Report of the
Road Commissioner

TO CITIZENS OF HEBRON:

I feel there should be an explanation of the cost of the two new bridges. The one over Bicknell river we found the abutments in very poor condition, so a good portion had to be laid over, and four feet of new wall on each side of stream to make abutments wide enough for new bridge. On the Valley Road bridge we found the abutments in poor condition, and some parts we were obliged to begin at bottom and build up new; also both wing walls on the south side of bridge had to be laid up new. We also raised the bridge some 15 inches, which of course made extra work to fill and grade on both sides.

This makes the cost of the bridges........$ 596 05
Summer work on the roads and culverts...... 961 84
Winter work................................................. 206 21
Cutting bushes.......................................... 35 00

Total ......................................................................$1,799 10

State road......................................................$ 172 59
Maintenance of State road....................... 51 72
Paid by State.................................................. 19 97

Respectfully,

F. I. STURTEVANT.
M. C. JOY, treasurer, in account with the Town of Hebron from Feb. 12, 1914 to March 2, 1914.

Report of the
Superintendent of Schools

TO THE SCHOOL COMMITTEE OF HEBRON:

Gentlemen:—

The schools of the town of Hebron have accomplished excellent work this year and we have enjoyed a year of quiet uninterrupted progress. The new course of study has been very helpful in aiding the teachers in their efforts to standardize our schools and better classification than ever before has been secured.

Our teachers have been on the whole, as a body capable, progressive and efficient. Your Superintendent has found them working earnestly for the highest welfare of their pupils and of the communities they served.

In addition to the regular work our teachers have taught music, drawing, and manual training as best they could without a regular director.

The exhibition of school work at the East Hebron Grange Fair was a very creditable one and excited very favorable comment.

REPAIRS.

This year the repairs have been made as follows:—The Nelson building has been painted two coats outside and inside, new doors furnished and the building placed in excellent condition.

The Academy building has been painted outside and tinted inside.

The Sodom building has been papered and white-washed inside and a new stove provided for the Center School.

In order to comply with the law forbidding the use of the "common drinking cup" the Committee have furnished covered jars with faucets instead of the open pail.
REPAIRS RECOMMENDED.

The Alders building needs two coats of paint outside and should be whitened and oiled inside, and the fence around the lot straightened. The Sodom building needs a new floor, two coats of paint outside and a new shed for closets, and a wood room.

By direction of your committee a set of maps was purchased for each room and the Emerson and Bender's English Book was adopted in place of the Mother Tongue Series. We now have a fine globe and set of maps in each room.

OUR SECONDARY SCHOOL PUPILS.

It is a matter of congratulation that the number of boys and girls attending the Academy is increasing from year to year. This year we have seventeen in the Academy and five in the eastern part of the town attending Buckfield High School.

It is the firm conviction of your Superintendent that we have secured distinct advances in organization class-room work, school-room equipment, condition of school buildings and the general interest in the welfare of our public schools.

I wish to call the attention of our citizens, that while our school property is far above the average of the rural school property of our State which is a source of congratulation, that at the present time we have only one building with a yard large enough for a good playground. Would not the securing of one or two new yards each year be a good investment?

REPORT TO THE UNION DISTRICT.

The year has been one of steady progress in our district.

The school year has been extended to thirty-two weeks in Hartford and Hebron, and thirty-three in Buckfield. When schools are as small as many of ours are, the per capita cost is very high and in some cases the conveyance team is not a satisfactory solution of the problem. I recall at least three districts, where in my judgment it is better to maintain a small school than to attempt to convey. The equipment of our schools is better than last year. In two of our towns we have a set of four maps in each school room while every room has a globe. We trust the third town will complete the work of furnishing maps to its schools next year.
A number of our buildings have been papered and painted this year and we have attempted to make the interiors of old buildings as bright and home-like as possible.

I desire to suggest two or three ideas for our "repair man" to consider: First, when we make repairs, insert two or three new windows at the back or to the left of the pupils, for not a school in Hartford or Buckfield is properly lighted. The buildings of Hebron are better, but could be improved upon.

When we lay a new floor it will pay in the interest of hygiene and general welfare to lay hard wood ones, or if the floors are of soft wood and in good condition, they should be given two coats of paint. Thus with a careful supervision of the janitor’s work the floors are not dust catchers or disease carriers.

This year with nineteen rural schools under my supervision, six teachers continued in the service throughout the year, while eleven schools were served by two teachers each, one by three, and one was discontinued after the first term.

It is a pleasure to report that during the year nearly all of our schools have been taught by experienced teachers of excellent ability, who have shown a fine spirit of loyalty to their schools and communities.

The excellent discipline which prevails in our schools is, I am glad to say, due more to the habits of industry than to the fear of the teachers’ authority.

A noticeable advance has been made in the teaching and drilling of spelling, the drill in the fundamentals of arithmetic, and gradually the slow, hesitant, monotone reading of the past is being supplanted by reading filled with life and expression.

Respectfully submitted,

FLORENT WHITMORE,

Superintendent.
Warrant For Town Meeting

To C. W. Cummings, Constable of Hebron in the County of Oxford and the State of Maine, Greeting:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of said town of Hebron qualified by law to vote in town affairs to assemble at the Grange Hall in said town on Monday, the 1st day of March, A. D. 1915 at 10 o’clock, A. M., then and there to act on the following articles, to wit:

1st To choose a moderator to preside at said meeting.
2nd To see if the town will accept the report as printed.
3rd To choose a clerk for the ensuing year.
4th To choose a town treasurer for the ensuing year.
5th To choose a chairman for board of selectmen for the ensuing year.
6th To choose a second selectman for the ensuing year.
7th To choose a third selectman for the ensuing year.
8th To choose a board of assessors for the ensuing year.
9th To choose a board of overseers of the poor for the ensuing year.
10th To choose truant officers for the ensuing year.
11th To choose a road commissioner for the ensuing year.
12th To choose all other necessary town officers for the ensuing year.
13th To see if the town will vote ‘‘yes’’ or ‘‘no’’ on the question of appropriating and raising money necessary to entitle the town to state aid as provided in section 20 of chapter 130 of the public laws of 1913.
14th To see what action the town will take relative to uniting with Hartford, Buckfield, Turner, Oxford or Minot or with any two of said towns, as a union district for employing a superintendent of schools.
15th To see what sum of money the town will vote to raise for the salary of the superintendent of schools for the ensuing year.

16th To see what sum of money the town will vote to pay for collecting its taxes for 1915.

17th To see what sum of money the town will vote to raise for the support of schools for the ensuing year.

18th To see if the town will vote to raise the sum of $125 for free high schools according to the school laws of 1903.

19th To see if the town will raise the sum of ten dollars for A. A. Dwinal Post for memorial expenses.

20th To see what sums of money the town will vote to raise for the support of poor, town officers' bills, miscellaneous account, snow bills, summer work on roads and bridges, cutting bushes and brown tail moths.

21st To see if the town will vote to instruct its treasurer by the written consent of the selectmen to hire money for the use of town.

22nd To see if the town will elect one or more fire wards, fix their compensation and raise money for same.

23rd To see if the town will vote to raise money to build a wood shed and toilet room for the Sodom school.

24th To see if the town will vote to accept the list of jurors as prepared by selectmen. The selectmen will be in session at the Grange Hall on the first day of March, 1915, at nine o'clock, A. M. for correcting the list of voters.

Given under our hands at Hebron this sixth day of February, A. D. 1915.

J. L. BUMPERS,
C. F. SAWYER,
C. W. VERRILL,

Selectmen of Hebron.
