REPORT OF SUPERINTENDENT OF SCHOOLS

38

To the Superintending School Committee and the Citizens of Glenburn:

I herewith snbmit the annual report of the schools of Glenburn for the municipal year ending February 15, 1936.

SUPERINTENDING SCHOOL COMMITTEE Freeman Walker Term expires March 1936

Ernest Megquier Term expires March 1937 Ella Drew Term expires March 1938

Our schools are progressing satisfactorily under teachers who, without exception, are putting forth their best efforts for the pupils under their instruction.

Experience has established the fact that the surest way to provide educational interests of a town, is to employ teachers of assured ability and, having obtained such teachers, by retaining them as long as possible in the same school.

I will not mention the teachers as you all know them and I feel confident that those having children in school will agree with me that the progress made is satisfactory.

RECOMMENDATIONS

Common schools High School Repairs

\$2,000.00 800.00 100.00

The expense in this department has been small, only minor

repairs being made. During the next year repairs should be made on the grammar building at the Center and at W. Glenburn.

In closing, I wish to thank the Superintending School Committee and Citizens for their support and co-operation.

Respectfully submitted,

ELMER B. EDDY
