Respectfully Submitted,

E. T. FOSTER,

Selectmen of Rome.

Town Agents' Report.

To the Citizens of Rome:

In our report for 1902 was reported the case Inhabitants of Farmington vs. Inhabitants of Rome. The case is still in court. I will say in regard to the matter the case stands practically the same except another town is getting some what interested in the matter and I have no doubt will be more interested before the case is settled. Pauper cases like this one are worth looking up very carefully.

Another suit was commenced during the past year by S. W. Clement vs. Inhabitants of Rome. But as the taxpayers are familiar with the facts concerning the case it will not be necessary to explain it.

Respectfully submitted,

A. P. DUDLEY,

Town Agent.
