BANGOR, MAINE, MAY 11, 1909

No. 25

MAINE 6, BATES 2.

Maine opened the state championship season with a decisive victory over Bates on Alumni Field last Thursday afternoon. The day was raw and chilly and uncomfortable for players and spectators alike. Bates took the lead in the first inning and held it until the third, when Maine scored three runs. The blue was never in danger after that. Ryan held the situation well in hand except in the first inning when three of Bates' four hits were made. The features of the game were the catching of Smith and Stone and the fielding and base running of Pond. The game in detail:—

Lamory led off with a hit too hot to be handled by Cobb. Cobb hit to Higgins and Lamory was forced at second. Stone hit to Ryan and Cobb was out, Ryan to Higgins. Stone scored on Keaney's long hit into right field for two bases. Keaney scored a moment later when Stevens doubled to left. Cole ended the inning with a long fly to Fulton. Smith led off for Maine and was passed to first. Mayo sacrificed him to second but the next two men were easy outs.

In the third Lamory reached first on an error by Higgins and was sacrificed to second, but Stone was thrown out at first by Higgins, Mayo took care of Keaney's fly. In Maine's half of this inning Higgins was passed to first and moved up when Smith was also passed. Mayo struck out but Pond's grounder was too much for Stevens, Higgins scoring on the misplay, and Smith reaching third. Cobb's long hit into centre field was dropped by his Bates namesake after a long run, Smith and Pond scoring. McHale was out on a fly to Lamory. Maine 3, Bates 2.

With two down in the fifth Lamory singled through the pitcher's box but Cobb struck out. In her half Maine clinched the game. Smith, who led off, was passed to first for the third time, and went all the way round to third on Mayo's sacrifice, scoring when Pond reached first on

Harriman's fumble. Pond stole second and scored when Cobb hit to the left fence for three bases. McHale was hit by a pitched ball and took second when Fulton was thrown out at first by Keaney, Cobb crossing the plate on the out. Coombs ended the inning by a fly to Harriman.

With one out in Bates' half of the sixth Keaney singled over second base, went to second on a passed ball, and stole third, but Stevens struck out and Cole was out at first, Cobb to Mayo. Maine went down in order in this inning. Neither side scored in the seventh although Mayo reached third on a fielder's choice, a sacrifice, and a wild pitch.

Lamory started the eighth by being passed to first, but was forced at second on Cobb's weak hit to Ryan. Stone reached first when his fly into short right was dropped by Mayo, but was doubled up on Keaney's fly to McHale. Fulton singled into left field and went to second on Parson's out, Harriman to Dorman. Higgins was out but Ryan was safe owing to Harriman's error, Fulton going to third on the play. Smith ended the inning by forcing Ryan at second.

Bates went out in order in the first half of the ninth and Maine had started the championship season with a victory.

THE INTER-CLASS MEET

Records went in the fifteenth inter-class track meet, which was held on Alumni Field last Saturday. The success and interest of the meet was due not so much to the number of points won by the various classes, for the Juniors were an easy victor by a score of 51½ points to the Sophomores' 42½, the Freshmen's 21, and the Senior's 11, as to the fast time made in the races and the unexpected speed and endurance shown by some of the contestants.

In the 44-yard dash Littlefield, '10, lowered the college record from 52 1-5 seconds to 51 3-5 seconds, which time is one-fifth of a second below the State record. Fortier, '10, and Torrey, '09, were also well within the college record in this event. Fortier outclassed his competitors in the half-mile, in which he equalled the M. I. A. A. time of 2 minutes 2 1-5 seconds and beat the University record by 6 2-5 seconds. The records for the mile and the two-mile were likewise smashed by Dyer, '10, and Whitney, '11, both of whom ran superb races and finished strong. The records for the two hurdle events suffered with the rest, Smith, '11, putting the former down one-fifth of a second to 16 1-5 seconds, equalling the State record established by Blanchard of Colby in the meet with Bates last Wednesday, and Knight, '09, cutting the college record of 27 seconds, held by himself, to 26 seconds, in the 220-yard hurdles. The only record for a field event to be broken was that for the hammer, Joyce, '12, bettering his own record of 119.5 feet by 2.5 feet.

Several of the contestants Saturday captured

more than five points but the individual championship was won by Skofield, '10, who took first in the broad jump, second in the shot put, third in the low hurdles and discus, and tied with Phillips and Vaughn for second place in the high jump.

The 100-yard dash went to Tartre, '12, who was pushed to his limit by Cook, '10. Pond, '11, to whom all look to win this race next Saturday in the State meet, was absent on the baseball trip.

Cook and Tartre alternated places in the 220-yard event, with Littlefield, '10, a close third. These three were well bunched at the tape.

Seven men started in the quarter, which Littlefield won by several yards. Fortier, '10, who was on the outside at the start, ran an exceptionally fine race. From almost last place he passed runner after runner on the back stretch and just nosed out Torrey, '09, for second place.

Fortier hit up a fast clip in the half-mile and set his own pace all the way around the two laps, finishing twenty-five yards ahead of Walker, '11.

Dyer, '10, displayed remarkable speed and endurance in the mile event. He led off at the beginning and was closely followed by Houghton, '12, but on the last 220 yards he sprinted at almost a quarter clip and crossed the line quite a distance ahead of the freshman, although the latter finished within the former record.

About a half-dozen men took the pistol in the two-mile event but several of these dropped out in the course of this gruelling race. Stevens, ex-'07, took the lead at the start and hard on his heels were Whitney, '11, Hosmer, '11, and Hicks, '10. He was unable to hold out for more than two laps, however, and then Whitney began to open up a gap between himself and the bunch which he did not cease to widen until the finish. Although he ran the distance in 10 minutes 17 2-5 seconds, he was in very good condition at the end. Hosmer, who has never competed before, surprised the spectators by keeping second place throughout the race. One of the finest exhibitions of pluck ever seen on the field was given by Hicks, '10. He made a hard fight for second place but, overcome with fatigue, was forced to give in on the last lap and barely finished in great agony. Recent illness and perhaps overtraining were the cause of his condition.

Only three men started in the high hurdles, which were captured by Smith, '11. Captain Knight turned the tables on him in the 220-yard hurdles, gaining a good lead after Smith tripped on a hurdle.

Excellent work was done by the high-jumpers. Scott, '11, succeeding in winning first place by only an inch over Phillips, '11, Vaughn, '11, and Skofield '10, who divided the four remaining points.

Four men qualified in the finals in the broad jump and Skofield won out at a rather short distance. Higgins, '09, who will compete next Saturday was away with the baseball team.

The other field events were well contested and showed that Maine will be much stronger in the weights than at the State meet a year ago.

The results of the events are as follows:

100-yard dash—Won by Tartre, '12; second, Cook, '10; third, Hill, '11. Time, 10 3-5 sec.

MAINE 108—TUFTS 18.

The dual track meet with Tufts was held at Medford on Saturday, May 1st under very adverse conditions. Owing to recent rains the track was soggy and heavy, and during the latter part of the meet a cold drizzle started in which chilled and stiffened the runners.

In spite of these drawbacks Smith succeeded in beating the Tufts record in the 120 yard hurdles, running in 16 4-5 seconds. Joyce also succeeded in bettering the Tufts record in the hammer throw, with a distance of 128.9 ft.

Tufts was entirely outclassed, and failed to secure a first place.

A new plan has been adopted in which one chapel service a week will be given over to a short talk on current events by some member of the Faculty. This was done in order that the students might become better posted on present day history. Last Friday, Prof. Huddleston spoke interestingly on the situation in south-eastern Europe.

There is to be a meeting of the Maine inter-collegiate athletic board in Portland this week. Elton LaForrest Towle and Professor R. K. Jones will represent the University of Maine.

BANGOR CO-OPERATIVE PRINTING COMPANY

EDITORIAL.

THE next issue of THE CAMPUS will be a special number which will be published in Junior Week.

DURING Junior Week the 1910 *Prism* will make its first appearance on the campus.

The book, like all annual college publications is a compact and valued review of everything which has happened in and to the University during the past year, and is the result of

strenuous and continued effort by the editorial staff and business managers, who are elected to these responsible positions by the Junior class.

The *Prism* of the University of Maine has always had the reputation and name of being one of the best student annual publications in the country and of rivaling even those of the largest institutions. Some universities publish annuals which are more expensive, but none put out one which lives up to its purpose more conscientiously than does ours. Each year the book, in its rivalry with those of previous years and those of other institutions becomes better. The 1910 *Prism* board, realizing this condition has edited an annual, which will satisfy completely this increasing standard of excellence.

Although every *Prism* is necessarily somewhat similar, each succeeding one, profiting by the experiences of the one before and by studying and comparing those of other colleges brings out new ideas in its make-up. This will be found to be true of the 1910 *Prism*. The arrangement is different in some places, new thoughts show themselves in various spots, the drawings represent other ideas and the book is slightly larger in order to give place to the increased activities of the University.

In the expectation that more volumes will be sold than ever before, the business manager has ordered a larger edition published. Every student should obtain a *Prism* this year, not so much to use up the supply as to have something for himself, the value of which in future years can not be estimated. The student who does not have a *Prism* for each of his years in college, misses an opportunity which he will never receive again and which would be a source of the greatest pleasure to him, long after he has left his Alma Mater. By any and all means, buy a *Prism*.

four *Prisms* in his possession, he has both a diary and a scrap-book of his undergraduate life, a souvenir which he will never tire of and which will bring back to him memories, probably the most pleasant of his whole life. The *Prism* contains pictures, accounts and summaries of all the social events during the college year, and of all the games and other athletics, in which the University and the classes take part, pictures and short biographical sketches of members of the Faculty, pictures and notes on the fraternities, educational, social, and musical clubs, and publication boards, snapshots of the campus and college life, class histories and a grind section; in short, every side of undergraduate life is portrayed in the book. In the particular *Prism* which one's own class publishes, there are cuts and some items of interest concerning each member, so that none will be forgotten in after years. The 1910 *Prism* will be especially valuable, because it is dedicated to our athletic trainer and track coach, "Steve" Farrell, whom everyone knows and respects and who is intimately associated with nearly all our college memories.

We speak for your own good and pleasure, when we say again "Buy a *Prism*."

DRAMATIC CLUB

The Dramatic Club had a very successful trip last week, during which "Much Ado About Nothing" was staged by the members of the club at down river towns, Belfast and Camden.

On Thursday evening a large and enthusiastic audience greeted the Maine boys at Belfast. The play was well given and the characters exceptionally well done.

Friday the people of Camden gave the members of the cast a royal welcome. This welcome was not misjudged as the boys reflected much credit upon their Alma Mater for the splendid work which they did. Every part showed the effects of careful study and practice. Professionals

have been seen to put on a Shakespearean production and receive high praise without giving half the impression of reality and interest which the University boys gave.

The special scenery of the club was used to great advantage as there was very little in either Belfast or Camden which was of use in reproducing this comedy of the Elizabethan period.

The club returned to Orono Saturday after a very pleasant trip.

On Wednesday, May 12, the first performance ever given in Bangor by the University Dramatic club will be staged in the Opera House. The people of Bangor have evinced a strong desire to see the boys play there. A large audience is expected to greet the players. This will give an opportunity for comparison with the dramatic clubs of Colby and Bowdoin, which have presented their respective plays at the Opera House this season. Friday, May 14, the play will be given before the public for the last time before its presentation here on the campus Junior Week. This final performance will be given in Ellsworth.

On the whole this year's cast has been the best since the organization of the club. This is due to the fact that many of the fellows have had experience and training during the past year or two and also because of the painstaking efforts of Professor Daggett, the coach.

STATE MEET.

The state intercollegiate championship track meet will be held on Alumni Field on Saturday, May 15. It promises to be one of the fastest and most exciting meets ever held in the state. The uncertainty as to the outcome will attract a large number of alumni from all four colleges as well as many who are not directly interested in any of the institutions.

As usual the real fight will be between Maine and Bowdoin. Two years ago Maine finished one point better than her rival and last spring Bowdoin reversed the result by defeating Maine by ten points. This year both colleges have teams which are as good if not better than those of the year previous so that a close contest is already assured.

THE MILITARY BALL

The Military Ball of the U. of M. Battalion was held last Friday night, May 7th in the Gymnasium and was one of the most successful dances ever given by Freshmen. The decorations were elaborate and rivaled some of the so-called "bigger dances" in this respect. They consisted of blue and white bunting draped from the top of the center of the "gym," which was formed of a large electric 1912 in colored lights, to the sides. Flags were scattered here and there and brought forward the prominence of the military part of the dance, and booths were made by the fraternities around the entire hall.

Before the dance the various Companies gave exhibitions in drills. Co. A gave the firings, B Platoon Drill, C Bayonet Exercise, D Setting Up exercises, and Guard Mount was executed in excellent manner by detachments from the whole four companies. All the movements were carried out with accuracy and precision and showed much work.

The music was furnished by the U. of M. Orchestra of ten pieces and it was of the usual "Maine quality." Dancing began at eight-thirty and at intermission punch and fancy crackers were served at a booth in the northeast corner of the hall.

Much credit is due the committee which was made up of R. S. Hopkinson, P. L. Arbuckle and W. H. Dwyer, assisted by Maj. H. M. Bowman and Capts. G. A. Wakefield, K. R. Fox, G. V. Nauman, and E. S. Alton for the way the affair was carried off.

Maj. H. M. Bowman, '09, was floor director and his aids were Sergeants W. R. Ballou, T. E. Cassey, R. L. Talbot, Corporals H. L. Crosby, C. S. Loring, E. M. Partridge, and Privates W. B. Emerson, R. S. Hopkinson, R. W. MacDonald, G. A. Martin, E. A. Page, C. W. Tartre and S. Dyer.

The patronesses were Mrs. W. S. Brown, Mrs. E. A. Balentine, Mrs. Carrie Belcher, Mrs. W. D. Hurd, Mrs. J. N. Hart, Mrs. N. E. Lane, Mrs. E. L. Leib, Mrs. H. A. Lord, Mrs. W. H. Nauman, Mrs. Mary J. Parcher, Mrs. J. S. Stevens and Mrs. F. Harding.

LAW SCHOOL NOTES

Hon. Louis C. Southard delivered a series of lectures before the Law School last week on "Medico-Legal Relations," Mr. Southard has the happy faculty of holding the attention of his listeners closely to the point under discussion, so that the maximum of benefit is obtained. The members of the school will look forward to the completion of the course next year.

The Sigma Beta Pi society held their annual banquet at Frey's Cafe, May 7. The guests of the evening were Hon. L. C. Southard of Boston Mr. Simpson, Mr. Worcester and Mr. Brooks of the Law School Faculty. After a substantial repast, served in the manner which has made Frey's Cafe famous among Bangor people, the party adjourned to the club rooms over the Merchant's National Bank. Here speeches by the guests and members of the society were listened to and then song and story and a general jollification were indulged in until a late hour.

The baseball team is getting rounded into shape and is now able to put up a fast game. Two games were played last week, the Law School winning both. This makes a total of four victories out of five games played.

U. OF M. LAW 10, BANGOR HIGH 8.

There were few sensational plays in the game last Monday, the 3rd, it being hard fought from start to finish, as will be seen by the score:
