One of the most convenient things in a family is a good sewing machine. Now, we have a good assortment of them with all the latest improvements, such as dropped heads to keep the dust from getting into the machine; and we do not ask an exorbitant price for them.

These machines we have carried for fifteen years and they have always given perfect satisfaction.

NOTE THE FOLLOWING:
NO. 73 MACHINE, 3 DRAWERS, FOR $20.00
NO. 75 MACHINE, 7 DRAWERS, FOR 25.00
NO. 16 MACHINE, 7 DRAWERS, FOR 30.00
NO. 5 MACHINE, 7 DRAWERS, FOR 27.50

We will let any responsible party take these machines for two weeks on trial, then they can pay $5.00 down and $1.00 per week. These machines are warranted for years. Compare these prices with those of agents who go around selling them, and you will see that we can beat them from $50.00 to $26.00 on a machine.

The average attendance in our schools is not what it should be, that being the fault of the parents instead of the teachers. I would recommend that $45 be raised for school books for the coming year, as the books are in a very bad condition.

Respectfully submitted,

LLEWELLYN II. POMEROY,
Supt. of Schools.

The Shaw Business College Features Worth Considering

1. It is the only school in the State that carries on Actual business by mail and common carrier. Students in the school in Bangor carry on business with students in the Shaw Colleges in Augusta and Portland.
2. The Shaw College in Bangor has the finest quarters of any Business College in the State.
3. Another strong feature of the Shaw is the fact that the Business Course may be combined with Shorthand and Typewriting at one rate of tuition.
4. The Shaw is the only Business College in the State that has a session Saturday—and its hours of instruction each day are longer than other schools, 20% more, which means either acquiring a better training or the same training in a shorter time. The saving of time is the saving of money.
5. The Shaw is the only Business College in the State to give Free Concerts and Dances to its students.
6. The Shaw does not accept tuition in advance. A feature of this school alone.
7. It is the largest in the State for the above reasons and many others too numerous to mention.

Maine's Greatest Cloak Store!

Is the Leading House in Maine for Ladies', Misses' and Children's Suits, Coats, Furs, Skirts, Underskirts, Waists and Millinery

Our NAME for high grade goods and low prices has long been established. There is not a woman in Maine who does not know something about "THE LEWSEN STORE"

We keep only high grade goods, because it is the kind that gives satisfaction. We sell at low prices, because we manufacture most of our goods— and save middleman's profit— while the retailer has to make his own as well as the manufacturer's profit. Which means a difference of about 33 PER CENT.

IS IT NOT WORTH SAVING?

We also make garments of any kind to your measure without extra charge, so you can have a custom made garment, for the ready made price.

REMEMBER we are leaders in style, leaders in price, and leaders in good workmanship. Goods sent C. O. D. with privilege of examination to all parts of Maine.
