Select Board Report

Brian Barrows, Chairman
Mike Cray, Vice Chairman
Vondell Dunphy, Member
Jo-Ann Brown, Member
Ron Rowe, Member

The composition of the Select Board changed this past year, with the election in March 2016 of Jo-Ann Brown to a three-year term.

The Select Board maintained a busy schedule throughout 2016. With the assistance of other Town Officials and the many citizen volunteers who serve on various boards and committees that made 2016 a success. For those that have helped us, a big THANK YOU!

Personnel Changes

We have had a busy year with some personnel changes. In November, Tina Bowring resigned from her position and we hired Karsha Alton as custodian. Connie Cummings was hired as our new Animal Control Officer. We welcome our new personnel.

Major Projects

This year, the town approved a large paving project and it was completed in the fall of 2016. The following roads were paved: Square Road, South Ridge Road, Badgerboro Road, Hope Road, Marsh Corner Road, Spring Hill Road, Wiers Road, Webb Ridge Road, Davis Road, Dog Town Road, Gray Road and overlaid one half mile of Lang Hill Road.

The Town of Palmyra was the recipient of "Spirit of America" award. We thank the citizens that made this award possible!

We appreciate all citizens, employees, volunteers and elected officials that work hard to keep Palmyra running smoothly.

THE PLANNING BOARD

The Planning Board issued a total of thirty nine (39) permits this year. Five (5) were new homes, three (3) were manufactured homes, six (6) were new business permits and the rest were accessory structures.

The Planning Board meets the first and third Tuesday of each month at 6:00 p.m. at the Community Center. The Board had been working on various amendments to the Ordinances. All meetings are open to the public and your input is always appreciated.

The Board is also looking for new members to join the Planning Board.

Cemetery Committee Report

Every year new flags are placed on all Veterans' grave sites. Anyone needing a marker and flag for a service member please notify the Town Office or one the committee members. Dave Kimball is doing repairs. Thibodeau's Lawn Care has been doing a good job of mowing and has done some extras when it was deemed necessary.

We are looking to take down dangerous trees in the Warren Hill Cemetery and a couple in the Village Cemetery.

We also need to put the signs up for the cemeteries.

To Palmyra Citizens and Friends

The Palmyra Historical Society is committed to documenting the history of Palmyra and the wonderful family history in this town.

As of this date we have 185 followers on Facebook who add information we may not have had and make comments on what we are doing, or have found. This is the stepping stones to what leads us to more information. Please join us and share what you have or know of Palmyra! A WONDERFUL TOWN WITH GREAT PEOPLE OF ALL WALKS OF LIFE!

<https://www.facebook.com/groups/601158696628516/?ref=bookmarks>

Another item the Historical Society accomplished in 2016 was to use some of our limited funds to extend the large Flags on Route 2 before and after the Town Hall/Community Center. We purchased Flags and Military Holders for the Cemeteries' Veterans. This came to a total of \$851.72 and is a savings for the tax payer. If you have a veteran in a Palmyra Cemetery please let us know if they do not have a Flag.

We continue to update the Town Reports for the Fogler's Library at the University of Maine in Orono by digitizing them as they are available. The State has put them online by counties then towns for anyone interested in researching town final history. We are proud of this and many other accomplishments over the last few years

Palmyra Community Center Boosters - 2016

The Palmyra Community Center Boosters held several events this past year and enjoyed assisting the community center with needed items. In March 2016 Town Meeting the article was approved to install a digital sign by the voters. The approval was that the town would contribute \$5,000 and the PCCB would make up the difference up to \$5,000. The sign was purchased and installed in November 2016. The cost also included the establishment sign for the Town Office and Community Center and the Town Garage. They look great and give needed information.

March 2016 we held our Maple Sunday Breakfast with a good turnout. We were not able to do concessions at Eureka Farms this year as they had to cancel because of the road. We look forward to being at the Eureka Farms Maple Sunday this year and to also have the breakfast at the community center.

May and September 2016 we held concessions at the mud run and held concessions for the Trappers Auction at the community center in April and December 2016.

August 2016 we held a Pancake Breakfast and had the drawing for our gun raffle for two guns and a safety course was included. We obtained chairs from UMaine and was able to sell them for a fundraiser.

October 2016 we held our 2nd. Annual craft fair with over 60 vendors. This event was a great event and got a lot of people into the community center. We also ran the concessions for this event.

November 2016 was our Hunter's Supper and Auction. We had lots of donations from local community members and businesses for the Auction. Thank you for your support! The supper was a hit with baked beans, biscuits, hot dogs, coleslaw, and homemade desserts.

December 2016 the PCCB participated in the Palmyra Giving Tree. The tags for families that were not filled were filled by the PCCB. The Palmyra Soup Kitchen provided each family with a food basket.

The PCCB purchased a refrigerator, tables, first aid kits, grill with a warmer, utensils, and other miscellaneous equipment for the center and the kitchen.

Our year was a great one and lots of fun. We ask that you join us in any way you can. Just provide us with your contact information and email. We also try to meet once a month on the 2nd. Tuesday of the month at 6:00 pm.

The PCCB would like to thank everyone that donated to our events this year and look forward to 2017 events.

2017: Play – March 17, Maple Sunday-March 26, Mud Run-May/Sept, Craft Fair-October, Hunters Supper and Auction-November, Giving Tree-December.

Mr. Michael Hammer, Superintendent of Schools

December 14, 2016

Citizens of RSU 19,

It is my honor to be the Superintendent of Schools for your town. I work very hard on your behalf to provide a high quality education for your students while taking into consideration the tax implications of our budget.

I am excited by the opportunity for a new school building which will give us a state of the art facility at the same time reducing our outlay of capital improvement dollars. This project is a large part of a long term financial stability plan. With only four buildings to take care of in the future, we should be in a better place to manage capital improvement in other areas. We will also be making the educational programming for our students more consistent with all the middle school students attending in the same building. The same can be said for our elementary schools.

It is always a challenge to put a budget together as we have many needs and fewer and fewer resources, but you can be assured that I am watching how and for what your tax dollars are being spent. Regaining the respect and integrity of the Superintendent's position is one of my top priorities. Other priorities are marketing the district, working with community/business leaders to bring economic development to the area through high quality educational programming, and getting as many students as possible back into our schools.

Please reach out to my office if there is anything we can do for you or stop by to introduce yourself.

Yours in education,

Mike Hammer, Superintendent of Schools, RSU 19

Kennebec Regional Development Authority
Annual Report: 2015-2016

The Staff, General Assembly, and the 24 member communities of the Kennebec Regional Development Authority are pleased to present this annual report for the fiscal year ending June 30, 2016.

Financial Overview

At fiscal year-end 2015-2016, KRDA's government funds reported a positive fund balance (equity) of \$463,980, an improvement of \$336,332 from the previous fiscal year. This is the second consecutive positive fund balance since 2001. Annual revenue distributions, to member communities totaled \$245,460. We reduced our long term debt principal by \$234,824. We are still on target to pay off our long term debt in fiscal year ending June 30, 2021. The total long-term debt for the organization stands at approximately \$987,210. For investments, we have 2 CD's and a money market account at the Maine State Credit Union totaling \$205,186; a savings account with TD Bank totaling \$248,952 and; a CD with Skowhegan National Bank totaling \$218,157. These cash allocations represent designated funds toward a small operating reserve, and a growing infrastructure reserve. These funds could be used for future capital expenditures should the KRDA membership so decide at some point in the future. We project adequate cash flow for operations and debt service through the coming fiscal year without additional borrowing or increases in the municipal assessments which have remain unchanged since 2007.

Operations Overview

During FY 2015-2016, the organization continued executing (on the 2nd year) on a long term operational plan for the development of the existing serviced lots on the park. The first phase – and main effort – of this plan, is to address the demand side of the park. The operating budget sustained the marketing effort in order to “establish credibility with investment attraction.” The intent is to surge the marketing effort, through June 2017 and establish a greater density of leads, through our networking activities. Once this phase is completed, the operational plan will focus on addressing the supply side of the park – to incentivize developers to FirstPark both operationally and financially. Through this process, we hope to develop the remaining serviced lots (which total seven) by the time the debt service is paid off. If we are successful in this effort, this will help with the on-going effort to eventually position the KRDA so that it can operate independently at or about the time the existing long term debt is paid off. The organization will be actively exploring, identifying and securing additional forms of revenue to place the organization in a position to compete with other regions in the US and beyond.

From the Director's Desk...

At the end of the FY we succeeded in securing a 2nd federal grant fund to support our marketing efforts. This activity has leveraged the marketing “surge” currently in place – which is intended to last two funding cycles. The federal funding support initiates the prospect of establishing a self-funded marketing program by the time we complete paying off the existing debt service. These federal funds and municipal support will be substituted by commission and sponsorship activity in time. If we can achieve this goal sooner, it will provide allow us to shift the existing municipal support to developing buildings on the park – and support the 2nd phase of the operational plan.

WASHINGTON, DC 20510-1004

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments.

Growing our economy by encouraging job creation remains a top priority. The tax relief bill enacted during this last Congress contains provisions I authored to provide small businesses with the certainty that they need to invest, grow, and, most important, hire new workers. The 2017 National Defense Authorization Act includes a provision the Maine delegation worked together to champion requiring that military recruits be provided with athletic footwear made in America, as is required for other equipment and uniform items whenever possible. This is a great victory for our troops and for the 900 skilled workers at New Balance factories here in Maine.

Maine's contributions to our national security stretch from Kittery to Limestone. As a senior member of the Appropriations Committee, I successfully advocated for critical funding for projects at the Portsmouth Naval Shipyard and \$1 billion towards the construction of an additional ship that will likely be built at Bath Iron Works. This funding will strengthen the Navy and our national security, and the additional destroyer will help meet the Navy's goal of a 355-ship fleet.

Maine's growing population of older individuals creates many challenges. That's why, as Chairman of the Senate Aging Committee, my top three priorities are fighting fraud and financial abuse directed at our nation's seniors, increasing investments in biomedical research, and improving retirement security.

The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance. Last May, a call to the hotline helped lead to the arrest of a national crime ring targeting seniors, and in June I worked to secure the humanitarian release of a Maine senior who had been imprisoned in Spain after being victimized by an international drug smuggling scam.

The Aging Committee also released an extensive report detailing the findings of our bipartisan investigation into the abrupt and dramatic price increases for prescription drugs whose patents expired long ago.

I advocated strongly for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. I also championed and authored portions of the 21st Century Cures Act that will further support biomedical innovation and make significant reforms to our mental health system.

The Senate also took steps in the past year to combat the nation's heroin and opioid epidemic by passing the Comprehensive Addiction and Recovery Act (CARA), which I was proud to cosponsor. CARA is a monumental step forward in our effort to address the devastating addiction crisis affecting countless families and communities across the country and right here in Maine.

A Maine value that always guides me is our unsurpassed work ethic. In December 2016, I cast my 6,236th consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Palmyra and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Augusta state office at (207) 622-8414 or visit my website at www.collins.senate.gov. May 2017 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins

Dear Friends of Palmyra,

Since being sworn into the Senate in 2013, I have made it my mission to address at the federal level the most important issues facing our great state. Working closely with my colleagues in the Maine Congressional Delegation, we've been able to successfully secure a number of legislative victories that support our state's economy, our rich traditions, and the hardworking people I am proud to represent.

In an increasingly polarized Congress, my goal as an Independent is to put partisanship aside, build consensus and further common-sense solutions to address the needs of the American people. To this end, I have co-founded the Former Governors Caucus, a group of former state executives who are frustrated with legislative gridlock and eager to find bipartisan solutions. And as always, I aim to bridge the partisan divide by hosting barbeque dinners in Washington with colleagues ranging from Ted Cruz to Elizabeth Warren. If you know a person's children, then you see them as a mother or father and not a rival vote, and working to further personal dialogue and build relationships can lay the foundation for successful legislation.

One of the accomplishments of which I am most proud is the legislative victory that protects our college students and their families from an expensive hike in student loan interest rates. In 2013, as students faced a significant spike in interest rates that would have taken thousands of dollars out of their pockets, I brought together colleagues from across the political spectrum to broker compromise legislation called the Bipartisan Student Loan Certainty Act. Thanks to this bill, students will save \$50 billion over the next 10 years by lowering their interest rates, which means that a student in Maine will now save between \$3,000 and \$6,000 over the life of their loan.

Being an Independent in the Senate has allowed me to make calls and vote on policies that are best for Maine, but it has also made it possible to play key roles in finding simple solutions and legislative fixes that make good commonsense to both parties. Of course, much of what we do in the Senate doesn't happen on the Senate floor, or even in committee. Instead, it involves working across all levels of government to ensure the State of Maine receives attention and support from the federal government.

Take, for example, the opioid and heroin epidemic devastating communities across our state. While Congress has passed legislative solutions aimed at expanding access to medical treatment, I've also pressed for other changes that can be accomplished more quickly and make a more immediate difference in Maine. For example, I successfully urged the U.S. Department of Health and Human Services to increase the number of patients to whom a doctor can provide medication-assisted treatment, and in 2015 brought the Director of the Office of National Drug Control Policy to Brewer to meet directly with Mainers and hear their stories. I've also engaged law enforcement – including the Drug Enforcement Agency – to crack down on the production of opioids and work to limit their diversion. Together, Senator Collins and I helped pass the Northern Border Security Review Act to combat drug and human trafficking along our border with Canada.

While the opioid epidemic is certainly our biggest public health crisis, job loss in Maine is still our number one economic problem and that's why we need to focus on bringing good paying jobs back to Maine and protecting the ones we still have. As a member of the Armed Services Committee, I teamed up with Senator Collins and Representative Poliquin to successfully secure a provision in the defense bill that can help domestic shoe manufacturers like New Balance. The three of us also worked together with the Department of Commerce to establish an Economic Development Assessment Team, known as an EDAT, to assist Maine's forest industry in the wake of several mill closures. We have an incredible spirit of innovation and ingenuity in Maine and I believe finding ways to invest in that spirit will reignite Maine's forest products sector and our economy. Part of our economic path forward must also include expanding access to high-speed broadband, which can help connect our businesses and communities to information and economic opportunities.

As a member of the Senate Armed Services and Intelligence Committees, I work to keep Maine and our nation safe. Part of that important work means continuing to work for funding for the construction of Navy ships that will be used to protect American interests across the globe. We all know that "Bath Built is Best Built," which is why I've fought to authorize funding for Navy ships built at BIV. The best way to preserve peace is by deterring war through unassailable strength, and to do that we must support our shipbuilders and our brave service members and invest in our military. I strive to meet this solemn responsibility every day as a member of these committees, which is why I hardly ever miss a hearing and take great care in overseeing the agencies sworn to keep us safe. Armed Services Chairman John McCain called me "one of the most serious and hard-working members" of the Committee, and that's a humbling compliment from a true American hero.

As always, please call or write me with thoughts or concerns with matters currently before Congress, or if you need assistance navigating a federal agency. As a public servant, it is critical to me to listen and learn from you, which is why staying connected with people from all over our beautiful state remains a top priority for my work in the Senate. Please call my toll-free line at 1-800-432-1599 or one my offices: Augusta: (207) 622-8292, Bangor: (207) 945-8000, Presque Isle (207) 764-5124, Scarborough (207) 883-1588, or Washington, D.C. (202) 224-5344. You can also write me on our website at www.king.senate.gov/contact.

It is an honor and a privilege serving the people of Maine in the Senate, and I look forward to working with you in our search for a more perfect Union.

Sincerely,

Angus S. King, Jr.

Dear Friends,

One of the greatest honors of my life is serving as your representative in Congress. This past year, we won some major victories for Maine families, communities, Veterans and local job creators, but there is still more work to be done. Since day one in Congress, I've worked with everyone regardless of party—Republicans, Democrats and Independents—to get the job done for Maine.

My number one priority is creating and protecting jobs. One of my main focuses this last Congress has been on helping secure 900 shoe manufacturing jobs in Maine at New Balance. For years, Maine politicians have worked unsuccessfully to get legislation through in Congress to require the Department of Defense (DOD) to adhere to the Berry Amendment, a provision which requires the DOD to use American-made products for new recruits whenever possible. New Balance is one of the few companies that continues to hire American workers and produce footwear here in the U.S.

I am absolutely thrilled that, after a months-long and hard fought effort, we finally had this monumental language officially signed into law this past year. This is a huge accomplishment, and I'm not going to let up an inch until it is fully implemented to secure the 900 Maine jobs at Skowhegan, Norway and Norridgewock.

In Congress, I have also been a steadfast opponent of bad and unfair trade deals, namely the Trans-Pacific Partnership (TPP), which have the potential to hurt jobs and local businesses in Maine. That's why I voted, twice, against "fast track" trade authority, or trade promotion authority, despite pressure from powerful Washington special interest groups and leaders of my own party. I don't work for any one party—I work for you, the people of Maine.

I am also extremely proud of the services that our Congressional office has been able to provide to help hundreds of Mainers in the past two years. Whether it is a Veteran experiencing issues at the VA or a citizen needing assistance with a case at the IRS, my staff is available to help. I encourage anyone who is experiencing problems with a government agency, including our Veterans when dealing with the VA, to contact one of my Congressional offices in Maine—Bangor (942-0583), Lewiston (784-0768), Presque Isle (764-1968)—or visit my website at Poliquin.House.Gov.

There is much more work to be done. Our Great State of Maine and our Nation face many critical challenges. Please know that I am working hard, every day, to serve you and that I will continue to work here at home and in Washington for our families, local businesses and communities. It is an honor to represent you and our fellow Mainers in Congress.

Best wishes,

Bruce Poliquin

Dear Citizens of Palmyra:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities continues to be the reduction and eventual elimination of the income tax. Raising the minimum wage is not the path out of poverty; I want Mainers to earn a career wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Unfortunately, voters approved a referendum question to raise the income tax to 10.15% on successful Maine households and small businesses. Enacting the second highest income tax rate in the country shows the nation we are eager to punish people for being successful. It will drive them out of our state and make it even more difficult to attract much-needed doctors, dentists, scientists, engineers and other professionals to Maine. They can live in neighboring New Hampshire, which takes no income tax from their paychecks. Even worse, there is no guarantee the extra revenue from this tax will go to fund education, as proponents promised.

As successful people leave Maine, state and municipal government will lose the significant amount they pay in property, sales and incomes taxes. This will put even more upward pressure on local property taxes. Municipalities will have to get more creative to provide local services without increasing property taxes. Reforming the tree growth program, collecting property taxes on land in conservation or preservation programs, charging a payment in lieu of taxes on state land that is taken off the property tax rolls and having non-profit organizations pay a two-percent tax on their net revenues are all ways for municipalities to increase revenues.

Such bold measures would take strong leadership and commitment from local officials and residents. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at www.maine.gov/governor.

Dear Friends and Neighbors:

Let me begin by thanking you for the honor of serving you in the Maine Senate. I am humbled that you have put your trust in me to represent your interests and can assure you I will continue to work tirelessly on your behalf. Please let me provide you with a recap of the 127th Legislature, as well as my hopes for the upcoming 128th Legislature, which convenes in December.

Last year, we continued the work of reforming our state's welfare system and achieved the long sought-after goal of banning the purchase of alcohol, tobacco and lottery tickets with welfare benefits. While there is more work to be done in reforming our welfare system, I believe these efforts will help to deter such abuse of the system and help ensure that benefits are going to those who truly need them.

Another accomplishment of the last session was the passage of tax relief for commercial agriculture, aquaculture, and wood harvesting businesses that employ so many of our fellow Mainers. We were also successful in conforming Maine's tax code to the federal code, making permanent tax cuts meant to stimulate job creation in Maine.

I was pleased to have played a part supporting tax relief efforts in my previous term, and am hopeful we can build on that momentum to enact further relief during the coming session. It is clear that we must continue to do all we can to attract more jobs to our state and you have my promise to continue advocating for proposals which will expand economic opportunity for all Mainers.

You have my sincere thanks for allowing me to represent you in Augusta. Please feel free to contact me at 287-1505 or sendavis@myvotemail.com if you have comments, questions or if you would like assistance in navigating our state's bureaucracy.

Sincerely,

Dear Friends and Neighbors,

I am truly honored and humbled to have been re-elected to serve as your voice in Augusta for a second term.

This year I will continue my work on the Joint Standing Committee on Labor, Commerce, Research, and Economic Development. On this committee we cover a wide variety of topics that range from workers compensation issues to wage laws. I am very passionate about serving on this committee to work on your behalf to promote more business and job growth in rural Maine and the State of Maine as a whole.

I am proud to be a part of delivering what was promised when I took office. Lower income taxes, welfare reform, and less regulation on business are just a few things that the legislature has accomplished in the past couple years. However, I am equally proud of the achievements we have made in fighting for our rural Maine traditions, our personal liberties, and our freedom. I look forward to continuing these objectives over the next two years.

One of the most rewarding components of the job is being able to help constituents when they get bogged down attempting to navigate the bureaucracy of various government programs and agencies. I feel free to contact me if I can be of assistance in any way. The best way to contact me is via e-mail, at Joel.Stetkis@legislature.maine.gov, or by cell phone at 207-399-7801. I do a weekly State News Update via e-mail which many people find to be useful for learning about state issues that affect their personal and business lives. I would love to add you to the newsletter list, and of course you may unsubscribe at any time.

Thank you again, for the honor to serve our families in Augusta!

Sincerely,

Joel R. Stetkis
