## LETTER OF TRANSMITTAL

This past summer you, as citizens, voted a comprehensive plan, upgraded your building ordinance, approved a minimum state required Shoreland Zoning Ordinance, enacted a maximum weight limit for secondary roads and passed a requirement for hour restrictions on use of town owned property. You had a busy summer and I think that I got writer's cramp!

A special thank you to the Planning Board, Traffic Committee, Neighborhood Watch Committee and the Comprehensive Planning Committee for their time on each of these projects.

The Hartland Town Employees had their own committee agenda in 1992. Certain days were set aside when employees from all departments joined together and completed a project. The front steps of the Town Hall were repaired, the landscaping at our Treatment plant was completed, the Basketball Court fence was painted and the court was cleaned up, one day was spent to paint and repair at the pool, and the bandstand had a coat of primer to preserve the wood before it is stained this summer.

The employees did a fine job and they all should know that we are very proud of them.

1992 was a quiet year for the community as we prepared for the roller coaster ride in 1993.

The Town of Hartland is again picking on the DEP by refusing to close our town dump. We plan to comply with all State regulations as our time frame permits, as at this point we feel that our time frame is in the best interest of the community.

In 1992, the Town should be looking at some very positive changes.

The Industry is again planning a major project, a 24 unit elderly housing project is in the final paperwork stages, and a large commercial property construction is planned.

In addition to these 3 private development projects, mandatory recycling will come before the voters this summer with plans for a massive recycling project.

The CDBG & Beautification Committee will be working on a rental property ordinance, the Planning Board will be working on a variance procedure for camp owners, the Conservation Committee will be working on a park and the Neighborhood Watch Committee will be setting goals for the future.

I would like to take this opportunity to thank the various committees in the community for the excellent jobs they did in 1992 and also to thank the citizens for the support they have shown over the past and very difficult year.

With the state of the economy, more difficult times are ahead.

In December, I again accepted the appointment as Town Manager for the Town of Hartland for the 1993 term.

I look forward to working with each and every citizen in making 1993 a good year for Hartland.

## GREAT MOOSE LAKE ASSOCIATION

P.O. BOX 555 • HARTLAND, ME 04943  
(207) 938-8328

The purpose of the Association is to assist the towns, residents and friends in understanding and protecting the quality of the waters and watershed areas of Great Moose Lake and to conserve the natural attractions and assets of the region which are of value to the people thereof.

This past year has been a busy one for the Association. In March we conducted our First Annual Ice Fishing Derby where we had 200 entries. In the Spring, Loon signs were purchased and placed at various nesting locations around the lake. In July, we had our Boat Parade, Annual Meeting and Barbecue with food donated by area merchants. A local youth was sent to Camp Jordan's Conservation Camp in August. Other activities included assisting the Maine Audubon Society in a Loon count, installing a well tile and cap at the Spring on the Vigue Road, organizing a canoe trip, donating wildlife books at the Hartland Public Library and contributing towards a new snowmobile bridge for the Smokey's Angels Snowmobile Club.

## CDBG & BEAUTIFICATION COMMITTEE

The Community Development and Block Grant Committee was formed several years ago for the purpose of applying for H.U.D. grants to assist the people of Hartland in making repairs and improvements on their homes. We were successful in obtaining several grants but they ran out before we were able to do all that we wanted to do. It was at this point, that we formed the Hartland Beautification Committee in conjunction with the CDBG committee.

Our first step was to draft a letter to be mailed to all the citizens and businesses in Hartland. The purpose of this letter was to ask for the peoples cooperation in a clean up-fix up program for the town. The response from the citizens over the last four years has been fantastic! With no aid from grants, the people dug deep into their own pockets and started painting, repairing, putting on siding, or whatever it took to improve the looks of their property, therefore improving the looks of the town.

It has been our policy that when someone made improvements on their home we sent them a thank you letter for their cooperation. Todate, we have mailed out well over one hundred such letters.

We, on the Committee feel, that this is proof positive that people still take pride in their homes and businesses.

1993 promises to be a very exciting time for Hartland. There will be some upheaval and inconvenience along the way, but some very positive things will be happening in Hartland this year.

Once again, the committee wishes to thank the Citizen's of Hartland for all the cooperation they have shown.

Respectfully submitted,

**DAVID WILLEY**  
**CDBG & Beautification**  
**Committee**

Smokey's Angels Snowmobile Club has had an exciting year. At the Maine Snowmobile Association annual meeting held April 18, 1992, at the Bangor Civic Center, Smokey's Angels was named "Club of the Year" for 1992, one of seventeen clubs to have over 100 members (103). We also placed second in the Yamaha Pride Contest; was co-winner of the annual club contest sponsored by Bombadier; and October winner of the membership drive. Our club nominated several area dealers for Snowmobile Dealer of the Year. Trask Knox of Madison was named Dealer of the Year for the State of Maine and we were very proud to have nominated them.

We have had a very busy year and once again we have donated to many charities. At the top of the list, of course, is the Pine Tree Camp for Crippled Children and Adults. We also donated to several needy families in the area at Thanksgiving as well as adopting another needy family for Christmas. A donation was made to an individual who lost everything in a fire and we participated in several parades and took a third place trophy in the DARE Parade in Hartland. We held another very successful Calendar supper

in May and a free membership supper for prospective members in October.

We were very fortunate to have been awarded a \$10,000.00 Federal Grant for the snowmobile bridge that will span the Sebasticook River in Hartland and applied and were approved for a Municipal Grant as well. Elwin Littlefield and crew have been diligently working to get the bridge completed for snowmobiling sometime this winter.

The emergency sled has been completed and will be kept at the Hartland Ambulance Garage. It will be used in the Central area of the State, by the Warden Service etc. to transport injured snowmobilers, skiers etc. to a waiting ambulance, whenever necessary. Let's hope it never has to be used.

Much work has been done on the trail system so that you might enjoy safer, smoother riding.

Please support your local snowmobile club and join.

Respectfully submitted,

*Anne Herrin*

Anne Herrin, Secretary  
Smokey's Angels Snowmobile  
Club Inc.

## HARTLAND SUMMER BASEBALL/SOFTBALL

Dear Hartland Residents:

I am writing to inform you of our great organization. We are small in number of staff to run this group but we serve many children. There is a president, vice-president, and a secretary/treasurer. We also have many coaches and many assistants that work directly with the children, not to mention all the parents that have helped us in many different ways.

In the five years that I have been the president, I have seen many changes. One of the biggest is the fact that we now serve over 150 children where we use to have only 75-80 children.

We start our activities sometime during the month of April, depending on the weather, and we continue through the month of August. We teach the children the game of softball/baseball and also good sportsmanship.

This year we redid two of our baseball fields and also created a new field complete with backstops and benches. This was attained with much volunteer help from officers, coaches, parents, and friends. Also we couldn't have accomplished this without donations of materials, equipment and labor.

As a finale to our summer season we have a giant picnic/cookout and at this time every child gets a trophy.

Your donation to Hartland Summer Baseball/Softball goes toward the purchase of equipment, uniforms, insurances, and the children's trophies. Our organization appreciates your continued support.

Respectfully submitted,

**Brian A. Duplisea**  
**President**  
**Hartland Summer Baseball/Softball**

## **HARTLAND PLANNING BOARD**

To the Residents of the Town of Hartland:

The Hartland Planning Board has been very active this year.

The Town of Hartland has adopted the new laws pertaining to Subdivisions now mandated by the State of Maine.

There were two Subdivisions that were approved in the Town of Hartland with several lots still available. There are also lots available in several different areas of the town.

The Hartland Planning Board also gave their approval for a snowmobile bridge to be constructed across the Sebasticook River for easier snowmobile accessibility.

The Hartland Planning Board looks forward to working with landowners and citizens of the Town of Hartland to try to ensure that we stay within the State Guidelines to ensure that everyone is treated equally and fairly.

Respectfully submitted,

**Raymond Martin**  
**Co-Chairman**

## **HARTLAND CONSOLIDATED PARENTS, TEACHERS, FRIENDS**

Dear Hartland Residents:

I am excited to be included in the Town Report this year. I am the president of the Hartland Consolidated Parents, Teachers, and Friends group. We are a group that saw a need and thought we could help fill that need. We have a small group but we have many people that we can call on for help to get things done.

In the past years we have purchased needed playground equipment, T.V.'s and VCR's, computer software, a video camera, trade books, and many other things that will help children. We have also helped financially with class trips and field trips, special speakers, music programs, and scholarships to SAD#48's Young Authors Conference.

Members of the Hartland PTF are always willing to volunteer their time to such a worthy cause.

When it comes to kids, they are always number one.

## EMERGENCY PLANNING COMMITTEE

To the Citizen's of the Town of Hartland:

The following is a report of the Town of Hartland's Emergency Planning Committee. The committee consists of four members; Dana Cooper, Hadley Buker, Shirley Humphrey, and David Willey.

Our basic purpose was to devise an emergency evacuation plan for the town in case of a hazardous chemical spill. We also had to set a policy for infectious disease control.

We met several times in 1992. Early in the year, we had to revise our evacuation plan for the Waste Water Treatment Facility to comply with some changes in requirements by the State.

Later on in 1992, we also had to implement some changes in our evacuation plan for Irving Tanning Co.

In October of 1992, we had to put together a policy for infectious disease control, pertaining to Hepatitis B. This policy was directed at the Town office staff, the Fire Dept., Public Works crew, the ambulance crew, and the crew at the Pollution Control Facility.

Each department head was to be responsible for implementing said policy.

We don't know what changes that 1993 will bring but it is a safe bet that the State in its' infinite wisdom will come up with something.

Respectfully submitted,

**DAVID WILLEY**  
**SECRETARY**

## HARTLAND HELPING HANDS

Dear Citizens of Hartland:

We would like to tell you a little bit about what our organization is all about, what we have accomplished and some of our goals for the future.

The Hartland Helping Hands (HHH) was started to raise money for various community needs and to help organize yearly celebrations and community events. Our #1 priority is to fund the DARE program. DARE stands for Drug Abuse Resistance Education and the purpose is to make children aware of the problems that accompany drug abuse and to provide them with the knowledge on how to resist drugs; with a goal of a drug free community. This program is put on by the State Police and is taught in our schools. Christine Buchanan, the trooper who teaches in our area, does an excellent job with the children. HHH has paid for her schooling and we have donated \$1,500.00 to the program this year.

Our biggest fund raiser is BINGO, which we started in May and it has been very successful so far. Bingo is every Wednesday, 6:30 at the Town Hall. We bought all of our own BINGO equipment, a Hot Dog steamer, Bunn Coffee Maker and 10 tables for use at the Town Hall. We have also made a donation to the Curtain Fund and have voted to donate \$100.00 to the Chemical Free Graduation. The Committee has voted to set aside \$1,000.00 to put into a scholarship program for Hartland students.

We have sponsored the DARE fair for the last couple of years and have been fairly successful. We have had some problems in getting a carnival to come to Hartland as they don't seem to be able to make a profit in this area. We are optimistic that we can continue but no arrangements have been made yet. If you would like to see this event continue, please show your support.

We have a Circus come to town every 3 years and it is due again in August of 1993.

One of our future goals is to help with the swimming pool in some way. We are hoping to be able to get swimming lessons back and perhaps have evening hours for family use.

Our Committee has been chosen by the Town Fathers to oversee the 175th celebration of the Town of Hartland in 1995.

We would like to extend our sincere appreciation to all those who have helped us with our efforts and to those of you who have supported us by getting out to enjoy the events we plan.

We need you to make this community a better place.

We look forward to another successful year!

Respectfully submitted,

## HARTLAND VOLUNTEER FIRE DEPT.

To The Citizen's of Hartland:

The Town of Hartland has had a minimal amount of fires for 1992. This has been largely attributed to the on-going "Learn Not To Burn" program being taught in our schools. This also inspires adults to be more fire safety conscious.

Laws have been passed in Maine that states all firefighters, paid or volunteer have a specified amount of training hours and protective fire gear before being allowed to be on the fire line. Firefighter training is now going on monthly to make sure that safe firefighting techniques are used.

Hartland, along with other area towns were designated to receive some smoke detectors to be distributed in homes that have none in them or that are in need for more to be installed. KVCAP designated the fire departments in the area to install the smoke detectors in the homes and to make sure they are operational.

On behalf of the officers, we would like to thank all the firefighters for their time and devotion in making the Hartland Volunteer Fire Department what it is today.

Respectfully submitted,

**LINWOOD HUMPHREY**  
**SECRETARY/TREASURER**

## **CONSERVATION COMMITTEE**

The Hartland Conservation Committee is a committee made up of a group of interested Hartland citizens that have come together to look into and inspect the possibility of a future park, located in town for the use of Hartland townspeople.

The 1992 Committee members appointed in May, are Shirley Humphrey, Chairwoman, Wendy Coffin, Ruth Baird, Myrtle Bowden, and Barbara Day, Secretary.

The Committee meets every 3rd Wednesday at 7:00 pm in the bandroom of the Town Hall. The Conservation Committee posts meeting dates and times at the town office seven days prior to their meeting.

The Committee put together a November questionnaire and received 252 replies.

The results of this survey will be used in our determination.

February 9, 1993

Dear Friend:

As the 116th Maine Legislature convenes its First Regular Session, I am honored to be serving you in the Maine Senate and I urge you to contact me if you need assistance or information.

As we begin 1993, state and local governments are facing grave fiscal uncertainties. The economic downturn makes it increasingly difficult for individuals & families. State and local services are at risk at the very time when citizens are most in need of them. In these hard times it is crucial to keep the avenues of communication open between state and local officials and Maine people.

On a personal note, I would like to thank all of the caring citizens who have given so generously of their time and resources to help fill the many voids created by our troubled economy. Without all the special people; the firefighters, town officials, civic groups, church groups, senior citizens, and the many, many others who contribute to our communities, our present situation would certainly be much worse. Please take a minute to say thank you to your neighbors, those local volunteers, who make this state a better place to live.

As always, my door is open to municipal officials and the citizens of my district. If I can be of assistance in any way, please write me at the above locations. You may also call me toll free during the session (1-800-423-6900), or at home (368-5827).

Sincerely,
