L. F. MEDICINE

Used by Three Generations

In thousands of families all through the cities and towns of the State. Though the science of medicine in aiding nature to bring about cures is sometimes said to be an experiment, "L. F." Atwood's Medicine as a relief for constipation, indigestion, inactive liver and other similar troubles, is so sure and the results so beneficial that it has become a standard remedy for restoring health throughout New England.

Read what M. J. Lothrop says:—

"I think your "L. F." Atwood's Medicine the best for Dyspepsia of anything I ever used. My mother took it 40 years ago; my father uses it all the time and would not think of getting along without it. I use it in my family."
