School Supt. Report

Number of pupils in town April 1, 1913	119
Number of pupils attending school	76
Number of weeks of school	30

In district No. 1 the three terms were taught by Mertie Dowe.

In district No. 7 the three terms were taught by Eva L. Taylor.

In district No. 6 the spring term was taught by Mary Ranks, and winter term by Geo. Fish.

In district No. 4 spring term taught by Ruth Lapham, fall term by Geo. Fish and winter term by Agnes Taylor.

By combining districts No. 4 and 6 for the fall term we had a more successful term than would be possible with two small schools and at a less cost.

Respectfully submitted,

GEORGE H. FISH,

Superintendent.
