REPORT OF SUPERINTENDENT OF SCHOOLS

SUPERINTENDING SCHOOL COMMITTEE

Audrey Megquier, term expires March, 1932.

Freeman Walker, term expires March, 1933.

Eva McDonald, term expires March, 1934.

To the Superintending School Committee and the Citizens of the town of Glenburn:

I herewith submit the annual report for year ending February 15, 1932.

It is gratifying to report the condition of our schools during the past year.

Miss Louise Lyford is again in charge of the Glenburn Grammar School. Miss Lyford is a teacher of wide experience and marked ability. The discipline, advancement and interest in the work has met with the approval of all.

Miss Nina Sheldon is in charge of Glenburn Primary School. Miss Sheldon is a Normal graduate and is doing very satisfactory work.

Miss Gladys Cookson is teaching at West Glenburn. The work is going along in a very pleasing manner.

REPAIRS

Your attention is called to the progress made in the improvement of the buildings. Where these changes have been made conditions have been greatly improved. There still remain needs that should be met. However, I think we can pass those this year and call for a small appropriation that will care for the minor repairs.

LIBRARY

The Library during the past year has been a great help to all grades of the school system. Its use has been encouraged by the members of the teaching force and the pupil users are showing an increased aptitude and pleasure in its privilege. I trust this will be continued another year.

Recommendations:

Common Schools	\$2,200.00
High School	600.00

This has been a pleasant and profitable year due to the hearty co-operation which I have received from the school committee, teachers, parents and pupils. To all of you who have in any way aided me in my work I express my sincere appreciation.

Respectfully submitted,

ELMER B. EDDY,

Superintendent of Schools.
