## THE NEW ENGLAND TRIP

The baseball squad, consisting of twelve men, Coach Noonan, and Manager Danforth was away last week on its annual trip previous to the State series. Five games were scheduled, with New Hampshire State College, Exeter, University of Vermont and Tufts. The players taken were Captain Mayo, McHale, Ryan, Libby, French, Richardson, Smith, Coombs, Higgins, Pond, Leonard and Fulton.

Although the primary purpose of this trip is to put the team in shape for the State championship games, considerable rivalry has been created by the close contests of past years and because Maine meets Tufts and New Hampshire in other branches of athletics as well as in baseball. The team returned Sunday with a very good record to its credit. The summaries of the first three games are given below.

### MAINE 7, NEW HAMPSHIRE, 3.

Maine defeated New Hampshire State College at Durham Tuesday in a ragged contest. New Hampshire took the lead in the first inning but Maine scored twice in the second and the Durham team did not regain the lead.

### EXETER 11, MAINE 3

In the second game of the trip Maine met defeat at the hands of Exeter by a score of 11 to 3. Ryan who pitched for Maine was hit hard and this combined with poor support at times resulted in defeat.

Exeter scored in every inning after the second while Maine scored only in the second and ninth innings. The fielding of Lewis and Wingate and the batting of Coombs, Frye, Borchardt and Dunn were the features.

### MAINE 1, VERMONT 0

Thursday Maine defeated the University of Vermont 1 to 0 in the first of the two games scheduled at Burlington. It was a pitcher's battle between McHale and Collins. McHale held Vermont safely at all stages of the game and was well supported.

### MAINE 13, KENT'S HILL, 3.

Kent's Hill was easily defeated by Maine in a practice game Saturday, April 24, by a score of 13 to 3. It was the first time this season that the team has been on Alumni Field but in spite of this handicap and the weather conditions under which the game was played the work of the Maine team showed that the confidence which the student body feels is well placed. A raw, cold wind made it disagreeable for players and spectators alike.

Maine scored in each of the first six innings. In the first inning Leonard reached first and second on errors, and scored on Mayo's hit. In the next inning Higgins was passed, Coombs was hit by a pitched ball and Smith reached first on an error, filling the bass with none out. Libby's foul fly was taken in by Gale but Leonard was passed, forcing in a run. A combination of hits and errors followed and two more runs were in before Fulton went out at first. In the third Coombs hit through short and scored on Smith's hit along the first base line. In Maine's half of the fourth Mayo led off with a hit into right field but was out at second on Pond's grounder to Taylor. Pond scored on a two base hit into left field by French. With one out in the fifth a base on balls to Smith, hits by Libby, Leonard, Mayo, French and Fulton, combined with a wild pitch, netted five runs for Maine. In the sixth Coombs was passed to first and scored on hits by Richardson and Leonard. Richardson also scored when Mayo went out at first. This ended Maine's scoring.

Kents Hill was blanked for four innings, but in the fifth a base on balls to Winslow, followed by hits by Gale, Taylor and Colby gave the preparatory school men two runs. Another was added in the seventh by Winslow as the result of a pass, a stolen base, and a wild pitch which was blocked by someone in the crowd.

### TRIALS FOR THE TUFTS MEET

The track team was rounded into shape last week for the meet with Tufts, which was held at Medford Saturday. The trials were run off under very poor conditions but the results were satisfactory. Although a new layer of cinders has recently been spread on the track and these were soggy after several rains, the time made in the various events was excellent. All the members of the last year's squad had their old-time speed and Houghton and Tartre from the Freshman class showed up remarkably well. The candidates for the field events also did some fine work.

The men have only had two weeks of outdoor work and this has been considerably interrupted by rainy days and the team was weakened in one or two departments through the loss of men who were back in their studies. Nevertheless, "Steve" Farrell went up to Medford with a strong aggregation of track athletes.

The number of men who were entered in the trials signifies the support which is being given this department of athletics by the student body. The fellows are gritting their teeth for the State meet, which is to be held here May 15, and they know that they will have to grit them hard. Maine is not going to let any other college come up here and carry off the championship

on her own field, but she feels that she cannot do this without a struggle.

Everything indicates that the friends of Bowdoin, Colby, Bates and Maine who journey to Orono in the course of two weeks to yell for their college will witness one of the grandest meets ever decided on a Maine oval. While for the last few years the victory has seemed to lie between Bowdoin and Maine, there are many strong men in the ranks of the other two colleges, who in a way hold the balance of power in the meets, and they often cause consternation among the supporters of the black and white and of the blue and white by capturing points which have been expected would go without trouble to the men of these two teams.

THE CAMPUS goes to press too early to publish this week the outcome of the Tufts meet. The trials were held Tuesday, Wednesday and Thursday, and the following men were picked to leave for Massachusetts Friday noon in charge of Trainer Farrell and Manager Hall: Hicks, '10, and Whitney, '11, two-mile; Houghton, '12, mile; Fortier, '10, and Walker, '11, half-mile; Littlefield, '10, quarter-mile; Cook, '10, and Torrey, '09, 220-yard dash; Tartre, '12, 100-yard dash; Scott, '11, and Phillips, '11, high-jump and pole-vault; Bearce, '11, and Joyce, '12, hammer-throw; Ray, '10, and Skolfield, '10, shot-put; Waldron, '11, discus; Knight, '09, and Smith, '11, hurdles. This squad was joined in Medford by Pond, '11, the hundred yard man, and Higgins, '09, broad-jumper, who are with the base ball team.

### TRIP OF MECHANICAL AND ELECTRICAL SOCIETY

Between thirty and forty members of the Mechanical and Electrical Society visited the repair shops of the Bangor and Aroostook Railroad at Milo Junction last Friday. The party left the campus on the 6.20 car and took the train at Oldtown. They spent the forenoon at Milo and returned early in the afternoon. Professors Ganong and Wittig of the Electrical department and Jewett and Curtis of the Mechanical department accompanied them.

## EDITORIAL.

THIS is the time of the college year when the two upper classes especially, are under heavy expenses. This fact necessitates comparatively large sums for class dues. Although every student considers that these dues are needful and proper, yet it is no easy proposition for the treasurers of the classes to collect the money. College men are proverbially "broke," but business men can not and do not take that condition into consideration, when

dealing with the men who are managing the various activities. They want their money.

When bills are not paid those who are in charge of the different affairs are made unnecessarily uncomfortable, and business men begin to lose faith in college men, collectively and individually. Thus, outside of the college and class spirit which should in itself be sufficient every college student owes it to himself and his friends to pay his dues and bills just as soon as he can.

ALTHOUGH the students are to blame for a large amount of the laxness which sometimes occurs in and around the chapel, there are occasionally things which might be bettered or corrected by the Faculty. THE CAMPUS has in mind this. A short time ago the custom was begun of having the chapel doors closed the minute that the services opened. This was done, of course in order to keep tardy students from entering and disturbing those who were on time, which is an excellent idea. Janitors from a few of the buildings were detailed to appear each morning and to close the doors at the proper time. Naturally, as these men, just previous to chapel time have been at work they have come to chapel with their working clothes on. It is not in proper accordance with the time or the place and it is not what one would wish or expect, to see at all the chapel doors men clad in soiled shirts and overalls. THE CAMPUS would like to see these men in some sort of respectable apparel or else have students especially selected to shut the doors.

President King of Oberlin College in a recent address said;—"Three things are really worth while: Character, influence and happiness and the relations that make for character, for influence and for happiness have their seat in reverence for personality."

## MILITARY HOP

The date of the Military Hop has been set for Friday, May 7, and the committee of freshmen, R. S. Hopkinson, P. L. Arbuckle, and W. H. Dwyer, assisted by Maj. H. M. Bowman and captains G. A. Wakefield, K. R. Fox, G. V. Nauman, and Edward Alton, is rapidly maturing its plans. Previous to the dance the four companies of the Battalion will participate in some military exercises, Company A having firing and company drill, B platoon drill, C bayonet exercises and D rifle exercises. The companies will also take part in a guard mounting.

Maj. A. M. Bowman, '09, will act as floor director and his aids will be Sergeants W. R. Ballou, T. E. Cassey, R. L. Talbot, Corporals H. L. Crosby, C. S. Loring, E. M. Partridge, and Privates W. B. Emerson, R. S. Hopkinson, R. W. MacDonald, G. A. Martin, E. A. Page, C. W. Tartre and S. Dyer.

The patronesses will be Mrs. W. S. Brown, Mrs. E. A. Balentine, Mrs. Carrie Belcher, Mrs. W. D. Hurd, Mrs. J. N. Hart, Mrs. N. E. Lane, Mrs. E. L. Leib, Mrs. H. A. Lord, Mrs. W. H. Nauman, Mrs. Mary J. Parcher, Mrs. J. S. Stevens and Mrs. F. Harding.

The college orchestra will furnish the music and every effort will be put forth to have this one of the best military balls in the history of the University.

## MAINE-BATES SOPHOMORE DEBATE

The members of the sophomore class will be interested to know that the work for the Maine-Bates Sophomore Debate is progressing satisfactorily. G. A. Wakefield, E. H. Maxcy, M. R. Sumner and F. E. Southard are the candidates for the team. No team has been chosen as yet but all are working hard to make good. The question is: Resolved that, waiving the constitutionality, the Federal Government should require Industrial Corporations to assure, by means of a system of industrial insurance, risks against accidents, sickness and death. Maine will support the affirmative.

The debate will be held in Lewiston on the evening of May fourteenth.

## PENOBSCOT VALLEY ALUMNI ASSOCIATION TO BE ENTERTAINED

On May 11th, the date of the regular meeting of the Executive Committee of the Athletic Association, the Penobscot Valley Alumni Association will be entertained on the campus. The meeting will be in the interest of the University, —principally in behalf of athletics but other branches of college activities will be discussed. The Committee who has the affair in charge is made up of H. G. Philbrook, G. T. Corning and Elton Towle. The plans are to have a short meeting of the Executive Committee and then to have an informal smoke talk. The Penobscot Valley Association has been very active this year in the interests of the University and it is the desire of the student body to show their appreciation and to cooperate with them in this work.

## CONCERT AND DANCE GIVEN BY THE ORCHESFRA

The University orchestra gave a concert and informal dance in Alumni Hall last Friday evening, which was greatly enjoyed by those present. The orchestra put in some hard work in preparation for this concert and several new selections were rendered in a most creditable manner. The audience was also favored with a cornet solo by Miss Louise Horne of Bangor and with two readings by Malcolm E. Fassett, '10, of Portland. The musical programme was given in the Chapel and the dance was held in the Gymnasium.

## ARRANGEMENTS FOR JUNIOR WEEK BEING COMPLETED

Through the indefatigable efforts of the committee in charge of Junior Week the preparations for these festivities are not lagging and already the programmes and dance orders are at hand. These are very pretty souvenirs of brown leather and white silk respectively. The former contains the entire programme for the exercises, including the class roll. The cover was designed and made up by E. A. Wright of Philadelphia.

In the upper lefthand corner is a cut of Wingate Hall and in the opposite corner is stamped the Maine seal. The orders for the "Prom" are a departure from the leather-covered programmes which have been much in vogue during the last two or three years, and they are designed in the form of a cardcase of white silk. The decoration is very simple, consisting of a small seal in gold in the upper left hand corner and the class numerals below at the right.

The programme for the week's entertainment does not differ much from those of former years, although only one baseball game will be played on the campus. Features have also been instituted in the steamer trip down the Penobscot River, which will be taken Saturday forenoon on the large and handsomely appointed "Rockland" of the Eastern Steamship Company, and in the open house at the fraternities Saturday evening.

The entire programme is as follows:

WEDNESDAY, MAY 19TH.

3.30 P. M.—Bowdoin-Maine Baseball Game, Alumni Field.

8.00 P. M.—Junior Exhibition Speaking, Chapel.

9.00 P. M.—Glee Club Concert, Chapel.

10.00 P. M.—Informal Dance, Gymnasium.

THURSDAY, MAY 20TH.

9.30 A. M.—Tennis Finals for Southard Medals, Campus.

10.00 A. M.—Publication of *Prism*, Campus.

1.00 P. M.—Junior Lunch, Library.

3.00 P. M.—Ivy Day Exercises, Chapel.

4.00 P. M.—Planting of Class Ivy, Hall of Agriculture.

8.00 P. M.—University of Maine Dramatic Club Presents "Much Ado About Nothing", Gymnasium.

FRIDAY, MAY 21ST.

9.45 A. M.—Special Chapel Exercises.

11.00 A. M.—Battalion Inspection and Exhibition Drill, Alumni Field.

8.30 P. M.—Junior Promenade, Gymnasium.

SATURDAY, MAY 22ND.

12.15 P. M.—Excursion down the Penobscot River, Steamer Rockland. Band Concert Aboard. Sail from Bangor-Bar Harbor Wharf.

8.30 P. M.—Open House at the Fraternities. Ivy Day Exercises.

Maine will not have the State championship tennis matches as one of the attractions of Junior Week this year, as it is Bates' turn to have the series played on her courts. In place of this feature will be substituted the finals for the medals

given by the Hon. L. C. Southard, of Boston. The class will have the distinction of being the first to plant its ivy by the wall of our new Agricultural Hall.

The programme for the Ivy Day exercises will be as follows:

The Junior Week committee which consists of Ernest Lamb, president of the class, James M. Eaton, Arthur S. Moore, Kent R. Fox and Amos A. Winters, are working hard to make this one of the most successful Weeks ever held at the University.

At the promenade the class will be highly honored by the presence of Governor and Mrs. Bert M. Fernald in the receiving line. The guests will also be received by President and Mrs. Fellows, Dr. and Mrs. M. C. Fernald and Ernest Lamb. The following ladies will act as patronesses: Mrs. J. N. Hart, Mrs. J. S. Stevens, Mrs. W. D. Hurd, Mrs. G. A. Drew, Mrs. R. J. Sprague, Mrs. J. H. Huddilston, Mrs. C. D. Woods, Mrs. W. S. Brown, Mrs. E. A. Balentine, Mrs. N. A. Lord, Mrs. F. G. Harding, Mrs. M. J. Parcher, Mrs. W. H. #### CHANGES IN COURSES IN PHILOSOPHY

Students will soon be registering for the Fall Semester, and for their guidance in choosing electives, changes in the courses in Philosophy are announced.

Course 5 *Logic*. This will not be an advanced course, as announced in the present catalog. It will be open to all students, and is advised especially for three classes of students; namely, (1) Students of science, either pure science or applied; (2) Students of economics, or those preparing for law; (3) Students interested in debating. The object of the course is practical. It is to aid the student to reason correctly and also to aid him in criticising his own or another's reasoning so that he may know certainly whether it is correct or not.

Course 10 *Evolution*. A new course. Every college man should be sufficiently familiar with the evolutionary thought of the present day to understand that the whole observable universe is undergoing progressive change. Stars, worlds, (perhaps also atoms,) life, man, human institutions, language, even thoughts and ideals, are all in process of evolution. To present such a world-view in the most elementary fashion, is the object of this course of lectures. The course is open to all students.

The other courses in philosophy—psychology, ethics and history of philosophy—will be given as announced in the catalog.

#### THE TENNIS TEAM

It is fast drawing near the time for the Maine Intercollegiate Tennis Meet, which will be held this year at Lewiston on June 7, 8 and 9. Last year the meet was held at Orono and it will be held here again in 1912. For two years Maine has been the champion in the singles which were won both years by R. L. Mitchell, '07, Law, '10. This year, if the fellows turn out in good shape

the chances are good for winning teams in both singles and doubles. Those who intend to try out for the team will get to work as soon as the courts are in condition. Captain Cram, '09, Mitchell, '10, Wadsworth, '10, Drew, '11, Osgood, '09, Cleaves, '12, Harvey, '09, Wallace, '10, and Gooch, '11 have already signified their intention to try for the team and it is probable that there is some good material in the Freshman class.

As trials for the State meet, the Southard tournament will be run off during Junior Week. This tournament was instituted by Hon. L. C. Southard, and he furnishes medals for the winners every year.

#### DRAMATIC CLUB AT OLDTOWN

On Wednesday last the Dramatic club gave a very successful performance of "Much Ado About Nothing." before a large audience in Oldtown city hall. The play was as well if not better given than it has been at any other performance of the season.

May 6th and 7th the club will take a trip down river, playing in Belfast Thursday and Camden Friday. On the 14th a performance will be given at Ellsworth. If possible the play will be staged in Bangor before the final presentation in the Gymnasium on May 20, during Junior Week.

#### COMMENCEMENT

The Commencement committees are busily engaged in maturing their plans for the Class Day exercises and the Ball.

No considerable change will be made in the general programme from the precedent set by former classes. If the weather permits, the Class Day exercises will be held on the lawn between Coburn and Fernald Halls; otherwise they will be carried out in the Chapel.

Commencement Week will begin quite early this year, the baccalaureate sermon being preached on Sunday, June 6, and the final function being the concert and ball on the 9th.

It is hoped that many of Maine's alumni will avail themselves of this opportunity to visit their Alma Mater at this, perhaps the most important occasion of the whole college year, and to renew their acquaintance with the old buildings and the campus and with their former fellow-students.

#### LAW SCHOOL NOTES

Monday morning, April 26, a mass meeting was held to discuss matters pertaining to the *Maine Law Review*. Stirring speeches were made by Mr. Mitchell, Mr. Gould and others, and considerable enthusiasm was aroused. Mr. Elder then offered to head a subscription with a substantial sum for the purpose of putting the publication on a better financial standing. The suggestion was received with hearty applause from all present. A good number of new subscriptions were received during the meeting. Baseball matters were then taken up. The deep interest which the Law Department takes in its team was evident from the lively discussion in which nearly everyone present took part. Mr. Toole was elected to do the work of manager of the team owing to the fact that Mr. Halliday, the present Manager, is residing in Newport.

#### THE LAST VESPERS

The final vesper service of the year was held in the Chapel on Sunday, April 25. The address was delivered by Rev. William Van Allen, pastor of the Church of the Advent, Boston, who chose his subjects "Old-fashioned Beliefs." He treated this topic in a very interesting and instructive manner and brought out the relation which it has to college men. A vocal solo was rendered by Mr. Floyd Baxter of Bangor. The University has been fortunate in having had some of the ablest and most eloquent ministers in Maine and in New England as its vespers speakers during the past winter. These services depend entirely upon the will of the student body, since the University in its position as a State institution, is unable to expend any of its appropriation for religious purposes, and hence the money for their support comes from the classes. Consequently, they will in all probability be continued next year if the necessary sum can be raised among the students.

#### LECTURE BY DR. L. S. MERRILL

Dr. Leon S. Merrill, State dairy inspector, lectured before the Agricultural club last Thursday evening. He outlined the work of his department and the favor with which it was received by the dairymen of the State. The purpose of his office is to guarantee pure milk and to protect the honest farmer, and the sum for carrying on the department has been increased from \$3000 a few years ago to \$14000 at the present time. Dr. Merrill believes that Maine is an ideal state for dairy farming. There are now about 2000 dairies in the State and the interests of this department of agriculture are being given their share of attention in the numerous institutes which are held.

The full membership of the Board of Trustees was present at the meeting held on the campus last Tuesday forenoon. Plans for next year were discussed.

## LOCALS

President Fellows is away on a business trip to Boston, New York and Chicago.

Saturday evening the sophomores of Delta Tau Delta Fraternity entertained members of their class at the Delta Tau Delta Lodge. The guests found a variety of forms of tobacco with which to while away the hours spent in pleasant conversation and in the singing of college songs. Delicious refreshments were served.

## ALUMNI NOTES

F. W. Sawtell, "Bill Tell" is no longer in the "Sunny South," but is now employed at Horicon, Wisconsin, as roadmaster on the C. M. & St. P. Ry., about 50 miles west of Milwaukee.

'05.

Fred W. Talbot is employed as Instrument man with the Isthmian Canal Commission at Paraiso, Canal Zone.

The University of Maine Dramatic Club presented Shakespeare's Comedy, "Much Ado About Nothing," at the Opera House last Monday evening. The house was well filled and when we consider what work is necessary to properly produce one of Shakespeare's plays the players did remarkably well and should be congratulated on their success.—"Colby Echo."
