3. Come those that stay at home and do the work
 Let every moment count no labor shirk
 But plant the field and garden right away
 And help your country win the fray
 And those that in the factory toil and spin
 Make every moment count that we may win
 Then freedom on the land and sea
 Shall come to us with victory.
4. O God protect our boys on land and sea
 And help them to help others to be free
 That this old world of ours might happy be
 And worship Thee and only Thee
 And may this cruel warfare soon be done
 And every nation honor thy dear son
 And in all hearts thy will be done
 Beneath the banner of the Cross.
