Average number,	8
-----------------	---

DISTRICT NUMBER SEVEN.

Spring term taught by Miss Mary Garland of Oakland.

Whole number of scholars,	18
---------------------------	----

Average number,	16
-----------------	----

The Fall and Winter terms were taught by Miss Amelia Ellis of Oakland.

Register not yet received.

The whole number and average number attending the Fall and winter terms were probably nearly, or quite equal to that of the Summer term.

The entire number of weeks school allotted to each district for the year was 22.

I believe that in nearly all schools in town during the year, the money has been well and profitably expended, and that the improvement made, has been better than our schools generally average.

Respectfully submitted,

W. H. BLAISDELL Superintendent of Schools.
