 MRS. WILLIAM H. WOODWARD,
Superintending School Committee.

IN GENERAL

The resources amounted to more than the expenditures, therefore, there is an unexpended balance of \$52.07. The Town received from the State School Fund \$238.44 and \$100.00 adjustments. The School Committee have maintained 36 weeks of school.

The teachers wages have been \$16.00 a week the entire 36 weeks. Mrs. Georgie Walker has efficiently taught the school in an interesting manner. She has a well managed school.

Members of the Senior School League have made some very valuable changes in the school room. Movable desks, shelves for more books are among the more noticeable. We trust the members will continue their work in the North School.

The State Bureau of Health and Child Welfare have asked the town for an appropriation for School Nursing. Health work in the school is a very important objective in these times of unrest and dissatisfaction. The Arrowsic school has several 7 point pupils.

Nearly every pupil had the Whooping Cough when the Fall term opened.

The School was visited by Miss Yvonne Daigle, Rural Field Agent from the State Department of Education. It was my pleasure to visit with Miss Daigle.

It has been an instructive year. The meetings of the School Committee have been pleasant and very helpful.

Respectfully submitted,

JOHN H. CARTER,

Union Superintendent of Schools.
