To the Superintending School Committee and Citizens of Carthage:

I hereby submit to you my eleventh annual report of the schools of your town.

Following is the table of enrollment for the fall term ending December 13th, 1935:

School	Grades										Total

ATTENDANCE

The whole number in attendance and the average attendance of each school for each term are as follows:

Schools	Winter Term		Spring Term		Fall Term	
	No. of Pupils	Av. Att.	No. of Pupils	Av. Att.	No. of Pupils	Av. Att.
Stickney Corner	12	10.88	12	11.94	9	8.71
Berry Mills	27	20.83	26	19.67		
Newman	11	8.61	11	6.07

The percentage attendance for the school year ending in June, 1935 is as follows: Stickney Corner 90 per cent; Berry Mills 73 per cent; Newman 72½ per cent.

The pupils not absent for the fall term of fourteen weeks ending December 13th, 1935 are Raymond Webster, Edward Daley and Doris Daley of Stickney Corner; Geneva White, Corless Houghton, Ruth White and Dorcas Jepson of Berry Mills Primary School; Beatrice Berry, Linwood Burtchell, John Flagg, Arletta Houghton, Charles Jepson and Georgia Jepson of Berry Mills Grammar School.

TEACHERS

School	Teacher	Salary per year	Salary per week
Stickney Corner	Mildred Butler, entire year	\$453 60	\$12 60
Berry Mills	Louise Sharko, W. & S.	583 20	16 20
Newman	Mildred Swett, W. & S.	583 20	16 20
Berry Mills Pri.	Mildred Swett, Fall	583 20	16 20
Berry Mills Gram.	Mary Kennard, Fall	583 20	16 20

There has been no school in the Newman District since the end of the fourth week of the spring term because all the pupils with the exception of Chanel Cormier and Arthur Packard moved away. These boys have been attending school at Berry Mills since the suspension of the Newman School.

Miss Sharko resigned during the summer to accept a position in the Mexico School Union. The present school year we are maintaining two schools in the Berry Mills building. Mrs. Swett has the primary grades on the first floor and Mrs. Kennard the higher grades in the upper room. This arrangement is far more satisfactory than trying to accommodate all the grades in one room with one teacher. Under present conditions the teachers have time enough for individual instruction and the pupils are showing much improvement in their work.

HIGH SCHOOL TUITION

During the past year, high school tuition has been paid for one pupils in Wilton Academy, one in Mexico High School and eight in Dixfield High School. Edward Smith was graduated from Wilton Academy last June. Hubert Johnson and Clayton Swett were graduated from Dixfield High School. Alston Robbins and Vivian Robbins moved to Dixfield so it was not necessary to pay tuition for them for the full year. Louise Jepson withdrew from Mexico High School at the close of the spring term. The present school year the following pupils are registered in Dixfield High: Colby Hammond and Hersey Hammond in the sophomore class, Marion Turner in the junior, and Dorothy Berry in the senior.

REPAIRS AND EQUIPMENT

The expenditures at Stickney Corner were for book-case and repairs made on the windows. A steel book-case and window shades were purchased for the Berry Mills Schools. A fire escape from the grammar school room was built at the rear of the building. The top of the chimney at the Mills was rebuilt.

Annual Report of the South Franklin County Nursing Service

To the citizens of the Town of Carthage:

I hereby submit the eighth annual report of the Nursing Program rendered by the South Franklin County Nursing Service from January 1, 1935 to December 15, 1935.

The greater part of the work done has been for school children, either at school or at home. The work done at the school is as follows: 44 children were given full inspection by the nurse. Of this number 35 were defective. Defects were: 4 children had eye defects, 22 had dental defects; and 5 were underweight; 7 had abnormal throats. Corrections secured since last inspection were: 18 children had teeth correction, 1 child had glasses fitted, and two children gained weight under medical supervision.

The seven point work in the schools consisted of 9 visits to schools, school room talks, re-inspection of under weight children, checking over Health cards for possible "7 Pointers." One school, the Newman School, was 100 per cent Seven Point. A slight decrease in the number of "7 Pointers" over the preceding year was noted.

Six children were taken to the School Dental Clinic at Farmington with the following work done: 14 extractions; 10 fillings; 4 cleanings.

Thirty-eight home visits were made for correction of defects, and follow-up of Impetigo and Scabies.

Ten special inspections were made to the three schools for Impetigo and home visits made.

Through the cooperation of Dr. Arms of the Cooperation Health Union thirty-eight children had throat inspections and those found defective were advised to visit their own family physician for examinations. Two children were given Tuberculin Tests.

During the Summer a Pre-school and Well Baby Clinic was held at the schoolhouse at Berry's Mills with Dr. Sturtevant of Dixfield in attendance. One baby and three Preschools were weighed and measured by the nurse and given an examination by the Doctor. Nine school children had Throat examinations by Dr. Sturtevant.

The work done outside of the schools is as follows; 1 case given 3 instructive visits; 4 school children given 10 nursing visits for Impetigo, one other case one nursing visit; 4 babies had 11 Instructive visits; 5 Preschools had 12 Instructive Visits. 15 Miscellaneous calls were made to Selectmen, interested citizens, School Board and Doctors on behalf of the Service. The Nurse cooperated with the State Social Worker who was interested in two families.

A total of eighteen trips were made to the town at various times during the year.

It was with regret that the Service had to be discontinued before the year was up. This was due to lack of funds.

May we plan on an uninterrupted program this coming year?

The Nurse wishes to take this opportunity to express her appreciation to those who have helped to make her work valuable to the community.

Respectfully submitted,

SOUTH FRANKLIN COUNTY NURSING SERVICE.

DELMA IDE MARSHALL, R. N., Public Health Nurse.
