ANNUAL REPORT

OF THE
MUNICIPAL OFFICERS

OF THE
TOWN OF LEVANT

FOR THE YEAR

1910-1911

This Book was printed at the office of The Thomas W. Burr Printing Company, 27 Columbia Street, Adams Building, Bangor, Maine, who make a specialty of this line of Printing, but who also do almost anything in the line of Book and Job Printing--and most respectfully solicit your patronage. Prices always right.

The Shaw Business College

calls attention to the fact, that the Bangor Daily News during a period of 15 months had in its local columns 301 instances of students of this school taking positions. The school has recently enlarged its quarters and no business college in Maine has quarters that are in a class with it. Free catalogue.

GEO. D. HARDEN, Treasurer
Bangor, Maine

YOU HAVE SOME PRINTING DONE ?

Of course you want it done right, you want it to be your good representative in many instances--poor unworkman-like printing is very expensive at any price. We do the best and do it at fair prices.

We would like to count you among our regular customers and will do our very best to please you in quality, workmanship and price.

We do all kinds of Book and Job Printing--nothing too large--nothing too small. Some of the things we do:

Letter Heads, Packet Heads, Bill Heads, Note Heads, Statements, Envelopes, Checks, Notes, Receipts and all kinds of Municipal Blanks, Society and Wedding printing, Circulars, Announcements, Business Cards, Handbills, Posters, Books, Pamphlets--in fact we do almost anything in the way of printing.

We have the best equipped plant in the State, and carry the largest stock of papers of any printing office east of Boston. We will appreciate your favors in this line.

CLOTHING FOR 1911

You'll begin pretty soon to think about getting some new clothes. If you bought Hart, Schaffner & Marx clothes last year, they're probably good for another season; that's the kind of clothes they are.

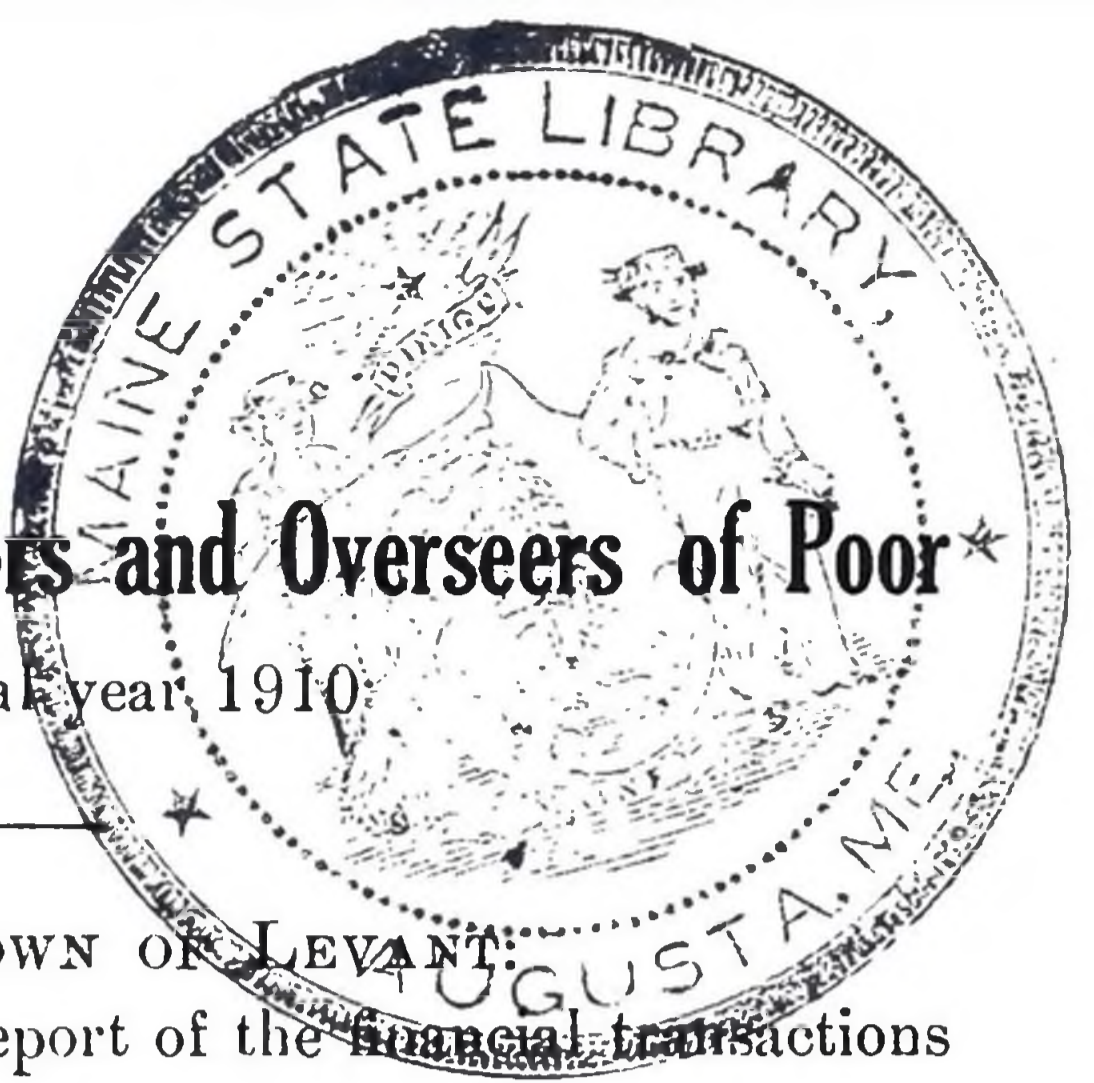

As soon as you make up your mind that you're going to have new clothes, we want to show you the new things from Hart, Schaffner & Marx; some special new models in young Men's styles that will make the young fellows open their eyes.

Lots of other good things to wear, of course; we can outfit you completely. Glad to see you whenever you're ready.

I think we have passed a very successful year, the teachers have all been faithful to their trust, the discipline has been good, and good advancement been made. The spirit among the scholars has been most excellent, while the citizens have done all in their power to make the schools successful.

A comparison of the records of this year with those of last shows that there is scarcely a third as many cases of absence or tardiness as there was then, only a third as many failures is occurring in the recitation work of the scholars as was found last year.

I again express to the parents and school officials my hearty thanks for the support and co-operation received.

Respectfully submitted,

ELMER B. EDDY,

Superintendent of Schools.
