Report of the Superintendent of Schools

To the School Board and Citizens of Hebron:

I respectfully submit herewith the annual report of the Superintendent of Schools.

The town of Hebron has maintained five elementary schools during the past fiscal year, enrolling a total of seventy-one pupils as follows:

School	Teacher	Enrollment Fall Term	Average Attendance
Academy	Helen Varner	20	18.2
B. Hill	Iva T. Eastman	21	19.
Sodom	Helmi Piippo	16	12.26
Nelson	Florence Whitman	9	8.6
Center	Verna Hicks	5	4.23

By vote of the town at the annual meeting in March, the Center School was opened on April 1, 1935 for the spring term. No extra appropriation was made for this. However, through the interest of Mrs. Violet Buck, who made a personal gift of one hundred dollars, and also by lowering of transportation costs, the schools have been operated without incurring a deficit. Several conveyance routes have been combined, others eliminated.

Conveyance costs compare with last year as follows:

School	Conveyance	Weekly Wage 1934-35	Number of Pupils
Academy	Fred Gurney	\$ 5 47	3
Academy	Reginald Ross	5 00	4
Academy	Agnes Bearce	2 50	2
B. Hill	Iva T. Eastman	5 00	6
Sodom	Mrs. H. J. Salo	10 00	8
W. Minot	Harold Thorpe	2 75	2
Total		<hr style="width: 10%; margin: auto;"/> \$30 72	<hr style="width: 10%; margin: auto;"/> 25

School	Conveyance	Weekly Wage 1935-36	Number of Pupils
Academy	Guy Collins	\$ 6 00	4
B. Hill	Iva T. Eastman	5 75	8
Sodom	Mrs. H. J. Salo	5 00	1
Total		\$16 75	13

Transportation cost more this year than it otherwise would because of the compulsory liability insurance required of all motor conveyances. This expense has to be borne by the town.

Pupils have done well and the teachers have cooperated to make the year successful. Hebron teachers attended both the state and county conventions. They also attended the local meetings held for the district at Buckfield. During the fall the following program was carried out:

Sept. 9	Outline of Year's Program	Superintendent
Sept. 16	Health Program	Superintendent
Sept. 23	Physical Education	Harry Edwards
Sept. 30	Principles of Schedule Making	Superintendent
Oct. 7	The Preparation Lesson (demonstrated)	Gladys Spearin
Oct. 14	Pictures on Education	Harry Edwards
Oct. 21	Notes on American History	Hugh Pendexter
Oct. 28	Report on Bangor Convention	Teachers

REPAIRS

The school buildings are in fairly good general condition with the exception of the Nelson School. This building needs a new floor and the underpinning should be rebuilt. The following repair list is suggested:

Nelson:

1. New floor
2. New under pinning
3. Painting—inside

Sodom:

1. Shed should be joined to the school building where it is pulled off.
2. Foundation needs repairing

Brighton Hill:

1. Three desks need repairing

There are the usual minor repairs that are needed yearly such as setting glass, repairing knobs, etc.

FINANCIAL

The School Board and Superintendent have aimed to keep school costs at a reasonable minimum. The increases in expenditures have arisen largely in the teachers' wages' account and the textbook accounts. The books are in very good condition as a whole, with the exception of the arithmetics. A new series of arithmetics is needed.

Hebron benefitted again this year from the equalization fund, and it has been expended in increasing the length of the school year one week, making 33 weeks in the school year.

I wish to express my appreciation to the teachers, officials, and citizens of Hebron who have contributed in making the past year both successful and pleasant.
