WARRANT

To Hoell Sanker, a Constable of the Town of Searsport, in the County of Waldo, Greeting:

In the name of the State of Maine, you are hereby requested to notify and warn the inhabitants of the Town of Searsport, in said county, qualified by law to vote in Town affairs, to meet at the Town Hall, in said Town, on Monday, the 10th day of March, A. D. 1941, at ten o'clock in the forenoon, then and there to act on the following articles, to wit:

Art. 1. To choose a Moderator to preside at said meeting.

Art. 2. To choose a Town Clerk for the ensuing year.

Art. 3. To see if the Town will accept the Annual Report of the Municipal Officers as printed.

Art. 4. To see what compensation the Town will vote to pay the various town officers for the ensuing year.

Art. 5. To choose and elect Town Officers for the ensuing year, viz: Three Selectmen, three Assessors of Taxes, three Overseers of the Poor, a Town Treasurer, to elect a member of the School Board to serve for three years, a Budget Committee, a Road Commissioner, Constables, Surveyors of Sawed Lumber, Surveyors of Wood and Bark, Surveyors of Spars and Timber, Fence Viewers, Sealers of Leather, Viewers and Cullers of Hoops and Staves, and a Fire Ward.
Art. 6. To Elect a Tax-collector.

Art. 7. To see if the Town will vote to authorize the Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for nonpayment of taxes thereon, on such terms as they deem advisable, and to execute quit claim deeds for such property.

Art. 8. To see how much money the Town will raise and appropriate for the support of the Free High School.

Art. 9. To see how much money the Town will raise and appropriate for the support of the Common Schools.

Art. 10. To see how much money the Town will raise and appropriate for the Superintendent of Schools.

Art. 11. To see how much money the Town will raise and appropriate for textbooks and supplies, for the schools.

Art. 12. To see how much money the Town will raise and appropriate for repairs, insurance, lights, truancy, tuition, equipment and census for the schools.

Art. 13. To see if the Town will raise and appropriate $1,450.00; to pay $1,000.00 on the principal and $450.00 yearly interest on School House bonds.

Art. 14. To see how much money the Town will raise and appropriate for the support of the Carver Memorial Library.

Art. 15. To see how much money the Town will raise and appropriate for General Government and Incidentals.

Art. 16. To see how much money the Town will raise and appropriate for the support of the Poor.
Art. 17. To see how much money the Town will raise and appropriate for the use of the Hydrants.

Art. 18. To see if the Town will vote to maintain the present Hose Company, if so, how much money it will raise and appropriate therefor.

Art. 19. To see how much money the Town will raise and appropriate for the repairs of Highways and Bridges, and how much to allow for labor.

Art. 20. To see how much money the Town will raise and appropriate for cutting bushes on the improved and Town Roads.

Art. 21. To see how much money the Town will raise and appropriate for Patrol maintenance.

Art. 22. To see how much money the Town will raise and appropriate for Winter Breaking.

Art. 23. To see how much money the Town will raise and appropriate for State Aid Construction (in addition to the amounts regularly raised for the care of Ways, Highways and Bridges,) under the provisions of Section 19, Chapter 229, Public Laws 1937.

Art. 24. To see how much money the Town will raise and appropriate for the repairs and construction of Sewers.

Art. 25. To see if the Town will raise and appropriate $1,128.00 for the maintenance of improved sections of third class roads as required under Sections 3, Chapter 229, Public Laws 1937.
Art. 26. To see how much money the Town will raise and appropriate for Special Resolve Road maintenance.

Art. 27. To see how much money the Town will raise and appropriate for the Electric Street lights.

Art. 28. To see how much money the Town will raise and appropriate for the repair of sidewalks.

Art. 29. To see if the Town will raise and appropriate the sum of $75.00 for Public Health nursing, to be expended under the auspices of the Bureau of Health and Welfare, for local service.

Art. 30. To see if the Town will raise and appropriate the sum of $25.00 for care of children who have accidents at school and need immediate attention.

Art. 31. To see how much money the Town will raise and appropriate for new Fire Hose.

Art. 32. To see if the Town will raise and appropriate the sum of $40.00 for the decoration of Soldiers Graves on Memorial Day and the care of the Monument Lot.

Art. 33. To see how much money the Town will raise and appropriate for the repair of the Town Wharf.

Art. 34. To see how much money the Town will raise and appropriate for the heating, repair, and seats for Union Hall.

Art. 35. To see how much money the Town will raise and appropriate for Mother’s Aid.

Art. 36. To see how much money the Town will raise and appropriate for Dependent Children.
Art. 37. To see if the Town will vote to authorize the Selectmen and Town Treasurer to borrow, as temporary loan or loans, to and for the use of the Town of Searsport in anticipation of Taxes of the current Municipal Year, sums of money in aggregate not exceeding twelve thousand dollars ($12,000.00); and authorize the treasurer of the Town to execute the negotiable bonds or notes of the Town therefor, payable within the said Municipal year from moneys raised by taxation therein and upon such terms as shall be satisfactory to said treasurer and Selectmen of said Town.

Art. 38. To see if the Town will vote to adopt the Stamp Plan for the relief of Town Poor and Surplus Commodity recipients.

The Selectmen hereby give notice that they will be in session in the Selectmen’s office on Thursday, February 6, 1941, at two o’clock in the afternoon for the purpose of correcting and revising the list of voters.

Given under our hands at Searsport, February A. D. 1941.

GEORGE M. ELMENDORF,
CHARLES A. ROGERS,
ELMER F. STAPLES,

Selectmen of Searsport.

Selectmen of Searsport.
AUDITOR'S REPORT

February 12, 1941

To the Inhabitants of the Town of Searsport:

In accordance with instructions from your Board of Selectmen I examined the books and accounts of the Selectmen, Treasurer, and Tax Collector for the municipal year ended January 31, 1941. The results of this audit are shown in the following exhibits and schedules:

Schedules — Accounts Receivable, Trust Funds, Accounts Payable, School Bonds, and Analysis of Change in Surplus.

Cash amounting to $6,529.40 was proven from a statement issued by the Merrill Trust Company, showing a checking account balance of $5,795.55, and cash on hand of $733.85 proven by actual count.

The uncollected balances of taxes, tax liens, and property acquired by non-payment of taxes were verified only by lists furnished by the Tax Collector, Treasurer and Selectmen as appear in the annual Town Report.

The Accounts Receivable as appear in Schedule 1 were proven only with the control account. This, also was true of the Accounts Payable and School Bond as appear in Schedules 3 and 4 respectively.
The various Trust Funds as appear in Schedule 2 were verified in detail by examination of the various pass books and bonds, as to the interest received and expended as well as the total reserve and investment. The great majority of these Trust Funds are now carried in individual savings accounts which result in a smaller amount of interest received on the total fund. It would be my suggestion that these be transferred to accounts amounting to approximately $5,000.00 or less either in the Merrill Trust Company or other banks, providing however the Town Officials did not feel that they should invest these in legal investments for your Town as stated in Chapter 5, Section 93 of the Revised Statutes of 1930.

In referring to Schedule 5 it is to be noted that the Surplus during the year has increased $930.58 which is slightly less than the payment of $1,000.00 on the School Bond. At the same time, I wish to call your attention to the fact that the overdraft in the various accounts amounts to $4,067.28 while the unexpended balances amount to $3,997.86. A large part of the Overdraft was in the various Highway accounts as you will notice by referring to Exhibit D. Snow Removal is of course a variable figure but it must be borne in mind that sufficient appropriation should be made at your annual Town Meeting to cover the necessary expenditures.

With the above mentioned exceptions the balance sheet, to the best of my knowledge and belief, reflects the true financial condition of the town as at January 31, 1941.

Very truly yours,

PAUL A. SMITH,

Public Accountant and Auditor

The Junior High has the best record of attendance for the Fall term. The increase in the enrollment of the High School this year is also very interesting.

To The Superintending School Committee and Citizens of Searsport:

There have been five changes in the personnel of the teaching force this year. Miss McCaughey and Miss Scully left us at the close of the year to take positions elsewhere. Mr. Peirce from Guilford, a graduate of the University of Maine and with four years experience, was elected to fill the vacancy as assistant in the High School. Miss Bradley was transferred from the Porter School to the Nichols School. Mr. Perkins was transferred from the North Searsport to the Porter and Mrs. Lucy Clements was elected as teacher of the North Searsport School. A short time after school had started Miss Rainey had to be given a leave of absence because of an operation for appendicitis. On the sixth week of school Miss Rainey resigned her position and Mrs. Myra Webber was elected to fill the vacancy. The enrollment in the Primary Room at the Central School increased to 45 pupils and after eight weeks of school, the Superintending School Committee felt that there should be an extra teacher for the Sub-primary grade. Mrs. Ella Jackson was elected to this position for the remainder of the school year. This will certainly increase the efficiency of the school as it allows the teacher to give full time to the little ones for the half day that they are in session. At the close of the Fall term, Mr. Achorn resigned to take a similar position at Rockport. Mr. Virgil Hinckley, a graduate from Colby was elected to fill this vacancy.

The average attendance at the North Searsport School was 8.7 for the year 1939-40 and 9.4 for the past Fall term so that it will not be necessary to have an article in the warrant to continue the school.
There have been few changes in textbooks during the year. The histories for the Junior High and the Seniors in the High School have been changed. The spelling books are old and a change has been started in these books, we hope to make the change complete during the coming year. The work in spelling has been made a great deal more practical by the use of work-books, for this reason we are using work-books as a text because the budget will not allow new books to be bought each year. The books in High School Physics have been brought up to date. In the elementary school, work-books have been provided in the third, fourth and fifth grade English. The change in fifth and sixth grade English, that was started last year, has been made for all pupils in these grades. New books have been purchased in the High School for Junior English. About forty books have been added to the High School Library and twelve Social Science maps for the teaching of History. Four typewriters have been changed this year and we will have four more to exchange during the coming year. Equipment for teaching Physics and Chemistry has been purchased as is required by the school law.

The repair work for the year has been as follows: thirty new desks for the Junior High, the building of a new wood shed at the Nichols School as the old one was lost by fire; and many other minor repairs.

The State School bulletin shows the average school rate to be .01301 for the State, while the average municipal rate is .5877. Searsport is shown as having .01108 for school rate and .064 for municipal rate. This did not give us any equalization money but on the contrary our state money was cut $85. The reason was that the State had to cut the amount paid for census, so that instead of getting $3 for each census child, the State could not pay but $1.65 per child. The State has not paid money on attendance since 1932. There are two bills being introduced in the legislature relating to apportionment of school funds. One
provides that money can be paid to the amount of $3 for each child of census age, and the other that one and onehalf cent per day per pupil on the basis of the aggregate attendance of pupils in school be paid. That money is to be provided from the general funds of the State. All should do what they can to favor the passage of these two bills.

The cut in the State School Fund, together with the expense of a teacher for the sub-primary grade, will make it necessary to ask for more money for the year 1941-42. Our balance for the last fiscal year is also over $600 less than the year before.

The average cost of maintaining the schools for the last year are as follows:- Rural schools $40.18; Graded Schools $49.00 and the High School $71.63 per student. If the total cost is divided by the enrollment of all schools, the average cost is $51.39 per pupil enrolled.

Respectfully submitted,

H. S. READ,

Supt. of Schools.
Report of High School Principal

To the Superintendent of Schools and the Superintending School Committee:

I submit my 13th annual report as principal of Searsport High School.

Our enrollment in the Senior High School has increased this year to seventy-two. This means that there is almost capacity registration, involving larger classes and a heavier teaching load.

With a limited teaching staff, it is not easy to meet college entrance requirements and at the same time offer practical work to those who will never continue formal education. One hundred and twenty-eight boys and girls have graduated during the last decade. Of this number, nine have attended normal school, thirteen have some college training, eleven have attended nurses training school, and eleven have taken work at Business College. These make a total of forty-four or thirty-four percent of all graduates. About one out of every ten has taken a course leading to a degree. It seems that a proportionate part of our teaching efforts should be directed toward the sixty-six percent who may never attend school elsewhere. Instruction in vocational guidance should be planned for the near future.

Thirty-six new books have been added to the school library. These books are widely read and enjoyed by the student body. I recommend that shelves be placed in the front of the main room for the library books. At present, they are in a steel cabinet and so are not easily accessible
to the boys and girls. New laboratory equipment has been obtained to meet requirements of the state department of education.

We also have obtained a set of 12 large geographical and political maps of the U. S. These aid materially in teaching American History and Civics, subjects which at the present time seem to be especially important.

The Annual Inter-scholastic Speaking Contest will be held at Searsport again this year, although changes may be made in the system of scoring and judging. We also plan to take part in an interscholastic one act play contest some-time in March.

Our high school fund now has a balance of $148.39 after all bills have been paid. I firmly believe in a program of visual education for our public schools. With this fund as a basis, I hope the school will be able to obtain suitable equipment for the showing of educational films.

Last summer, we used school funds, supplemented by a generous contribution from the Searsport band to do some grading on the school grounds. In this way, a level gravel playground including a basketball court has been made available for the boys and girls. I feel that this work added materially to our equipment.

This year the boys competed in Cross Country for the first time in several years. They took part in four interscholastic meets winning them all and finally taking part in the state meet held at Orono, where they placed sixth.

The basketball teams have had the most successful season in recent years. I attribute part of this success to the generosity of the townspeople in providing heat for
practice sessions, thus enabling the players to practice under game conditions.

Mr. Pierce has helped me by coaching the boys squad. We hope to continue with winning track and baseball teams in the spring.

In general, our attendance has been normal, interest has been good and the work has progressed satisfactorily.

Respectfully submitted,

VICTOR N. GREENE,

Principal Searsport High School
"Adequate provision to assure satisfactory growth and development and protection of the health of children is a public responsibility warranting special consideration and emphasis in any program directed toward better health of the people as a whole. Upon what is done to assure physical and mental health during maternity, infancy, childhood and youth depends the vigor and health of the adult population."

The above quotation is taken from the report of a conference on "Children in a Democracy" held in Washington last spring at which leaders in many fields of child care discussed the problems of youth and ways to solve those problems.

Public health nursing is concerned with securing and maintaining better health for all members of the community. Recognizing that whatever is done to assure physical and mental health during maternity, infancy, childhood and youth will effect the health of the adult population, we have, as in the past, placed most emphasis on the work with the pregnant mother, the infant and preschool child.

During the year visits were made, at the request of the attending physician, to prenatal patients to help them carry out his instructions, or if not under a physician's care to urge them to secure medical advice as early in pregnancy as possible. In many cases the mother was helped to make plans for her confinement.
Visits were made to young infants and preschool children to urge the mother to keep them under medical supervision, to have them vaccinated against smallpox and immunized against diphtheria. When necessary, the nurse assisted the mother in planning a daily regime for the children. Special emphasis was placed on the prevention of communicable diseases which take such a heavy toll in childhood.

1 immunization clinic was held at which 65 children were protected against diphtheria.

Arrangements were made for one crippled child to attend one of the clinics conducted by the Bureau of Health. Also 1 child was admitted to the Pediatric clinic under the same auspices. Follow-up visits were made in the home to assist the family with the care of the patient.

While work in the schools has been limited this year, conferences were held with teachers, the School Committee, and the local health officer and help given in solving special problems. Each school was visited and some inspections were given at the request of the health officer.

The assistance of the Consultant in Nutrition to visit homes where there was some outstanding nutrition problem or to meet with community groups was of inestimable value. The talks that she gave at the schools were very helpful.

It is heartening to find an increased interest in the health work on the part of the community groups. The assistance given in all projects has in large measure been responsible for the accomplishment of the year.
