REPORT OF SUPERINTENDENT OF SCHOOLS

No. 1. Long Pond School
Julia S. Williams of Mt. Vernon had charge of this school for the entire year. It is hardly necessary to state that her work was entirely satisfactory. This was Miss Williams' first school. Having the interest of her pupils at heart and striving at all times for their advancement.

No. 3 Whittier School
Spring term was taught by Elva A. Cunliff of Smithfield. Fall term was taught by Bertha Wentworth of Rome, and winter term by Blanche M. Hanson of Belgrade. This school made a record during the school year that the parents of the school desire to give thanks to their teachers.

No. 4 Morrill School
This school was taught by Angie Gordon of Vienna. Miss Gordon did the best she could and won the good-will of both parents and scholars, having good attendance spring and fall. On account of sickness, the winter term fell off in attendance.
No. 5. Hersom School

Spring term was taught by Elsie M. Young, this being her fourteenth term in town. Fall term was taught by Ethel C. Foster of Belgrade. Winter term, by Angie M. Foster. This was their first schools. Their efforts were attended with a good degree of success.

No. 6 Robbins School

This school was taught by Mildred Nickerson of Rome. Miss Nickerson is a graduate of Belgrade High School. This was her first term. She did good work and as far as I can learn the district was well satisfied.

No. 7 Dudley School

This school was taught by Mrs. Lottie P. Brown. Spring and fall terms the pupils made good progress each term. At each visit her school was orderly and scholars were prompt in their answers. Winter term opened with good attendance, then trouble arose that did injury to the school and made it hard for the teacher to maintain a good interest, and the average attendance was less than it should have been.

Respectfully submitted,

E. T. FOSTER,

Superintendent of Rome.
