REPORT OF THE
SUPERINTENDENT OF SCHOOLS.

Superintending School Committee :

C. G. Rosebrook	term expires March, 1925
George C. Joy	term expires March, 1926
Mrs. Lula Strout	term expires March, 1927

Superintendent,
Elmer B. Eddy.

To the Superintending School Committee and Citizens
of Gouldsboro :

I herewith submit my sixth annual report, for the year ending February 7, 1925.

I think I am justified in stating that we have passed a very successful year. We were fortunate to have nearly all our teaching positions filled with trained teachers; that is, they have either taken a full course of preparation for their profession at one of the State normal schools, or they have had the equivalent of this training. Such teachers have a love for their work, as well as the faculty and ability to develop and perfect the intellectual growth of the children committed to their care.

There has been no decline of the interest in the work, and very few interruptions on account of sickness.

We were unfortunate in the loss of our school building and all its contents at Corea. With the assistance of those interested in the welfare of the children, we

secured a comfortable room and opened school with a loss of only one week.

With the loss of this building, it will be necessary to erect another this year. Plans have been drafted for a new building, and will be submitted to you at the annual meeting.

In closing my report, I desire to extend my appreciation of the unqualified support and hearty co-operation of all associated with me in the school work.

Respectfully submitted,

ELMER B. EDDY,

Superintendent of Schools.
