H. C. Weasner's Wonderful Song Success

THE LIGHT OF ANOTHER DAY

A beautiful Semi-Sacred Song that is destined to become one of the songs that will live forever. With its beautiful thought and inspiring melody makes it suitable for church or concert.

The Light of Another Day.

If we found that within our hearts there lived
The hopes we never knew
In the burdens of earthly struggle
When the riches of joy seemed few
If we knew of the tho'ts uplifted
From a world's vain sordid sway
And in longings new born within us
Shines the light of another day.

If we heeded the voice that told us
Of things we leave undone
Of a strength that was always needed
In the victories to be won
Then our hearts would know with gladness
That the paths of the better way
Would lead at the end of the journey
To the light of another day.

CHORUS *Steady with expression*

Rock-a-bye ba-by come take my hand, I know a strand called Rock-a-bye Land,
 my dear
