TEXT BOOKS

The books have been put in very good condition. The schools are well supplied with text books.

During the summer vacation, the S. S. Committee adopted Maury's Elements of Geography, to replace the Tarbell's Introductory and authorized the Superintendent to make the exchange which she did.

REPAIRS

No. 4 has been extensively repaired, a hard pine floor has been laid, new seats, new sills and a plank platform.

No. 3 a plank platform has been laid.

Several of the other buildings have had minor repairs.

Nos. 10, 11 and 13 need new floors.
The ceiling and walls in several of the buildings need repairing.
Nos. 4, 5, 6 and 8 need painting.
No. 1 needs extensive repairs.

CONCLUSION

School No. 7 has been suspended for the year.

School No. 1 suspended for the spring term.

Thirteen pupils took the State examination, for the ninth grade in June, and were given certificates of promotion. Of this number, four have been attending High School.

We now have fifteen pupils in High School. One pupil from the town of Glenburn, attended school No. 3 parts of three terms.

For tuition the sum of six dollars and twenty-five cents (\$6.25) has been paid the town of Hermon.

We feel justified in saying that the work done in the various schools throughout the year has been satisfactory. We wish the attendance in some of our schools might be better.

I have had the hearty co-operation of the S. S. Committee during the year. Every courtesy and kindness has been shown me by all with whom my work has brought me in contact.

S. S. Committee, town officials, citizens of Hermon and children, I thank you.

Respectfully submitted,

A. LINNIS SNOW, Superintendent of Schools.

March 1st, 1913.
