Report of Superintendent of Schools

To the Superintending School Committee and Citizens of Hartland:

I herewith submit my annual report of the condition and progress of your schools.

The school year closes in June while the municipal year closes in February. This results in the covering of part of two school years by the annual report which is made at this time. The spring term was completed by the same teachers as were reported in last year's summary. The year closed with a graduation of the eighth grade pupils, most of whom entered the Academy this fall.

The schools maintained, teachers, wages per week and enrollment of the current year are shown in the following table:

| School | Teacher | Wages | Enrollment |
|-----------------|------------------|---------|------------|
| Sub and I | Nina F. Steeves | \$18.00 | 35 |
| II and III | Ella B. Getchell | 18.00 | 40 |
| IV and V | Mary A. Connelly | 18.00 | 42 |
| VI and VII | Ada C. McCrillis | 18.00 | 46 |
| VIII | Ruth M. Louder | 16.00 | 20 |
| Fuller's Corner | Doris Pelkie | 14.00 | 32 |
| | Evelyn F. Hogan | 14.00 | |

Comparison with last year's table will show that Mrs. Louder, Miss Pelkie and Mrs. Hogan were new teachers in the system. Miss Pelkie resigned at Fuller's Corner in the fall and Mrs. Hogan was secured to take her place. Both Mrs. Louder and Mrs. Hogan are Normal school graduates with several years successful experience. The only reason we can command their services at the low wages we pay is because they were located here for the time being and were willing to teach for what we could pay.

Music during the present year is under the supervision of Miss Gertrude Thorne, a teacher of broad training and much experience. Under her able supervision the music teaching in the grades is being better correlated and the instrumental and vocal work in the Academy is being developed successfully.

With the beginning of the fall term the children who had been attending Coston's Corner were transferred to the Village

school. This was done at a saving to the town and will give the pupils the benefit of larger graded schools.

The enrollment at the Academy for the present year has been 105 of whom 57 are Hartland residents. The teaching force remained the same until mid-year at which time Mrs. Ruth Daggett Fuller resigned and her place was taken by Miss Selah Richmond whose training and experience well fit her for her work. A readjustment of the daily program was made which has resulted in more efficient handling of the extracurricular work of the school. It is to be hoped that with the return of more prosperous days that it will be possible to enrich the course of study by the addition of some of the more practical subjects.

On February 8 the roof of the Pleasant Street school caught fire from a spark and some damage was done to the building. This will be largely covered by insurance. Temporary repairs were made and only one week of school lost. The time of the fire and prompt action by the fire department prevented a much heavier loss. I believe it would be good policy to shingle this roof with fire resisting shingles. The insurance rate would be lowered and the danger of fire from without greatly decreased.

There has been a reduction of expenditures of over \$1100 during the last year. Teachers salaries were cut and janitor service. Less was paid for high school tuition, books and music. Fuel was the only item showing any substantial increase. However, this is somewhat offset by a larger amount on hand than last year at this time.

The School Committee and Superintendent have considered carefully the probable cost of the schools for the coming year. It is believed that by continued careful economy that the schools can be maintained with the same appropriation for common schools as last year, namely, \$4,800.00. At least \$200 should be raised for repairs and \$100 for school physician. There is a sufficient balance in the music account together with what the Academy pays to carry this account for the municipal year so that it will not be necessary to raise money this year. This will reduce the total amount to be raised for common schools by \$500 over last year.

In closing I wish to commend the Selectmen and Treasurer for the efficient way in which they have financed the schools. Not a single payroll has been delayed and that is certainly a worthwhile achievement. I wish especially to express my appreciation to the teachers who, under somewhat discouraging conditions, have given their best that no child should suffer in his educa-

tional opportunity during these trying times. I trust the community may come to understand and appreciate more fully the faithful work of these public servants in whose keeping rests, to such a great extent, the future of our beloved state and nation. To all others who have contributed to the success of the schools, I am grateful.

Respectfully submitted,

WALTER J. RIDEOUT,
Superintendent of Schools

It is a great pleasure to examine the pupils. Every respect possible is shown me and they all seem to manifest great interest in the examinations and its results. Most of the suggestions growing out of the examinations have been corrected as far as possible and I believe the pupils are made healthier and happier by having this yearly check up.

The school property remains 100% as last year except the Pleasant Street school building which was recently somewhat damaged by fire and is now undergoing repairs and will soon be ready for occupancy.

Yours respectfully,

C. A. MOULTON,

School Physician

Committee

Preserve This Report

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day morning.

Dinner will be served in the basement of Opera House
at 12 o'clock by the Ladies' Aid of
the Methodist Church at
25c per plate
