Report of the Superintendent of Schools

To the School Board and Citizens of Hebron:

I respectfully submit herewith the annual report of the Superintendent of Schools.

The town of Hebron has maintained four elementary schools during the past year, enrolling a total of sixty-nine pupils as follows:

School	Teacher	Enrollment	Average
		Fall Term	Attendance
Academy	Kathleen MacDonald	19	17.
B. Hill	Iva T. Eastman	22	20.
Sodom	Helmi Piippo	18	14.21
Nelson	Florence L. Whitman	10	8.5

There have been changes in the school population during the past year. The changes are illustrated in the following comparative data:

School	Enrollment	Enrollment	% change
	1932-33	1933-34	
Academy	20	19	05.
B. Hill	23	22	04.3
Sodom	21	18	14.3
Nelson	15	10	33.3
Totals	79	69	12.6

There have been changes in the conveyance routes since last year. The town is conveying less scholars and the cost is considerably less than last year.

School to which Pupils are conveyed	Driver of Conveyance	Mileage per day	Weekly wage	No. of Pupils
Academy	Fred Gurney	8	5.	2
B. Hill	Iva T. Eastman	5	2.50	7

Sodom	Harry Staples	9	7.50	3
Minot	Harold Thorpe	8	2.75	2

Number of pupils conveyed 1932-33—16.

Number of pupils conveyed 1933-34—14.

Decrease—2 or 2½%.

There is also a substantial reduction in the weekly cost for conveyance.

Cost per week for conveyance, 1932-33, \$22.33.

Cost per week for conveyance, 1933-34, \$17.75.

Decrease—\$4.58, or 25 per cent.

It was found to be more feasible to convey the Salo children instead of boarding them. Rent was found for the Levine family near enough to a school to eliminate transportation.

The usual standards of attainment have been maintained during the past year. Almost without exception, pupil progress has been commensurate with his ability and energy. Certain projects have been carried out with commendable success. Even the extra curricula activities, so-called, such as holiday programs and community night exercises have correlated closely with the educational program.

Three of the Hebron teachers attended summer school at Farmington during the summer vacation. An occasional summer at Normal School is of great value, not only to the teacher, but to her pupils and school. Good work has been done by all the teachers and the professional attitude is good. Hebron teachers attended most of the teachers' meetings held at Buckfield during the fall.

The following program was put on:

Subject	Date	Speaker or Demonstrator
Planning the Year's Work	Sept. 11	Superintendent
Demonstration 7th & 8th English	Sept. 18	Bessie Woodward
Demonstration primary reading	Sept. 25	Gladys Adams
Demonstration 7th & 8th writing	Oct. 2	Ruth Cushman
Demonstration in History	Oct. 9	Kathleen MacDonald
Demonstration in Geography	Oct. 16	Virginia Alexander
Reports on Lewiston Convention	Oct. 30	Teachers
The Palmer Writing Method	Dec. 4	Zeta Reynolds

HEALTH

The pupils have taken much interest in the health charts and also the six and seven point pupil attainments. Parents should encourage pupils in these worthwhile activities. The health program is based on the soundest of medical and scientific evidence and much of the sickness of today could be avoided. Remember that there was a time when vaccination for small pox was considered a "fad." The county nursing service is a valuable contribution to the school program, and it is recommended to the voters of Hebron. This service has passed beyond the experimental stage.

A forward step in pupil welfare was initiated by the State for the first time this fall in supplying milk to certain pupils who might profit by it. This has been done in larger cities and towns for several years with very satisfactory results. It should prove equally beneficial in the smaller towns.

REPAIRS

The Sodom schoolhouse was shingled during the summer vacation. At the Nelson School, new blocking and supports were placed under the floor. Both these jobs were urgent. The appropriation for repairs was insufficient to cover the cost of the work done during the past year; consequently, there is an overdraft in this account.

The following list is suggested for the coming year:

- Nelson—1. Needs a new floor
- 2. Finishing of inside paint job
- B. Hill—1. Leak around belfry
- 2. Door needs repairing

There is some question regarding repairs on the Nelson school. The attendance hardly justifies the continuance of the school. If the Pulkkinen family should move away, only one Hebron pupil would be left in this district. Five of the children come from Oxford. Of course there is a possibility of other children moving into the neighborhood, and the cost of transportation is an indefinite factor.

At the present time the cost of maintaining the Nelson school, exclusive of repairs, is as follows:

Teaching, 32 weeks	\$148
Janitor and cleaning	25
Fuel	32
Books and supplies	9
	<hr/>
	\$514
Less tuition, Oxford	160
	<hr/>
Net cost to Hebron	\$354

If conveyance to the Academy school were provided at \$8 per week, the cost would amount to \$256 per year of 32 weeks. \$354—\$256 equals \$98, saving to the town if this worked out practically as it does on paper.

If Oxford paid more tuition, the situation would be modified considerably.

FINANCIAL

The Hebron School Board at its regular session on March 7, 1933, reduced the length of the school year from 36 to 32 weeks, the minimum allowed by statute. This retrenchment was made imperative because of reduced appropriations. The financial saving by this step is as follows:

Item	Weekly Cost, 1932-33	Cost for 4 wks.
Teachers' wages	\$70 50	\$282 00
Conveyance	22 33	89 32
Fuel	3 15	12 60
Janitor service	3 05	12 20
Board	3 50	14 00
		<hr/>
Total amount or saving		\$410 12

In addition to this, the Board made further adjustments at its meeting on May 8th. which resulted in savings to the town for the fiscal year ending Feb. 1, 1934.

Item	Weekly cost	Weekly cost	Difference
	1932-33	1933-34	
Teachers' wages	\$70 50	\$60 00	\$10 50
Conveyance	22 33	18 22	4 11
Fuel	3 15	2 01	1 14
Janitor service	3 05	3 05	
Board of pupils	3 50		3 50
Totals	\$102 53	\$83 28	\$19 25

This is a reduction of 18 per cent in the weekly expenditures.

Teachers' wages have been further reduced:

Teacher and School.	Weekly salary 1931-32	Weekly salary 1932-33	Weekly salary 1933-34	Cut since 1932-33	Per Cent.
Kathleen MacDonald, Academy	\$23	\$20	\$16	\$4	20
Iva T. Eastman, B. Hill	20	18	16	2	11
Helmi Piippo, Sodom	18	16 50	14	2 50	15
Florence Whitman, Nelson	18	16	14	2	12.5
	\$79	\$70 50	\$60	\$10 50	17.5

The total common school expenses for 1932-33 amounted to \$4,421.95. The total common school expenses for 1933-34 amount to \$3,605.43. $\$4,421.95 - \$3,605.43 = \$816.52$. This is a reduction of 18.4 per cent in one year, or a reduction of 28 per cent for the two year period ending February 1, 1934. In the two year period ending on the same date, teachers' wages alone have been reduced 24 per cent.

Expenditures for high school tuition are based on the following number of tuition pupils:

School attended	Tuition rate per year	Number in school, fall, 1933-34
Buckfield High	\$ 65 00	10
Mechanic Falls High	65 00	8
Edward Little	75 00	1
Hebron Academy	90 00	5
Gould Academy	100 00	1
Norway High	82 00	3
		28

The equalization fund this year is to be used in lengthening the school year. It was stipulated by the State that the fund be used for this purpose. This gives Hebron an increase of two weeks without any direct cost to the town. Disbursement of the equalization fund is under state control.

The success or continuance of a democracy depends on the education of the masses. An intellectual structure must be built in the lives of boys and girls if civilization as we understand it is to continue at all. While towns are struggling over financial problems, it is well to remember that a revision of the system of national, state, and local taxation must be brought about to save the real estate owner from complete disaster. Legislatures have a real service to perform in this respect. In the meanwhile, let every consideration be given to economy in other lines rather than to let our children stand the expense of an ill-adjusted social order.

I appreciate the cooperation and helpful attitude on the part of the parents, citizens, and town officials who have been a great aid in dealing with the operation of the schools during the past year. It is entirely fitting that I also express my appreciation for the splendid attitude of the teachers who, with more work and less pay, have carried on conscientiously and cheerfully.

BUDGET FOR 1934-1935

After careful study by the School Board and Superintendent, the following budget is recommended to operate the schools the minimum of 32 weeks prescribed by law:

	32 weeks	36 weeks
Common Schools	\$1,900 00	\$2,200 00
High School Tuition	1,550 00	
Textbooks	25 00	
Repairs	95 00	
Superintendence	343 33	
Office Expense	15 00	

An estimate for common schools is also given providing for a school year of 36 weeks. The 32 week budget represents a reduction of 37% since 1931.

Respectfully submitted,

HUBERT E. REDDING,

Superintendent of Schools.
