REPORT OF
SUPERINTENDENT OF SCHOOLS.

To the Superintending School Committee and Citizens
of Cranberry Isles:

Below is a report of the superintendent of schools.

There have been three changes in the teaching force during the year, namely, Miss Vallie Lord, G. C. I. primary, in place of Mrs. Spurling, resigned; Dwight Perkins and Miss Adella Ames, Islesford primary and grammar, who take the place of Mr. and Mrs. Motz, resigned. These teachers are normal graduates, and are filling their positions to the satisfaction of all.

The attendance has been very satisfactory, and the pupils seem very much interested in their work. The pupils are well supplied with all necessary text-books and supplies. All the schools have been cleaned and the toilets put in a sanitary condition.

Following is the number of pupils in each grade:

Grade 1—7 boys, 3 girls.
2—0 boys, 4 girls.
3—4 boys, 6 girls.
4—5 boys, 3 girls.
5—1 boy, 0 girls.
6—3 boys, 2 girls.
7—6 boys, 3 girls.
8—5 boys, 4 girls.

Total, 31 boys and 25 girls, or 56 pupils attending common schools, a gain of 5 pupils over the preceding year.

Our high school tuition problem is getting more

serious each year, and if you will examine the above table you will notice that nine pupils will be ready for high school next year. To you this may seem discouraging financially, but to me it gives a feeling of gratification that your children desire a higher education, and that the parents are encouraging their children along these lines, believing, as I do, that this is about as good an investment as can be made and will bring good returns. I believe that Cranberry Isles enjoys the distinction of sending more pupils to high school than a large majority of towns in the State that do not maintain a free high school.

In closing, I wish to thank the citizens for the courteous treatment accorded me during the year.

Respectfully submitted.

WINFRED E. CLARK,
Superintendent of Schools.
