Report of Superintendent of Schools

To the Members of the School Committee:

I present herewith for your consideration my first report as Superintendent of the Schools of Rome.

Rome was allotted to my Union last July, therefore my report will be brief.

Beulah Richardson	Term expires 1937
Oland Tibbetts	Term expires 1938
Stephen T. Marshall, Secretary and Superintendent of Schools.

School Census April 1, 1935	157

Your teachers were all hired during the spring term. Although I have had your town but a short time, I feel the teachers are doing good work and the schools compare very favorably with schools of other rural towns. I also feel pleased to think you are giving the children thirty-six weeks of school.

Your school buildings are in good shape and the new building in the Hersom District is a credit to both town and to those who built it. You certainly got more for your money than most rural communities would have gotten. Under the new law all motor school buses must procure insurance. The financial statement for the present year follows.
