THE MAINE CAMPUS

Vol. X

BANGOR, MAINE, MAY 21, 1909

No. 26

THE M. I. A. A. TRACK MEET

The Maine intercollegiate track and field meet which was held on Alumni Field last Saturday was a surprise in more ways than one. While it would not have astonished anyone if either Bowdoin or Maine had won by a small margin, everybody was amazed to see the Bowdoin men take the first two and even all the places in event after event and to see the contestants whose work this spring had justified Maine men in banking their hopes upon them fail utterly.

CLIFFORD A. HALL, Manager.

For the followers of the blue and white there were pleasant surprises in the splendid high jumping of Scott and the showing of Walker and Hosmer in the half-mile and the two-mile runs, but the poor work of several of the Maine men in other events, both track and field, astonished even the rooters of the other colleges. These failures were due to various causes but apparently to inexcusable ones.

Although from a Maine man's point of view the meet was a most unsatisfactory one, not because Maine did not win but because men to whom were generally conceded first and second places did not capture even a point, on the whole it was very successful. The weather was almost ideal and conditions were excellent for smashing

records. This opportunity was not overlooked, for the records for six events, the high hurdles, the broad jump, the high jump, the pole vault, the mile and the two-mile run were broken. Most of the track events were well contested and were interesting to the throng of spectators which assembled.

With a squad of 29 men Bowdoin captured

FREDERICK A. KNIGHT,
Captain Track Team.

68 points, which easily gave that college the victory, with Maine second with 35, Colby third with 12, and Bates fourth with 11. Although Bates defeated Colby in a dual meet a few weeks ago, the latter succeeded in nosing her out for third place in the State meet.

Bowdoin scored in every event, taking eight firsts, six seconds, and seven thirds, Maine gained points in all but four events, winning three firsts, four seconds and five thirds, Colby won one first, two seconds, and a third, and Bates had to be content with a first and two seconds. In the high jump Scott of Maine, Burlingame of Bowdoin,

and Williams of Bates tied for the State record at five feet eight inches.

On Thursday previous to the meet Trainer "Steve" Farrell took most of the runners to the Niben club house on Lake Pushaw, where they were kept in condition with light work. The squad returned to the University early Saturday morning in time for the trials at ten o'clock.

The trial heats for the 440-yard dash were called promptly at ten. In the first heat Fortier of Maine took second place, qualifying for the finals, and the second heat was won by Littlefield of Maine.

Two heats were run in the 120-yard high hurdles, Smith of Maine walking away with the first one and Knight of Maine taking second place in the other.

There was a large number of entries for the 220-yard dash, but only eight men started, thereby necessitating no more than two heats. But one man, Cook, succeeded in qualifying for the final by taking second in the trial.

Trials for all of the field events were held in the forenoon, the first five men to take part in the finals. Walden and Bearce were the only men to qualify in the discus throwing. In the hammer throw Bearce alone was within the limited number and in the shot put Ray and Skolfield qualified.

Maine succeeded in getting two men, Scott and Higgins, into the finals in the high jump and Higgins and Phillips made good in the trials for the broad jump. Only one Maine man, Scott, competed in the pole vaulting in the forenoon and he qualified for the finals.

With these results and the 100-yard dash and the distance runs undecided Maine went into the finals at two o'clock with a rather dubious outlook but hoping that something might turn up in the events which had not been run off.

The first event on the afternoon program was the trials for the 100-yard dash. Three heats were run, the first being won by Pond of Maine, the second by Atwood of Bowdoin and the third by Ballard of Bowdoin with Tartre of Maine second.

Then came the first final event of the day in the mile run. About ten men started in this,

Houghton, Hicks, Philbrook and Brown going in for Maine. Colbath of Bowdoin, who won this race last year, immediately began to open up a gap between himself and the rest of the starters. Houghton of Maine and Robinson ran in second and third places respectively. With each lap Colbath increased his lead and Robinson hung close to Houghton. On the seventh lap Robinson passed into second place and gradually worked away from Houghton. The men finished in this order. Colbath ran a splendid race, finishing strong and lowering his own record of a year ago to 4 minutes 32 1-5 seconds.

Littlefield of Maine won the final heat in the 440-yard dash, although he was pushed hard by Chandler of Colby, who took second place with Morss of Bowdoin third. Littlefield ran a fast race and led all the way around the lap, but his time was a second slower than the week before in the inter-class meet.

A great race was looked for in the finals of the 100-yard dash between Pond of Maine, Atwood of Bowdoin and Stacey of Colby. Pond won the event last year but did not have to run against Atwood, as the latter was suffering from an injured ankle. Stacey is a freshman and his speed was not known except by report. All three men had been running well this spring, however. In the final Atwood broke the tape less than two feet ahead of Pond. Stacey was shut out, McKenney of Bowdoin taking third place.

Maine banked her hopes for the high hurdles on Smith, who equaled the State record the previous Saturday, and the only fear was in regard to Blanchard of Bates, who had been showing up well this spring. This man proved to be a little too much for Smith and finished several yards ahead of him in the record time of 15 4-5 seconds. Edwards of Bowdoin took third.

It was settled beforehand by the supporters of all the colleges that the half-mile would go to Fortier of Maine. His efforts in the quarter seemed to have exhausted him, however, and from the start he did not figure at all. Walker of Maine stayed with the leaders, though, and when it came to the final sprint trimmed Simmons of Bowdoin at the tape. Joy of Colby captured the remaining point.

The final heat of the 220-yard dash was a close race. Cook ran for Maine but was beaten out for third place by Cole of Bowdoin. Stacey of Colby won rather easily with Williams of Bates second.

Whitney, Hosmer and Josselyn started the two-mile run for Maine with about eight competitors. For two laps the men were fairly well bunched up, Whitney running first, Slocum of Bowdoin second and Josselyn third. Whitney kept the lead for six laps with Slocum close at his heels. The Bowdoin man then went ahead but did not gain on Whitney until the last time around when he began a sprint which Whitney could not maintain. Slocum cut the record made by Colbath last year to 10 minutes 5 1-5 seconds. Whitney was an easy second with Hosmer third.

In the 220-yard low hurdles Blanchard of Bates, who had won the high hurdles and his trial heat in this event, fell before he had covered half the distance. First place went to Edwards of Bowdoin, Knight and Smith second and third.

The first of the finals in the field events, which were run off simultaneously with the races, was the high jump. Fine work was done in this by Burlingame of Bowdoin, Williams of Bates and Scott of Maine, each of whom cleared the bar at five feet eight inches, breaking the record held by Shaw of Maine of five feet seven and a half inches. No one of them, however, could go a bit higher.

The discus throw, which was the first of the weight events, was won by Walden of Maine, Tibbetts of Colby and Stevens of Bowdoin taking second and third places respectively.

Atwood of Bowdoin did a remarkable stunt in the broad jump in the morning. He was the first man up and his first jump measured 21 feet 6 inches, which was half an inch better than the State record. He did not have to jump after that. McFarland of Bowdoin was an easy second with Skolfield of Maine third.

After Joyce did not qualify for Maine on account of fouling, Warren of Bowdoin had an easy time in the hammer. Bowdoin's other two men in this event, Crosby and Hastings, fought it out for second place the former being successful by a few feet.

It was conceded that all nine points in the pole vault would go to Bowdoin, since she had three stars in Deming, Burton and Burlingame. Deming broke the State record of 10 feet 8 inches by vaulting 10 feet 10 1-4 inches. The other two tied for second place.

Newman of Bowdoin took the shot put without difficulty, Clifford, his team-mate capturing second, and Skolfield of Maine third.

Although the spectators in the morning were confined to the men of the four colleges, special cars were run from Bangor in the afternoon and a large crowd was present. Bowdoin had the largest number of supporters of the visiting colleges and occupied the bleachers east of the grandstand while the Maine men had those at other end. The University band was stationed in the center of the Maine cheering section and did good service in urging the blue and white runners to their utmost efforts.

The results of the events are as follows:

440 yard dash—Won by Littlefield, Maine; Chandler, Colby, second; Morss, Bowdoin, third. Time, 52 2-5 sec.

100-yard dash—Won by Atwood, Bowdoin; Pond, Maine, second; McKenney, Bowdoin, third. Time, 10 1-5 sec.

220-yard high hurdles—Won by Blanchard, Bates; Smith, Maine, second; Edwards, Bowdoin third. Time, 15 4-5 sec.

Half-mile run—Won by Walker, Maine; Simmons, Bowdoin, second; Joy, Colby, third. Time, 2 min. 5 3-5 sec.

220-yard dash—Won by Stacey, Colby; Williams, Bates, second; Cole, Bowdoin, third. Time 22 3-5 sec.

Mile run—Won by Colbath, Bowdoin; Robinson, Bowdoin, second; Houghton, Maine, third. Time, 4 min. 32 1-5 sec.

Two-mile run—Won by Slocum, Bowdoin; Whitney, Maine, second; Hosmer, Maine, third. Time, 10 min. 5 1-5 sec.

220-yard hurdles—Won by Edwards, Bowdoin; Knight, Maine, second; Smith, Maine third. Time, 26 1-5 sec.

High jump—Scott, Maine, Burlingame, Bowdoin, Williams, Bates, tied for first place. Height, 5 ft. 8 in.

Broad jump—Won by Atwood, Bowdoin; McFarland, Bowdoin, second; Skolfield, Maine, third. Distance, 21 ft. 6 in.

Pole vault—Won by Deming, Bowdoin; Burlingame, Burton, Bowdoin tied for second. Height, 10 ft. 10 1-4 in.

Throwing discus—Won by Walden, Maine; Tibbetts, Colby, second; Stevens, Bowdoin, third. Distance, 107.45 ft.

Hammer throw—Won by Warren, Bowdoin; Crosby, Bowdoin, second; Hastings, Bowdoin, third. Distance, 129.6 ft.

Shot put—Won by Newman, Bowdoin; Clifford, Bowdoin, second; Skolfield, Maine, third. Distance, 37.39 ft.

LOVING CUP FOR COACH FARRELL

Monday morning, amid the most resounding cheers and applause the old chapel has ever

Trainer, STEPHEN J. FARRELL.

heard, "Steve" Farrell was presented with a loving cup by E. L. Towle, '09, on behalf of the student body, in token of the love and respect in which he is held by every man in college. It came as a complete surprise to Mr. Farrell, who had been induced to attend chapel under false pretences.

The cheers were so deafening that he was unable to make himself heard for several minutes, but after the demonstration had subsided he responded gracefully to Mr. Towle's speech of presentation.

Coach Farrell has been with this institution for five years, and during that time has been tireless in his efforts to push Maine to the front in the athletic world. He has had numerous obstacles of one sort or another to contend with, but has surmounted them all with a never-failing good humor and optimism which has done a great deal to keep alive the fighting spirit of weaker souls in times of defeat.

Altogether he is loved and esteemed by every one who knows him, as one who measures up to the full stature of a man, and is a fitting example to emulate of all that college spirit, and loyalty to Old Maine means.

The cup with which he was presented is a three handled, sterling silver, gold lined loving cup of conventional design, mounted on an ebony base. Between the handles on one side are engraved the words "As a token of the love and admiration of the students of the University of Maine," on another his name and the date, and on the third a Maine Seal.

MAINE-BATES DEBATE

The third annual debate between the Sophomores of the University of Maine and those of Bates College took place Thursday evening at Lewiston and the latter were victorious for the third time.

The question for the debate was, Resolved that, waiving the question of constitutionality, the Federal government should require industrial corporations, employing a system to assume by means of a system of industrial insurance, risks against accident, sickness and death.

The U. of M. speakers who supported the affirmative were M. R. Sumner of South Paris, E. H. Maxcy of Gardiner and F. E. Southard of Lewiston.

The Bates speakers, who upheld the negative were B. O. Stoddahl of Baltic, S. D., W. F. Preston of Brocton, and R. M. Pierce of Boston.

Mayor Frank A. Morey of Lewiston presided. John L. Reade acted as timer and the judges were Hon. Harold M. Sewall of Bath, Hon. Percival P. Baxter of Portland and Rev. Charles H. Temple of Lewiston.

TENNIS TOURNAMENT FOR THE SOUTHARD MEDALS

The annual tennis tournament for the medals offered by L. C. Southard, '75, is now in progress as a part of the Junior Week program. Although the late season and the frequent rains have delayed the men in getting into condition some fine tennis is being played.

Several men are competing in the singles and four teams of doubles are out. Among the pairs entered are, Captain Mitchell and J. Scales, Wallace and Whitcomb, Gooch and French. These together with Attwood, Osgood and Warren, are also in the singles. Most of the matches are being played on the Theta Epsilon court.

DRAMATIC CLUB

Wednesday, May 12, the Dramatic Club played at the Bangor Opera House before a large number of Bangor friends, including the members of the Skakespearean Club, who expressed themselves as much pleased with the performance, perhaps the most perfect of any given this season. A choir of twenty college fellows added much to the impressiveness of the church scene. The large stage and the varied assortment of scenery gave a fine chance for appropriate settings. The Bangor Commercial quotes "It was a play worthy of being the last production before the close of the Opera House for the season."

Friday the final public performance before Junior Week was given in Ellsworth. Although the audience was not large it was very appreciative and applauded the players liberally.

NEW ENGLAND MEET

Coach Farrell left Orono yesterday for Brookline with six men to take part in the New England Intercollegiate Track Meet on Tech Field. Captain Knight, '09, and N. E. Smith, '11, will run the high and low hurdles and should secure places in these events.

F. E. Fortier '10, is entered in the half mile,

and will run only that race, leaving the quarter to Littlefield, '10. Both these men are fast enough to be up with the leaders and the coach is counting on them to win points for Maine.

A. L. Scott, '11, who at present holds the State record in the high jump with Burlingame of Bowdoin and Williams of Bates, will match up against the New Englanders, and ought to account for a point at least. Joyce '12, has entered in the hammer throw and the discus. While he failed to qualify at the M. I. A. A. meet last Saturday, he has thrown the hammer 134 feet, and if he can equal that at Brookline, he will gain a place.

THE PRISM

In accordance with the annual custom *The Prism* was placed on sale Thursday morning of Junior Week. It is a book of about four hundred pages and as usual comprises a record of all events, athletic, social, and educational, which have taken place at the University during the past year.

There have been a few important changes in the book this year. The first radical one is in the Faculty section. Owing to the rapid growth of the Faculty and the large number of professors at the present time *The Prism* board deemed it inadvisable to publish cuts of all the professors as has been done for several years. Consequently, only the pictures of those professors who are at the heads of courses in which it is possible to major are to be found this year. The athletic section has been changed by adding a two page review of the season for each of the four important branches, football, baseball, track and basketball.

CHOICE OF PLAY FOR NEXT YEAR

At a recent meeting of the Dramatic club the selection of a play for next year was discussed and a committee consisting of Dexter S. J. Smith, president of the club, S. M. Jones, '11, manager, Prof. Daggett, coach and two members of this year's cast, M. E. Fassett, '10, and F. W. Pettey, '10, was appointed to consider the matter and to recommend a play to the club.

Entered at Bangor, Maine, Post-Office as Second-Class Matter.

Terms: \$2.00 per year, on or before Nov. 1st; single copies 10 cents.

All business communications should be addressed to the Business Manager.

Back numbers will be furnished all those desiring them upon application to the Manager.

Contributions from undergraduates and alumni are earnestly solicited. They should be addressed to the Managing Editor.

BANGOR CO-OPERATIVE PRINTING COMPANY

EDITORIAL.

THE 1910 *Prism*, which made its appearance on the campus this week is one well worthy to be the representative annual publication of the University. Although the standard of former *Prisms* was high, the editorial board bent their best energies towards publishing a book which would even surpass its predecessors. No one can or will say, that the men who worked so hard to make the *Prism* what it is were unsuccessful in their efforts.

As in the case of every college activity, which is successful this *Prism* will do its share towards sustaining the reputation and respect, which Maine holds in New England. While essentially it is similar to *Prisms* of past years, this latest one has many changes and improvements over the others.

The book is an ideal one for the University and well merits all the praise which can be bestowed upon it. The CAMPUS congratulates the *Prism*.

FOR the past three years the Dramatic Club has furnished one of the most delightful and entertaining events of Junior Week. The presentation of "Much Ado About Nothing" Thursday evening was the best of the three, which is saying a great deal. It could not fail to please even the most particular admirers and critics of Shakespeare.

The Dramatic Club this season has given this comedy in many places in the state and without exception the performances have been of the highest standard. The importance to the University in having a dramatic club of ability such as this year's one has can easily be imagined. In every town in which it plays it gains friends for itself and for the institution which it represents. People learn to appreciate more the many and varied sides of a college education and to think more of the University of Maine. A good dramatic club which travels the state is a strong influence for good.

The success of the Dramatic Club this year is due in a large measure to the efforts of the coach, Prof. Daggett. He is to be congratulated upon the results of his endeavors and it is hoped that he will again take hold of the Dramatic Club next year, as every confidence is felt in his ability to bring forth a club which will not only be worthy of this institution but, which will also assist in its growth and welfare.

JUNIOR PRIZE SPEAKING.

The Junior Week exercises opened Wednesday evening with the annual Junior Exhibition in the Chapel, in which four members of the class took part. The program consisted of original essays, all of which were well written and excellently

FRANCIS G. WADSWORTH

delivered. After considerable deliberation the judges awarded the prize of fifteen dollars to Francis G. Wadsworth of Sanford and honorable mention was given Franklin W. Petty of Fall River, Mass.

The program was as follows:

The Destruction of the Forests,	Vaughn Russell Chadbourne
	Music
An Ideal System,	Francis George Wadsworth
The United States as a Peace Maker,	Franklin William Petty
The Passing of War,	Isaac Maxwell Stover
	Music

President Fellows presided and the judges were G. H. Larabee, Principal of the Bangor High School; Rev. Willard Pratt, of Brewer; and O. L. Hall of Bangor. The University orchestra furnished the music.

While awaiting the decision of the judges readings were given by Mr. Fassett and Mr. Wakefield and selections were played by the orchestra.

The audience then adjourned to the Gymnasium for a short informal dance. Twelve numbers were enjoyed with music by the University orchestra.

JUNIOR LUNCH

The Junior lunch, one of the most delightful features of Junior Week, was served in the Library at one o'clock yesterday afternoon. The club room and the adjacent corridor were used and tables were arranged for 150 at a time. A large number of students and friends attended the luncheon and enjoyed the music of the University orchestra stationed in the reading room, and the toasts later.

The spread was served at one o'clock. The rooms were tastefully decorated with potted palms. After the luncheon President Lamb of the Junior class introduced Professor Huddilston as toastmaster and the guests were favored with remarks by President Fellows, Dean Stevens, Prof. Daggett on the "Class of 1910," Elton L. Towle, '09, on "The University," and N. H. Mayo, '09, on "Athletics."

IVY DAY

The most impressive exercises of the entire week, those of Ivy Day, were held in the Chapel yesterday afternoon. The program was arranged practically as those of previous years. The Chapel was decorated simply but very tastefully with blue and white bunting draped along the walls and with potted palms about the platform.

The members of the class assembled in the Gymnasium at 3.15 o'clock and to the music of a march played by the University orchestra, they filed two abreast down the center aisle, led by the marshall, Horace J. Cook. The column divided and took the seats directly before the platform, remaining standing while the President, Ernest Lamb, and the Chaplain, Frank E. Fortier, ascended the platform.

Before the opening of the exercises a selection was played by the orchestra. The immense hall was quite filled when Fortier rose to offer prayer. President Lamb then delivered a brief address, which was an eloquent appeal to his class-mates to feel the full appreciation of the exercises which they were holding.

The Presentation by Malcolm E. Fassett was finely given and the pithy remarks concerning

HORACE J. COOK

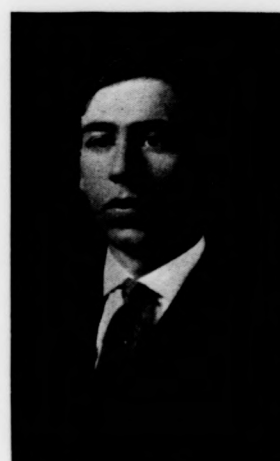

HARRY P. CARLE

CHARLES L. GRAHAM

MERTON T. GOODRICH

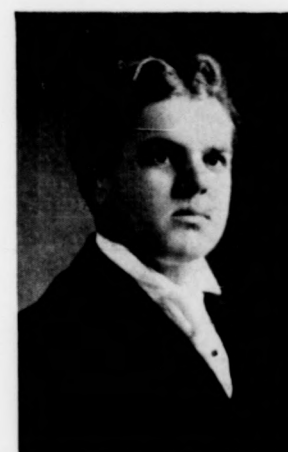

RUPERT A. JELLISON

MALCOLM E. FASSETT

CHESTER C. JOHNSON

EDWARD G. RUSSELL

IVY DAY OFFICERS.

his fellow members of the class of 1910 caused many a ripple of laughter over the audience.

Calling of Roll by Class Secretary.....Chester C. Johnson
Singing of Class Ode
Music
Charge to the Curator
Curator, Edward Giddings Russell
Marshall, Horace Jewett Cook.

Each part of the program was carefully written and well delivered. The singing of the class ode, composed by Rupert A. Jellison, to the air of University hymn held the audience in silent and intense interest. Mr. Jellison displayed remarkable ability in the composition of these four verses and the earnestness of the class in singing them showed its appreciation of the spirit of each fair line.

The ode is as follows:

Beside Thy walls, oh dear loved Maine,
We plant the ivy green and fair,
And may it ever upward tend—
A symbol of the love we bear.

Whate'er the storms of coming years,
May its fair tendrils o'er Thee climb,
Until the walls we love so well
Are sheltered from the hands of Time.

When college days have long been o'er
And only mem'ries fond remain,
Still will our hearts with love expand
At thoughts of Thee, beloved Maine.

And to Thee, Alma Mater dear,
May one and all prove loyal men
And ever true and faithful be
Thy children of old NINETEEN TEN.

When the exercises in the Chapel were completed the class marched to the new Agricultural Hall, where the customary act of planting the slip of ivy took place. The class of 1910 has the distinction of being the first to have placed its tiny plant of ivy against the walls of this recently erected building.

“MUCH ADO ABOUT NOTHING.”

Last evening the Dramatic Club gave its final performance of the Shakespearean comedy,

“Much Ado About Nothing,” before a large crowd of students and their friends in the Gymnasium. The play was excellently presented on an immense temporary stage and from start to finish it held the interest and close attention of the spectators. Musical selections were rendered by the college orchestra.

The cast of characters:

Don Pedro, Prince of Arragon.....Willis N. Haines
Don John, natural brother to Don Pedro...B. O. Warren
Claudio, a young Lord of Florence...William H. Gilbert
Benedick, a young Lord of Padua...Malcolm E. Fassett

Scene—Messina, Island in Italy in sixteenth century.

SYNOPSIS OF SCENES

Act I. Leonato's House. Morning.
Act II. Scene 1. Leonato's House—Evening.
Scene 2. Leonato's Garden. Following evening.
Act III. Scene 1. Leonato's Garden—morning. Scene 2. A street—night. Scene 3. Leonato's Garden—Following morning.
Act IV. A church—Later in the same day
Act V. Scene 1. A Prison—Later in the day. Scene 2. Leonato's House. Same day. Scene 3. Leonato's House—Following morning.

The club has made several trips during the spring semester and has met with good success everywhere. Ten performances were given and every one scored a hit. All of the parts were taken exceptionally well and much credit is due to every member for the remarkably careful interpretation given to the various characters. There has perhaps never been a better balanced cast than that of this year and most of the players had a considerable previous experience in this work.

Among the more prominent male characters, those taken by Mr. Fassett and Mr. Gilbert stand first. Mr. Fassett as Benedict played his part with greater care and apparent sincerity than many of the so-called professionals. His scenes with Beatrice were always mirth provoking,

the proud, haughty spirit of Benedick smarting under the light cuts of Beatrice's sharp tongue. The arbor scene where Benedict learned of the love which Beatrice had for him was a masterpiece, as his incredulity gradually gave place to belief when he saw the apparent earnestness of the speaker.

Mr. Gilbert who took the character of the hasty, hot headed lover, Claudio, and won the heart of the fair Hero almost at first sight, was no less of a star than Mr. Fassett. Much of the success of the arbor scene was due to him. His

The Watch drew perhaps as much laughter as did any of the other characters. Their high, cracked voices and bent figures, provoked side-splitting laughter. Mr. Sweetsir who took the part of Verges caused many a laugh because of his facial expressions which portrayed the Simple Simon to perfection.

The female characters, which were naturally much more difficult than the male ones, were a credit, even to a woman. In some cases spectators could hardly believe it, when told that the parts were being taken by boys. Mr. F. W.

CAST OF "MUCH ADO ABOUT NOTHING."

denunciation of Hero in the church-scene showed clearly how easily the quick fiery love could turn to bitter hatred.

Merton Sumner portrayed the part of the Governor with the dignity befitting that position. His deep, yet controlled grief in the church scene seemed somewhat marred because of his belief in the guilt of his daughter whose word he doubted.

The part of the happy-go-lucky Prince, Don Pedro, was well taken by Willis Haines. The part well becomes him and his interpretation of the pleasure loving prince was well given.

Petty who made such a success of Phyllis last year in "When We Were Twenty-One," played the leading lady's part of Beatrice with a success as great as that of last year. The sarcastic, biting remarks to Benedict were well appreciated by the audience. The womanly character was also well brought out in the church scene where she alone maintained her belief in the innocence of her cousin.

Mr. Sevens as Hero was very charming and attractive, bringing out the quiet, gentle disposition of Hero with much clearness. His work in the church scene at the accusation was

well handled and brought applause when, at the close of Claudio's speech, Hero sank fainting to the floor.

The make-ups were excellent and attracted considerable favorable comment. The costumes which were provided by Geo. P. Raymond Co., Boston, were rich and beautiful, thereby adding much to the brilliancy of the production; several of the cast had changes of costumes. Much of the elaborate stage settings of last year was used to good effect. The wedding scene was made especially elaborate with the altar and the vested choir, which was in charge of W. A. Kimball, '09.

Too much credit can not be given to Professor W. P. Daggett whose faithful and untiring interest and effort have caused the play to be the success which it has been this year. All of Mr. Daggett's spare time and energy has been devoted to the cause of the Dramatic Club.

Credit is also due to the business managers, C. S. Stickney and S. M. Jones for their efforts in placing the play before representative audiences throughout the State, and at the same time in making it a financial success.

THE JUNIOR PROM.

The event which every junior and, in fact every student looks forward to throughout the year as the climax of the Junior Week festivities, will take place in the gymnasium this evening. Not only has the entire class been anticipating this occasion but it has been working hard to make it a success and as the recent efforts the big gym will present a beautiful appearance, draped in its pure white streamers.

Never have the decorations been more gorgeous than they will be on this occasion. Two bars have been lashed to the steel beams overhead and between these are draped streamers of white crepe paper. In the same manner streamers extend to the running track from which they are draped under the balcony. Save the red electrical effects everything will be in white. The soft red glow from countless bulbs suspended above the canopy will afford the only color in the scheme. The orchestra will be hidden behind a wall of palms.

The reception will be held in the chapel, which has been handsomely decorated with blue and white bunting. Cosy corners have been arranged here and in one of these will stand the reception committee consisting of President and Mrs. Fellows, Dr. and Mrs. Merritt C. Fernald, and Ernest Lamb, president of the class.

The dance orders are prettily designed to harmonize with the decorations, being of white silk in the form of a card-case. Inside are printed an order of twenty-eight dances and the names of all persons directly connected with the prom. For four of the dances there will be novel effects which the guests will look for with interest.

Robert B. Cruickshank will act as floor manager and will have as aids H. L. Barker, H. N. Dan-

EDWIN S. ALTON,
Chairman Promenade Committee.

forth, F. D. Davis, C. A. Hall, R. E. Hobbs, L. V. Jones, R. W. Redman, M. E. Reed, A. H. T. Schierloh, C. E. Stickney, C. C. Tracy and G. A. Wallace.

The committee in charge of the affair consists of Edwin S. Alton, chairman, C. A. C. Porter, L. M. Bragg, A. F. Burke, A. K. Gardner. The music will be furnished by twelve pieces of Pullen's orchestra.

The patronesses will be Mrs. Harriet Lord, Mrs. Wm. H. Nauman, Mrs. George F. Eaton, Mrs. Fay Harding, Mrs. William D. Hurd, Mrs. Gilman A. Drew, Mrs. Bertha H. Moulton, Mrs. James N. Hart, Mrs. Mary J. Parcher, Mrs. James S. Stevens, Mrs. John Homer Huddiston, Mrs. John D. Wood, Mrs. Walter S. Brown, Mrs.

STEAMER EXCURSION.

The Juniors tried an innovation this year in place of the customary Saturday baseball game in the way of a steamboat excursion down the Penobscot river. It is expected that tomorrow noon about 250 students and their friends will assemble at the Bangor-Bar Harbor wharf in Bangor and board the Steamer Rockland for an afternoon's run down the beautiful lower Penobscot to Bucksport, near the mouth of the river.

For much of the distance the banks rise into high bluffs, which are studded with cottages half hidden among the pines and firs. No better place for a pleasure trip could have been chosen and everyone who joins the party is sure of having a delightful ride. The University band will be aboard the Rockland and everything will be done to make this one of the pleasantest features of Junior Week.

The boat will return to Bangor in time for the party to reach the campus for the fraternity receptions in the evening.

OPEN HOUSE AT THE FRATERNITIES

As the closing event of Junior Week each fraternity will hold open house Saturday evening. The guests will go from house to house, indulge in a dance or two and enjoy some light refreshments. These informal receptions are an innovation of the present class and will undoubtedly prove so successful that they will become an established part of the annual festivities.

They will afford the visitors on the campus an opportunity to see Maine's fine fraternity houses and to meet many of the students.

The special Chapel music for this week was postponed from Wednesday to Friday. Miss Frances Andrews of Bangor was the soloist.

COMMENCEMENT

Commencement begins this year on June 6 and it is expected that a large number of alumni will be on the campus to enjoy the week of festivities and renew their acquaintance with the University, which depends so much upon them for its standing and its success. Commencement Week is for the old "grads" as much as for the students and at this time everything is done to stir the Maine spirit in the hearts of those who return.

Past classes have worked out a program of exercises which cannot be improved upon and practically no change will be made this year.

The first of the commencement exercises will be the baccalaureate sermon delivered in the chapel at 8 P. M. Sunday, June 6. Rev. Smith Baker, D. D. of Lowell, Mass., will be the speaker.

On Monday morning the convocation exercises will be held in the chapel at 9.45. The program has not been wholly completed. The students who will represent the various college activities have not been chosen. The faculty speakers are:

History of the Year.....PROF. A. C. JEWETT
Impressions.....PROF. WALLACE CRAIG

The Alumni Advisory Council will hold its session in the Library in the afternoon.

At 3 o'clock the Class Day exercises will be held on the campus between Coburn and Fernald Halls, if the weather is fair, otherwise they will be held in the chapel. Very appropriate programmes have been ordered from E. A. Wright Co., Philadelphia. The college orchestra will furnish music. The speakers of the day are: Orator, Dexter S. Smith, Bangor; Historian, Walter L. Emerson, Lewiston; Poet, Deane S. Thomas, Yarmouthville; Chaplain, Frederick W. Foote, Milbridge; Address to Undergraduates, Harrison P. Higgins, Somerville, Mass.; Valedictorian, Elton L. Towle, Portland. Guy E. Torrey, Deer Isle, will act as Marshal. The committee in charge of the affairs consists of W. L. Emerson, W. O. Smith and J. H. Mason.

In the evening at 8 o'clock President Fellows will hold a reception in the Library.

Tuesday will be a very busy day from early morning until evening. The first event is the meeting of the Trustees in Alumni Hall at nine

o'clock. The Phi Kappa Phi initiation will take place at 10.30 in the Library. The first five students to be elected are, Bertrand F. Brann, Bangor, Howard R. Johnson, South Portland, Harold A. Rich, Bangor, Cora M. Shaw, Orono, Elton L. Towle, Portland. The remaining five will be chosen after the final examinations for this semester. The annual meeting of the Law School Alumni will be held at the College of Law, Bangor, at 3.30 P. M. The Fraternities will hold open house and the Alpha Omicron Pi Sorority at the Mount Vernon House from 3 to 4.30. The Alumni Luncheon will be served in the Library from 4.30 to 7.30. The Alumnae Luncheon will be served at 4.30 at the Mount Vernon House. At 7.30 the Alumni Association will meet in the Library. After that the annual fraternity reunions will be held. In place of the usual Phi Kappa Phi address a banquet will be given in Bangor.

Wednesday at 11 o'clock the commencement exercises will be held in the chapel. The speaker has not yet been chosen. Music will be furnished by the college orchestra. The commencement dinner will be served in the Gymnasium at 12 M.

The last event of commencement week will be the reception and ball which will take place in the gymnasium Wednesday evening. An entirely new innovation in the way of decorations, which promises to be very successful is to be used. The committee in charge consists of T. C. Wescott, H. T. Pettegrew, I. H. Moore, F. C. Richardson and M. E. Merriman.

The reception committee is to consist of Mr. and Mrs. John M. Oak, of Bangor; President and Mrs. George E. Fellows, and Frederick D. Knight, president of the class of '09. The following ladies will act as patronesses; Mrs. J. N. Hart, Mrs. J. S. Stevens, Mrs. Wm. E. Walz, Mrs. R. J. Sprague, Mrs. C. D. Woods, Mrs. J. H. Huddilston, Mrs. E. A. Balentine, Mrs. C. A. Belcher, Mrs. E. L. Leib, Mrs. W. H. Nauman, Mrs. F. G. Harding, Mrs. N. H. Lord, Mrs. B. H. Moulton, Mrs. M. J. Parcher, Mrs. N. Lane.

Howard G. Philbrook, floor director, will have as his aids: H. A. White, A. F. Neal, H. E. Sutton, H. D. Haggett, B. L. Roberts, H. E. Morrill, H. B. Smith, W. O. Smith, E. O. Pray, H. L.

Nash, Dwight Woodbury and Guy Williams. Music will be furnished by Pullen's orchestra of Bangor.

BOWDOIN 6, MAINE 5.

On Saturday afternoon, May 8, Maine was defeated by Bowdoin at Brunswick, 6 to 5, in a ninth inning finish. The lead alternated throughout the game, Bowdoin finally winning with two out in the last half of the ninth. The features were the all round playing of Harris for Bowdoin, the hitting of Coombs for Maine and the manner in which Bowdoin bunched hits in the innings in which they scored. The day was warm and perfect for baseball.

In the first inning Smith led off for Maine with a hit. On Mayo's attempt to sacrifice Smith was caught at second, Mayo reaching first. Pond was thrown out at first, the base runner advancing. McHale made the third out. In Bowdoin's half Wilson started the scoring with a home run.

Neither side scored in the second. In the third with men on second and third Higgins singled, scoring two runs. Higgins scored a moment later on Coomb's hit. Coombs was left on base. Bowdoin failed to score in her half.

In the fourth, after Maine had failed to score, Bowdoin tallied three times on bunched hits and an error. After this Bowdoin had men on third in every inning, twice filling the bases with no one out, but failed to score until the ninth. Maine scored twice in the fourth.

In the ninth, after Maine had been disposed of, Bowdoin came to the bat with one run needed to tie and two to win. Wilson, leading off, was out. Then McDade and Harris singled. Manter was hit by a pitched ball, filling the bases. McDade scored on Wandtke's long sacrifice fly to deep left field. Clifford's hit to Higgins was a hard one to handle and Clifford was safe at first, Harris scoring the winning run.

MAINE 6, COLBY 3.

Maine won the third game in the championship series Wednesday, May 12, defeating Colby at Waterville in a well played contest by the score of 6 to 3. Neither side scored for the first six innings. Maine made three runs in her half of the seventh, but Colby evened the score in the same inning. In the eighth Maine reached the plate once and in the ninth twice. Colby scored only in the seventh inning. The hard, clean hitting of the Maine team won the game. Blake's catch of Fulton's line hit to centre field, Coombs' catch of Tibbett's hard drive and Mayo's stop of a sharp grounder over first were the features of the game. The game by detail:

Smith, leading off for Maine in the first inning was passed to first and sacrificed to second by Mayo but was thrown out trying to make third on the play at first. Pond went out at first. In Colby's half Sturtevant struck out, Cary was caught napping after being passed to first, and Good was out, Cobb to Mayo. Both sides went down in order in the second, third and fourth.

Fulton opened the fifth with the first hit of the

game, a clean double to left field, but got no farther as the next three men were out. Vail was passed to first and was sacrificed to second but could get no nearer the plate. Both sides were out in order in the sixth.

In the seventh Mayo singled to right centre. On a missed "hit and run" Mayo was caught at second. Pond's hit into right went for a triple. Cobb's grounder bounded high over Lander's head, Pond scoring. Fulton was passed to first and Scales was thrown out at first, the base runners advancing. Cobb and Fulton both scored on Higgins clean hit over second. Coombs was third out on a foul. Colby tied the score in the same inning. Good hit safely and Coombs dropped Vail's high fly. With two strikes called on him Macomber swung at a drop. The ball hit the plate and rolled away, Good scoring and Macomber reaching first. Vail scored on Nutting's hit. Nutting started for second and Smith threw down to catch him. The throw was wild, going clear out to Fulton on the fly, Macomber scoring. Maine then settled down and stopped the scoring.

In the eighth after Ryan was out on a fly, Smith crossed the plate on a pass, Mayo's hit to left and Pond's out at first. In the last half of this inning Ryan struck out Macomber, Sturtevant and Cary.

With one down in the ninth Scales doubled to left and Higgins followed with another double in the same spot. Coombs fouled to Cary. Ryan hit over second, scoring Higgins. Scales had already scored on Higgins' hit. Ryan tried to score on a passed ball but was declared out for cutting third. Colby then came in for her last chance. Good and Vail hit safely. Macomber struck out, Nutting flied to Pond and Higgins took care of Lander's hit.

Time, 1.25.

MAINE, 12; RICKER 2.

In a practice game Friday, the 14th, the Maine nine walked away with the Ricker Classical Institute team, 12 to 2. A number of Maine's second string men were used in the line-up and completely out-classed the prep school boys.

Peasley, the Ricker pitcher, did rather remarkable work, striking out 15 of the college men, although he was touched for 12 hits. The visiting nine played a very poor fielding game, which was accountable for many of Maine's runs.

After McHale had not let a man reach first in three innings and Maine had scored six runs, Libby went into the box and did very creditable work.

The line-up and summary is as follows:

MAINE	ab	r	bh	po	a	e
Richardson, c.....	4	1	1	1	0	0
Mayo, 1b.....	4	1	0	9	1	0

BOWDOIN 4; MAINE 3.

Bowdoin again defeated Maine Wednesday in a close and exciting game of ball on Alumni Field by a score of 4-3. Maine made several errors which resulted in scores for Bowdoin in nearly every case, and poor base running at critical moments lost counts for the blue. This was the first event of Junior Week and an enormous crowd watched the game.

McHale for Maine pitched an excellent game and deserved to win. He allowed but five hits and struck out five men, besides getting a two bagger and a single. Hobbs also pitched a good game although he was hit a little harder and was not as steady as his opponent. The feature of the game was a home run by Cobb in the second inning. He also got a nice two base hit and had six assists.

The crowd was kept in a furore of excitement all the time as there were some pretty plays in nearly every inning. The University band was as usual present and stirred the people with some good music. Maine lost an excellent chance to score in the last inning when Cobb led off with a two bagger, but he was caught trying to stretch it into a three base drive. Two men were worked around to second and third but Mayo did not get the necessary hit to put them across the plate.

In the first inning Bowdoin went out in order. Fulton made a pretty catch of Wilson's long drive to center. For Maine Smith drew four balls, went to second on Mayo's sacrifice, to third on Pond's single and scored on McHale's long fly to the outfield.

Bowdoin was easy in the second also, as Manter went out Cobb to Mayo and Wandtke and Clifford

struck out. With two men gone Cobb hit the first ball pitched to him on the nose and drove it under the fence in deep left center for a home run.

In the third Bower got on first by Higgins' error of his easy attempt, went to second on a passed ball and scored when Higgins again let Hobbs' grounder roll through his legs. Hobbs registered on the same passed ball and a sacrifice. Maine went out in order.

In the fourth Bowdoin got a man to third but he died there. Maine lost another count when McHale was caught at the plate on a throw by Manter.

Bowdoin put two more across the rubber in the fifth. Lawlis went out, Cobb to Mayo, but Hobbs hit over second. He was pushed to second on Wilson's free pass but was caught at third. Smith and McDade went all the way around on Harris' single. Smith for Maine reached first but was left there.

The white got a man to first in the sixth and Pond was put out at third on an attempt to steal. Each got a player on base in the seventh but no harm was done.

Bowdoin went out in order in the eighth but Maine added one. Mayo got four wide ones but was forced at second by Pond. Pond scored on McHale's timely two base hit to the fence.

In the ninth Bowdoin again went out in one, two, three order. In Maine's half things grew exciting. Cobb opened with a clean two bagger in the same place as his home run, except that the ball did not find the hole in the fence. He took a ninth inning chance in trying to reach third and lost. As it afterwards proved it was fatal to Maine's game. Parsons batted up a short fly and Richardson who went in for Coombs reached first on an error by Clifford. He went to third on Smith's single but both he and Smith were left when Mayo grounded out to Clifford. The score is as follows:

MAINE SECOND 10, BANGOR HIGH 6.

While the 'Varsity was defeating Colby at Waterville Wednesday afternoon, May 12, the second team took Bangor High into camp by a score of 10 to 6. The features of the games were catches by Kelley and Benson, a double play by Bangor and the hitting of Williams.

LOCALS

The committee appointed to nominate candidates for the offices of the Athletic Association has posted the following names: president, C. C. Johnson, C. A. Hall, E. S. Berry; vice-president, K. R. Fox; secretary, M. F. McCarthy, S. M. Jones, and Sumner Waite; treasurer, James A. Gannett; member of the arbitration board, E. A. Parker of Skowhegan.

Last Friday morning in Chapel Prof. Sprague made a brief speech on the efforts of Russia to

gain access to the sea and the failure of her numerous attempts to extend her sway toward the North Sea and toward the Black Sea. He laid particular emphasis on the pains taken by the other European nations to thwart all these steps of Russia and their deep appreciation of the power which she would acquire if she succeeded.

ATHLETIC SUBSCRIPTIONS

The treasurer of the Athletic Association has recently figured up the percentages of each of the four classes which have subscribed to the Association for the Spring semester. In consideration of the fact that the contributions are never so good in the spring as in the fall, the showing of the classes is very satisfactory. The two upper classes are almost at the ninety per cent mark and the sophomores seem to have benefitted by the harangue given them last year. Of course the percentage of the first year men is the lowest but it is still very good and it will undoubtedly rise next year. The figures are as follows:

1909.....	89.6%
1910.....	88.5%
1911.....	83.1%
1912.....	74.2%

EXHIBITION DRILL OF THE BATTALION

This forenoon at 11 o'clock the Cadet Battalion of four companies gave an exhibition drill on Alumni Field before a large gathering of the Junior Week guests. Taking their orders from Captain Brown and Major Bowman the officers of the companies put their men through various battalion, company and platoon manœuvres. The work of the companies was very good and was watched with much interest by the spectators to many of whom a student battalion is an unfamiliar sight.

SENIOR BANQUET

The Senior class held its second banquet Monday evening at 8.30 at the Bangor House. A large number of the class was present and everyone enjoyed himself to the utmost.

The menus were in the form of a booklet with covers made in the imitation of a board fence with rings at the bindings. The covers were done in sepia with deckle edges. On the front cover was the inscription. "May the hinges of our good fellowship never grow rusty." The class numerals '09 were inscribed on the back cover.

MENU

Radishes	Grape Fruit	Breadsticks
Broiled Penobscot River salmon—	Consomme Lemon Sherry	martre d'Hotel
Dressed cucumbers		Potatoes Parisienne
	Braised Sweet-breads—French peas	
	Cigarettes	
Asparagus	Broiled Spring Chicken	Julienne potatoes
	Baked Tomatoes	
Toasted crackers	Fruit Salad	Roquefort cheese
	Strawberry Ices	Coffee
Cakes	Salted pecans	
	Cigars	

After the cigars had been passed Toastmaster Guy E. Torrey, called on various guests and members of the class for speeches. The following were the responses:

Class of 1909.....	FREDERICK D. KNIGHT
Maine Spirit and Our Athletics.....	"STEVE" FARRELL
Our Law School.....	JAMES B. PERKINS
Prospects of Landing the Rag.....	"PETE" NOONAN
Our Banquets.....	HARRY SUTTON
Our University.....	ELTON L. TOWLE
Impromptu by various members of the class.	

The speeches were all full of pithy remarks and straight to the point. The only regret is that the whole student body could not have heard those by "Steve", "Norman" Mayo and Elton Towle.

In the early morning hours the joyous, tired crowd broke up after having sung and cheered themselves hoarse for 1909 and for their college whose protecting arms they soon must leave.

The committee in charge of this most successful affair consisted of Harry Sutton, B. Lewis Roberts and Guy E. Torrey.

COLLEGE SING

On Thursday evening of last week, about three hundred of the students gathered on the Library steps for a college sing. Under the leadership of G. E. Springer, '10, many songs were tried and finally after an hour of pleasure and good fellowship the whole body arose and with bared heads sang The Star Spangled Banner, America and the University Hymn.

This custom which is well established in many colleges is new to Maine, but if the fellows show the same spirit which was shown that night, it will soon become a very valuable part of our college life.

Gatherings of this kind are of great help in promoting unity and good fellowship among the many widely separated groups of the University and through them much may be done toward awakening a real, live, Maine spirit throughout the whole student body.

One thing, however, was painfully evident and that was the lack of real Maine songs. A college of this size should have at least a dozen original songs. We should be past that stage where we are dependent on the larger colleges for the music and even the sentiments of our songs. There are men enough and musicians enough in our University to write good songs to last for several years to come.

 LECTURES ON SOUTHEASTERN EUROPE

Professor Huddilston gave the first of a series of lectures last Wednesday at eleven o'clock, on the present conditions in Southeastern Europe. In this first lecture he took up the geography and history of the Balkan Peninsula for the past thirty years, dealing with the important occurrences from the Berlin Congress in 1898 to the summer of 1908.

The second talk in the course will be given next Wednesday and will deal with the history of that part of the world since last July, and the wonderful changes that have taken place there. The third and last lecture of the series which comes a week from next Wednesday will take up among other things the problems of the new Turkish Constitution.

LAW SCHOOL NOTES

Thomas B. Reed chapter of The Legal Fraternity of Phi Delta Phi held its annual banquet at the Windsor Hotel, May 12. Before the banquet Prof. Simpson, Mr. Brooks and Mr. Worcester, of the Law School Faculty, were initiated at the chapter rooms in the Granite Block. The party then proceeded to the Windsor Hotel where an excellent menu was served in the large dining room. Mr. F. B. Snow, acting as toastmaster, called upon the initiates and other members who responded in a graceful and pleasing manner. The speeches were interspersed with fraternity and college songs. Much regret was expressed that Dean Walz, the first initiate of the chapter after its installation was absent owing to his trip abroad, and hopes were indulged in that he might be present next year, restored to his usual good health.

The March number of the "*Maine Law Review*" is now out. This issue contains an article by Hon. Ben B. Lindsey on "The Denver Juvenile Court" which should be of great interest to those who heard Judge Lindsey speak here last year. The editorial columns contain a careful discussion of some of the legal questions in regard to juvenile courts which cannot fail to be of special interest to lawyers and law students.

The Law School baseball team met with a defeat at Maplewood Park last Monday in their second game with Bar Harbor High School, the final score being B. H. S., 12, Law School 11. The game was loosely played, many errors being made on both sides and hard hitting the rule. A third game will probably be arranged, to be played at Bar Harbor. The score by innings:

Y. M. C. A.

The meeting on Wednesday evening, May 12, was led by Dana Peaslee '11. After the devotional meeting a short cabinet meeting was held and some of the plans for next year were discussed. No meeting was held this week on account of the Junior Exhibition. The meeting next week will be a Northfield Rally meeting.

Last Saturday morning a committee represent-

ing the Faculty, the State committee and the student association met in the Library to discuss ways and means for increasing the efficiency of the work during the next year. A committee, consisting of Dean Hurd, Dean Hart, I. M. Stover, '10, B. O. Warren '11, and H. R. Sargent, '11 was appointed to select an advisory committee from the alumni and Faculty.

MEETING OF THE ASSOCIATION OF NEW ENGLAND COLLEGES

The second annual meeting of the Association of New England Colleges was held at the Parker House in Boston on the 14th and 15th. Nineteen colleges, which number included all the principal colleges and universities of New England with the exception of Yale, were represented by thirty delegates. All four of the colleges of Maine had men there, those from the University being L. C. Southard, '75 and Prof. R. K. Jones, '86.

This association was organized a year ago at the instigation of Prof. F. W. Nicholson of Wesleyan and Prof. H. D. Wild of Williams. Though it has no direct authority over the athletic policies of the colleges, the representatives sent to its meetings are supposed to convey the sentiments of their respective student bodies. Therefore, if a majority of the delegates decide that any practice is wrong and should be discontinued, it is to be concluded that the majority of the colleges share their opinion and will do their best to carry out these resolutions. Hence, whatever action the Association takes is quite sure to wield a strong influence in the New England institutions.

Prof. Nicholson was re-elected president and Prof. Wild was again chosen secretary and treasurer, while E. K. Hall of Dartmouth was made vice-president. Prof. Jones was re-elected to the executive committee, and was also appointed chairman of a committee to investigate college requirements.

A committee created last year to look into the matter of summer baseball for college men reported that only six prohibited it and since the greater part of them tolerated it, no action could be taken. The employment of professional baseball players as coaches was also discussed

and there was a general sentiment that it was undesirable but could not be changed within the near future. A vote was passed to the effect that organized cheering for the purpose of disconcerting opposing teams was a mark of unsportsmanship and should be discouraged.

MEETING OF THE EXECUTIVE COMMITTEE OF THE ATHLETIC ASSOCIATION

At the regular meeting of the Executive Committee of the Athletic Association, held last Tuesday evening, May 11, it was voted to award a college basketball sweater to G. A. Stuart, '10, of Calais. It was also decided to send a part of the track team out to the Niben Club, Pushaw Lake, to rest up Thursday and Friday for the state track meet Saturday. Owing to the resignation of F. S. Cram '09, as captain of the tennis team, it was necessary to elect another and R. L. Mitchell, '07, Law '10, was chosen to fill the vacancy.

Captain W. S. Brown tendered his resignation as Treasurer of the Athletic Association to take effect May 28th. The resignation was accepted in view of the fact that Capt. Brown has been retired on full pay from the army. Systematic methods of keeping permanent records of the results of college and state track meets were talked over. Authentic records have never been preserved and it was thought advisable to have a better system.

MEETING OF MAINE INTERCOLLEGIATE ARBITRATION BOARD

The semi-annual meeting of the Maine Intercollegiate Arbitration Board was held at the West End Hotel in Portland, Saturday morning, May 8. Hon. L. C. Southard, '75, of Boston, Prof. R. K. Jones, '86, and E. L. Towle, '09, represented the University of Maine. The representatives for the other colleges were as follows: J. C. Basset, Prof. John Hedman and Mr. Chapman for Colby; R. S. Stanley, Prof. F. E. Pomeroy and R. G. Page for Bates.

Among the questions taken up were the arranging of better athletic schedules and the making

of a careful examination of the financial results of the athletic games during a series of years. The board also disposed of considerable routine business.

PENOBSCOT VALLEY ALUMNI ASSOCIATION

Members of the Penobscot Valley Association were the guests of the Executive Committee of the Athletic Association last Friday evening, May 14. There were representative men from the Faculty, student body, Penobscot Association and the Executive Committee present and the evening passed very pleasantly for all.

Among the members from the Faculty were Professors Hurd, Stevens, Ganong, Russell, Messrs. Bean and Brown; and Hosea Buck, Harvey McClure, and "Judge" Parker were some of the Penobscot men there.

Several things of interest were talked over at the meeting. Suggestions were made in respect to a musical director to take charge of all of the musical organizations in the University; also the advisability of having an athletic director to serve as the executive head of the athletics in the University though not in the position of coach of any team. It was thought advisable to have a more active student government in the affairs of the University and means of bringing this about were discussed.

UNIVERSITY OF MAINE

SCHEDULE OF EXAMINATIONS

In 1908-1909 the examination Periods begin as follows: For the first Semester on Saturday, January 23, and for the second Semester on Friday, May 28.

Time of Exercise*	Monday 7.45	Monday 8.45	Monday 10	Monday 11	Monday 1.30	Monday 2.30	Monday 3.30
Time of Examination	Monday 8-10	Tuesday 8-10	Thursday 8-10	Saturday 8-10	Saturday 1.30-3.30	Wednesday 1.30-3.30	Friday 1.30-3.30
Time of Exercise	Tuesday 7.45	Tuesday 8.45	Tuesday 10	Tuesday 11	Tuesday 1.30	Tuesday 2.30	Tuesday 3.30
Time of Examination	Friday 8-10	Wednesday 8-10	Monday 1.30-3.30	Thursday 1.30-3.30	Tuesday 1.30-3.30	Wednesday 3.30-5.30	Friday 3.30-5.30
Time of Exercise	Wednesday 7.45	Wednesday 8.45	Wednesday 10	Wednesday 11	Wednesday 1.30	Wednesday 2.30	Wednesday 3.30
Time of Examination	Friday 1.30-3.30	Saturday 1.30-3.30	Wednesday 1.30-3.30	Friday 8-10	Saturday 3.30-5.30	Wednesday 10-12	Friday 10-12

*NOTE: By the **Time of Exercise** is meant the time of the first exercise of the week in any given course. For example: If a course is given Monday, Wednesday, and Friday at 10, it is said to be given **Monday at 10**. By referring to Monday, 10, in the schedule, it will be seen that the examination falls upon Thursday 8-10. A course given once a week on Friday is scheduled as though it were given on Wednesday and a course given once a week on Thursday is scheduled as though given on Tuesday.

Any instructor is allowed to continue an examination three or even four hours if it does not conflict with other examinations.

Special Styles for Young Men!

Our young men's clothes are not grown men's in miniature—they are made expressly for young men—different cut and trim and as snappy as can be. We invite the young fellows to come in and see our new suits and overcoats from the best clothing makers in America—nobby fancy effects and elegant blue surges. They are certainly the limit of distinctiveness, vim and go, in young men's attire, showing all the new ideas, treated in an original way.
