### IN GENERAL

Our school budget allowed a school year of 33 weeks. The attendance has been about equal to former years. Very few pupils have been demoted which speaks well for the work done in the grades.

Miss Marion Stevens' first year as a teacher produced excellent results. Three pupils, Howard Carlton, Irene Lawrence, and Madeline Snipe passed the high school entrance examination and entered Morse high, in Bath, last September. Arrowsic has the distinction of having the largest percentage of attendance in the high school of any town in Union 48.

Miss Maxine Walker, having been graduated from the Castine Normal School last June, returned to resume her duties as teacher for the fall and winter terms. Her good efficient work is so well known in Arrowsic that comment is unnecessary.

The pupils of the school, under the direction of Miss Marion Stevens, gave an excellent entertainment at the annual Community Day exercises, held in Woolwich last May.

We are pleased to note the addition of The Pictured Knowledge Encyclopedia to the school library. A vote

of appreciation should be extended to the School League for the generous gift.

For all expressions of advice and goodwill, please accept my thanks.

Respectfully submitted,

JOHN H. CARTER,  
Superintendent of Schools.
