WALTER F. RICH, Treasurer.
To the Superintending School Committee and Citizens of Isle au Haut:

I herewith submit my seventh annual report as Superintendent of Schools, for the fiscal year ending February 22, 1930.

It has been necessary to maintain only one school as in the past three years. I mentioned last year in my report the splendid attitude of the pupils toward the teacher and the school work. This attitude is obtained by the cooperation of parents and the work of the teacher. I wish to thank the parents for their help and to congratulate Miss Coombs for the efficient manner in which she has conducted the school.
