| Total, |   |     | <hr/> \$ 44,608 70 |

The total recommendation is an increase of \$1,306.00 over the amount raised in 1940.

We would like to call the attention of our inhabitants, that on February 15, all bills for 1940 were paid, including \$1,690.00 for a new truck and equipment, \$1070.00 for

fire, \$2,700.00 for overdraft on W.P.A. work and \$1,010.00 on the bonded indebtedness. This makes a total of \$6,470 for which no assessment was made at our Annual Meeting for 1940.

A total of \$3,000.00 was paid on our bonded indebtedness this year, bringing this down from \$19,000.00 to \$16,000.00 and we have a cash balance of \$8,339.99.

# AUDITOR'S REPORT

---

## STATE DEPARTMENT OF AUDIT

March 5, 1941

To the Inhabitants of the Town of Poland:

In accordance with your request, this department, represented by Messrs. G. C. Lewis and J. R. Bishop, has completed an examination of the accounts of your town officials for the municipal year ended February 15, 1941.

Our report, herewith submitted, was prepared from your town records and, to the best of our knowledge and belief, properly reflects the true financial condition of your municipality as of the above date; subject however to a probable shrinkage in the final settlement of unpaid taxes, tax liens and deeds, also to a substantial shrinkage in the impounded funds, both General Cash and Trust Funds.

The data obtained by us is summarized in the following:

|            | Comments                                   |
|------------|--|
| Exhibit A: | Comparative Balance Sheet                  |

Respectfully submitted,

HAROLD E. CRAWFORD,  
Municipal Auditor.

## COMMENTS

## CASH:

All cash recorded as received appeared to be properly accounted for and deposited in the bank.

The expenditures were made by check from properly authorized warrants.

The cash balance was reconciled with the bank.

## TAX LIENS AND DEEDS:

All income from tax liens and deeds during the year was apparently accounted for. Some adjustments and settlements of the older accounts were made by your Selectmen, the values of which were probably questionable.

Lists were prepared by us of all unpaid tax liens and deeds carried on the town books as of February 15, 1941 and are shown by Schedules 3 and 4.

## TRUST FUNDS:

The investments were examined and listed. Schedule 6 in this report shows the purpose, amount and custodian of the investments.

## TAXES:

The 1940 tax commitment was added and found to agree with the records of the Assessors.

The abatements were checked for authority and a list of unpaid 1940 taxes is shown by Schedule 2.

The excise tax was checked and appeared to be properly accounted for.

An examination was made of prior years' taxes and although we have listed only the unpaid balance for 1939 on Schedule 2, it appeared that the detail on hand properly supported the unpaid balances on the town books.

## GENERAL:

A partial examination was made of paid bills and pay-rolls. Those checked appeared to be in proper form and to substantiate the authorization for payment.

With the exception of cash and trust funds, no external verification was made of your asset and liability accounts.

## PURPOSE OF SCHOOLS

The schools have two purposes to be fulfilled. The first purpose is to train and develop the boys and girls. This can only be done by a thorough knowledge of the fundamental processes which are reading, writing and arithmetic, together with a sound body.

The second purpose is to maintain a democracy. A democracy will survive all crises, the current and the future, when the citizens are educated and understand the democratic ways of life.

The progress of a new administration must necessarily be slow. One cannot build a school system within a few weeks. I must know the boys, girls and the teachers.

## REPAIRS

The schoolhouse at Poland Corner was damaged by fire in August. It was necessary to spend more money on this building than had been anticipated. Other major repairs included a new floor at White Oak Hill and shingling one side of the roof at Harris Hill.

## REPORT OF RED CROSS COUNTY SCHOOL NURSE, POLAND SCHOOLS

---

November 6, 1940

The school children of Poland had their annual health inspection by the nurse from the Lewiston-Auburn Chapter of the American Red Cross October 10 to October 30, 1940.

12 schools were visited.

299 children were inspected, weighed, and measured.

222 children had their vision tested by the nurse.

The following conditions were found:

48 children had throat defects.

269 children needed dental treatment—(219 children needing fillings, extractions, or both and 50 children needing just prophylaxis)

28 children had defective vision or needed to have a checkup with their eye specialists.

7 children were underweight.

16 children had undersirable hair conditions—5 of them at an infectious stage.

1 child had a defective ear condition.

17 children had enlarged cervical glands.

362 notices were sent to parents or guardians.

7 home calls were made to render assistance in correcting the individual defective condition.

225 children were given special individual attention, regarding posture, hygiene, and physical development.

Since the inspection of the Fall of 1939, the following corrections have been made:

85 children have had dental corrections or were having treatment at the time of the inspection.

6 children have had throat operations.

6 children had an improved condition of throat, due to correction of dental defects and a more supervised program of diet and daily habits.

16 children have had their eyes treated.

There were 39 children who had had all dental corrections made and were the proud possessors of certificates stating that all teeth had been cleaned and polished; all pits and fissures had received adequate treatment; carious deciduous teeth had received reasonable consideration.

It is interesting to note the different stages of improvement; for instance, those children who have been receiving regular dental care for the past several years, seem to need only prophylaxis and in some cases apparently do not need any treatment at all.

One ten year old child who had had corrective dental work last year for the first time, anxiously inquired: "How are my teeth this year?" On being answered that they looked to be in very good condition, he informed the nurse: "The dentist told me that I have strong teeth and he wants me to take good care of 'em! I wanted to know if you thought I had been doing my part, I'm trying so hard. They felt so good after the dentist cleaned and filled them for me."

Several pupils who are repeating grades have shown a remarkable improvement since throat operations, and, also, others who had their eyes properly fitted to glasses. One child who had had trouble with inflamed eyelids as the only symptom of defective vision or eyestrain was fitted to glasses last year. Not only are the eyelids in normal condition but the child has advanced from the "dull or backward" group to one of the most brilliant pupils of the class.

It is most gratifying to note the improvement in their personal appearance. These children are conscious that it is so much easier to obtain the requirements of standard health as soon as the daily health habits are established.

We wish to extend our sincere appreciation to all those who are cooperating in many ways of encouragement and financial assistance to make the health program successful.

GWENDOLYN G. HARDY, R. N.,

County School Nurse.

## REPORT OF THE POLAND RED CROSS

---

During the past ten years the Town, with Red Cross Aid and under Red Cross supervision have given free health check and free throat inspection to every school child in the Town of Poland. Following this check-up families needing Red Cross help have been given it. This year they have given dental treatment to about one hundred twenty-five children, tonsil operations to six, and eight children have been fitted to glasses.

The Poland Red Cross have the largest dental clinic in the state and much credit for this is due to the Poland people for their generous response to our requests for help, especially in February when we have our annual benefit party. Also a great deal of credit should go to Dr. Taylor for giving us so much of his time, doing more clinic work than most dentists will do.

Best of all is the fact that the children's teeth are beginning to show the result of our services rendered. It is very seldom now that Dr. Taylor has to extract second year molars or remove other teeth that children should be

keeping but have to be removed because they have not had proper attention. We feel that we have really accomplished a great deal in this line of work and sincerely thank all the people who have so kindly cooperated with us.

This year we had an enrollment of 143 members which was eleven more than last year and at this time the officers and executive committee wish to thank all members, teachers, parents, Miss Hardy and also the many friends who have helped us to make our work such a success.

Respectfully submitted,

MRS. ROBERT FERNALD,

Sec. of Poland Red Cross.

Mrs. James Ricker, Chairman

George Pulsifer, Vice Chairman

Mrs. Robert Fernald, Secretary and Treasurer

Mrs. Leo G. Torrey, Chairman of Junior Red Cross

Mrs. Arthur Grant, Chairman of Pre-dental work

## REPORT OF BOARD OF HEALTH AND HEALTH OFFICER

---

Poland, Maine, February 15, 1941.

The following cases of communicable diseases have been reported to this office in the past year and have been reported by me to the State Department of Health at Augusta:

|                 |    |
|-----------------|----|
| Chicken Pox,    | 5  |
| German Measles, | 2  |
| Measles,        | 87 |
| Pink Eye,       | 2  |
| Pneumonia,      | 5  |

|        |     |
|--------|-----|
| Total, | 101 |
|--------|-----|

A number of nuisance cases have been investigated. Free vaccination was given a number of applicants and a Doctor was sent to a number of families to check Impetigo.

We would like to call to the attention of our inhabitants and to the discontinuance of, depositing junk and waste within the limits of our highways.

Mr. Elmer Walker and Mr. A. F. Waterhouse were appointed Plumbing Inspector and Deputy and were confirmed by the State Department for 1941.

Free vaccination as a precaution against Small Pox will be given in March to all who apply to this office. We wish to thank all our citizens for their cooperation this past year.

Respectfully submitted,

GEO. P. PULSIFER,  
Health Officer.

J. ALDEN CHIPMAN,  
GEO. P. PULSIFER,  
R. L. GOWELL,  
Board of Health.
