Net town debt Feb 17, 1942 .....		<u><u>\$4,593 42</u></u>

**AUDITOR'S REPORT**

---

Gouldsboro, Me., Feb. 10, 1942.

To the Inhabitants of the Town of Gouldsboro:

In accordance with your request I have examined the accounts of your town officials for the municipal year ended February 10, 1942.

Submitted herewith is a comparative balance sheet which, to the best of my knowledge and belief, properly reflects the true financial condition of your municipality as of the above date, subject, however, to a possible shrinkage in final settlement of unpaid taxes and deeds.

I am also submitting a summary of accounts and analysis of change in net town debt.

Cash: All cash as received appeared to be accounted for. The payments were made by checks from properly authorized warrants.

Taxes: The 1941 commitment was added, and after an adjustment of fifty cents, agreed with the charge to the collector. The commitment was accounted for by cash, authorized abatements or still uncollected. A list of the 1941 uncollected is shown in the tax collector's report; also the amounts of uncollected taxes of previous years.

General: The warrants authorized by the selectmen for payment were checked, and as far as could be determined all entries on the books of the selectmen were properly substantiated by subsidiary records on file.

With the exception of cash, no external verification was made of your assets or liability accounts.

A complete report of audit will be mailed to you within a few days.

Respectfully submitted,

A. F. SAWYER, Auditor.

# COLLECTOR'S REPORT

Commitment .....		\$25,992 17
Supplemental tax .....		87 14
Gain .....		50
		<hr/>
		\$26,079 81

## POND ROAD

Project suspended on April 14, 1941, to permit transfer of crew to Strategic Highway project on Route U. S. No. 1.

When this project was suspended on April 14, 1941, all base gravel, ditching, shoulders and all culverts were completed. The work remaining to complete this project consisted of 12,000 lineal feet of surfacing, and fine grading of shoulders and ditches.

The project was reopened on December 23, 1941, and work was started on placing of surface gravel on the above 12,000 lineal feet of road, approximately 7,000 lineal feet of surface gravel has been placed as of this date leaving a balance of 5,000 lineal feet of surface gravel to place. This should be completed about March 1, as an average of 2,300 lineal feet has been placed each period since project reopened. There will be considerable cleaning up, and fine grading work to do when the weather conditions will permit this type of work.

Work on the Pond road started October 20, 1939, under

O. P. 665-11-1-70. This project was superseded by the present project on October 1, 1940. The two projects operated a total of 19 months, and during that time the following work was accomplished.

(1) 3.71 miles of shoulders constructed on both sides of road.

(2) 3.71 miles of ditches constructed on both sides of road.

(3) 3.71 miles of sub-grade constructed.

(4) 3.71 miles of base gravel 15 inches in depth and 21 feet wide, placed.

(5) A large number of culverts were installed as the drainage of the road was a major item of work.

The completion of the Pond road should be accomplished as soon as the weather permits.

RICHARD SHAW,

Town Clerk.

## SCHOOL REPORT

---

To the Superintending School Committee and Citizens of the  
Town of Gouldsboro:

I herewith submit my fourth annual report on the condition and progress of your schools. This is a pleasant task, since so much can be said that is favorable.

First of all, you are fortunate in good teaching. The teachers employed by you compare very well with the best in the field. They are adequately trained, have a wealth of experience, and, best of all, have a sincere interest in each individual child. Yes, you are favored, so much so, that any one of them could go elsewhere and command a much higher salary. For personal reasons they prefer to remain here, their worth in no way diminished. The school committee, appreciative of the fitness of these teachers and aware of the serious teaching shortage that now exists, recommends that teacher salaries be increased at the annual town meeting. Your approval is solicited in the interest of a sound investment and the welfare of your own children.

I doubt if there can be found anywhere a rural school system which personifies pupil initiative and a "try hard" attitude as does your system of schools. It is my observation that a large majority of Gouldsboro boys and girls act as though they are headed somewhere; perhaps down the highway of a career. At least, they are alert, highly competitive and fine school citizens.

The extra-curricular competitions covering many contests, initiated this year, were warmly received by all the pupils in grades 6-7-8. Local contests paved the way for competition with other pupils in this school district. These activities have done much to stimulate interest in school work in general and individual achievement in particular. The following contests are scheduled for this year—more will be added next year: Spelling, oral reading, 1-act play, mental arithmetic, penmanship, essay and letter writing.

The introduction of a cumulative personal record system is doing much to emphasize this business of getting ready for an opportunity when it comes. The teacher begins to collect

information in the sub-primary grade on such factors as school grades, personality traits, formal test scores, etc. This data is passed along each year from grade to grade and from school to school. The pupil becomes more and more conscious of his own personal record as time goes on, and knows as well that it will be useful to him in time in the form of references and the like when he is ready to apply for a job or makes application to enter some institution of higher learning or trade training.

An increase in the equalization allotment from the State Department of Education has made possible the much desired lengthening of the school year and the purchase of additional text-books and supplies. From now on the school year will consist of 36 weeks instead of the usual 32 weeks. The 36-week year is mandatory under the equalization law. New text-books will be provided in reading, health and safety, science, language and literature. Some of these are already in use. The rest are on order and will be paid for out of the unexpended equalization fund as soon as the delayed invoices are received.

In closing, I wish to express appreciation to Mr. Calvin Stinson for the many occasions on which he has donated the services of a truck to convey pupils to various school events, particularly those on field day. The school committee, with Mr. Grover Smith as chairman, has given freely of its time and energy. Meeting in regular session once each month throughout the year over a period of time has enabled them to acquire a grasp on school problems which is of immeasurable value to the town of Gouldsboro.

Respectfully submitted,

R. H. HASKINS,

Superintendent.

## NURSE'S REPORT

---

To the Citizens of Gouldsboro:

I hereby submit the report of the nursing service given your town for the year beginning January 1, 1941, and ending December 31, 1941.

During January, after the winter weighing of 136 pupils was completed, attention was turned to the Seven-Point program. Teachers were consulted regarding children now qualified, and classroom discussions were held so that each pupil would know what corrections were needed before he could be a Seven-Point pupil. The nurse offered to assist the families in any way she could to secure the corrections.

In March and April the nurse assisted with the cancer and early diagnosis campaigns. Pamphlets on the subjects were placed in libraries, schools and stores. Each home represented at school received a set of early diagnosis pamphlets. Posters were exhibited in schools and public places.

Ten school children were vaccinated against smallpox. This was offered free as a part of the school program. Arrangements were made and assistance given the doctor by the nurse. The audiometer, a device for testing hearing was used in all the schools to test the pupils above the third grade. Those failing to pass the test were retested. There were 69 children tested, and seven retested, with only one defect.

Gouldsboro, as usual, took a leading part in the School Health Day program on May 22, with 186 Seven-Point children—21 more than last year—marching in the health parade, headed by the Bar Harbor school band. They had one 100 per cent. Seven-Point room and three 50 per cent. Seven-Point rooms. Fourteen children qualified for the Five-Year Seven-Point certificates. The highest ranking pupil in the union to take the high school entrance test was from the Birch Harbor school, and received the cup at field day. Six of the essay prizes also went to the Flander's Bay section. Mr. Harry Edwards of the State Department of Education was guest speaker.

An invitation was given all mothers to bring their babies and pre-school children to Winter Harbor for the annual all-

day clinic on July 24. Dr. Haven, a summer resident from Gouldsboro Inn, was the examining doctor, assisted by the nurse. Miss Waters, from the State Department at Augusta, assisted the mothers with their food problems.

During the opening week of school in September, special inspection for skin infection and a sanitary inspection of the school buildings, as well as playground equipment, was completed. Annual inspection was completed in all the rooms during October. Notices were sent or home visits made to all parents where symptoms of defects were found, and a full report left with each teacher and the superintendent of schools. Routine visits and special classroom inspections have been made during the year and help given wherever needed.

Number of pupils inspected, 136. Defects found: Vision, 4; hearing, 1; glands, 5; throat, 11; scalp, 6; speech, 1; teeth, 59; orthopedic, 1. Corrections made: Throat, 4; teeth, 38.

During the year 482 instructive and investigation visits have been made to babies, pre-school children, pre-natal patients and tuberculosis contacts, as well as visits to give bedside care. Seven patients, adults, were taken to hospitals, doctors and clinics. Thirty-two school children have been taken to the dentist, oculist, and hospital, for corrective work. All tuberculosis contacts and suspects have had chest X-rays as advised and home supervision given by the nurse

The success of the program belongs to everyone who has helped during the year. Particularly, I thank the doctor, selectmen, members of the school board, superintendent of schools, teachers and parents.

Respectfully submitted,

FLANDERS BAY NURSING SERVICE,

Clye H. Ricker, R. N.,  
Public Health Nurse.

### INFORMATION BOOTH

To the Selectmen of Gouldsboro:

I am enclosing tabulation of calls at the information booth at Franklin Roads from June 27 to August 22, inclusive. Besides the enclosed information, I also report:

- (1) The majority of those who stopped did so for route information only.
- (2) Through checking for one whole week and for shorter periods throughout the summer, I believe I secured a fairly accurate estimate that out-of-state traffic going east took No. 1, the shore route, in preference to No. 182, the Black's Woods road, at the ratio of five to two.
- (3) That most of those who took 182 did so without hesitation, and also found that several out-of-state maps routed them that way.
- (4) Three hundred thirty-five cars going east stopped at the booth for route information, and of this number, 264, or about 80 per cent., continued on No. 1.
- (5) The state, through Mr. Norbert Dowd of Bangor, showed much interest in the booth and supplied the booth with considerable literature.

For the Annual Town Meeting  
MARCH 2, 1942

HANCOCK ss.

TOWN OF GOULDSBORO, STATE OF MAINE

To Horace J. Myrick, Constable of the Town of Gouldsboro,  
in said County, GREETING:

In the name of the State of Maine, you are hereby directed to notify and warn the inhabitants of the town of Gouldsboro, qualified by law to vote in town affairs, to meet at the town house, West Gouldsboro, in said town, on March 2, 1942, at 10 o'clock in the forenoon, to act on the following articles, to wit:

- Article 1 To choose a moderator to preside at said meeting.
- 2 To choose a town clerk for the ensuing year.
- 3 To hear the report of town officers and commissioners and act thereon.
- 4 To choose three members of the board of selectmen and assessors for the ensuing year.
- 5 To see if the town will vote to authorize the selectmen to serve as overseers of the poor for the ensuing year.
- 6 To choose a member, or members, of the board of overseers of the poor.
- 7 To see if the town will vote to elect one member as overseer of the poor and raise a sum of money for salary.
- 8 To see if the town will vote to fix the compensation of the collector and treasurer.
- 9 To choose a collector of taxes for the ensuing year.
- 10 To choose a treasurer for the ensuing year.
- 11 To choose a member, or members, of the superintending school committee.
- 12 To choose constables for the town.
- 13 To choose fence viewers for the town.
- 14 To choose surveyors of lumber and measurers of wood and bark.

- 15 To choose a fire ward, or wards, for the ensuing year.
- 16 To see if the town will vote to have the selectmen serve as road commissioners.
- 17 To see if the town will elect one, or more, road commissioners or authorize the selectmen to appoint the road commissioner or commissioners.
- 18 To choose a budget committee for the ensuing year.
- 19 To choose all other necessary town officers.
- 20 To see if the town will vote that poll taxes shall be due and payable on the first day of May.
- 21 To see if the town will vote when all taxes shall be due and payable.
- 22 To see if the town will vote to authorize the selectmen and treasurer to make a temporary loan, or loans, not exceeding in the aggregate the sum of \$12,000, in anticipation of and to be paid out of current taxes for the municipal year of 1942.
- 23 To see if the town will vote to authorize the selectmen and treasurer to issue the town's negotiable notes or bonds, not exceeding \$17,000, for the purpose of renewing, re-funding or paying the certain indebtedness of the town, due during the municipal year, 1942, to wit:
- |                             |            |
|-----------------------------|------------|
| A. B. Bunker . . . . .      | \$8,000 00 |
| Oliver H. Bunker . . . . .  | 1,000 00   |
| Florence Bunker . . . . .   | 800 00     |
| Gertrude Whitaker . . . . . | 1,000 00   |
| E. C. Cole . . . . .        | 1,000 00   |
| Henry Young . . . . .       | 1,000 00   |
| Stinson Canning Co. . . . . | 6,500 00   |
- 24 To see if the town will vote to have the street lights turned off for the duration of the present national emergency.
- 25 To see if the town will vote to raise and appropriate a sum of money for the following accounts, to wit:
- Administration.
  - Fire Department.
  - Civilian Defense.
  - Street lights.
  - Health and Sanitation.

Roads and Bridges.  
 Third-Class Maintenance.  
 Snow Removal.  
 Cutting Bushes.  
 Support of Poor.  
 Aid to Dependent Children.  
 Soldiers' Aid.  
 Schools.  
 School Repairs.  
 Superintendent's Account.  
 Interest Account  
 Town Debt.

- 26 To see if the town will vote to raise and appropriate a sum of money to pay its part of the State patrol and 50-50 maintenance.
- 27 To see if the town will vote to raise and appropriate the sum of \$50 for repair of State-aid highways, not under State patrol.
- 28 To see what sum the town will raise and appropriate for State-aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of section 19, chapter 28, Revised Statutes of 1930, or under the provisions of section 3, chapter 229, Public Laws of 1937.
- 29 To see what sum of money, if any, the town will recommend to take from the joint State-aid account for the purpose of applying bituminous surface treatment to State-aid roads, in excess of the requirements of section 2, chapter 132, Public Laws of 1935.
- 30 To see if the town will vote to accept the road from the Bradley Farm road to the residence of Nathan C. Young, and raise and appropriate a sum of money to repair same.
- 31 To see if the town will vote to raise and appropriate a sum of money to put tar surface on the road from State Highway No. 1 to the gate at the entrance to the Scheiffelin estate.
- 32 To see if the town will vote to authorize the selectmen to sell the schoolhouse at Bunker's Harbor.

- 33 To see if the town will vote to build a fence along the 20-foot gravel bank between the J. R. Perry and V. B. Snyder farms on the Gouldsboro Point road, and raise and appropriate a sum of money for the same.
- 34 To see if the town will vote to accept the Epps H. Sargent cemetery trust fund.
- 35 To see if the town will vote to allow a two per cent. discount on all real and personal estate taxes paid on or before July 1 of the current year.
- 36 To see if the town will vote to install two street lights on the Lighthouse road as designated by the selectmen.
- 37 To see if the town will vote to authorize the selectmen to sell and dispose of all tax titles held by the town on such terms as they deem advisable, and to execute quitclaim deeds for such property.
- 38 To see if the town will vote to raise and appropriate a sum of money for advertising under the supervision of the Maine State Publicity Bureau.
- 39 To transact any other business that may legally come before the meeting.

The selectmen hereby give notice that they will be in session at the Town House, at West Gouldsboro, Me., at nine o'clock on the morning of said meeting, for the purpose of revising and correcting the lists of voters.

Given under our hands this 17th day of February, A. D. 1942.

Signed:

MAURICE W. GUPTILL,

STEPHEN C. COLE,

ENOS S. TRACY,

Selectmen of Gouldsboro, Maine.
