IN GENERAL

The school was very fortunate in securing Miss Walker for teacher the entire 32 weeks. There has been excellent attendance and splendid progress in all of the grades.

Through the generosity of Mr. Kimball a book-case was presented to the school for a library. Several new books were purchased by the school league money, making a much felt want become a reality. We trust this will develop into a public necessity.

We were glad to note the playground project, carefully kept school yard and flower boxes on the outside of school-room windows. indications of an efficient school, attended by wide-awake, interested pupils.
