Due, $83 36
Citizens of Poland:

I hereby submit to you a report of your Board of Health for the year ending Feb. 24, 1911. There has been but two cases of a contagious nature reported to your board. These were cases of infantile paralysis. We have fumigated one case of consumption.

One case of nuisance was reported but the case was of such a complicated affair that the board has never arrived at any definite conclusions in regard to disposing of the case.

One case of diphtheria has been reported. This case has not been disposed of, the parties not having recovered yet, and one under quarantine.

Most respectfully submitted,

M. C. Davis, Secretary.

I hereby respectfully submit the report for the school year of 1910-11.

At the beginning of the school year, Mr. R. J. Everett was chosen superintendent, but later resigned because of ill health. Therefore the spring term was well advanced before your present superintendent succeeded to the office.

In many instances arrangements had been made for the entire year. In such cases I have been instructed to carry out the same. While some of our schools have not been all we hoped for, yet on the whole they have been highly successful. It is only when all the parties, the parents, the teachers, and the scholars work in harmony that the highest results may be obtained.

I wish to express my obligations to the School Board, who have so cheerfully and ably aided me in my school work. I also, wish to express my sincere gratitude to the parents and citizens of Poland for their kindly aid and support.

Respectfully,

W. W. McCann, Supt. of Schools.
RECOMMENDATIONS

To the Citizens of Poland:

We, the superintending School Committee, recommend the following appropriations for the year 1910:

For common schools, $2,250.00
For repairs, 600.00
For text books, 400.00

Respectfully submitted,

Geo. P. Pulsifer,
Isaac P. Davis,
J. G. Davis,

Members of School Board.
