Willard M. Gross,

I certify that I have examined the foregoing report of the Selectman and Treasurer and find it properly vouched for and correctly cast,

George Rich, Auditor.

Report of Superintendent of Schools.

In submitting the report of our schools in this town for the year ending February 1901, I will say it has been our greatest desire to do justice by the schools and the teachers and scholars, and as there has not been any complaints made to us or to the teachers, we feel the schools have been quite a success.

The spring and summer terms in the 1st District was taught by Miss Hattie Turner of this town, she is a Normal School graduate and has taught 17 terms, her work as usual was very satisfactory.

The school in the 2nd District was taught by Mrs. James Hutchins of South Deer Isle, she is a Normal School student and had taught four terms, she proved herself to be a very able teacher and won the love of all of her scholars and their parents.

The school in the 3rd District was taught by Miss Eliza Billings of Deer Isle, as this was her first term of school, she did as well as could be expected.

The fall term of school in the 1st District was taught by Miss Margaret Wall of Tenant's Harbor, she was a graduate of the Rockland Commercial College, she had taught four terms of school.

The school in the 2nd District was taught by Miss Sarah Larabee of Rockland, she was a Normal School student and had taught four terms of school.

The school in the 3rd District was taught by Miss Josie Phinney of this town, she is a Normal School student and has taught two terms of school with excellent results.

Respectfully Submitted,

Benj. A. Smith, Supt. of Schools.
