his music for the season. The candidates for the Glee Club are as follows: first tenors; Sturtevant, Hilliard, Workman, Springer, Tibbetts, Tracy; second tenors; G. A. Wakefield, O. A. Wakefield, Carle, Petty, Houlton, Van Horn, Cummings, W. O. Smith, Burgess; first basses; Hebard, Ingersoll, Osgood, Eaton, Richardson, Osborne, C. F. Smith, Drew; second basses; Gerrish, D. S. Smith, Chenery, Davis, Wilson, Fassett, S. B. Atwood, A. S. Atwood.

"THE HOUSE OF HEART'S DESIRE."

Last Wednesday evening in the Orono Town Hall, the "House of Heart's Desire" was presented, as dramatized by Mrs. Ralph K. Jones. It was a success in every way and reflects great credit on Mrs. Jones for her ability in that line. The play was presented under the

auspices of the Ladies' Aid Society of the Universalist Church of Orono. Owing to the fact that the male members of the cast were University men, many of the students attended, and greatly enjoyed the play. The University Orchestra of ten pieces furnished excellent music.

This play of three acts was complete in every detail. Great care was taken in the selection of the cast, and they did their parts with a natural ease and a true interpretation. Mrs. Jones, in the role of the dashing, care-free Nancy Lyford, showed a fineness of ability that brought applause from all the audience. Miss Frances Mosher, as Peggy Mannering, provoked considerable merriment in her staid, old fashioned manners and ways of trying to please her husband, Jonathan Johnathan Mannering was every bit as funny as his wife, although both were too untactful to appreciate their own foolishness. W. H. Gilbert, '09, played this part in excellent style. "Bobby" Clayton, '07, as Caleb, kept the audience in an uproar every moment he was on the stage. M. E. Fassett, '10, as Robert Thornton, and H. G. Wood, '11, as Watson, the butler, were on the same par as the rest of the company in the playing of their parts. Miss Annie Snow, in the character of Martha Burns, an old maid from Maine was funny in the extreme.

The plot was simple but original. Nancy Lyford invites her friend Peggy Mannering to the "House of Heart's Desire," for a short vacation. This house is called a madhouse by the towns people, so when Jonathan Mannering and Robert Thornton, his friend, who are out making investigations of institutions for a book, happen to strike this town, they are directed to the "House of Heart's Desire." Here great consternation seizes Mr. Mannering, in seeing his wife, as he supposes, in an insane asylum, as well as Robert Thornton, who sees Nancy Lyford, with whom he had fallen in love in Spa. Thornton, as guardian of his little five year old niece, thoughtlessly puts her in a school in England from whence she is stolen by Martha Burns, who loves the child, and escapes to America. A reward is offered for the child, and

Martha Burns, pursued by detectives takes refuge in the "House of Heart's Desire." Watson, who is seeking the reward, engages as butler, and attempts to take the child away during the night, but is upset in his plans by Nancy. Explanations follow and everything ends happily as all should do in "House of Heart's Desire."

Following the play, a dance was given by the University Orchestra.

The cast was as follows:—

Watson,.....	Mr. Harold G. Wood
Peggy Mannering,.....	Miss Frances Mosher
Jonathan Mannering,...	Mr. William H. Gilbert
Robert Thornton,.....	Mr. Malcolm E. Fassett
Nancy Lyford,.....	Mrs. Ralph K. Jones
Caleb,.....	Mr. Robert E. Clayton
Martha Burns,.....	Miss Annie Snow
Child,.....	Laura Dyer

FACULTY MEETING.

At the faculty meeting held Tuesday afternoon, Nov. 19th, it was voted that Junior Week should not begin before Wednesday noon, instead of Monday morning, as has been the custom in the past. It was also voted that students in the Forestry Department in the course of forest mensuration be excused from college work from the beginning of the Thanksgiving recess until the end of the Christmas recess, in order that they may carry on practical work in some of the large lumbering camps of this State. The following students will take up this work: S. B. Locke, R. J. Smith, S. S. Lockyer, and B. L. Roberts. The students in the School Course in Agriculture are also to be excused during the week following Thanksgiving in order that they may attend the meeting of the State Dairyman's Association.

The regular meeting of the Mechanical and Electrical Society has been postponed from Nov. 20th until Dec. 4th, when J. E. Jacobs, '08, will talk on "The Construction and Practice of Harbor Mines and Torpedoes."

THE MAINE CAMPUS

Published Tuesday of each week during the college year by the students of the University of Maine.

Contributions from undergraduates and alumni are earnestly solicited. They should be addressed to the Managing Editor.

BANGOR CO-OPERATIVE PRINTING COMPANY

EDITORIAL.

FOLLOWING the custom of previous years, no CAMPUS will be published the Tuesday after the Thanksgiving recess.

A reorganization of the CAMPUS Board has been effected, by which the different departments are each placed under a separate head. The advantages of this plan are many and obvious.

Up to this time one man, the editor-in-chief, has been directly responsible for all departments. This, besides placing too much respon-

sibility upon one man, had a tendency to bring in the personal equation too strongly, make the paper one-sided, not as representative as possible, and to give too much of a "one-man" atmosphere to the whole.

Under the reorganized system the Board is divided into the editorial department, the news department, the exchange department, the alumni department, and the Law School department. The respective editors elected to these different departments are to have entire charge of them, act upon their own initiative as to the conduction of the different departments, and be responsible for them, down to the minutest grammatical error. All these departments are to be under the final supervision of the editor-in chief.

This plan should contribute to the efficiency of the different departments, because, instead of having one individual divide his time among all of them, each department can be administered by one who can devote his entire time to it, developing his own plans for its improvement.

The plan has also many advantages to offer members of the Board. It creates more positions of responsibility, which offer good opportunities for valuable experience in newspaper and editorial work, making positions on the Board something more than a mere course in English themes, which do not even have to be correct because they go through the hands of some one who is directly responsible for them. The plan also gives more responsible positions for under-classmen on the Board to look forward to.

To sum up, the new plan will do the members of the Board more good, should contribute to a better efficiency of the CAMPUS, eliminates to a greater extent the personal equation, and does not take an excessive amount of anyone's time, as heretofore.

LAW SCHOOL NOTES.

The question discussed Friday evening at the Assembly was. "Resolved: That the Maine Law School should be removed to Augusta State Capitol," Mr. Seavey and Mr. Bisbee for the affirmative and Mr. Holman and Mr. Davidson for the negative. Mr. R. L. Mitchell read and Mr. Ridlon talked on current events. Mr. Hamilton acted as critic.

The December number of the American Law School Review recently arrived at the Law School and contains the complete minutes of the meeting of the Association of American Law Schools, held at Portland this summer. It gives the whole argument of Dean Walz upholding the Harvard Case-Book system. Dean Walz said among other things, that the University of Maine Law School went even beyond the Harvard Law School in the study of the case book, because in the classes at Maine every case was taken and carefully analyzed whether it was bad law in Maine or good law in Maine, while the Harvard Law School rejects those cases which have been over-ruled, and study but those that are now considered good law.

Thursday morning the Dean assigned the Moot Court cases for the ensuing year. The following are the list of cases, attorneys and justices:

No. 42. Denman v French. Justice, Davidson. For the plaintiff, Goss and Burgess, for the defense, Morrison and Skillin. Case to be heard Jan. 13th, and decision to be rendered Jan. 20th.

No. 47. Black v Ray. Waldron, Justice. Brackett and Holman for the plaintiff, and Nolan and Elder for the defense. Case to be heard Jan. 27th, and decision to be rendered Feb. 3rd.

No. 53. First Presbyterian Church v Abbott. Maxwell, Justice. Anderson and Gallagher for plaintiff and Snow and Blossom for the defense. Case to be heard Feb. 10th, and decision to be handed down Feb. 17th.

No. 54. State v Macey, Rideout, Justice. Cartier and Ridlon for plaintiff, Fraser and Goss

for the defense. Case to be argued Feb. 24th, and decision to be handed down March 2nd.

No. 55. Youngs v Atlantic R. R. Before Seavey, Justice. Driscoll and May for the plaintiff, Fitz-Randolph and Gardner for the defense. Case to be argued April 6th, and decision to be rendered April 13th.

No. 56. Murphy v Murphy. To be heard before Hamilton, Justice. Gardner and Blossom for the plaintiff, Bridgham and Leary for the defendant. Case to be argued April 20th, and decision to be handed down April 27th.

ASSEMBLY COMMITTEE.

At a meeting of Assembly Committee, Nov. 20th, it was decided to have two assemblies this year instead of three. The matter of dates was looked into and February 7th, and March 6th, were decided upon as the best possible time to hold them. Pullen's orchestra has been engaged and everything seems favorable towards the success of the assemblies, which will be strictly formal. The Committee consists of the following delegates from the different fraternities and non-fraternity men: P. I. Robinson, Claude Boyle, B. B. Fogler, A. S. Hanscom, G. L. Wildes, F. P. Emery, P. L. Seamon, B. I. Collins, E. C. Coleman, W. L. Sturtevant, J. P. Farnsworth, F. C. Morton, J. J. Morrison.

HOCKEY NEWS.

In view of the fact that neither Bates nor Bowdoin Colleges are liable to put a hockey team into the field this fall, the Maine men interested in this game are planning to schedule a few games in Washington County during the Christmas recess. The Ice Carnival that was held last winter having been so successful, it is planned to have another one this year and here hockey will again predominate. The Hockey Club is also considering a game with Dartmouth, but nothing definite has yet been decided upon concerning this game.

CHEMICAL CLUB.

The Chemical Club held a meeting Thursday, Nov. 21, and elected officers for the year as follows: Carter, '09, president; Mason, '09, vice-president; Scales, '09, secretary and treasurer. The rest of the meeting was devoted to the reading of papers by different members. Carter, on the "New Method of Manufacturing Illuminating Gas," Brann, '09, on the "Manufacture of Synthetic Nitric Acid," Scales on the "Corrosion of Iron."

FORESTRY CLUB.

Thursday evening, Nov. 21, the Forestry Club met in Alumni Hall, for the purpose of drawing up by-laws and electing officers. The meeting was called to order by Mr. Locke who acted in the capacity of chairman. After some debate it was decided that the committee on by-laws should report at the next meeting. The election of officers was the next business and the following were elected: Mr. Locke, President, Mr. Roberts, Vice-President, Mr. Pike, Secretary, and Mr. Lockyer, Treasurer, while the following: Messrs. Smith, Cruickshank and Chandler were the successful candidates for the Executive Committee.

DEUTSCHER VEREIN.

A business meeting of the Deutscher Verein was held at the Mt. Vernon House last Thursday evening. A committee was appointed to consider revision of the constitution in regard to eligibility to active and honorary membership, and to report at a later meeting. Miss S. S. Wakefield was elected to fill the vacancy caused by the resignation of Miss Sarah E. Brown from the executive committee. It was voted that the executive committee be instructed to endeavor to secure Professor Rudolph Tombo, Registrar and Professor of German in Columbia University, to give a lecture at the University some time next month. The plan

of having the Verein give a German play was also favorably discussed. Light refreshments and songs ended the meeting.

AGRICULTURAL CLUB.

The Agricultural Club held its weekly meeting in Lord Hall, Wednesday evening, Nov. 20th. An interesting programme is prepared for each meeting, which proves both entertaining and instructive. "Which is preferable, special or general farming?" This question was debated at some length by the respective speakers Barber, '09, W. A. Cook, '11, A. S. Cook, '11. Sweetser, '10, read an interesting article on the Canadian Pea.

A short business meeting was held and Bigney, '11, was elected to membership. It was announced that the annual convention of the Maine State Dairy Association is to be held at South Paris, December 3, 4 and 5, which several members of the Club expect to attend. A club banner of Maine blue with M. A. C. in white letters has been adopted, and will be used on the several trips of the Club each year.

'10 CLASS MEETING.

The Sophomore class meeting held, Tuesday, Nov. 19, was a sort of mass meeting to develop class spirit. Cheering was led by E. S. Berry, the president of the class. Rousing speeches were made by Manager Johnson, Andrews, Fortier, Bigney, Wright, Chase, Gardiner and Pratt. Andrews was directed to organize a class band and to act as its leader. The meeting then closed after a few words from the president who urged everyone to turn out and try for their class football team.

Miss Mary Chase Weston, of Bangor was the soloist at the chapel service, Wednesday, Nov. 20th.

Saturday evening Nov. 23th, the Phi Kappa Sigma Fraternity held its initiation banquet.

CAMPUS BOARD ELECTION.

At a recent meeting of the CAMPUS Board the resignations of R. L. Mitchell, '08, as Law School editor, and J. H. Mason, '09, as associate editor were accepted. New members were elected to the Board as follows; R. B. Cruickshank, '10, W. O. Smith, '09, B. O. Warren, '11, and R. M. Holmes, '10. Plans were presented by the editor-in-chief for a complete reorganization of the editorial board, which would make far more efficient work in the different departments of the paper. As a result H. L. Farwell, '09, was elected Managing Editor, having charge of the news department. To this department were also assigned various associate editors. B. B. Fogler was elected editor of the exchange department, having entire charge of the intercollegiate news, college publications and other papers exchanged by the CAMPUS. F. D. Knight was retained as the editor of alumni news, and Reginald Fitz-Randolph, as the Law School editor.

LOCALS

At the meeting of the Musical Federation held Friday, Nov. 15th, a committee was appointed of the following: F. C. Richardson, R. J. Smith and W. H. Andrews, to look into the advisability of establishing a University Quartet, the Quartet to be under its own management and supervision.

C. R. Leland, '10, has left college for the remainder of this year, but expects to return next fall.

F. F. Smith, '09, A. D. Stinchfield, '10, and E. R. Bowdoin have returned to college recently.

The regular Sunday meeting of the Y. M. C. A. was held Sunday Nov. 17, in connection with the mass meeting in the Orono Town Hall. This meeting was lead by the Rev. Hoffstead, an evangelist, who has been holding meetings for some time in Orono.

Prof. Sprague was absent from the University from the 12th to the 16th. He attended a convention of the National Taxation Association, at Columbus, Ohio. This convention was composed of about two hundred men, college professors, state governors and tax commissioners. Professor Sprague was one of the delegates from Maine. He read a paper on "Taxation in Maine," which will be printed in the published proceedings of the meetings.

The Massachusetts Club has secured special railway rates of \$8.20 to Boston and return, of which students may take advantage during the Thanksgiving recess. The tickets are valid from Nov. 27 to Dec. 2. The Washington County Railroad has also given a 2 1-4 cent rate for the recess.

Prof. Boardman gave expert testimony at the recent hearing before the bridge commissioners regarding the safety of the Orono bridge for the passage of cars. Prof. Boardman was emphatic in his statement that the bridge is unsafe. Cars were stopped from crossing the bridge Nov. 11.

The transit of Mercury across the sun was observed last week at the University by Profs. Hart and Willard. The observations began at five o'clock in the morning and were continued until a short time after nine, when the planet crossed over the edge of the sun's surface. The eight inch telescope which has been installed in the observatory was used for this work, and is said to have given good proofs of its accuracy as a mathematical instrument.

ALUMNI.

'95.

E. W. Danforth, is assistant city engineer of Somerville, Mass.

'02

The marriage of Charles S. Bickford and Miss Hattie Ann Clark, both of Belfast, last Tuesday, has been announced. Mr. Bickford is a loyal alumnus of Maine and has been promi-

ment in his city's affairs. At present he is secretary and director of Swan & Libby Co., of Belfast, wholesale grocers.

'06.

C. F. Forbes, is spending a few days of his vacation on the Campus. Since graduation he has been taking up the apprentice course with the Westinghouse Electric Co., at Pittsburg, Pa.

G. G. Coligny, has resigned his position with the N. K. Fairbanks. Co., at Chicago as chemist and has accepted a position in charge of a chemical laboratory in Cincinnati, Ohio.

'07.

Arad Barrows, is superintending the construction of a dam in Auburn with a crew of about seventy-five men under him. The dam is across the Little Androscoggin and is replacing an old one to furnish power for the Barker Mills. He expects to finish that job about January first, when he is scheduled to take charge of a construction job in Limerick, Maine.

A. E. M. Tremaine, is electrical engineer with the Ellsworth and Bar Harbor Power Co., Ellsworth. At present he is studying the installation with the Ambruson Construction Co., which is putting in the plant.

C. B. Tebbetts, is in partnership with his father manufacturing spools at Locks Mills, Maine.

Lincoln Hodgkins, is superintendent of a concrete block factory in Springvale, Me.

W. D. Hall married Miss Letitia Hatch of Dark Harbor, Saturday, Nov. 16.

COLLEGE NOTES.

President Schurman, of Cornell has recommended to the trustees of the university that the time necessary for obtaining a professional degree be changed from four to five years. The first year would be devoted to such studies as history, language, literature, economics and politics; and the second to pure sciences and an

outlook over the general scientific field. The last three years would then be given to purely technical training with specialization in the particular branches in which the professional degree is to be granted. President Schurman also believes that it is time for Cornell to depart from the traditional policy of requiring only a high school education for admission to the schools of law, medicine, engineering, and architecture.

The students of the University of California have taken serious steps in making boxing a college sport. A club has been formed, and prominent prize fighters have been wine and dined, and have made boasting talks under the auspices of the associated students. If other colleges take up the idea the time may come when we shall have intercollegiate boxing.

The Treasurer of Yale University has printed a table showing the cost of instruction for each student, and the receipts from each student for each department and for the whole University. The whole university, including all departments, shows an average cost per student of \$132.84, and a percentage of receipts to expenses of 46.6 per cent. The most striking showing is in the theological School, where the cost of instruction is \$629 for one student for a year, and where there are no receipts.

In recognition of the eminent and devoted services of William Barton Rogers, the founder and the first President of the Massachusetts Institute of Technology, to the University of Virginia, the Rector and Visitors of the University have decided that the Chair of Economic Geology recently established in that institution shall be designated the William Barton Rogers Chair of Economic Geology.

The War Department has established three new service schools in Kansas. One is for the purpose of enlarging the military instruction of specially selected officers; also to enlarge the field of instruction in garrison schools by more advanced courses of study and practical training. Another school is to prepare officers of the Signal Corps for better performance of their

66 STA

duties. The third is to instruct specially selected officers in the duties of the general staff of the army. It is hoped that these schools will be the means of increasing the efficiency of our army.

Two hundred and seventy-eight students of Columbia University worked their way through last year, earning a total of \$111,161.28.

Besides the 278 who reported their earnings to the committee on employment, there were many who worked during the summer vacation or at odd jobs during the school year and who did not report.

As a general answer to the question of how far a student's earnings will go toward paying the expenses of a college year, a table of expense is given, one column showing what a student willing to practice rigid economy can get through the year on and another showing what one of less economical tastes requires.

EXPENSES AND EARNINGS

School.	Low Cost.	Medium Cost.	Average Earnings.
College.....	\$456.00	\$623.00	\$133.55
Applied Science	724.00	873.00	198.72
Medicine	637.00	717.00	282.68
Law	453.00	648.00	337.87
Graduate	481.00	641.00	422.11

At the meeting of the Association of State Universities held last week in Washington, President Fellows was re-elected Secretary and Treasurer of the Association.

Hon. Carroll D. Wright who delivered an address at the commencement exercises here last year has received from the French government the Cross of the Legion of Honor. It is

conferred "for his efforts in bettering industrial conditions throughout the world."

It is proposed to erect a nine story club house in New York, for the accommodation of graduates of Williams, Amherst, Brown, Dartmouth, Wesleyan and M. I. T. This combination has been worked out with the idea of affording greater conveniences to the college clubs, which average about three hundred in membership, than they can individually afford. To carry out the scheme, \$500,000 must be raised by the alumni of the six colleges. The building will be situated on West 44th street, between 5th and 6th avenues.

FALL TRAIN SERVICE.

BANGOR TO OLD TOWN.

Trains leave Bangor at 3.50, 7.30, 8.30, 11.45 A. M. 1.20, 2.30, 3.30, 5.30, 6.20, 11.10 P. M. Mt. Hope, 7.35, 8.35, 11.50 A. M; 1.25, 2.35, 5.35, 6.25 P. M. Veazie, 7.38, 8.38, 11.53, A. A PEN IN A CLASS BY ITSELF

There's no pen that gives such all-round satisfaction as Conklin's Self-Filling Fountain Pen. It's in a distinct class by itself. *It's the College Standard.* Doesn't matter where you are—in your room, lecture hall, or on the train—you can fill it instantly by dipping in any ink-well. A slight thumb pressure on the Crescent-Filler does it. Cleaned in the same simple, easy way.

Conklin's Self-Filling Fountain Pen

"THE PEN WITH THE CRESCENT-FILLER"

has won distinction the world over. For student, professor, business man, professional man, and for the man who moves about, it is *the only pen*. No mussy dropper, nothing to screw or unscrew, no tool kit, no inky fingers. Ink flows as smoothly as a prize essay. No stops, no blots, balks or scratches.

Leading dealers handle the Conklin. If yours does not, order direct. Look for the Crescent-Filler and refuse substitutes. Prices, \$3.00, \$4.00, \$5.00 to \$15.00. Send at once for handsome new catalog.

THE CONKLIN PEN CO., 310 Manhattan Building, Toledo, Ohio.

A BIT OF ADVICE

FROM A MAINE DAIRYMAN.

"I WOULD ADVISE ANYONE WISHING TO PURCHASE A SEPARATOR NEVER TO PURCHASE A — MACHINE"—WARREN MILLS.

And this is the Reason:

About the middle of March I purchased a — — —* Separator. After using it about two months, I decided I was losing cream instead of saving it. I then put it one side and put in a United States, which is giving the best of results, skimmilk testing only 2-100 of one per cent.

WARREN MILLS.

Palmyra, Me., July 5, 1907.

[*Name if desired.]

Cream is money. Separators that lose cream are not money-makers. Buy the Standard and RELIABLE

UNITED STATES CREAM SEPARATOR

and you'll make the most money because it skims closest—Holds the World's Record.

Send for illustrated catalog No. 115.

Goode & Driscoll's RESTAURANT

42 Central St. OPEN ALL NIGHT Bangor, Me.

Large Dining Room for
Banquets and Parties.

Cornell University Medical College,

NEW YORK CITY.

The course covering four years begins during the last week in September and continues until June.

A preliminary training in natural science is of great advantage. All the classes are divided into small sections for recitations, laboratory and clinical bedside instruction.

Students are admitted to advanced standing after passing the requisite examinations.

The successful completion of the first year in any College or University recognized by the Regents of the State of New York as maintaining a satisfactory standard is sufficient to satisfy the requirements for admission which have lately been raised.

The annual announcement giving full particulars will be mailed on application.

Athletes Attention!

In order to obtain the best results in athletic contests, it is important that you should have the best implements. They may cost a trifle more, but it pays. Many a match has been lost by the use of poor tools, so why not have the best Tennis Racket and Ball, Foot Ball, Basket Ball, Running Shoes, Skates, Hockey Sticks, Sweaters, Jerseys, etc. Our goods have character—our trade-mark means something.

Send for our Catalogue. It is free to any address.
