SUPERINTENDENT OF SCHOOLS.

*Gentlemen of the School Committee and Citizens of the Town of Gouldsboro:*

I have the honor to submit to you my annual report of our schools for the past school year.

Your school board met March 6, A. D. 1899, and effected an organization as follows:

- J. C. Hammond to serve one year.
- B. E. Moore       “       two years.
- R. R. Joy           “       three years.

This year we have two vacancies in the school board, caused by the expiration of J. C. Hammond's term of office, and by the decease of our esteemed member R. R. Joy.

SCHOOL FINANCES.

RECEIPTS.

Amount received from town.....	\$965 60	
“       “       State.....	862 13	
“       “       school fund of lands.....	28 50	
“       “       Winter Harbor.....	39 04	
		\$1,895 27

EXPENDITURES.

Pd. for teachers' wages.....	\$1,213 10	
“       board.....	467 50	
fuel, etc.....	111 12	
board of scholars.....	61 25	
town of Sullivan, tuition.....	52 00	
		\$1,904 97
Amount overdrawn.....		9 70
		\$1,895 27

With the amount of money at our disposal, we have used the same to our best knowledge. I have employed, as in the past, teachers for the full year, when I thought it profitable to do so, and have found it to be the best course to pursue.

Our schools are improving from year to year, and I think that those who have entered schools of a higher

grade have no reason to think that the course of study has not been an advantage to them.

Our teachers and scholars for the past year have done good work. Reading and penmanship have received the attention deserved.

#### BOOKS AND SUPPLIES.

RECEIPTS.		
Amount unexpended in 1898.....	\$12 54	
appropriated by town.....	75 00	
	<hr/>	\$87 54
EXPENDITURES.		
Paid for books and supplies.....	\$86 92	
Unexpended.....	62	
	<hr/>	\$87 54
		<hr/>

The amount of money for books and supplies is not enough to meet the wants of the several schools. When we consider that our writing books (now furnished by the town) cost us about \$25, we cannot have books enough for each school without taking from one schoolhouse to another, from time to time, such books as are needed. Many of our books have been in the schools for several years, but I will not suggest to have any changes made.

One urgent need is: we should have more supplemental work for classes in reading that can be used in the several schools.

#### SCHOOL BUILDINGS.

RECEIPTS.		
Amount unexpended in 1898.....	\$ 1 99	
appropriated by town.....	175 00	
	<hr/>	\$176 96
EXPENDITURES.		
Pd. for repairs.....	\$121 84	
insurance.....	52 50	
	<hr/>	\$174 34
Unexpended.....		12 65
		<hr/>
		\$176 96
		<hr/>

Some of our schoolhouses need repairs to make them comfortable for occupancy and save destruction. We have occupied the same as last year. Two of them should have more seats. The houses can have some changes so they can be made much more comfortable for the scholars and teachers.

Our school property should be the town's pride. We think it advisable to be liberal in money to put them in good condition. There has been no expense the past year for distributing books, enumerating the scholars of the town, and many other ways in looking after the needs of schools.

Trusting our schools will progress and go forward and that the officers of the schools, whoever they may be, may have your same co-operation as in the past, and our scholars not finish their school work here, my report is respectfully submitted.

CH. C. LARRABEE,  
*Superintendent.*

Gouldsboro, Feb. 16, 1900.
