GRANT OF POWERS TO THE CITY

Sec. 101. Corporate Existence Retained.

The inhabitants of the City of Bath, within the corporate limits as now established or as hereafter established in the manner provided by law, shall continue to be a municipal corporation by the name of "City of Bath, Maine."

Sec. 102. Powers of the City.

The City shall have, exercise, and enjoy all the rights, immunities, powers, privileges, and franchise and shall be subject to all the duties, liabilities and obligations provided for herein, or otherwise pertaining to or incumbent upon said City as a municipal corporation, or the inhabitants or municipal authorities thereof.

The City may acquire property within or without its corporate limits for any City purpose, in fee simple or any lesser interest or estate, by purchase, gift, devise, lease or condemnation, and may sell, lease, mortgage, hold, manage and control such property as its interests may require. The enumeration of particular powers by this charter shall not be deemed to be exclusive and in addition to the powers enumerated herein or implied hereby, or appropriate to the exercise of such powers, it is intended that the City shall have and may exercise all powers, not inconsistent with the provisions hereof, which are granted to cities by the revised statutes of 1964, as amended, and as they may from time to time be amended, and which under the constitution of this state, it would be competent for this charter specifically to enumerate.

Sec. 103. Division of Powers.

It is recognized that there is a division of the powers of the City between those powers which are of a legislative nature and those powers which are exercised administratively in fulfillment of the legislative policy. The legislative powers are vested solely and exclusively with the City Council. The administrative powers are vested in the City Manager and City staff. The legislative function vested in the Council pertains to the enactment of ordinances, regulations, resolutions and orders and with the establishment of policy, the purpose of which is to determine a course of conduct for City government, and to formulate rules of conduct consistent therewith. The executive powers vested in the City Manager and his staff exist for the purpose of carrying out administratively the legislative policies set down by the City Council. This Charter recognizes a firm line of divisions between these two governmental functions, and herein expresses the principle that members of the Council shall not be involved in the exercise of the administrative powers of the City.

The exercise of these administrative responsibilities, is exclusively the function of the City Manager and his staff, and his exercise of these powers and responsibilities shall be without interference from the City Council. The prohibitions against that interference expressed in §210 of this Charter shall be strictly enforced in order to maintain this division between the legislative and executive functions. [7/1/82]

CHAPTER II

Sec. 203. City Council Granted Watch and Ward and Police Powers.

All the powers of establishing a watch and ward, now vested by the laws of the state in the justices of the peace and municipal officers and inhabitants of towns, are vested in said City Council so far as relates to said City; and they are authorized to unite the watch and police department into one (1) department and establish suitable regulations for the government of the same.

Sec. 204. Ward Revision.

The said City shall continue to be divided into seven (7) wards with the now existing boundaries; except that it shall be the duty of the City Council each 10th year, commencing with the year 1950, to review, and if needful, to alter, the ward lines in such manner as to preserve as nearly as may be convenient, consistent with well-defined boundaries, an equal number of voters in each ward.

Sec. 205. Municipal Dock or Pier.

The Council is authorized and empowered to enact an ordinance establishing a municipal dock or pier, and appropriate money for its acquisition, management, control and maintenance. Such is hereby declared to be a public purpose and a public use. The City may exercise for this purpose either or both the right of condemnation and the right of laying out a town way, all as provided by law, such town way being permissible to low water mark.

Sec. 206. Powers of the City Council.

The City Council shall have, exercise and enjoy all the rights, immunities, powers and privileges of municipal corporations incorporated under the laws of the State of Maine. Each member elected shall serve for a term of three (3) years unless said seat is declared vacant pursuant to Section 209 of this Charter. All members shall serve until his successor is elected and qualified. At that time his seat shall be declared vacant for the remainder of his term and a new Councilor qualified from the ward in question shall be elected to fulfill the remainder of the term. If the remainder of the unexpired term is less than six (6) months, the Council shall appoint a qualified person to fill the vacancy.

If by virtue of a change in ward lines, a Councilor elected from a particular ward without having physically moved his residence, is nevertheless located in a ward other than that from which he was elected, he shall be permitted to serve out the remainder of his term, but shall not be eligible for re-election as Councilor from the original ward. Each member of the City Council shall receive compensation for the performance of the duties of the office, the same to be paid quarterly.
