A. M. ROSS, Treasurer.

Supt. of School's Report

In making my annual report, I will say that our schools have made good advancement during the last year. Most of our teachers have been experienced and done very good work. We have had to employ some new ones, but nearly all have made good.

Our schoolhouses have been repaired some and all need to be put in better condition. I hope the town will be liberal in raising an amount which will enable the committee to put them in fine shape.

More money is needed for our schools in order to run them thirty weeks, the time required by law. Teachers have been scarce the last year, they will be fewer the coming one. Wages and board will be higher.

S. A. NUTT, Superintendent of Schools.
