WALTER F. RICH, Treasurer.
Report of the Superintendent of Schools

To the superintending school committee and citizens of Isle au Haut:

I hereby submit my ninth annual report as superintendent of schools for the fiscal year ending February 20, 1932.

Miss Kathleen Fifield was engaged to teach the fall term of school and has remained through the year. Miss Fifield has had the advantage of a full normal course and I feel that the school has made progress by her work.

A new State Course of Study was furnished this year and we have made some changes in textbooks to comply with the requirements. I believe that our school will compare favorably with similar schools in the State.
