## REMARKS

It is with mingled pride and sorrow that we draw another year's business to a close, we are pleased to report that we have been able to conduct the town's business well within its appropriations and point to an exceptionally large unexpended balance at the close of the year. We are sad at the loss of so many of our neighbors, especially William E. Hadlock, the oldest member of this board who for so many years served this town faithfully and well.

The following resolutions was drawn up by the selectmen on the death of our late and efficient selectman, William E. Hadlock.

RESOLVED, By the death of Col. William E. Hadlock, this town has lost an able leader, a man of the highest moral character and a model citizen of whom pleasant memories will ever linger in the minds of us all.

Respectfully submitted

FRANK E. STANLEY,

W. A. SPURLING,

Selectmen of Cranberry Isles.

This certifies that I have examined the accounts of the selectmen and find vouchers on file to correspond with town orders issued during the municipal year—balance in favor of town, \$1,816.66. I have also examined the accounts of the town treasurer and found the necessary vouchers on file, showing that \$7,281 82 has been received from all sources and that \$5,465 16 has been paid out to date, leaving a balance in favor of the town of \$1,816.66, which agrees with selectmen's accounts, the funds of the town to the amount of \$1,284.72 are on deposit with Banking and Trust Co., Bar Harbor, Me. and balance \$531.94 in hands of treasurer.

Respectfully submitted,

LESLIE R. BUNKER,

Town Agent.

I again wish to call the attention of parents to the importance of reporting the christian names of their children to the town clerk immediately after naming them, as a large percentage of the births are reported by physicians and as children are seldom named until sometime after birth, the physicians are unable to report the name selected. Parents are requested to call and examine the records of births, and make the additions necessary to complete the records.

## SUPERINTENDING SCHOOL COMMITTEE

William A. Young, Islesford; Edward J. Stanley, Chairman, Cranberry Isles; Wilbert A. Rice, Sutton; George R. Hadlock, Secretary, Islesford.

The greater part of the school property in the town of

Cranberry Isles is in very good condition and as the last outstanding town order which was for \$500 with interest was paid when due, the town is once more free from any indebtedness in this department.

Necessary repairs to the extent of \$82.52 were made on the school building at Sutton and if that building can be painted outside the coming year it will be in first class condition. The school building at Cranberry should also be painted and it will soon be necessary to paint and enlarge the school building at Islesford or erect a new building as better accommodations are needed there.

The number of persons between five and twenty-one years of age in town on April 1st, 1910 was 110 which was 11 more than given the preceding year.

### Remarks

Our schools for the past year have been generally satisfactory but I regret that I have been unable to secure teachers who were all as efficient as might reasonably be expected.

It is worth more to teach some of our schools than we have been paying and we must expect to pay more for some of our teachers in the future.

A great many of our school books are in poor condition and while we have some books in use that are nearly new they are of several different kinds and I think it would be better to sell them and supply our schools with entirely new books and see to it that they are properly cared for.

It has been proposed that we join with the town of Mt. Desert in employing a Superintendent of Schools and I do not hesitate to recommend such a union if we can be assured of the services of a professional superintendent from whom we may receive a proportional amount of service.

I am very grateful to the scholars, teachers, parents and members of the school committee who have assisted in making the school year a successful one.

Respectfully submitted,

GEORGE R. HADLOCK,

Superintendent of Schools.
