TEXT BOOKS

Most of the books in the hands of the pupils are in good condition. The small geographies are an exception. These books are unfit for use. I should recommend a change in the fall. During the summer vacation, the S. S. Committee adopted the "Stepping Stones to Literature" reading books, to replace the Progressive readers and authorized the Superintendent to make the exchange which she did.

REPAIRS

New seats have been placed in No. 2 and the front of the school building painted.

No. 3, the hardwood was filled and varnished, the woodwork painted and the ceiling and walls calcimined. Wood sheds were also built in Nos. 3 and 8. No. 5 has been extensively repaired, a hard pine floor has been laid, the ceiling sheathed with pine, new inside doors and the building painted throughout. Several of the other buildings have had minor repairs.

No. 1 needs extensive repairs.

No. 4. The foundation needs repairing, a new floor should be laid and new seats.

Several of the other buildings need minor repairs.

CONCLUSION

School No. 13 has been suspended for the year.

Eighteen pupils took the State examination, for the ninth grade in June and were given certificates of promotion, of this number, ten have been attending High School.

Four pupils from the town of Glenburn attended school No. 3 parts of two terms. For their tuition, the sum of eleven dollars and ninety cents (\$11.90) is due the Town of Hermon.

The work done in our schools, with the exception of one nine week term, which did not prove successful, has been highly satisfactory. Five of our teachers have been retained in the same school throughout the year, the work done in these schools has proven the fact that it is poor policy to make a change in teachers too often.

In closing, I wish to thank the S. S. Committee for the valuable advice and aid which they have always been willing to give me. I thank the town officers and the citizens of Hermon for the kindness and courtesy which they have shown me at all times.

I could not close without one word to the children, children I thank you for the hearty welcome you have always extended me.

Respectfully submitted,

A. LINNIS SNOW, Supt. of Schools.

March 1st, 1912.
