# 8 WEEKS 10c

THE NORWAY ADVERTISER  
(OXFORD COUNTY, ME.)

WE WILL SEND the Norway ADVERTISER to you, your neighbor, or an absent friend whose name you might suggest, eight weeks for 10 cents and will stop the paper at the end of that time without further notice from you or them.

---

Send the paper as above terms to

---

---

The above order is sent to the Norway ADVERTISER by

---

☞ Be sure and give full address with street and number, if it goes to a city, and if on rural delivery give number of the route.

No blanks will be furnished or made out in the ADVERTISER office.

☞ Fill out the blank, send or hand into the office or mail it. Don't forget to put in the 10 cents—coin, or 1 and 2 cent postage stamps.

☞ This blank, properly filled out, with 10 cents must be received by Tuesday, April 1st, 1913. Not good after that date.

F. W. SANBORN, Norway, Me.

# Road Commissioner's Report

---

TO CITIZENS OF HEBRON:—

There was one expense that fell on the town last spring that I didn't know about at Town meeting when we made the appropriation, and that was cutting cherry bushes all over town, which didn't amount to anything for there is ten now where there was one then. But it was State law and had to be done. It was also law to burn them but I didn't do it. You can imagine what it would cost to go around and pick up green bushes, a few here and there, and burn them. I wish the State would make a law to cut all the bushes and I think they will.

Now I had to overrun my appropriation on account of heavy rains which made the roads muddy, and the autos cut it all up. I think we ought to raise more money for roads the next year, for it isn't much fun for a commissioner to have fault found with him for overrunning the appropriation when he don't get only about \$150 for his summer's work. Now I know our taxes are high but the roads have got to be kept in good condition. It is different than it was fifteen years ago when there were no autos to cut the roads up. I have bought one new road hone out of last year's money and have also got about \$100 worth of steel culverts on hand, that were missent and did not get here until October.

I think the town ought to raise \$1,200.00 for roads and bridges and \$300.00 for bushes. There are two bridges I think we ought to put steel stringers in, I think it would pay instead of using wood. The winter work, after the reports were made out last year, was high, as I had to send teams from one district into another to keep the roads open.

W. W. HARRINGTON,

Road Commissioner.

# Report of the Superintendent of Schools

---

TO THE SCHOOL COMMITTEE OF THE TOWN OF HEBRON:

For the second time I submit to you, and through you to the citizens of the town the annual school report. The work of the schools for the past year has been completed in a satisfactory manner and in nearly all cases our teachers have proved to be capable, conscientious, and hard working.

It will be seen from the general report below that the average wages of your teachers has been increased during the year and it has been possible to secure for all of the schools this year experienced teachers and several of these teachers have had a partial or full course in a Normal school.

From the tabulated report it will be seen that the number of visits by citizens has been very large. This is a certain indication that there is a strong interest and a hearty spirit of co-operation among the parents and citizens.

Several teachers this year, with the help of parents and citizens, have added materially to the physical equipment of their schools. Some of the improvements have been as follows:

No. 2.

Several pictures, some of them framed, 12 inch globe, and a handsome eight day clock. When the new single seats are added to this school room it will indeed be very homelike. A large part of the improvements being due to the hard work and hearty co-operation of the teachers, Miss Rowe and Miss Gile, with the pupils and parents.

No. 3.

In this school, Miss Rowe, working with the parents and pupils has newly papered the room, provided some new additional blackboards, new curtains, several pictures and now have about \$8.00 towards further improvements.

## No. 5.

In the spring term a new 12 inch globe was provided for this school, with money raised by the school and new curtains were provided, and in the fall \$12.00 was given towards new seats.

## No. 6.

This school has been under the same teacher for the year, and a large number of improvements have been made. Some of these are as follows: Three stands, book-case, hat-rack and mirror, comb and towel, silk exhibit and cabinet, mineral cabinet, cocoa exhibit and cabinet, sand-table, two bird books, and \$3 80 towards other repairs.

The improvements in all of these schools have been possible only with the hearty co-operation of teachers, pupils, and parents. Nearly all of the school rooms have been considerably improved, making them more homelike and attractive.

Mention should be made here of the very generous gifts of the Z. L. Packard Woman's Relief Corps. In the spring term the Academy school and in the fall the Center school were presented with large new flags. These were badly needed in both schools and are cordially appreciated.

During the fall and winter terms the teachers have tried to secure increased attendance and below are given the names of pupils in these terms who have not been absent or tardy for the term.

The names of those not absent or tardy in the following schools and terms:

Brighton Hill School—Fall term:—Maude Given, Loring Given, Hubert Given, Mildred Packard, Guy Rowe. Winter term:—Wilbur Allen, Harold Bradford, Loring Given, Hubert Given, Maude Given, Nelson Perry, Mildred Packard, Ethel Skillings, Guy Rowe, Linwood Weston.

Academy School—Fall term:—Eleanor Bearce, Carleton Conant, Katherine Cantello, Minola Hutchinson, Edgar Strother, Marcus Strother, Josephine Strother. Winter term:—Lawrence Bearce Bessie Bean.

Center School—Fall term:—Alice Bumpus, Ernest Bumpus, Mildred Conant, Harry Cummings, Giles George, Nellie Kilbreth, Cynthia Sawyer, Nettie Sawyer. Winter term:—Virginia Conant, Clarence Conant, Mildred Conant, Carleton Cummings, Elizabeth Cushman, Giles George, Doris Hibbs, Gladys Hibbs, George Hibbs, Ethel Marshall, Cynthia Sawyer, Nettie Sawyer, Ruby Verrill.

Nelson School—Fall term:—Geo. Hartsgrove.

No. 8 School—Fall term:—Myrtle Scothorne. This school not closed for winter term when report was made out.

Under the expenditures for the year it will be seen that the repair account has been somewhat overdrawn. The following improvements have been made:

About one-half enough new single seats have been bought for the Sodom and Academy schools, two new chairs for B. Hill, new stove for No. 2, Center schoolroom newly sheathed with hard pine, besides many smaller repairs as door-knobs and locks, window catches, etc., in nearly all the schools. It is hoped that next year it will be possible to paint the schoolhouse in No. 3, provide new steps for No. 4 and enough more new seats for No. 2 and No. 5 and buy one or two more new stoves.

The regular heating systems that are fully guaranteed to heat and ventilate the schoolroom in the coldest weather are in the end the best to provide.

In the common school financial report it will be seen that the tuition receipts from all the towns has decreased while the tuition to Minot has increased. This, with the increase in teachers' wages, has made necessary a shortening of the school year, and is the reason for the additional \$50.00 asked for this year in this account.

New Schoolhouse:—This account is overdrawn about \$200.00. The cost of the building alone outside of all furnishings was very nearly \$800.00, the other cost being for seats, blackboards, heating system, etc. The recent State law, making necessary the approval of plans for all new schoolhouses by the State Board of Health and the State Superintendent of Public Schools, made necessary the building of a different type of building than otherwise. For instance: windows must be to left and rear of pupils, and light must come from North, and West or East, jacketed stove of certain capacity must be provided, etc.

Globe Account:—With the help of money given by schools Nos. 2 and 5, four excellent 12 inch globes have been provided for the schools costing about \$4 20 each. It is hoped that a like amount will be given next year, then all of the schools will be provided.

Free High School:—Since no action was taken at the last town meeting relative to Free High Schools it was thought best to acquaint the parents of prospective high school pupils with the situation,

especially relating to payment of tuition and supply of textbooks. The following letter was sent to the parents:

Buckfield, Me., August 19, 1912.

TO THE PARENTS OF PRESENT OR PROSPECTIVE HIGH SCHOOL PUPILS:

This is to call attention to the fact that the town of Hebron, at its last annual meeting, did not take any action in regard to authorizing its Superintending School Committee to make a contract with Hebron Academy for the reception of its high school pupils for the year beginning Sept. 10, 1912.

The situation, therefore, is this: Boys and girls of the town, who have passed the examinations as required for entrance to high school, will have their tuition to the amount of \$10.00 per term paid at any standard high school or academy in the state they may choose to attend, but will be expected to furnish their own text books, except that the books now owned by the town will be available for the use of its high school pupils as far as the supply will admit. Those attending high schools in other towns would, in some towns at least, have the free use of text books in common with the pupils of the town in which the school might be located.

In explanation, it would be noted that, while the law makes it plain that towns maintaining free high schools must provide free text books in those schools, in the case of towns which do not maintain such high schools, and whose pupils select the schools which they will attend, there appears to be no further obligation on the part of the towns than to pay tuition charges to the amount of \$30.00 annually for each pupil.

Several towns in the state might be mentioned which stand in precisely the same relation to their high school pupils as Hebron stands to hers at the present time. In other words, these towns do not maintain free high schools of their own, but pay as tuition \$30.00 annually per pupil to whatever schools are attended, the pupils buying their own text books.

In conclusion, therefore, we would state that in our opinion, the town of Hebron is not under legal obligation to purchase text books for the use of its high school pupils at any high school or academy for the coming year and that in consideration of the interests of the town as a whole we would not be justified in so doing. The cost of providing these books has been extremely high, amounting to

\$160.27 for the past two years with an average attendance of only 13 pupils. We ask, for your impartial consideration, this question: Could not this sum of money have been expended either for the further improvement of the common schools or of our highways with resulting benefits to a greater number of citizens including those few who have received the full benefit of the expenditure?

M. A. STURTEVANT, Superintendent of Schools.

A. C. WHITMAN,	}	<i>Superintending School Committee.</i>
H. G. BOWMAN,		
WILLIAM VERRILL,		

It will be seen that the expenditure in the free high school account has been very large this year due to the increased number of pupils attending secondary schools and to the fact that one more term of tuition has been paid for than last year. If the town had voted to "Maintain Hebron Academy as its free high school" then the town would have been obliged to pay \$13.00 per term tuition and furnished all necessary text books and other apparatus, instead of paying simply \$10.00 per term tuition as it has. The State department will pay back to the town  $\frac{2}{3}$  of the money expended for tuition to the extent of \$30.00 a year or \$10.00 per term so that the extra \$3.00 per term must come from the town as must the money expended for text books, etc.

Presuming that the town had voted to "Maintain Hebron Academy as its free high school" for the past year and the town had not paid the tuition of pupils in another town and had paid the full tuition charge and had bought the necessary text books, etc., then the total expenditure would have probably been about \$125.00 more than it has been.

#### GENERAL REPORT FOR DISTRICT.

The tendency in nearly all growing school systems, at present, especially in the State of Maine, is towards better trained and more experienced teachers and toward better pay for these teachers. During the past two years the average wages of the teachers in the rural schools in the district have been increased. (Figures are for pay per week.)

Averages wages 1911, district, \$7.50.

Average for 1912, \$8 24.

Increase, \$ .74.

It is believed that the increase in pay has resulted in increase of service.

Among the thirty-six different teachers employed in the rural schools during the past year, all but six had previous experience in teaching, and the following have had a partial or full course of normal training:—

Edith DeCosta, Marie Farrar, Geneva Kane, Ethel Carter, Elsie Palmer, Dicie Sturtevant, Idella Gray, Althea Stetson, Bertha Lampher, Julia Gile, Josephine Rideout, Alma Holbrook.

The following teachers hold state certificates for one or more years:

Jennie Record, Blanche Bennett, Eola Swallow, Mary Richardson, Idella Gray, Josephine Rideout, Ellen Cole, Ethel Waterman, Marie Farrar, Amy Sturtevant, Rose Clark, Bertha Lampher, Alice O. Murch.

Several teachers attended the State Convention at Portland; and all of the teachers from Hebron and Buckfield and nearly all from Hartford attended a rural and graded-school teachers' meeting held at Buckfield, Oct. 4, 1912. A very helpful program was arranged and many problems were discussed and valuable suggestions were made by those who took part in the program and by the teachers. Especial thanks are due to Miss Lincoln and Miss Porter of the Farmington Normal school and Superintendent C. H. Abbott of the Turner-Canton District for their help on the program. It was voted at the meeting for the teachers to send to the superintendent of schools each week, the average and per cent. of attendance of each school and the school having the highest per cent. of attendance for the term to receive a framed certificate. This to remain in permanent possession of the school winning it three terms in succession. The certificate was won for the fall term by the Center School in Hebron. The five schools with the highest per cent of attendance, in order, were as follows:

Center Hebron.....	98.	per cent
Academy, " .....	97.8	"
B. Hill, " .....	96.2	"
East Buckfield.....	96.2	"
Grammar, Buckfield.....	95.2	"

---

Six other schools finished with 90 per cent. or better as follows:

No. 8, Hebron.....	93.9	per cent
Glover, Hartford.....	93.	“
Primary, Buckfield.....	93.	“
North Buckfield.....	92.5	“
Nelson, Hebron.....	92.5	“
Center, Hartford.....	90.	“

For winter term:

(Some of the schools were not closed when this was written so report is given for fall term only.)

At this meeting it was also decided to call October 18; Mothers' Day and to send special invitation to mothers to visit the schools on that day. This was done and more than two hundred parents visited school on that date.

Visitation by parents at all times is certain to be helpful to the schools and the teachers are sure to feel the help that is given in this way.

In conclusion, I wish to thank you; the members of the school committee, for your help and advice, and for the interest shown in all school matters presented. My thanks are also due to the teachers and pupils for their hard and conscientious work. To the citizens my thanks are extended for your many kind words and deeds, and the interest you have shown in the schools.

Respectfully submitted,

MERLE A. STURTEVANT, Superintendent.

# Warrant for Town Meeting

---

To M. C. Joy, Constable of the town of Hebron, County of Oxford,  
Greeting:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said town of Hebron, qualified by law to vote in town affairs, to assemble at Hebron Grange Hall in said town, Monday, the 3rd day of March, 1913, at 10 o'clock a. m., then and there to act on the following articles to wit:

- 1st. To choose a moderator to preside at said meeting.
- 2nd. To see if the town will accept the report as printed.
- 3rd. To choose a clerk for the ensuing year.
- 4th. To choose a treasurer for the ensuing year.
- 5th. To choose a board of selectmen for the ensuing year.
- 6th. To choose a board of assessors for the ensuing year.
- 7th. To choose a board of overseers of the poor for the ensuing year.
- 8th. To choose, truant officers for the ensuing year.
- 9th. To see if the town will choose a road commissioner for the ensuing year.
- 10th. To choose one member of the superintending school committee, for three years and elect all other town officers.
- 11th. To see if the town will vote "yes" or "no" upon the adoption of the provisions of Chapter 112 of the Public Laws of Maine,

---

for the year 1907, as amended by Chapter 69 Public Laws of 1909, relating to the appropriation of money necessary to entitle the town to State aid for highways for the year 1913.

12th. To see if the town will raise and appropriate in addition to the amounts regularly raised and appropriated for the care of ways, highways and bridges the sum of \$400, being the maximum amount which the town is allowed to raise, under the provisions of Chapter 112 of the Public Laws of Maine for the year 1907, as amended by Chapter 69, Public Laws of 1909.

13th. To see what sum of money the town will vote to raise for the support of town schools for the ensuing year.

14th. To see if the town will vote to raise the sum of \$125 for Free High Schools according to the school laws of 1903.

15th. To see what sums of money the town will vote to raise for the support of poor, town officers' bills, summer work, roads and bridges, snow bills, miscellaneous and brown-tail moths.

16th. To see if the town will vote to raise the sum of \$10 for A. A. Dwinial Post for Memorial expenses.

17th. To see what sum the town will vote to pay for collecting taxes for the ensuing year.

18th. To see if the town will vote to instruct its treasurer by the written consent of the selectmen to hire money.

19th. To see what sum of money the town will vote to raise and appropriate for the salary of the superintendent of schools for the ensuing year.

20th. To see what action the town will take to authorize its superintending school committee to contract with and pay the trustees of Hebron Academy for the tuition of its high school scholars at said academy for the academic year beginning September, 1913, in accordance with the provision of Section 62, Chapter 15, Revised Statutes of 1903.

21st. To see if the town will vote to buy steel stringers for bridge on Fuller brook in east part of town, and raise money for same.

22nd. To see if the town will vote to raise the sum of \$500 towards town debt.

23rd. To see if the town will vote to maintain a school in District No. 8 for the ensuing year.

The selectmen will be in session at the Grange Hall, on the third day of March, 1913, at nine o'clock in the forenoon for correcting the list of voters.

Given under our hands at Hebron, this tenth day of February, A. D., 1913.

A. E. GEORGE, } *Selectmen*  
FRANKLIN PIERCE, } *of Hebron*
